35th Annual Lakes Country Arts & Crafts Show

The Lakes Country Arts and Crafts show, sponsored by the McCaslin Lions Club, will celebrate their 35th anniversary August 3, 2013 in the Lakewood Community Park. The show started in 1978 has grown to 263 exhibit booths with 186 vendors displaying a huge variety of handcrafted arts and crafts. Free admission and parking. Food and beverages are served on the grounds.

Proceeds from this very popular show support the McCaslin Lions Club local service activities such as support for the local food pantry, college scholarships to graduates of two area high schools, children's Christmas party, a fishing outing for special needs children, support for several area youth sports organizations, Sheriff's K-9 program to name only a few.

Mark your calendar now. Don't miss the Lakes Country Arts and Crafts show on August 3, 2013 in the Lakewood Community Park.

For additional information call 715.850.0581.

Lakewood Reunion Coming Soon "30 Years of Memories"

Everyone is invited to the 30th Annual Lakewood Reunion which will be held Saturday, August 31st, at Waubee Lake Lodge in Lakewood. If you are from Lakewood, moved to Lakewood, like to visit Lakewood, have driven through Lakewood...you are welcome to join us in sharing "30 Years of Memories". You need NOT have been born and raised in Lakewood to attend. Photos from past reunions will be shown and Tom and Faye Thielke will have Lakewood memorabilia on display. Dick Lowery has again written a poem to share with us, and hopefully we can convince Faye to entertain us with another vocal arrangement. The festivities begin at 4 p.m., with the family style meal being served promptly at 6 p.m. Those wishing to attend should send \$20 per person to Rita Blazewicz, 14245 Glenwood Lane, Lakewood, WI 54138.

If you have ever attended a reunion and have photos, please send digital copies to, or actual photo copies to Rita Blazewicz.

2014 Lake Metonga Calendars are ready!

One of the members of the Lake Metonga Association had an idea, why not make a calendar with pictures from Lake Metonga? The process began with talking to printers to see what is needed to print calendars and then to find pictures. So the Association asked that people from around the lake take a look for pictures they had taken throughout the year of Lake Metonga. These pictures would then be sent to the Lake Metonga Association through email or US mail. The response was fantastic! We appreciate everyone for all of the great pictures. There were so many wonderful pictures but the decision had to be made which pictures would go into the calendar and what month they would represent. So a committee was formed to take on this project.

Kentuck Day Festival It's a family tradition

The food booths are famous at Kentuck Day!

Come to downtown Crandon, Wisconsin on Saturday, July 27, for the Annual Kentuck Day Festival. This popular summer festival celebrates the heritage of many of the area's early settlers from Kentucky. The rich history of families from Kentucky will be highlighted at this event, featured in the historical booth on the grounds of the courthouse square. With artist and crafter booths, great sidewalk sales, specialty food booths, kid's venue, and live entertainment on the grounds, there will be something for everyone to enjoy! Not to mention the best car show in the Northwoods and you won't want to be anywhere but in downtown Crandon.

New to the Kentuck Day Festival line up is the 2nd Annual 5K Moonshine Run. The Moonshine Run starts at 9:00 a.m. (registration begins at 8:00 a.m.) and will wind its way through downtown Crandon and end near the Kentuck Day festival grounds on the courthouse square. The registration (paid by July 21) is \$10 for youth (under 18), \$20 for adults, and \$50 for a family of four. Registration after that will be \$15 for youth, \$25 for adults, and \$60 for a family of four. All proceeds will benefit the local youth sports groups. It's a great way to kick-off a full day of family fun.

The 10th annual Kentuck Classic Car Show will take place on the beautiful grounds of the Weber-Hill Funeral Home from 9:00 a.m. till 3:00 p.m. An entry fee of \$10.00 can be paid upon registration, taking place from 8:00 till 11:00 a.m., at the show grounds. Show Chair Winda Collins encourages everyone to register early as the first 100 participants receive a 'goody bag', including t-shirts and dash plaques. First, second and third place trophies will be awarded in each class. Food and refreshments will be available on the grounds and DJ Rusty will be playing tunes throughout the day. Whether your vehicle is show ready or a work-in-progress, plan to attend and show pride in your ride at the Kentuck Classic Car Show.

