Candidate Spotlight

Anyone seeking political office is invited and encouraged to announce their candidacy in the Candidate Spotlight. It is an opportunity to tell the voters why you are running, goals if elected, etc. It is not a forum for bashing an opponent, and there is no charge.

Kevin Podjaski-Candidate for Town Supervisor-Wabeno

My name is Kevin Podjaski. I am running for the position of Town Supervisor in the Town of Wabeno.

I was born and raised in Menasha, WI. I worked for a plastics manufacturer in Appleton. When I started a family I wanted more. I wanted to live in a small town, where your neighbors were your friends and your friends were your neighbors. So after my son was born we moved to the Village of Shiocton. It was close enough to work, but far enough away from the city. While living in Shiocton I joined the volunteer fire department, became an EMT, and then ran for a position on the village board. I was elected and served a total of five terms. I really enjoyed the time I spent involved in all the aspects of village life.

When the economy changed in 2005, and the needs changed in the manufacturing world, I was laid off. I had been dating Lynn LaRock for four years, so we decided I should move to Wabeno full-time and go back to school at Nicolet Area Technical College in Rhinelander. I received an associate's degree in Information Technologies. After which I was hired by Forest County Potawatomi Gaming Commission.

As for experience; 24 years in the mill, I worked from an entry level position to a leadership role. 10 years on the village board, 14 years on the fire department and 12 years as an EMT, all add to the knowledge and experience that I believe would be beneficial as a town Supervisor. I'm also involved with the "Friends of Wabeno" working toward a better Wabeno, the Nicolet Sportsman Club, working on a better future for the next generation of sportsmen, the Wabeno Park Commission, and the Firefighters Fair Grounds Board. I've also been involved with the Boardwalk running through the parks. Recently, I've been appointed to the town board to fill a vacancy left when Tom Tallier resigned. I have a passion and a love for our town. I share the want for things to improve.

Todd Veaser-Candidate for Wabeno Town Supervisor

My name is Todd Veaser and I am a candidate for one of the two positions that are open for Town Supervisor for the Town of Wabeno.

My wife and I have lived in Wabeno for the last nine plus years, both of our children have graduated from Wabeno High School and our granddaughter, which we have guardianship of, attends the eighth grade. My education consists of an Associates Degree from the CCAF in Electronics, along with many Leadership and Management courses. I am currently the Second Vice-Commander of the American Legion Post 44 in Wabeno, a member of the Legion Riders, Vice President of the Nicolet Sportsmans Club, and Senior Warden of Lodge 287 of the Free and Accepted Masons in Crandon.

The platform on which I wish to run on consists of three simple pillars:

Accountability, I believe that you, as a board member or town employee are ultimately responsible for your actions.

Transparency, I don't believe in closed-door meetings. I believe in a transparent government.

Common Sense, I feel that decisions made at this level desperately need common sense, and they should not be swayed by the heart, but made with the mind.

Wabeno is slowly fading away, all we have to do is look around our little town and see the empty buildings and the for sale signs. We need to step away from the drama and focus on rebuilding, rekindling, and restarting our town.

Tim Tucker-Candidate for Supervisor Town of Wabeno

My name is Tim Tucker. I am a Candidate for Supervisor in the Town of Wabeno. I was born and raised in Carter and graduated from Wabeno High School in 1972. I then started an apprenticeship as an operating engineer and received an Associate Degree from Dickenson State College in Dickenson, North Dakota.

My three children were raised in Wabeno and attended school in Wabeno.

Continued in next column

I have been grateful that others have taken on the duties of running the affairs of Wabeno and I appreciate their service. I am particularly proud of my mother, Marett Tucker, who served as Town Clerk for 31 plus years.

When I retired two and a half years ago, I began attending nearly all town meetings in order to gain some knowledge of town business and aspects of how town business is conducted.

Now that I have that knowledge, I would like to have the opportunity to serve our community with the hope of adding some harmony.

Paul Ehlinger-Candidate for Chairman Town of Wabeno

My experience and years of service to the Town of Wabeno:

Wabeno Town Supervisor for 10 years serving on many committees.

Volunteer on the Wabeno Fire Department for 26 years; currently Assistant Chief.

Volunteer on the Wabeno Antique Power Association for 25 years.

