## Real estate taxpayers: your lottery credit is still available

The Forest County Treasurer's office is dedicating the week of May 11th to help all real property owners, who were eligible, receive the lottery credit on their 2014 tax bill. If the property owner did not receive the credit and meets the eligibility requirements, the Treasurer's Office will help you complete the paperwork and file forms with the Department of Revenue to receive the late lottery credit and ensure that the credit is applied to the 2015 bill.

To qualify for the lottery and gaming credit, an owner must be a Wisconsin resident, the owner of the dwelling, and use the dwelling as their primary residence as of the certification date of January 1, 2014. If temporarily absent, typically for a period no longer than six months (hospital, vacation, incarcerated, etc.) it is the home to which the owner returns. Principal dwelling means any dwelling used by the owner of the dwelling as his/her primary residence. The lottery and gaming credit cannot be claimed on business property, rental units, vacant land, garages, or other property that is not the primary residence of the owner. Sec. 79.10(1)(dm),(9)(bm), Wis., Stats.

To verify if you received the lottery credit, visit the Forest County website, [www.co.forest.wi.gov](http://www.co.forest.wi.gov), and click on Land Records Data. If you did not receive the credit and you qualify to receive it, contact the Treasurer's Office at 715-478-2412 and they will assist you in completing the necessary paperwork to receive the lottery credit for this year and future years. The lottery credit can only be obtained by having a signed application on file.

## Lake Metonga Association to chemically treat for milfoil

The Lake Metonga Association (the Association) proposes to chemically treat approximately 21.6 acres of Lake Metonga to control excessive growth of the exotic invasive aquatic plant, Eurasian Water Milfoil ("EWM").

Clean Lakes, Inc. will conduct an application of the aquatic herbicides DMA 4 IVM (liquid 2,4-D), and Aquathol K (liquid endothall) to infestations of EWM. It is anticipated that the treatment will occur sometime in spring, 2015 and will proceed only after the Association obtains a permit for the treatment from the Wisconsin Department of Natural Resources.

The water use restrictions for aquatic herbicides are as follows: *There are no swimming or fishing restrictions. Do not use water from treated areas for irrigation purposes for 21 days after treatment, or until an approved assay indicates the 2,4-D concentration is 100 ppb or less.*

The Association will hold a public informational meeting on the proposed treatments if five or more individuals, organizations, special units of government, or local units of government request one in writing. The person or entity requesting the meeting shall state a specific agenda of topics including problems and alternatives to be discussed. The request for a public informational meeting must be sent in writing to:

Lake Metonga Association,  
4884 Strawberry Bluff Ln., Crandon, WI 54520 and to Wisconsin Department of Natural Resources,  
107 Sutliff Ave., Rhinelander, WI 54501 within 5 days after the public notice is published.

## Nicolet Student Portfolio Show May 5 to showcase top student work

What does two years of college work look like?

That's exactly what will be on display May 5 at Nicolet College when students graduating from the Architectural Technology, Early Childhood Education, and Graphic Design programs participate in the Student Portfolio Show.

The event will feature displays of students' best work in each of the associate degree programs.

"It really is the culmination and a celebration of their academic achievement during their time at Nicolet," said Barb Buckel, Graphic Design instructor.

Graphic Design students will display a variety of pieces that include posters, brochures, cards, books, and packaging concepts, among others.

Early Childhood Education students will showcase an assortment of learning activities and lesson plans they created for children up to third grade.

Architecture Technology students will feature their best 3-D building designs created on advanced design software.

The event will run from 4 p.m. to 7 p.m. in the Learning Resources Center on the Nicolet Campus. The Student Portfolio Show is free and open to the public.

## G-A High holds a cut on the school forest and Log-A-Load For Kids gets a donation

In the photo above, Forest County Forester Dave Ziolkowski teaches the kids about the county forest system in Wisconsin, and all of the activities that take place on those forests.

By Mike Monte

Back in 1958, the students at the Goodman/Armstrong Creek High School planted red pines right behind the school. That red pine forest has been thinned through the years, and the time had come to give it another select cutting.

The timber was marked, Mark Huempfer, the owner of Wild Rivers Logging from Wausaukee was the logger performing the cut. Huempfer, however, wasn't making any money on this job. After deducting the stumpage paid to the school and some fuel and other expenses, the lion's share from the sale will be donated to Log-A-Load For Kids.

Log-A-Load For Kids is an organization that raises money for the Children's Miracle Network. This organization provides medical treatment through those hospitals in the network, and no kid is left out due to lack of funds. The money raised by the cut at Goodman will help needy families who have children with medical problems they cannot afford to pay for.

This event was also a great opportunity to teach school kids something about sustainable logging and other forest facts and activities.

The students were able to view a harvester and a forwarder at work cutting the timber behind the school.