Kentuck Day Moonshine Run and Walk

The Moonshine Run/Walk will be on Saturday, July 27th, in conjunction with the Kentuck Day festivities in Crandon. The race begins and ends at the Courthouse Square. This is the second year of the Run, and last year, there were 138 runners and walkers in the event. It is hoped that the 200 participant number will be reached this year.

This is a community event that plows any proceeds back in the community. Last year's proceeds, which like this year, went to Forest County Little League and Crandon Youth Football. In the photo above, Mayor Rob Jaeger and co-organizer Josh Jaeger presented a check for \$750.00 to Joe Kane, Forest County Youth Football and to CJ Cochrane, representing Forest County Little League. The registration fee before July 21st is \$10 for your under 18, \$20 adults, and \$50 for family of four. After July 21, the prices go to \$15, \$25 and \$60 respectively.

The run begins at 9:00 a.m. on Saturday July 27th, with packet pick-up from 7:30 a.m. until 9:00 a.m. Registration forms are available at the Chamber office or online at www.kentuckdayfestival.com.

Schroeder's Auto becomes a Certified NAPA Center

By Mike Monte

Schroeder's Auto Service and Sales is now a certified NAPA AutoCare Center. While Schroeders has been keeping vehicles running in the Pearson and Pickerel area for decades (since 1974), the NAPA designation also gives the customer a 12 month or 12,000 mile warranty on repairs done with NAPA parts. There is also a daily parts delivery from the NAPA store in Crandon, which helps the turnover of customer's cars.

Adam Schroeder has worked there for twenty years, and Adrian Tomlin has been there for about thirty years, starting work with Adam's father when he was a teen.

In addition to the repair shop, Schroeders also sell vehicles, with eight to ten on hand that have been put in shape in the shop. They also have a 24-hour towing service, do air conditioning work, mobile RV repair plus RV accessories.

You will find Schroeder's Auto on Hwy 55, in Pearson, next to Schaefer's Country Store and Hill's Still.

Forest Community Online Calendar

The Community Coalition of Forest County is excited to announce a new resource for non-profit organizations, community clubs, school districts, families, and well, just about everyone in Forest County: the Forest County community online calendar.

The community calendar found online at www.goforestcounty.com is an interactive, graphic site that Community Coalition members hope will lead to better attendance at community events by families, Forest County residents and visitors to the area. The Community Calendar may be used to promote educational, social, cultural, athletic, or recreational events in Forest County that are open to the general public sponsored by non-profit civic, social, charitable, fraternal or educational organizations.

All Forest county groups, including municipalities, are encouraged to submit their events to the calendar by completing the online form located at www.goforestcounty.com/submit/.

The website is a joint project of the Forest County Community Coalition, the Forest County Chamber of Commerce and the Crandon Public Library.

Death Notices

JOHN R. SUMINSKI was a man of noble character, who instilled the significance of faith, responsibility and service in his family and demonstrated the same among his friends and neighbors. As a loving husband, he shared his life and calling with his wife, and as an invested father, John parented by example. He was disciplined yet fun loving, adventurous as well as reflective. His education showed many interests, still his commitment was singular: John valued his family and the people of his community and attended to them in multiple ways.

John was born to John P. and Regina M. (Zawatzki) Suminski in Milwaukee, Wisconsin on March 12, 1942, just months after the United States was drawn into World War II. Families had come through the challenges of economic depression with a strong work ethic, and even as war began, the nation pulled together to make life as good as possible for the next generation. At the time of John's birth, the Suminski name was already well known for several generations of the family contributing to the common good.

When John was still young, his family moved to Waterford, Wisconsin, where he and his younger sister Carol spent an idyllic childhood on Fox River. With all the outdoor recreation available to him, John developed a lifelong interest in fishing, water skiing and boating.

Following his elementary and secondary education, John went on to St. Francis Seminary in Milwaukee, Wisconsin, graduating with a BA in Philosophy in 1964. His choice of a major perhaps offers a glimpse into a man who exhibited careful thought and meaningful guidance that those around him came to know so well.

It was during an event sponsored by Catholic Alumni Association for single Catholic College graduates, that John first met the lovely Colette Miller. They had both come to a fish-fry at the Press Club in Milwaukee, and though Colette came with a friend, she left with John. The ride home in John's new car sparked a romance that grew into love and commitment. The two were married November 7, 1970 at St. James Parish in Mukwonago, Wisconsin, with a reception at St. Thomas Aquinas Parish in Waterford. That same year, John put himself through the Wisconsin Institute of Mortuary Science, and the newlyweds began a journey that not only joined them together in marriage but also in their vocation.