Volunteer on the Wabeno Lions Club for 1 year.

- I am a lifetime resident of Wabeno and a graduate of Wabeno High School.
- I am married to my wife Cheryl for 33 years with three children and three grandchildren.
- I am employed by the School District of Wabeno as the Bus Mechanic/Supervisor.
- I have great work ethic and am a true believer not only in family history, but in the history of the Town of Wabeno.

As Chairman, I will take the responsibility very seriously. I strongly believe in accountability and will continue working on improving the communication among our town's people. I will continue my efforts on making our town a clean and safe place for everyone to live and enjoy and will listen and involve local people in local decisions. I have proven to be a very strong voice as Town Supervisor in the last ten years and believe our town's people put their trust in me to make sure their concerns are looked after. I will always continue to do what is in the best interest of Wabeno.

I am a hard working individual with the same concerns that we all have at one time or another and hope to be able to put these forward if elected as Wabeno Town Chairman. I have the energy, enthusiasm, experience, and skills to support the Town of Wabeno.

I would appreciate your support and vote at the Primary on February 17th.

Joanne Jones-Candidate for Supervisor Town of Townsend

My name is Joanne Jones and I am running for Townsend Town Board Supervisor. My husband and I have owned property in Townsend since 1987 and moved here in January, 2004. I have an MBA from the University of Oshkosh, a teaching degree from Silver Lake College and over 30 years of Human Resources Management experience. I have been a substitute teacher at the Wabeno elementary school for eight years and have eight combined years on the Board of Directors for Lakeshore Technical College and Manitowoc County United Way. I am also currently serving as the Secretary/Treasurer of the Inland Lakes Protection & Rehabilitation District in Townsend.

I have been a Townsend Town Board Supervisor for the last two years and am hoping to be re-elected to this position in the upcoming elections. I feel that my education, business background, and experience as Townsend Supervisor are all assets to the Townsend Town Board and the Town of Townsend.

Please vote for me in the Feb. 17 Townsend Primary Elections and allow me to continue to work for all Townsend residents.

Nancy Schuhart-Candidate for Supervisor Town of Wabeno

As a lifelong resident of Wabeno I understand the needs of the people. I own property and pay taxes in Wabeno, and I graduated from Wabeno High School. I have been on the Wabeno Town Board in the past for 10 years and have volunteered my services for many activities and organizations.

During my tenure on the Wabeno Town Board I personally volunteered a lot of time painting different areas of the Town to help give it a fresh look. I successfully secured grant money through the trip program and a large

Winter driveway decorating

The driveway into Wayne and Chris Howard's home in Nashville shows some artistic endeavors. According to Wayne's mother, Vivian, Chris decorated her driveway with about 150 small snowmen. While melting has taken its toll, it is still a unique look. It could be added that it beats sitting in front of the tube on a winter day, and about the time you are tired of the decorations, the weather will warm up and go away!

Dr. Perry honored at City Council

Dr. Rebecca Perry accepts a plaque of appreciation from the City of Crandon

By Boyd Monte

The Common Council for the City of Crandon met last Wednesday, February 4, for their monthly meeting and to hold a public hearing on the removal of the alderman position for ward two. The position was held by Jim Houle. The city did receive a letter of resignation, but the meeting had already been set and legal council advised that due to the timing of receiving the letter, the best option was to hold the hearing. The hearing was held and the council voted unanimously to open the position. The council will have to appoint someone to that position.

The regular meeting was held after the public hearing. The meeting was started by recognizing Dr. Rebecca Perry for her years of service to Crandon and the surrounding area. Dr. Perry has been the family doctor to many families over her 30 years of working at Ministry Medical Group in Crandon.

Lexi has shown, through hard work inside and outside the classroom, dedication to academics, school, and the community. She has been involved with volleyball, softball, etc. She has been very helpful to me in understanding homeroom activities, and questions inside of the classroom. Inside Chemistry, Lexi has shown leadership by helping others with schoolwork. She has shown persistence and hard work in achieving grades in all subject areas. In science, she has shown flawless work on assignments/tests, and her work ethic shows through. Through many years of teaching I have worked with many bright well rounded students in science (many who became valedictorians), and great personalities. A message about measles from
the Forest County Health Dept.

