Collin's Auto Repair in Laona

Scott and Mike Collins in front of their new repair shop
By Boyd Monte

Mike and Scott Collins are the proud new owners of Collins Auto Repair. Mike and Scott are a father son team. Scott has an automotive degree and Mike has worked on vehicles his whole life. Scott is running the shop, while Mike helps out in the evening hours after his other job lets out. Scott was employed in Rhinelander doing auto repair and thought it was time to give Laona a repair shop.

Collins Auto Repair is located at 4881 Mill Street across from the Laona Clinic in the old Uptown Station. They offer many services, alternators, batteries, belts, brakes, computer diagnostics, oil changes and much more. Scott and Mike will have more tire equipment coming into the shop soon so they can offer even more services, while Scott will be doing light repair work on ATV's and snowmobiles.

Collins Auto Repair is open from 8 - 5:30 Monday through Friday and 8:00 a.m - 1:00 p.m. on Saturdays. They can be reached at 715-674-2112. Mike and Scott will also be holding an open house on Saturday October 13 from 11:00 a.m. until 2:00 p.m.. The public is invited to see all the changes made and to enjoy food with a chance to win prizes.

The staff at the Pioneer Express wish Mike and Scott the best of luck in their new business.

RC Havok-Indoor RC Raceway & Hobby Store

Craig Kircher stands by shelves stocked with RC vehicles that should provide any equipment desired by the RC racer.

By Mike Monte

Craig and Courtney Kircher have recently opened a race track in Crandon. Not a big outdoor facility, but an indoor course for radio controlled (RC) vehicles where race "drivers" can run their 1/10 scale vehicles, usually trucks, over an indoor clay track that is about 45 feet by 80 feet. There is about 320 linear feet of racing in that space, and a time of 16 seconds is pretty good. The course has plenty of curves and jumps to make the racing exciting. The drivers run their RC trucks from an elevated 24-foot long driver's stand so they can see what their vehicle is doing.

In addition, the Kirchers are operating an RC hobby store with a big selection of cars, trucks and the parts to keep them going. RC Havok also has pit benches where drivers can repair their vehicles and charge batteries. In addition, anything that is wanted for this hobby can be ordered here.

Don't have an RC vehicle? RC Havok does rentals. Try out the hobby before you invest. The course can also be rented for parties, special events and a league racing competition that will begin on Wednesday, October 17 and run 12 weeks.

Family Fun Night Racing is tentatively scheduled for Friday nights featuring family rates for the race course. RC Havok is currently open five days a week, Wednesday through Sunday, at noon until 10:00 p.m., and Sundays from 10:00 a.m. until 4:00 p.m.

A high-tech feature of the course is a screen, seen in the far corner of the track, that projects the lap times of the racers live. For more info on this fast-pac

ig at 715-478-0028. The track is on Hwy 55 south.

Wisconsin Dual Sport Riders (WDSR) hold annual ride for local causes

The 12th Annual Big Woods 200 Dual Sport motorcycling ride took place September 29-30, 2012 in Forest and surrounding counties. The staging area for this 175-rider event took place at the Wabeno Firefighter grounds. Riders from all over the Midwest and as far away as San Diego took part in great riding and the camaraderie that comes with facing challenges and supporting a worthwhile cause.

WDSR hosts two premier riding events each year. The spring Ride for Research is a fundraiser to support breast and colon cancer research at the University of Wisconsin Carbone Cancer Center and the fall Big Woods 200 raises contributions for the local community. Proceeds from this year's Big Woods 200 event included a \$750 check to help in the rebuilding effort of the Wabeno band shell and a \$1000 check to the Christian Food Pantry at St. John in Townsend, WI.

The Big Woods 200 Dual Sport

The ride begins and ends in Wabeno. Riders enjoy two days and over 200 miles of thrilling on and off road riding. Off road tracks include challenging single track, scenic country side and breathtaking fall colors.

Incorporated as a non-stock corporation in 2005, WDSR is a statewide group of passionate dual sport riding enthusiasts. Their Mission Statement: "To promote Dual Sport motorcycling in the State of Wisconsin through organized events, collaboration with other enthusiasts and organizations, communication with state and local officials and by being good stewards of our resources and a positive influence in the communities in which we live, work and recreate."