John began working at Borgwardt Funeral Home in Wauwatosa as an apprentice and funeral director. Later, he joined the family business, Suminski Funeral Home, as a third generation funeral director. He and Colette lived in South Milwaukee and operated the Suminski Funeral Home for a number of years. In addition, John used his experience and education to teach in the mortuary science program at Milwaukee Area Technical College (M.A.T.C.) from 1972 through 1975.

In 1976, John and Colette moved "up north" to own and operate funeral homes in Wabeno and Crandon, Wisconsin. The northern woods became the backdrop of a lovely setting in which to raise a family. They were blessed with four children—Theresa, Matthew, Jean Marie and Mary—who learned life's lessons not only from what their father said, but more importantly, from the life he lived. John truly "walked the talk."

As a parent, John was strict but loving and involved in the lives of his children. He provided direction and made sure they were exposed to life's opportunities. For example, family vacations were fun for the kids but also educational. John was right there for them, helping develop their talents, stimulating their passions, encouraging responsibility and establishing budgets. Leaving the "Three Rs" to classroom teachers, John taught life lessons on the "Four Fs": Family, Faith, Finances and Fun.

The family's faith was tested when Jean Marie was diagnosed with cancer. They journeyed with her in her courageous battle, and in her death, they clung to each other and to the promises of God.

Alongside his professional life, John was actively involved in the community. He taught religious education at his church, served on parish councils, sang in the church choir, and was a member of the Lions Club, Knights of Columbus, and Human Concerns. Being part of a family business over several generations, John's vocation and volunteer activities wove him into the fabric of community life and earned the respect of many.

John and Colette retired from funeral service in 2009, after nearly 40 years of compassionate care for the community. They returned to Waterford, and John welcomed the surroundings of lake and land. His backyard garden became the "apple of his eye," yielding such success that he often donated extra produce to area food pantries. He enjoyed the solitude that Lake Metonga, a lone fishing pole and breathtaking sunsets offered him. Yet he was also willing to try bolder ventures such as water skiing, cross country skiing, downhill skiing, golf and snorkeling.

Sadly, life also contained internal struggles for John, especially in the past two years. He entered into his rest and was born to eternal life on March 19, 2013. His family and friends take comfort in the faith that was John's and the life he lived with integrity and in service to others.

John R. "Jack" Suminski, aged 71 of Waterford, Wisconsin (formerly of Wabeno, Crandon and Townsend) is survived by his loving and devoted wife Colette; two daughters: Theresa Neddo, and Mary Suminski; one son: Matthew; three grandchildren: Holly, Alex, and Elena Neddo; one sister: Carol (Francis) Wagner; other relatives and friends. He was preceded in death by one daughter: Jean Marie.

A gathering of family and friends will be from 1:00-3:00 p.m. on Saturday, July 20, 2013 at the Weber-Hill Funeral Home, Crandon. Memorial service will follow at 3:00 p.m. at the funeral home with Father John Cerkas officiating. Online condolences www.weberhillfuneralhome.com

Dear Editor,

I found the article about the conflict between the two veteran's groups and the conflict to block the alley access to several Lake Ave businesses interesting and had to share what happened to me.

First of all, I believe in honoring the men and women (my husband was one) who served this country. I also don't understand why there are two separate groups, since they both fought for the same cause.

Last week, two innkeeper friends of mine from Lake Mills, WI in the Madison area had business in Shawano and decided they could not come this far North without coming to Crandon. It had been many years since they last visited and the first words out of their mouths were "What has happened to Crandon, it looks fabulous!" They visited many of the businesses and were very impressed with what they saw. As well as being innkeepers in Lake Mills, they also have own an antique mall and restaurant and have been very involved in the restoration of buildings in that community.

They commented that on the way up so many of the small towns had vacant storefronts, as I proudly responded that our buildings were all occupied.

Like Jim and Peg Houle, Tricia Novak and many others, they had invested in Lake Mills because they wanted to see it succeed, and believed that improving the downtown would bring more business for everyone. We should all be grateful to the dedicated business people who have worked hard and long to make Crandon's downtown a destination. Each time I walk through the downtown area, I see people who are visiting Crandon and spending their money here. We are the destination! We have a vibrant downtown and people are putting us on the map.

