Candidate Spotlight

Anyone seeking political office is invited and encouraged to announce their candidacy in the Candidate Spotlight. It is an opportunity to tell the voters why you are running, goals if elected, etc. It is not a forum for bashing an opponent, and there is no charge.

Rob Swearingen Candidate for the 34th Assembly Seat

Dear Friends of the Northwoods,

My name is Rob Swearingen and I am a candidate for Wisconsin State Assembly, 34th district. I am a life-long resident of Rhinelander and the Northwoods, as a result I am confident I have an understanding of what the district needs in a representative. My wife Amy and I have just celebrated 20 years of marriage. Our oldest daughter is attending her first year at Nicolet College; our youngest is currently in her sophomore year at Rhinelander High School. We are small business owners and have owned and operated The Al-Gen Dinner Club in Rhinelander for nearly two decades. Owning and operating our small business has led to lifelong friendships and a sense of pride within our community.

For nearly twenty years I have worked with employees that depend on me. I understand what it takes to meet a payroll and to balance a budget. In addition, I currently serve as President of my industry trade association, representing nearly 5,000 small businesses across the state. I have held this position since being elected by my peers in 2007.

I believe the Northwoods is the best-kept secret in all of the Wisconsin. While it's a great place to vacation, live, raise a family and retire, it's also a great place to locate industry. I am committed to the promotion of our area, whether it's for tourism or industry, we need the attention to create good family sustaining jobs.

I am very interested in working with the logging industry in terms of forest management. I would support responsible forest management to utilize a renewable natural resource. Clearly, potential new logging jobs and enterprise would be a direct result of forest management especially here in Forest County. Other issues that I consider a priority include mining in Northern Wisconsin and cracking down on fraud and abuse in our government programs.

Because of recent redistricting, all of the Wisconsin Assembly Districts have been redrawn. The 34th Assembly District now includes portions of Forest County; meaning some of you may be seeing my name on the ballot. I hope this brief introduction will give you some insight to my background.

If you would like to contact me or would like further information I invite you to visit my website, www.swearingenforassembly.com. I would appreciate your vote on November 6th.

Sincerely,
Rob Swearingen, Candidate
Wisconsin State Assembly, 34th District

Tom Tiffany Candidate for the 12th Senate District

My name is Tom Tiffany and I am currently a representative for the 35th Assembly District. I live in Hazelhurst with my wife, Chris, and our three children. Together, my wife and I own and run Wisconsin River Cruises based in Rhinelander.

I am seeking the 12th state senate seat because I believe this past legislative session, during which I represented the 35th district, we made great strides in

Crandon Drama Presents Hail to the Chief

By Craig Sorado - Presented Friday, November 9th at 7:00 p.m.; Saturday, November 10th at 7:00 p.m. and Sunday, November 11th at 2:30 p.m and Veterans are FREE on Sunday

Fellow Americans! Your President, Leland Moore, has more problems than the Treasury Department can count. His swing through the West turns wild when he ends up stranded by a snowstorm in the Turtle Shell Café located in the sleepy mountain town of Turtle Creek which is destined to become a ghost if a new interstate bypasses it. To make matters worse, his daughter Emily's rebellious boyfriend Yuri shows up with his own political agenda. Also popping in is Victoria Day who's into acquisitions-and her next planned takeover is the White House as the new first lady! Add an underworld kingpin who wants the President in his back pocket and the ingredients are right for a comedy coup. Smitty Clutter, owner of the cafe, has a new way of making people stick around even when they don't want to. And Claramae's cooking and Della's serving are guaranteed to put the President in such a good mood he'll be able to make the right decisions despite his advisors and campaign contributors.

Leave it to the down-home folks of Turtle Creek to remind the uptown President what's really important.

NORDAG Demonstrates K9 Police Officers

Officer Dexter draws Officer Skarban to hidden drugs

By Boyd Monte

The NORDAG or Northcentral Drug Enforcement Group, consists of Forest and Northern Oconto Counties, held a demonstration for the county board, Forest County Sheriff's Department, Circuit Court and District Attorney on how a trained dog helps control the trafficking of drugs in our area.