Local businesses graciously work with WDSR to help create a phenomenal experience of community spirit and goodwill, landowners who allow us to traverse their property and local charitable organizations that help us with our meals.

Twins Get Big Bucks in Youth Hunt

Brothers Caleb and Colby Nelson of Armstrong Creek couldn't have had a better weekend during this year's Youth Hunt. Both boys bagged their first buck while sitting in an undisclosed area. On Saturday, Colby shot an 8 point buck while sitting with his dad. Not to be outthunted, Caleb went hunting on Sunday evening and nailed this trophy 10 pt. buck.

While both boys were excited, Dad was so jumpy he was about to have a heart attack. When asked what he was feeling both nights, hunting with boys both, he commented, "I've never been so happy in my whole life!"

Congratulations boys, and best wishes to Eric Nelson (Dad) for a quick recovery.

Choose My Plate 10 Tips To A Great Plate

Making food choices for a healthy lifestyle can be as simple as using these 10 tips. Use the ideas in this list to balance your calories, to choose foods to eat more often, and to cut back on foods to eat less often.

1.) Balance Calories: Find out how many calories YOU need for a day as a first step in managing your wright. Go to www.ChooseMyPlate.gov to find your calorie level. Being physically active also helps you balance calories.

2.) Enjoy Your Food, But Eat Less: Take the time to fully enjoy your food as you eat it. Eating too fast or when your attention is elsewhere may lead to eating too many calories. Pay attention to hunger and fullness cues before, during and after meals. Use them to recognize when to eat and when you've had enough.

3.) Avoid Oversized Portions: Use a smaller plate, bowl and glass. Portion out foods before you eat. When eating out, choose a smaller size option, share a dish, or take home part of your meal.

4.) Foods To Eat More Often: Eat more vegetables, fruits, whole grains, and fat-free or 1% milk and dairy products. These foods have the nutrients you need for health - including potassium, calcium, vitamin D, and fiber. make them the basis for meals and snacks.

5.) Make Half Your Plate Fruit and Vegetables: Choose red, orange, and dark-green vegetables like tomatoes, sweet potatoes, and broccoli, along with other vegetables for your meals. Add fruit to meals as part of main or sides dishes or as dessert.

6.) Switch To Fat-Free or Low-Fat (1%) Milk: They have the same amount of calcium and other essential nutrients as whole milk, but fewer calories and less saturated fat.

7.) Make Half Your Grains Whole Grains: To eat more whole grains, substitute a whole-grain product for a refined product - such as eating whole-wheat bread instead of white bread or brown rice instead of white rice.

8.) Foods To Eat Less Often: Cut back on foods high in solid fats, added sugars, and salt. They include cakes, cookies, ice cream, candies, sweetened drinks, pizza and fatty meats like ribs, sausages, bacon and hot dogs. use these foods as occasional treats, not everyday foods.

9.) Compare Sodium In Foods: Use the Nutrition Facts label to choose lower sodium versions of foods like soup, bread, and frozen meals. Select canned foods labeled "low sodium," "reduced sodium," or "no salt added."

10.) Drink Water Instead of Sugary Drinks: Cut calories by drinking water or unsweetened beverages. Soda, energy drinks, and sports drinks are a major source of added sugar, and calories, in American diets.

THANK YOU!

Northern Health Centers would very much like to
announce our heartfelt appreciation for the generous donation of
\$4,000 as received from the Annual HaneHebee Golf Outing which
was held at McCauslin Brook Golf Course this past September.

While celebrating the 17th year of this two day golf event;
the group decided to "give back to the community" ...and they
certainly accomplished that!

This entire group of men is from the Northern Illinois, /
Greater Chicago area. The group comprises of family members, son-
in-laws, former school mates, and others who have been lifelong
friends. Best part is that everything began with Jerry Hebson, Bob
Hanson and Steve Hebson calling south for assistance to "close the
cabins at Waubee, pull the docks, and put boats away for the season".
It quickly migrated into "Hey while were here...let's play golf." From
those early beginnings; the Hebson/Hanson families have sometimes
needed to house as many as 60+ wonderful CHICAGO BEAR fans for
this annual event.