This community needs to support these businesses, not make it difficult to receive their deliveries. It just causes stress for people who are trying to make Crandon a better place for all of us to live in.

Sincerely, Bess Aho

Free blood pressure checks

High blood pressure cannot be cured, but it can be controlled in most cases. The treatment for high blood pressure must be tailored to the specific needs of the individual, as guided by their doctor. Detecting it is the first step.

Ministry Home Care provides free blood pressure checks the first Tuesday of every month from 10-11:00 a.m., at the Rhine Haus CBRF, 1207 Mason Street in Rhineland.

No appointment is necessary, and there is no cost. For more information, call Ministry Home Care at 800-643-4663.

Hospice Rummage Sale Call for Vendors

Because one man's trash is another man's treasure, Ministry Home Care - Hospice will host their third annual Life's Treasures Rummage and Bake Sale on Saturday, August 17, 9am-3pm at the Myre Electric Building (N11585 County Road Y) in Tomahawk. A community effort, individuals who would like to sell their goods (rummage, craft or other) can reserve a booth for just \$20, and then donate 10% of their day's sales to Ministry Home Care - Hospice.

In addition, the Bake Sale will feature a variety of delicious homemade goodies, with 100% of the proceeds benefiting the care of hospice patients and their families. Bakery donations are welcome! Anyone can deliver baked goods the day of the event, or contact the hospice office to make other arrangements.

While Medicare, Medicaid and most private insurance companies provide some funding for hospice care, many people are un-insured or underinsured. As an important part of their mission, Ministry provides hospice care to anyone who is medically eligible, regardless of their ability to pay. Donations and events like this help to support that work.

To reserve a booth, or for more information, please contact Carol White at 715-453-2821, Ann Jelinek at 715-453-4573 or the Ministry Home Care office at 800-643-4663.

Preventing Heat Related Illness

Extremely high or unusually hot temperatures can affect your health. On average, 675 deaths from extreme heat events occur each year in the United States. Most vulnerable are the elderly, those who work or exercise outdoors, infants and children, the homeless or poor, and people with a chronic medical condition.

Take the necessary precautions to prevent serious health effects such as heat exhaustion or heat stroke.

Stay cool

- Stay in air-conditioned buildings.
- Contact the health department at 715-478-3371 or www.forestcountyhealth.org to locate an air-conditioned shelter in your area.
- Do not rely on a fan as your primary cooling device.
- Limit outdoor activity, especially midday when it is the hottest part of the day, and avoid direct sunlight.
- Wear loose, lightweight, light-colored clothing.
- Take cool showers or baths to lower your body temperature.
- Check on at-risk friends, family and neighbors at least twice a day.

Stay hydrated

- Drink more than usual and don't wait until you're thirsty to drink.
- Drink from two to four cups of water every hour while working or exercising outside.
- Avoid alcohol or liquids containing high amounts of sugar.
- Make sure your family, friends and neighbors are drinking enough water.

Stay informed

- Check your local news for extreme heat warnings and safety tips.
- Keep your friends, family and neighbors aware of weather and heat safety information.

Additionally, the Health Department encourages all residents to learn the signs and first aid response for heat-related illness. Warning signs and symptoms vary but may include:

Heat Exhaustion Symptoms

- Heavy sweating
- Weakness
- Skin cold, pale, and clammy
- Weak pulse
- Fainting and vomiting

Heat Stroke Symptoms

- High body temperature (above 103°F)*
- Hot, red, dry or moist skin
- Rapid and strong pulse
- Possible unconsciousness

What You Should Do

- Move to a cooler location.
- Lie down and loosen your clothing.
- Apply cool, wet cloths to as much of your body as possible.

What You Should Do

- Sip water.
- If you have vomited and it continues, seek medical attention immediately.

What You Should Do

- Call 911 immediately — this is a medical emergency.
- Move the person to a cooler environment.
- Reduce the person's body temperature with cool cloths or even a bath.
- Do NOT give fluids.

Townsend Centennial Committee meets to plan festivities

The Townsend Centennial committee met on Wednesday July 10 to begin planning a celebration in honor of the township's 100th birthday which occurs in 2016. Chair Kathleen Marsh conducted the meeting which elicited many great ideas from steering committee members Pam Bursek, Sandy Bursek and Katie Essermann. Rick Opelia and Karla VanCamp were unable to attend but submitted their ideas and suggestions prior to the meeting.