Mich Ashbeck of the Wabeno and Townsend Police Departments and Todd Skarban of the Oconto Sheriff's Department are the current dog handlers in NORDAG. Officer Skaland and Officer Dexter showed how they can work as a team to find possible narcotics. Officer Skarban informed the group that heroin is on the rise in our area. Marijuana is also used frequently and is a gateway drug to harder drugs.

Officer Dexter is a German Shepard. He is trained to find cocaine, marijuana and methamphetamines. He goes through four to six hours a week training with Officer Skarban. A dogs sense of smell is seven to ten times better than a humans. Officer Dexter demonstrated this by finding a package of drugs under a tv and in a refrigerator. A trained dog will bark, jump or scratch at an area to draw attention from their handler to a certain area. A dog will work on average for five to seven years. They will retire when they start to show problems. A dog will be retired as soon as he presents an ailment that is detrimental to him working. The retired dog will then become a family dog to

Vets Photo Display at Wabeno High

A collection of approximately 175 veterans' pictures will be on display in the Wabeno High School Gymnasium from 8:15 a.m. until 3:00 p.m. on Monday, November 12th.

Rita Thielke Blazewicz started collecting veterans' photos in May. She is the chairperson of the Lakewood Reunion Committee, and Governor Walker had declared 2012 the "Year of the Veteran", so Rita decided to make that the theme of the reunion. The task was much more difficult than she expected. Cell phones have made sitting at a desk and calling hundreds of people to ask for photos impossible. The word went out on facebook and newspaper articles asking for photos were abundant. The response was slow. Continued efforts brought the display to approximately 75 when the reunion was held. Reunion attendees helped spread the word and posting the request on the WHS homepage, as well as sending information home with the elementary students, helped bring in more photos.

Proudly the final collection will honor our veterans at the WHS display.

PHOTO DISPLAY SCHEDULE:

11/12 Wabeno High School Gymnasium 8 a.m. - 3 p.m.
11/13 11/15 Wabeno High School Library Entryway 8:15 a.m. 3:15 p.m.
11/17 11/24 Lakewood Super Valu Deli Dept. 7 a.m.- 9 p.m.

Other locations desiring to have the photo display may call Rita at 715-276-6225 to make arrangements.

Crafters still needed for the Lakes Country Library Craft Fair

The Friends of the Lakes Country Library Craft Fair celebrates its 28th year on Saturday, November 24th at three locations: Mountain, Lakewood and Townsend, along highway 32 in northern Oconto County.

We still have openings for crafters, especially at the Mountain Community Center. For more information, call or e-mail Dave at 414-581-0088, mkeheron@yahoo.com.

Crandon Community Blood Drive

The next Crandon Community Blood Drive will take place on Thursday, November 15 from 9:00 a.m. to 1:00 p.m. The blood drive will be held at St. Paul's Lutheran Church at 501 N. Park Avenue in Crandon.

Advance donation appointments are highly recommended, and may be made by calling the Community Blood Center at (800)280-4102 or visiting www.save3lives.org. Walk-in donors are welcome, but scheduling an appointment keeps the total time required for a donation to less than an hour.

**Elect
Dorothy Kegley
36th Assembly District
A Proven Leader of Integrity
Transparency, Honesty and
Job Creation**

I am coming out of retirement to run for the 36th Assembly seat, because we have allowed some of our legislators to destroy the ethics and values of the great state of Wisconsin. IN particular, the ethics we hold true in our part of the state were ignored.

Northern Wisconsin prides itself on its commitment to close-knit families, schools, and community. **We believe in** respecting and caring for our elderly, **We believe in** a good public school system to assure that our children receive the best education that they can. **We believe in** being a good steward to the land to assure a future for generations to come. **We believe in** a strong local government that is governed by the people for the people.