How fortunate for our clinic that Jerry and family made
that call years ago. Again, from each of us at Northern Health Centers,
Thank You ALL Very Much!

NuRoc
Resident
of the
Month
Andrew
Adkins

Nu-Roc Community
Healthcare is proud to
announce that Andrew
Adkins is the Resident of the
Month for October.

Andrew has had a
very interesting life; moving to
Wisconsin from Kentucky
when he was 8 years old.
Andrew was a proud member
of the U.S. Army, and was a
POW in WWII. His family
includes 6 children, 13
grandchildren, and 15 great-
grandchildren.

Always a hard
worker, Andrew says that he
did "whatever he could to
earn a dollar", including
logging, painting, and being a
handyman. He raised rabbits
and was a pretty good
fisherman.

Andrew's hobbies
and interests are varied.....he
had a taste for wine, and ate
bacon for breakfast every
day. He always had a small
garden, and was a very good
cook. In later years, Andrew
discovered the casino, and
went as often as he could. He
was fortunate enough to have
won several large jackpots.
He continues to enjoy
following the Brewers and the
Packers. These days,
Andrew's favorite things
include watching wrestling,
and following "his" soap
operas on tv.

Andrew is a good
storyteller and has many
experiences to share. The
staff at Nu-Roc are happy to to
award him this honor.

WISCONSIN ENERGY ASSISTANCE 2012-2013

WISCONSIN'S HOME ENERGY ASSISTANCE PROGRAM (WHEAP) provides assistance for heating costs, electric costs and energy crisis situations. Operating with federal and state funding, the program provides assistance to approximately 225,000 Wisconsin households annually. WHEAP assistance is a one-time payment during the heating season (October 1 - May 15). The funding pays a portion of the heating costs. **IT IS NOT INTENDED TO COVER THE ENTIRE ANNUAL COSTS OF YOUR HOME HEATING.** The amount of the heating assistance benefit varies depending on a variety of factors, including the household's size, income and heating costs. In most cases the heating assistance benefit is paid directly to the household energy supplier.

ELIGIBILITY	3 MONTH COMBINED INCOME	
Your household may be eligible for WHEAP and WAP services based on a number of factors. However, if the gross income for your household is less than the amount shown on the following chart, you might be eligible to receive assistance. Applications for both programs are accepted at your local WHEAP agency.	Family Size	Family Income

	2	\$7,939
	3	\$9,806
	4	\$11,674
	5	\$13,542
	6	\$15,410
	7	\$15,760
	8	\$16,111

Program services are available without regard to race, color, sex, age, religion, national origin, or mental/physical handicap. Income for people who are self-employed, farmers or seasonal workers is based on federal income tax forms for the previous year.

Candidates to Participate in Forum on
Health Related Issues

Candidates from the 12th Senate District and 34th Assembly District will discuss their positions on tobacco, alcohol, and drug prevention along with other health care topics at a Community Forum on Tuesday, October 23rd at the Health & Aging Building in Rhinelander, WI. The forum will run from 6:00 – 8:00 pm.

The forum is being sponsored by the Oneida County AODA Coalition, the Northwoods Tobacco-Free Coalition, the Northwoods LEAN Coalition and the Wisconsin Native American Tobacco Network.

“The unique format gives citizens the opportunity to learn more about some of the most important health care topics facing us this election and the chance to hear directly from candidates on these issues,” said Niki Kostrova, representing the Northwoods Tobacco-Free Coalition. “No one needs to be reminded that Wisconsin voters face some very difficult choices this election year. We are interested in learning about what priorities candidates have and what solutions they will offer for supporting healthy communities and tobacco prevention programs.”

The Community forum is a chance for community members to meet the candidates and ask health-related questions. “We expect a number of advocates, citizens with disabilities, community volunteers, health care professionals, teachers, and parents to attend,” said Kyla Waksmonski, representing the Northwoods LEAN Coalition. “We are looking forward to asking tough questions of our candidates to learn where they stand.”