Marsh: "We had a very successful first meeting and established our main goal: make our Centennial truly memorable by attracting year-round and seasonal Townsend residents, visitors, neighbors, relatives and friends in all age groups. In that regard, we will offer a very ambitious schedule of events."

"Of course we will need many more people to help us achieve our goal, and we encourage anyone interested to join us," says Pam Bursek. "We especially invite representatives from the business community, our active lake associations, and various community groups to join us."

The next meeting of the Townsend Centennial Committee is Wednesday, September 4 at the Townsend Town Hall from 6:30-8:00 p.m. If you want to become part of this very special activity, please contact Kathleen Marsh at kathiemarsh@yahoo.com or Pam Bursek at 715-850-0832.

Donations made to Forest County Historical Museum

At the June 27th meeting of the Forest County Historical & Genealogical Society, Clarice Ritchie and Norman Tribbett showed their strong support of the project currently underway by intern Amanda Flannery. This summer, Amanda is working to sort, catalogue and correctly preserve paper documents at the FCH&GS museum and the Crandon Public Library. The very generous donation of \$500 each from both Clarice and Norman is to be used for any archival supplies that are needed to preserve historical documents pertaining to the history of Forest County.

Amanda is putting these documents into the Past Perfect Museum Collections computer program purchased by the library and museum, so they may be made available to people doing research of genealogy.

Crandon Elementary awarded School of Distinction and Merit

The Wisconsin RtI Center, including the Wisconsin PBIS Network, has announced the 2012-13 Schools of Distinction and Schools of Merit, recognizing their efforts in creating environments that allow for academic and behavioral achievements for all students. Crandon Elementary School is the recipient of this award for the second year.

The Schools of Distinction and Merit programs separately recognize schools that have made achievements in enacting RtI frameworks for academics (mathematics and reading) and for behavior (using Positive Behavioral Interventions and Supports, or PBIS). All Wisconsin schools are eligible to apply for any of the awards.

Schools recognized as Schools of Merit in either academics or behavior will receive a banner, a letter of congratulations, and recognition at the 2013 Wisconsin PBIS Network Summer Leadership Conference.

The Wisconsin RtI Center is a Wisconsin Department of Public Instruction (DPI) funded initiative. The Wisconsin RtI Center is dedicated to ensuring that all students have equal access to supports that will ensure their long-term academic and behavioral success. Its goal is to assist Wisconsin schools with putting high quality instruction, balanced assessment, and collaboration practices and systems into operation. It provides individuals and organizations with opportunities to share their Response to Intervention (RtI) implementation experiences with others in the field.

More information on the awards, including a full listing of honorees, can be found at www.wisconsinrticenter.org/educators/rti-in-action/recognized-schools.html and www.wisconsinpbisnetwork.org/educators/pbis-in-action/school-recognition.html

To Nu-Roc Community Health Care and LeRoy Hospice for the compassionate care Mary received the last few months of her life. To family and friends for their thoughts, prayers, letters, and cards during Mary's illness and on her journey home to our Lord. To the "recyclables" for all their support and friendship through the good times and the bad. To her family at St. John Lutheran church, especially the Ladies Aid, choir, Pastor Mueller, and Scott. To the prayer shawl committee. All through her illness her prayer shawl was never far away and it wrapped her in comfort. To Weber-Hill Funeral Home, Forest Granite Works, Flower's from the Heart and Flowers Galore for services provided.

Kentuck Day Cont. from page 1

After last year's record breaking number of spaces filled, the huge art and craft show set up on the courthouse lawn will offer a wonderful variety of items for purchase. Handcrafted items include wooden toys, furniture, carvings, wildlife art, oil acrylics, and water paintings, silk floral designs, scented candles, etched mugs, clocks, baskets, ethnic needlepoint, photography, quilting, honey products (from area owned bee hives), hand made jewelry, lawn ornaments, and much more. Many of these talented artisans are from this area as well as from throughout Wisconsin, upper Michigan, and Minnesota.

At the other end of the courthouse square the flea market section along Polk Street has grown into a popular shopping spot at this event, with over 25 vendors planning to set up a booth.