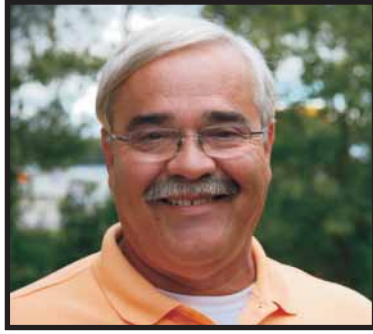

Our current legislators along party lines are seeking to bankrupt rural America by allowing severe state aid cuts to our schools and local units of government, while putting on a local tax freeze.

This destruction of rural Wisconsin must stop, and I am a proven voice for that change.

**The Republican Governor who appointed me to the Boards and Councils understood that we have to work together for the good of the whole. I will work hard to bring back that value to state government.*

Rhineland Area Retired Educators to meet
"Painting is Easy the Bob Ross Way"

Rhineland Area Retired Educators are invited Wednesday, November 14th, to the Claridge Inn, on Stevens Street in downtown Rhineland at 12:00 noon for an intriguing program : Painting is Easy- The Bob Ross Way by Bobbi Keso-Mode who will demonstrate how easy it is for anyone to paint.

Keso-Mode was an instructor for several years using the popular Wet on Wet Oil Painting style of Bob Ross, the bushy-haired host of "Joy of Painting" on public television. In just one half hour viewers were shown how to paint a complete scene using his method. Curious? Be sure to attend, even if you have never painted before.

All retired educators living in Rhineland and neighboring cities interested in attending or wanting more information, please contact Natalie Obey at 715-369-5582.

Laona Drama Dept. presents "The Boardinghouse"

Boarders and guests at the Boardinghouse gather to discuss the search for the buried treasure. Seated are (l r), Veronica (Catherine Krawze), Mr. Richards (Zach Reeves), Ivy Elycia Baker). Back row are Dirk Shadows (Jake Ambrosius) and Nurse Hortense (Laura Dachelet).

Laona High School's Drama Department will be staging the comedy, "The Boardinghouse," by Vern Harden on Friday, November 2 and Saturday, November 3 at 7:00 PM and Sunday, November 4 at 2:00 PM.

All are welcome to join Miss Harriet for a night of hilarious action at her, anything but normal, Home Sweet Home Boardinghouse. We return to The Sixties...or is The Seventies?... with a poet, a hypochondriac, a taxidermist, a spiritualist and many other zany boarders who are joined by two intruders looking for buried treasure in the basement of the boardinghouse. The audience will be laughing from beginning to end as they unravel the century-old mystery.

An invitation to practice nonviolent communication

"NVC helps us learn how to create peace within ourselves." This quote by Marshall Rosenberg, author of Nonviolent Communication; A Language of Life, is one of the reasons many people all over the world gather to practice the concepts presented in his book. NVC (nonviolent communication) is used in schools, health care, prisons, and the work place. It also touches the personal lives of untold numbers of people. The way we communicate has an important influence on how we relate to each other. Many of us long for nurturing relationships and a sense of connection with other people yet we often find ourselves in communication patterns that are divisive, seeking to overpower ones ideas with another or perhaps imposing our beliefs for what is right over those who we deem wrong (or vice-versa). Learning and practicing nonviolent communication offers an opportunity to make other choices.

You are invited to join and participate in an exciting new group, gathering in the basement meeting room of the Crandon Public Library on November 10, 2012 from 9:00 a.m. to 12 p.m. Facilitated by Lyn Pietila and Sean Zimmerman, the meeting will focus on exploring compassionate communication using nonviolent communication (NVC) principles from Rosenberg's book. Pietila and Zimmerman have been studying this topic for nearly one year and share the desire to reach out and practice the concept with others. Questions can be directed to Lyn Pietila (715) 479-2669.

turning our state around, in getting Wisconsin back on the right track, but there is still more work to be done. When elected to the Assembly, I was committed to balancing our state's budget, keeping property taxes low and cutting red tape in government. It's important to me that we don't just balance our budget for one fiscal year; we need to do it every fiscal year.