## From the Internet Important facts to remember as you grow older

- Death is the number one killer in the world.
- Good health is merely the slowest possible rate at which one can die.
- Give a person a fish and you feed them for a day. Teach a person to use the internet, and they won't bother you for weeks, months, maybe even for years.
- Health nuts are going to feel stupid someday, lying in the hospital and dying of nothing.
- All of us could take a lesson from the weather. It pays no attention to criticism.
- In the 60's, people took acid to make the world weird. Now the world is weird, and people take Prozac to make it normal.
- Don't worry about old age; it doesn't last that long.

Crandon Senior  
Spotlight -  
Mariah Rachal

Mariah L. Rachal, daughter of Shawn and Janie Rachel and granddaughter of Steve and Beverly Crawford and Arthur and Sandra Rachal, is proud to announce that she is the first of her four siblings to graduate with a high school diploma.

Working in the Crandon High School's CARS program, she was able to raise her grade level abilities by three whole years in less than five months, which makes her feel ready to become an adult. In addition to her studying, she currently has an internship at Potawatomi Traveling Times (PTT). In her required internship, she worked on a MAC, and is able to create fliers, draw up designs, take photos of special events and edit them so PTT can possibly put them in the newspaper. Her favorite part of working at PTT is when she finally gets to upload photos on the computer and edit them. She says she's great at learning new technology and mastering new software.

She also excels at any type of drawing. In fact, she can't stop. Surrounded by markers, colored pencils, crayons and even chalk at times, she will draw on anything. The world is her sketch book.

In the future, she plans to attend college. She either wants to be an OB/GYN nurse or a graphic designer. She loves working with babies and technology, so she is still unsure of her goals except that she will certainly attend college.

She would like to thank her family for pushing her to reach these goals, especially her parents, and her teachers, Jane Funk and Bonnie Johnson, for helping her get this far.

## School forest logging Cont. from pg. 1

The students who planted these trees could never imagine that they would be harvested some day without chain saws and horses. But technology marches on in the forest and all aspects of our lives.

Schools in attendance included Niagra, Florence, Laona, Wabeno, Crandon, and, of course, Goodman/Armstrong Creek.

Students were taught a variety of things about forests, the Children's Miracle Network, the work of the Ruffed Grouse Society, logging with modern equipment, how a sawmill works and a host of other subjects.

In addition, a tree was planted in remembrance of Vern Hollister, who had taught at G/A and covered events at the school for the *Forest Republican*.

It is interesting that the legacy left by former students planting trees, who were probably just glad to get out of the classroom, is paying dividends, and not only education for future generations, but in supplying revenue to the school district. It is another example of the benefits of forest lands.

Dennis Schoeneck, a logger from Enterprise, shows the kids how to cut timber with a harvester. This simulator operates just like the real thing, except it's quieter, no sawdust, the wood doesn't have to be skidded or trucked, and I think it is a bit cheaper than the full size model. The kids took a crack at this too!

Pete Osterberg brought his Wood Mizer sawmill to the school to show the kids how a log was turned into lumber. Richard Majewski is shown handling the slabs and the lumber while Pete handles the controls. There was a nice pile of lumber piled up for the school wood shop when they left.

### The Mystery of Edwin Drood musical brings special challenges, rewards for lead actor Tony Jones

Lead actors in plays have to memorize hundreds of lines. That's a feat in itself.

But when the play is a musical, the challenge is multiplied, said Tony Jones, a member of the Nicolet Players.

"With a musical, you are actually doing three performances," Jones said. "You're singing, dancing, and acting all at the same time. It's a challenge to bring in those other elements, but when you nail it, it's just all that much more fun!"

Jones landed the lead role for the upcoming production of The Mystery of Edwin Drood where he'll play the ringleader of a troupe that includes 15 other actors.

The musical, which swept the Tony Awards in 1986, is based on the Charles Dickens novel and set in a Victorian music hall. There, an ensemble of raucous actors tries to find an ending for the syndicated novel left unfinished by Dickens' sudden death. Every performer is a suspect in the murder of young Edwin Drood and each performance ends with a surprise as the audience decides who's the killer.

"It's a very upbeat story line with rollicking good fun and a lot of humor," explained Jones, who onstage will become Chairman William Cartwright.

In order to pull off the complexity of a musical, many cast members have taken it upon themselves to put in extra hours rehearsing on top of an already demanding schedule.

Preparation for a traditional play typically entails three hours of rehearsal just about every weeknight for about 10 weeks.

"For Drood, we have people showing up early and getting together on Sundays to run through their scenes," said Jones, who's performed in about half a dozen different Nicolet Players productions over the years. "We're all motivated to put on the very best performance that we possibly can."

So why does he and his castmates make such a significant commitment in time and effort?

"We just love doing it," Jones said matter-of-factly. "We start on day one with a blank slate and all work together to make something magical. It's very rewarding to see everything come together, to watch the stage set develop over time, and then rehearse in these amazing costumes when they are ready. And when it comes time to hit the stage and perform in front of an audience and hear all the laughs, that's what really makes it all worth it."