The CDC has confirmed 85 cases of measles in the U.S. currently involving 14 states, including Michigan, Illinois and Minnesota. The Forest County Health Department would like to take this opportunity to provide some information about measles and how to prevent it. Measles is the most deadly of all childhood

rash/fever illnesses. It is a serious infection that causes fever, cough, a rash, sore eyes, and occasionally dangerous complications. Measles spreads very easily, so it is important to protect against infection. Getting vaccinated is the best way to prevent measles. Specifically, to have the best protection against measles, two doses of MMR vaccine are required. As part of the childhood immunization program the first dose of vaccine is required between 12 -15 months and the second dose before entering school, at 4 – 6 years.

Candidate Spotlight Cont. from pg 1

Nancy Schuhart

housing grant.
I truly believe in Wabeno and the people in it, I have no special interests, and am concerned about all aspects of the town. I consider myself to be honest and hard working and will put all my efforts into doing what is best for the people and the Town of Wabeno.

I think Wabeno is a great place to live and a place to be proud of!

I would appreciate your vote on February 17th.

Joan Sacket-Candidate for Wabeno
School Board

My name is Joan Sackett and I am a candidate for the Wabeno School Board representing Oconto County. I have lived in the Wabeno School District since my family moved here from Appleton when I was a freshman in High School. I am a class of 1968 Wabeno graduate. After four years of college, I returned to live in Lakewood and began teaching for Wabeno as a Special Education teacher. I taught 34 years and then worked as the Special Education Program Support coordinator for another seven years. Currently I teach K-6th grade Special Education at Laona Elementary. Our four children were raised here and they are all Wabeno HS graduates. My community involvement consists of being a Communion distributor at St. Mary's of the Lake and Lakewood Assisted Living. I am a member of the Woods in Bloom Garden Club.

Children and education have been a focal point of my life. Last year the Wabeno District passed a referendum. Just as we do with our own finances when our income decreases, we need to look at how we can save money or cut expenses. As a member of the Board, I will make it my goal to provide a quality education for our children, but there must be a balance between needs and wants when it comes to paying for education.

Your vote is appreciated in the upcoming Primary on February 17. Remember, all eligible voters from Oconto and Forest County can vote in this Primary.

Lloyd Fulcer-
Candidate for
Chairman,
Town of
Wabeno

I am Lloyd A. Fulcer and am asking for your vote for Wabeno Town Board Chairman. A resident and funeral director since 1981, 73 years old, and have served two terms as board chairman. As asphalt costs are tied to oil prices, I would like to see the board address an active road repair course. Increasing numbers of public officials are arrested for illegal drug use and I would expect our board and other officials, police officers, to submit to random drug testing as do our truck drivers to maintain their positions.

Reasonable and responsible leadership is what I offer my fellow citizens and if you agree with me, your vote will get it done.

Crandon Council Cont. from Pg.1

The other topic of discussion was for the Crandon Police Department. The attic in the building needs to have more insulation. The council was able to approve the job because of a minimal cost. The motion was made and approved unanimously.

MEASLES CONT.

It is important for you to check your child's immunization records to make sure he/she has received two doses of MMR vaccine. If you believe that your child needs the MMR vaccine, please call your health care provider or local health department.

In 2000, the measles was considered to be largely eradicated in the U.S. because of the measles vaccine. In Wisconsin, it is estimated that 93 percent of children have been vaccinated against the measles. Measles cases are periodically seen in the U.S. in individuals who have not been vaccinated.

Health officials in Wisconsin have a protocol in place to deal with any reported cases of the measles here, which includes a rapid response and tracking of individuals who could have been exposed to the disease.

If you or your child does develop a rash with a fever, they should not attend school or work and you should call your health care provider. Please tell the clinic you suspect your child may have measles. It is important to call the clinic or hospital before taking your child in.

For more information please visit the Forest County Health Department website at www.forestcountypublichealth.org or www.cdc.gov

Wabeno Friends Cont. From Pg. 1
The Friends submitted a grant to the National Endowment of the Arts that would create an Outdoor Museum for Wabeno. It is envisioned the outdoor museum displays would follow the boardwalk and trail and along historic areas in the downtown. If funded, we will need a team to design and oversee the construction of the museum. Other updates will include the status of Phase 1 and the plans for Phase 2 of the Boardwalk and Trail project and grant opportunities for developing a grocery store.
All are welcome! Come lend your voice and talents to your community. For more information about activities of the Friends, please visit <http://townofwabeno.org/FriendsWabeno/FriendsOfWabeno.html>.