The Milwaukee Journal Sentinel just reported that during the last year Wisconsin gained over 37,000 jobs and 12,000 of those were in manufacturing. This is great news for Wisconsin and the Northwoods, because it means businesses are willing to invest in Wisconsin where they weren't before. The changes my colleagues and I put in place last year are starting to work and I know that there is still more to be done in Madison. I will be Northern Wisconsin's voice in Madison and ensure that the interests of you and your neighbors are taken seriously.

If elected to the state senate, there are a few things that I would tackle immediately. The first thing I would do is promote the utilization of Northern Wisconsin's natural resources in the form of manufacturing, tourism and forestry. There is an environmentally safe way for us to do this, and as a representative of the north I will make sure that the Northwoods' interests are always kept in mind when it comes to the utilization of our state's natural resources, as well as ensuring that it is done in an environmentally sound way.

The second thing I would do is work on continuing to expand broadband in the north. Once the north has broadband I believe we will be on more equal footing with Southern Wisconsin. With broadband, Northern Wisconsin will be able to compete for jobs and for business. Leveling the playing field is important - without broadband, businesses don't believe they are able to grow and expand.

The third thing I would do is work on ensuring that Northern Wisconsin receives its fair share of money from the Wisconsin Economic Development Corporation (WEDC). WEDC was set up in during the last legislative session and replaced Wisconsin's Department of Commerce. It is meant to encourage and grow business in

Crandon Grade 10 SPEC Conferences
 Grade 10 SPEC (Student & Parent Educational/Career) Conferences are scheduled for November and December at Crandon High School. These conferences are unlike traditional parent/teacher conferences. The focus is on each student's personal and social growth and his/her educational and career development. Emphasis is placed on review of overall academic progress, talents, abilities, interests, Career Cruising Assessment results, and the transition from high school to a career.
 SPEC Conferences are specifically designed conferences for parents/guardians to gain insight in their son's/daughter's development. Participation in the conference allows students to gain insight into the direction they are headed in the future. Out task is to determine how we can help them create and achieve broadly based goals for their future.
 Parents/Guardians are key members of the conference team. Conferencing gives parents/guardians and students the opportunity to discuss talents, interests, academic performance and future goals in a positive atmosphere and continue building a Post-High School Plan. SPEC Conferences are not intended for discussions of student behavior issues.
 The Grade 10 SPEC Conference lasts approximately 35-minutes. Parents/Guardians will receive a letter in the mail with the date and time of their student's Grade 10 SPEC Conference. If parents/guardians are unable to attend the SPEC Conference, students will meet individually with the counselor. Call Jessica Keao, High School Counselor, at 478-3714 if you have questions about Grade 10 SPEC Conferences.

There's a better way to buy insurance.
Because coverage for what took a lifetime to build shouldn't be decided by the latest fad.

Buying Insurance?
There are so many choices & decisions

- Where should I buy?
- What's a good price?
- How much coverage do I need?
- What types of coverage?
- Will I have enough?

It can be overwhelming

TRICIA PEMMA
Some companies want you to believe that the only thing you should consider is cost, but insurance is much more than just premiums. Insurance is about loyalty and teamwork and community relationships. It's about stability and consistency, and finding the right coverage at the best price.

Death Notices

SJANA MARLYNN (DOUGLAS) FARR went to be with her Lord and Savior on the 25th of October 2012. She was the daughter of Gordon and Edith (Bohanan) Douglas Born on September 14, 1956.

She graduated from South High in Torrance, CA and was raised in the South Beach area. She graduated from El Camino Community College and

began working for Hughes Aircraft Company, in California, as a Data Processor. Sjana married William (Bill) Farr on July 29, 1978.

She loved "everything" and there weren't too many things that she didn't get excited about. Her favorite animal was the giraffe but, if she could have her way, every animal that needed a home would be here. Hugs were given out freely and abundantly. Her heart was bigger than all Wisconsin and if you were fortunate to know her, you were accepted just like you were old friends. Her other interests included: Reading, needlework, stamping, camping, traveling, "Bonanza" & "Gunsmoke," visiting friends and family and giving "lovins" to anyone who crossed her path especially her grandchildren.