Many local restaurants plan to have a 'Kentuck' special on their menu. Some will be set up in the courthouse square, along with area groups, to serve their scrumptious specialty food items. The 'Kentuck' traditional soup beans and cornbread are always one of the favorites available. With many more mouthwatering homemade treats you will have to eat all day long to sample everything!

Live music on the grounds by "Hand-picked Bluegrass" will take place from 11:00 till 3:00 p.m. Kids will have a great time with "Jumping Bean Bouncers" on the south end of the square. Brandt's Horse & Wagon Rides will be back for leisurely rides around the Courthouse Square.

The Forest County Historical Society display will be front and center on the courthouse square, which will highlight the migration of area families from Kentucky who settled here in northern Wisconsin. Several information booths will also be on hand including two area lake associations.

As this popular festival is a celebration of the heritage of the area's early settlers from Kentucky, dressing the part (Kentucky pioneer, prohibition or moonshine era, or even the humorous version) could win you a prize. \$50.00 in Chamber bucks will be awarded to the best-dressed vendor or attendee to the festival, with judging on stage at noon.

Last but not least, area retailers put their sale items out on the sidewalks - from one end of mainstreet to the other! While you are checking out the 'best bargains of the year' at the sidewalk sales, don't forget to stop in all the unique specialty shops.

Chairman Bruce Walentowski invites everyone to enjoy the Kentuck Day Festival in downtown Crandon, Saturday July 27th! Check out all the details on www.kentuckdayfestival.com! For further information, contact the Forest County Chamber of Commerce at 715-478-3450 or email info@visitforestcounty.com.

Farmers' Market Opening & Garden Tours

Please join us Saturday, July 20th between 9:00 a.m. and 1:00 p.m. for the opening of the City of Crandon Farmers' Market which is located across from the Courthouse next to the Bowling Alley. As part of the market opening, two garden tours have been made available. View the New Hope Community Garden on East Hill and/or visit the lovely flower garden of Sandy Plummer at 6025 State Hwy 32/55 N. Dewing Catering will provide light "Tastes of the Season" on the Plummer Patio. The Office on Aging will be providing shuttle bus service to the gardens beginning at 9:30 a.m. The gardens may also be accessed independently. Please call the Office on Aging (715-478-3256) or Forest County Health Department (715-478-3371) with questions.

A note: The Office on Aging has received many calls in regard to Senior Farmers' Market Coupons. Our ability to fund this program in 2013 is uncertain; however, it is important for all to understand that the Senior Farmers' Market Coupon Program is part of the Office on Aging Senior Nutrition Program (congregate/home delivered meals). As such, coupons must first be made available to active meal site participants. Please watch 'Senior Chatter' for program information and updates.

Lake Metonga Boat Parade

It was a beautiful day with clear skies and calm water as enthusiastic boat parade participants circled Lake Metonga at 2:00 p.m. on July 6, 2013. Five judges share the difficult task of choosing the top three entries. Each boat was judged on theme, originality, creativity, decoration and presentation. The artistic designs of the entries were exceptional. Only a few points separated the final scores of participants.

First prize was awarded to Jane Bastian crew for "Metonga Duck Dynasty". The decorated boat looked like a moving duck blind with grass camouflage, ducks flying overhead and authentic duck calls. Second place was awarded to the Jim Sommer crew for "I Thought You Said 'Goat Parade'". This was a play on words. The participant's costumes depicted nanny goats, billy goats and baby kid goats. Third place was awarded to the Keith Stamper crew for "Banana Boat". This bright yellow decorated boat included a top banana and monkeys who cherish this fruit. Very realistic! All of these terrific designs and those of boats decorated by our entrants together with the involvement and fun of the participants brought cheers from the viewers watching from the shore.

Following the parade, a cook out sponsored by Lake Metonga Association was held at Beachside Bar & Grill Resort and was attended by about 150 people. Managers, Jason Wittman and Derek Gretzinger, graciously provided the use of the restaurant/resort area for the gathering. Brats, Italian sausages, hot dogs beans and the Metonga "Low Country Crab Boil" consisting of red potatoes, onions, corn on the cob, smoked sausage and Lake Metonga's infamous Rusty Crayfish, was a special treat. This delicious food was prepared by Tim Leonardelli and Dewey Karcz. Raffles and contests for adults and kids, sponsored by Tim, highlighted this festive outing. Parade participants are already planning for next year. Plan to join this fun event.