Conservation Stewardship Program Sign-Up Announced for February 27 for 2015 funding
Rhineland, Wis..... The USDA Natural Resources Conservation Service (NRCS) is accepting new applications for the Conservation Stewardship Program (CSP). Farm and forest landowners may apply by February 27 for possible 2015 funding. CSP encourages agricultural producers to maintain existing conservation activities and adopt additional ones on their operations.
Applications can be made at any time at all USDA Service Centers, but only applications received by February 27 will be ranked for funding in 2015. The program is open to all farmers, regardless of size or type of operation.

In 2014, 450 Wisconsin farmers and forestland owners enrolled in CSP, with an average payment of \$6,900 per contract. Over \$3.2 million in payments will be made to those farm families this year, and over \$16 million over the course of the five-year contract.
"For many farmers and forestland owners, CSP offers reward and recognition for the conservation they are already doing, plus a little extra incentive to try some new practices," according to Michael Stinebrink, District Conservationist for Florence, Forest, Iron, Oneida, and Vilas counties. Stinebrink encourages interested farmers and forestland owners to apply now to be considered for funding.
Eligible lands include cropland, pastureland, non-industrial private forestland, and tribal agricultural lands.

Death Notices

David Henry Redinger, 91, of Lakewood, WI passed into his Lord's presence on Sunday, February 8, 2015 from Woodland Village, Suring, WI. David was born to Henry A. and Dorothy (Seng) Redinger at Akron, MI on November 16, 1923. He attended schools in Chicago, IL and worked there and in Florida, where his father owned an orange grove. He met and married June Steele on November 6, 1943 in Chicago. They

moved to Lakewood, Wisconsin in 1945 and raised their three children on their family farms. David was a member of the Northwoods Bible Fellowship Church, Lakewood and was music leader for years.

Survivors include two daughters, Susan L. Mina of Lakewood and Donna (Scott) Olson of Brookfield, WI; four grandchildren, Judy (Craig) Moen of Farmington, MN, Jennifer (Matt) Mc Kown of Arlington Heights, IL, David Frank Redinger, Julie (Jonathan) Schuler of Milwaukee; brothers Bobby of North Carolina and Wally of Arizona; four great-grandchildren, Kiran and Cassidy Mc Kown, Asa Moen and Audrey Schuler and nieces, nephews, other relatives and friends. David was preceded in death by his parents, son David A. Redinger, wife June, sisters and brothers-in-law Leola (Lou) Mills, Dorothy (Charles) Joeseoph and Lydia (Dem) Steves, brother and sister-in-law Henry (Lois) Redinger.

Visitation at Northwoods Bible Fellowship Church, Lakewood on Saturday, February 14, from 11 a.m. until the services at 2 p.m. with Pastor Scott Vanlaanen officiating. Burial will be at Lakewood Forest Cemetery.

Richard I. Cornell, 83, a longtime Laona resident, passed away on Sunday February 8, 2015, at the AGI Healthcare Center in Crandon. He was born on November 27, 1931 in Laona to Leroy and Leona (Eastman) Cornell.

Richard married Dorothy Neal, June 8, 1957 in Laona. She preceded him in death on December 4, 1993. He loved being an outdoorsman, working as a logger, and continuing his love of working with wood at the chair factory in Laona until it closed. He then went back into logging. Richard was a jokester, always telling jokes and trying to pull one over on his family and friends. He frequented many auctions and the casino, striking up conversations along the way. Just like any outdoorsman he enjoyed hunting, fishing, bird watching, and gardening.

Richard is survived by a son, Bernard (Barbara) of Oconto Falls; two daughters, Yvonne (Felix) Robles of Laona, and Connie (Rosie) Cornell of White Law. He is also survived by grandchildren Curt, Richard (Jill) Jacqueline (Brandon), William, and Jennifer (Shawn); and great-grandchildren London and Lyrice. He is further survived by two brothers, Jerry (Dianne) of Goodman, and Lester (Lois) of Lowell.