Her passion was Jesus Christ and her faith in God never wavered. She also loved Operation Christmas Child because it was giving something to children who would not have anything for Christmas. Every time she rode up the driveway to home she would say, "I just love where we live."

She is survived by: Her mother Edith Hyde. Husband Bill. Son Jonathan. Brother Gordon (Gordy) and wife Sharilee Douglas. Sister Geana Stuart. Grandson Jonathan. Granddaughter Jesabella. Many, many aunts, uncles, cousins, nieces, nephews and friends.

Preceded in death: her father Gordon (Doug) Douglas and step father Earl Hyde.

Visitation will be held on Thursday, November 1 from 4:00-8:00 p.m. at Praise Chapel Community Church, Crandon and again on Friday, November 2 from 10-11:00 a.m. Funeral service will be held on Friday, November 2 at 11:00 a.m. with Pastor Don Dewing officiating. Interment will be at Crandon Lakeside Cemetery. Online condolences www.weberhillfuneralhome.com

Turkey is a great buy during the holiday season. Roast a whole turkey and then use it in sandwiches, casseroles, soups, tacos and other dishes. Turkey can help stretch your food dollars! If you have never roasted a turkey, it may seem difficult. However, it is easy!

Follow these easy steps:

1.) Thaw the turkey in the refrigerator. Be sure to give your turkey enough time to thaw. A 12 pound turkey can take 2 to 3 days in the refrigerator to thaw.

2.) Roast! Place the turkey in a large roasting pan. Add 2 inches of water to the pan. Place in a 350 degree oven. Add more water if needed while it is cooking.

3.) How long should the turkey roast? Use a thermometer. The temperature should reach at least 165 degrees F in the thigh. An un-stuffed 12 pound turkey will need to cook about 3 hours.

Leftover Turkey

Cooked turkey can be kept in the refrigerator for up to 3 to 4 days. Cooked turkey can be kept in the freezer for up to 4 months. Cut leftover turkey into large pieces. Freeze in freezer bags.

Turkey can be added to:

(Thaw and chop cooked turkey)

- Soups
- Quesadillas and Burritos
- Spaghetti Sauce
- Pizza
- Noodle and Rice Dishes

Turkey Sandwiches

There are so many ways to make a turkey sandwich. If you don't have leftover turkey, use deli turkey meat.

•**Barbecue Turkey Sandwich** - Layer turkey slices, barbecue sauce and a slice of American or Colby cheese on a bun. Heat in the microwave and serve.

•**Turkey Pita** - Combing chopped turkey with low fat mayonnaise and a small amount of pickle relish. Stuff turkey into pita bread. Add shredded lettuce.

Wisconsin deer donation Drop off unwanted deer at Schaefer's IGA!

The Wildlife Damage Deer Donation program will be continuing Wisconsin's autumn tradition. Since the program began in 2000, hunters have donated over 80,000 deer which were processed into over 3.6 million pounds of ground venison.

Wisconsin has a network of venison donation efforts including: Hunt for the Hungry, which operates in the Green Bay area; Target Hunger, which handles donations from the Chronic Wasting Disease Management Zone and the Wisconsin Deer Donation Program, which covers all remaining areas of the state. USDA - Wildlife Services staff also help administer the programs in 49 counties.

Hunters, you can help feed needy people throughout Wisconsin this fall by taking 5 simple steps:

Donate any legally harvested deer taken outside the CWD management zone by dropping it off at a participating processor [PDF] by Friday, February 1, 2013. Deer taken outside the CWD zone are registered with a silver metal tag, and only deer with silver tags may be donated to these processors. Deer taken within the CWD management zone are registered with a red metal tag and must be brought to a participating processor within the CWD management zone [PDF].

Field dress the deer and register it at a Wisconsin DNR registration station prior to donating the deer.

Call First! Contact one of the participating processors before dropping the deer off to verify the processor has space to accept your deer. Some counties with metro deer management units may be accepting deer until the end of the metro unit hunts. Check locally with a participating processor.