Anne Cirilli, representing the Oneida County AODA Coalition said, “Alcohol, tobacco, and other drug use affect all of us. There are actions that can be taken to limit youth access to alcohol and drugs. Our goal is to create a safer and healthier environment for our citizens, especially the youth.

The Community Forum is Free and Open to the Public. Please RSVP to Niki Kostrova at 715-369-6115 or nkostrova@co.oneida.wi.us.

Meet the Democratic candidates

Recent voter redistricting has resulted in many changes to northern Wisconsin electoral districts, including the 36th Assembly and 12th Senate Districts. Thousands of voters will be getting new representation, and many may not know the candidates running to fill these seats. In addition, the retirement of Senator Jim Holperin means that his Senate seat is open.

An informational issues and listening session featuring candidates Susan Sommer (12 Senate District) and Dorothy Kegley (36th Assembly District) will be held on October 23 at the Townsend Town Hall from 12:30 to 2:30 p.m. This gathering is open to all voters who reside in these districts, no matter your political affiliation. It is an excellent opportunity to meet the candidates, learn their positions, and see if they are the right fit to represent you in Madison. Coffee, lemonade and cookies will be served.

**CORTNEY M. BRITTEN
FOR
REGISTER OF DEEDS**

My name is Cortney M. Britten and I have proudly accepted the nomination for candidacy from the Democratic Party of Forest County for the Register of Deeds. I have filed the necessary paperwork to be on the upcoming ballot for the November 6, 2012 General Election. Following the unfortunate passing of my boss, mentor and friend, Paul Aschenbrenner, who had been the Register of Deeds for the past 28 years.

I worked closely with Paul, learning the ropes of his office in the hopes of being his predecessor when he retired in a few years. Paul was a hardworking and dedicated Register of Deeds for this county and I feel fortunate to have had the opportunity to learn from him and it is my plan to follow in his footsteps.

I am the daughter of Greg and Pam Britten of Laona. My dad was an Operating Engineer and my mom was the Judicial Assistant for Forest County, both have retired after 20 plus years of service. I have two brothers, Travis, of Laona and Taylor, who is stationed at Cherry Point, NC. My brother, Travis is one of our many local loggers and my brother, Taylor, is a Sergeant in the United States Marine Corp. He will be making his third tour to (Iraq) Afghanistan in January, 2013.

The light of my life is my daughter, Taylor Faye. She is nine years old and attends the 4th grade at the C.L. Robinson Elementary School in Laona. My boyfriend, Jody Campbell, Taylor Faye and I enjoy the vast majority of our weekends hunting and fishing.

I am an active member of the Ladies VFW Auxiliary Post 6823 of Laona. This past year, I helped organize Laona's Easter Egg Hunt, which was sponsored by the Auxiliary. I have volunteered the past several years at the Crandon International Off-road raceway and have also participated in our local Law Enforcement Torch Run for Special Olympics.

My work history includes working as a secretary for Attorneys Robert Jones and Thomas Roley where I first learned to prepare deed work. Prior to my current position as Deputy Register of Deeds, I was the Forest County Victim Witness Coordinator for seven years assisting all victims and witnesses of crimes.

I am graciously asking the voters of Forest County for their support and vote in the General Election. I am also requesting the understanding of the voters of Forest County, that due to the unforeseen circumstances of the passing of Paul Aschenbrenner on September 19, 2012 and the closeness of the election on November 6, 2012 and the current running of the office of the Register of Deeds, I will be unable to personally visit all the voters of the county. However, I will be available for any questions, concerns or comments any voter may have and is encouraged to contact me by phone in the evenings at 715/889-1767.

The Wabeno Post 44 American Legion donated to the Unit Auxiliary in appreciation for assisting them in various fund raising projects.

Pictured is Jon Marsh Legion member presenting a check for \$1,000 to Unit 44 President, Kathleen Marsh.

While originally organized to assist The American Legion, the Auxiliary has achieved its own identity while working side-by-side with veterans who belong to the Legion. Like the Legion, the Auxiliary donates funds raised to help veterans, veteran's families, and the community.