Donate the entire deer to receive the processing for free. (Head and/or antlers may be removed for mounting.) Please handle the carcass as if it were destined for your own table. A couple bags of ice placed in the cavity will help preserve the carcass in warm weather.

When dropping your deer off at a processor, please sign the simple log sheet indicating your desire to donate the deer. We'll do the rest. The donated deer will be processed and the venison will be distributed to charitable organizations to help feed Wisconsin's needy.

Hunters please help Target Hunger and the statewide deer donation program "Feed The Need!" Please consider switching to non-toxic ammunition as

even a very small amount of lead in a deer carcass is toxic to humans and wildlife. Page 23 of the Deer Hunting Regulations booklet lists recommendations to reduce the risk of lead in venison and also lists links on where to find copper bullets and non-toxic ammunition for hunting. Thank you for your interest and good luck hunting!

The Lakes Country Public Library, Lakewood, is hiring a part-time Library Assistant. The position is for approximately 20 hours per week, including days, evenings and some Saturdays. A high school diploma or GED is required; post-secondary education and public library experience is preferred. Applicants must have computer skills and the ability to work with technology. Duties include check-out and check-in at the front desk, shelving, locating materials, helping patrons with technology, helping to organize summer reading program activities and other children's programming. Applications are available at the library.

Please send application, resume and cover letter to: Lakes Country Public Library, P.O. Box 220, Lakewood, WI 54138

Applications will be accepted until 5 p.m. November 5, 2012.

The Lakes Country Public Library is an equal opportunity employer.

Conservation Programs Available for Farms and Forests

The USDA's Natural Resources Conservation Service (NRCS) is accepting applications for two of its conservation programs for farms and forestland. The Environmental Quality Incentives Program (EQIP) offers technical and financial assistance for a variety of conservation practices on cropland, pasture, and forestland, while the Conservation Stewardship Program (CSP) offers financial "rewards" for existing conservation on the same land uses. Interested farmers and forest landowners from Florence, Forest, Oneida, and Vilas counties should contact Michael Stinebrink, at (715) 362-5941, Ext. 111, or michael.stinebrink@wi.usda.gov. Alternatively, please visit the Wisconsin NRCS "Programs" webpage (<http://www.wi.nrcs.usda.gov/programs/>) or the USDA Service Center, located at 2187 N Stevens St, in Rhinelander, for more information.

The Environmental Quality Incentives Program (EQIP) has offered an average of approximately \$400,000 in flat-rate payments, per year, to farmers and forestland owners, in Florence, Forest, Oneida, and Vilas counties, over the past 3 years. EQIP assistance is offered for more than 80 conservation practices, including fencing, watering systems, and pasture planting for grazing systems; tree planting; invasive species control; manure storage; erosion control; and forest trails and timber stand improvement. Incentive payments are also offered for forest management plans and nutrient management plans. Additionally, EQIP offers funding for wildlife projects, such as wood duck boxes and osprey nesting platforms, in-stream structures for fish habitat, herbaceous and woody plantings for pollinator habitat, and managing forest land to create early successional habitat for woodcock.

The Conservation Stewardship Program (CSP) is a "rewards" program that offers payments to land users for being "good stewards" of cropland, pasture, and forestland. All CSP contracts are 5 years in length. The following is a summary of the annual payments for existing CSP contracts, in Wisconsin:

Cropland: \$7 to \$57 per acre (average = \$21/acre)

Pasture: \$3 to \$45 per acre (average = \$16/acre)

Forestland: \$1 to \$25 per acre (average = \$5/acre)

Ideally, land enrolled in CSP should show few signs of erosion, water quality should be protected, and some areas of land should be managed for wildlife habitat. Participants must implement at least one additional conservation measure to earn a payment.

Wabeno Home and School was busy at the Elementary School

On Thursday, October 18th, during Parent-Teacher Conferences, the Wabeno Home and School Association hosted two fun events for students and their families. The fall Scholastic Book Fair was a great success in the elementary library. To help families purchase books, Home and School gave a 20% discount on items purchased at this book fair. Over 100 families were able to make book purchases! The goal was to provide books to kids at a more affordable price. The funds raised at this book fair will go toward the March Family Reading Night.

On October 18th for Fire Prevention Week, Home and School sponsored a Family Fire Safety and Prevention Night. The students and families learned more about safety through the hands-on experience given by the Forest County Deputy, United Area Rescue, and the Wabeno and Townsend Fire Departments. In addition, Smokey from the US Forest Service attended and provided reminders and safety tips. Congratulations to the student winners of the fire safety raffle- Lucas, Rayanne, Ozari, Adisun, Evan, Kylie, Johnny, and Olivia. Each of the winners received a free book from the Scholastic Book Fair compliments of Home and School. Local safety personnel, Home and School volunteers, and volunteers donated food to provide a dinner for the Fire Safety and Prevention Night personnel.

Plan on attending the Home and School meeting on Monday, November 5 in the elementary library at 6:00 p.m.

The next Family Fun Night will be Thursday, November 15 at 6:00 p.m. and during this event Home and School will be having a bake sale. Participate in the fun!

Legion Post 44 Fall Raffle

Linda Vandenlangenberg (L) and Joanne Longway sell raffle tickets at the Wabeno ALA Unit #44 Fall Raffle drawing

"Wabeno American Legion Auxiliary Sylvan Unit 44's Fall Raffle was a huge success," reports raffle chairperson Joanne Longway. "We raised close to \$2500 for this event, which is our only annual fundraiser."

Winners were drawn on September 29 at the Legion's Annual Chicken Dinner. First prize of a \$500 Shell gas card, donated by Townsend Shell and the Auxiliary, was won by Dianna Tucker. Jone Wood won the beautiful handmade quilt and pillows donated by Diane Johnson. Diane also donated a Christmas assortment, won by Karen Czyzewski, and a children's basket won by Ray Gardebrechy. Al Schmidt took home the gorgeous art print donated by Citizens Bank, and Betty Sellhausen won the overnight package provided by Potawatomi Carter Casino Hotel. Other prizes were donated by the Legion Post #44, Joanne and Gary Longway, Linda Heisler, Ann Marie Wixom and Linda Vandenlangenberg.

All money raised by the Auxiliary are used to benefit local veterans, their families, state veteran hospitals and shelters, and the local community.

Nicolet's University Transfer Program sets enrollment record

Enrollment in Nicolet College's University Transfer Liberal Arts program hit a new record high in 2011-12, with 448 Northwoods students enrolled. The program provides students with the first two years of a bachelor's degree. They then transfer their Nicolet credits to four-year colleges and universities.

Crooked Lake/Mountain Lions cleanup the road

On the first Tuesday of every month from April through October, at 9 a.m., the Crooked Lake/Mountain Lions Club picks up litter for a 4-1/2 mile stretch along Cty Rd W. One group starts at Boundary Lake and another group starts at Nelligan Lake Road. Prizes have been awarded for finding the most unique debris. It's amazing! The pick up doesn't take a great deal of time because it is done every month and this simple task keeps the beautiful drive through Crooked Lake on W just that...beautiful.

The ladies pictured from L to R are Cassie Zittlow, Nancy Behnke, Mary Lintner, Jayne Meier, Dar Berntson, Judi Laduron and Anne Steeg. The men pictured from L to R are Mike Lintner, Dave Meier, Jim Zittlow, Dan Stark and Wayne Jung. Missing from the picture is Glen Seering.

WPS helps fund portion of feasibility study for proposed ORV park

Plan Could Create Significant New Tourism Venue

Wisconsin Off-Highway Vehicle Park Inc. (WORVPI) has commissioned a feasibility study in order to lay the groundwork to create a motorized recreation area in Forest County. The study is intended to determine the best site within Forest County to locate the MRA Park based on accessibility, existing land use, zoning, cost estimates, connectivity and minimal impact to residents and the environment.

Wisconsin Public Service (WPS) announced a \$750 contribution to help support the costs of the study. In presenting the check, Leah Van Zile, Community Relations Leader for WPS stated, "WPS has a long standing tradition of investing in the communities we serve. We hope this puts Forest County one step closer to attaining the MRA Park."

The grant request was written by Forest County Economic Development Partnership (FCEDP). "The potential of a multi-thousand acre park in Forest County certainly fits within our mission," stated FCEDP Secretary Melinda Otto. "It was important to have our executive director invest time to help cover the cost of the study."

Stakeholders that previously announced commitments to supporting the cost of the study included Forest County, City of Crandon, Forest County Tourism Commission, Great Lakes Resource Alliance and the National Off-Highway Vehicle Association, Inc. and Forest County Chamber of Commerce.

and great education they can get in Nicolet's University Transfer Program," said Rose Prunty, Dean of the University Transfer Program, during a report she gave to the Nicolet College Board of Trustees during the Board's October meeting. "They recognize that it is a very good way to begin working on a bachelor's degree."

Since 2009, enrollment in the University Transfer Program is up 22 percent, she added.

Along with being the largest academic program on campus, accounting for about one out of every three program students at Nicolet, it is also one of the oldest, as it was founded with the opening of college in 1968.

"Over the years thousands of Northwoods students have used the Transfer program as a stepping stone to higher levels of academic achievement," Prunty said. "It's encouraging to note that many have also returned to this area to apply their skills in a wide variety of fields, from education, to health, to natural resources and many others."

Today, Nicolet has in place more than 70 credit transfer agreements with numerous four-year colleges and universities. These include many private college and all institutions in the University of Wisconsin System, including UW-Madison, the system's flagship campus.

The sweeping partnership that includes a guaranteed admission agreement with UW-Madison creates a smooth pathway for Northwoods students to study at a world-class university infamous for its high admissions standards, she added.

Furthermore, under the Connections Program, students are enrolled at both Nicolet and UW-Madison and enjoy all of the benefits each institution has to offer. This includes receiving a UW-Madison ID that grants access to UW-Madison libraries, recreational facilities, ability to purchase tickets to UW-Madison athletic events at student rates, and access to cultural and social events on the UW-Madison campus.

When students graduate from Nicolet's University Transfer Liberal Arts Program in good academic standing, they transition to UW-Madison where they are granted full junior status.

In the past five months alone Nicolet has received 230 requests from students to have their transcripts sent to a variety of post-secondary institutions, a necessary step in the transfer process.

"This is a solid indication that many students are continuing their path to a bachelor's degree," Prunty said.

According to the data collected, the most popular destination campuses for Nicolet Transfer students are UW-Stevens Point, UW-Green Bay, and UW-Madison.

Prunty also pointed out that the trend Nicolet's University Transfer Program is experiencing is being mirrored across the country. Nearly half, or 45 percent, of all students who finished a four-year degree in 2010-11 had previously attended a two-year college, said Prunty, citing information from the National Student Clearinghouse.

live out his days. Officer Skarban took his first dog home after his retirement.

On a traffic stop, if there is a reason to have the dog check, the patrol man will have a second police officer explain the reason for the stop or reason for the ticket, the dog will then walk around the outside of the car, if he shows a sign of drugs, the car will be checked further, if not the person will be free to go. Officer Skarban and Officer Ashbeck keep detailed notes of all the stops that they make and all of the calls when Officer Dexter and Officer Dutch are used.

Officer Mich Ashbeck and Officer Dutch have been seen around the county for a few years now. Officer Dutch showed the attendees how he alerts his handler to a possible drug in a car.

The Forest County Sheriff's Department will begin their K-9 Unit in January of 2013. Officer Bill Hujet will be the handler of the dog. The dog is a black male German Shepard from Filo Kennels in Cambellsport, Wisconsin. Training starts in December. It is a four week program.

Officer Dexter is assisting with a confrontation. The K-9s will protect their handler when they sense danger.