He had special kudos for Nicolet Theatre Director Jim Nuttall.

"When you think about it, here he takes this group of strangers and in a relatively short period of time molds them into a highly entertaining acting troupe. He's always in 100 percent and just to be around his energy and enthusiasm makes it a lot of fun. It's a real treasure to have him."

For Jones, the last performance is always bittersweet. It's when all the laughs and good times become just a memory.

### Crandon Senior Spotlight - Carlie Quade

Carlie Quade, daughter of Steph VanZile and Chris Quade, said her best high school memories are of winning regionals for basketball senior year; playing softball, volleyball and basketball all through high school; never giving up and being able to make memories; and being a part of a team of girls who she grew up with.

In the past 12 years, she has learned that it is so much easier to get everything done the first time and get it done right. She's also learned that no matter how mad you are going to be, don't be mad at your teachers. They're going to be your best friends. The last thing she learned was that through all 12 years, your classmates are going to be there for you through it all.

She is currently attending Nicolet Tech for her nursing assistant degree and plans to further her studies to become a registered nurse.

She would like to thank her mother, Steph, for being her backbone from kindergarten all the way to her senior year. She has pushed her farther than she ever thought she could go. She would also like to thank her friends, especially her teammates, who made her whole 12 years of school the best. Lastly, she'd like to thank her family for the most support and everything they've helped her with, no matter the situation.

### Crandon Senior Spotlight - Dakota Conley

Dakota Conley, son of Paul and Christy Conley, said his best high school memories are any memories spent with friends and going to state for golf in 2014 with his team.

In the past 12 years, he has learned not to procrastinate and although you may hate some of your teachers, don't because they are just doing their jobs. Have respect and make lots of friends. If you need help, do not be afraid to ask. Many people are willing to help.

He has received an "awesome job offer" which he is going to take and after a year or two, he may go to

### Danette Huettl- Wabeno Student of the Week

Shirley attended school in Wabeno where she graduated in 1948. On September 30, 1950, Shirley married her high school sweetheart, Leo Simonis, at St. Ambrose Catholic Church in Wabeno. In 1950, Shirley moved to Milwaukee with Leo, where they raised their four daughters. Shirley was a stay-at-home mom until the girls reached an age where she worked part time jobs, one of them being a seamstress for making custom curtains. She finished her working career as the administrator of the Western States Credit Union in Butler, WI.

Shirley shared her passion for Wabeno and the northwoods with her daughters from a young age, frequently returning to her parent's home in Wabeno on weekends and holidays. In 1991, upon retirement, Shirley and Leo moved to the home they built on Trump Lake where they had purchased land. She enjoyed returning to her hometown. Shirley enjoyed many things in life, including watching the Packers and Badgers. Shirley loved to cook for her family and friends and always welcomed company into her home. But what she cherished most was family. Her having a house full of grandchildren and great grandchildren is what made her smile and laugh, making her world complete. She thoroughly enjoyed her grandchildren and great-grandchildren coming to her Trump Lake home and they too grew up loving "Up North". Outdoor activities (swimming, skiing, hunting, snowmobiling, fishing) in and around Trump Lake and Grandma's meals became part of her grandkids and great-grandkids life too. She enjoyed preparing her special sweets, home baked bread and special large meals when she knew her family was coming. She loved knowing that all this gave special meaning to the phrase, "going to Grandma's".

Shirley is survived by four daughters, Kris (Roy) Luecht of Germantown, Lee Ann (Michael) Corning of Milwaukee, Shari (James, Jr.) Roberts of Green Lake, and Kori (Tim Schott) Tiedemann of Milwaukee; Thirteen grandchildren, Jessica (Michael) Bolf, Kimberly Luecht, Kari (Scott) Cole, Eryn (Ryan) Hatchell, Jay (Jennifer) Tiedemann, Jim (Melinda Schaefer) Roberts, III, Ryan (Erica) Corning, Tera (Matthew) Scheuers, Jason (Teresa) Luecht, Jon (Kendra) Tiedemann, Joel (Cheryl) Tiedemann, JJ (Kristen) Gusho and Tom (Stacie) Roberts. Shirley was also blessed with 20 great-grandchildren, Morgan, Owen, Harlynn, Cayden, Samuel, Joselyn, Masen, Taylyn, Tenley, Allison, Mackenzie, Lilian, Logan, Callen, Lucy, Emma, Marshall, Lauren, Jackson and awaited baby Roberts.

She is further survived by two brothers-in-laws, Eugene (Ellie) Simonis of Wabeno and Willard (Nancy) Simonis of Sullivan and numerous nieces, nephews, other relatives, and friends. Honoring Shirley in procession will be her grandchildren and great-grandchildren. Shirley was preceded in death by her loving husband, Leo Simonis, parents, two sisters, Crystal (Ralph) McEwen and Katherine (Ray) Schrader.

Mass of Christian Burial will be held at 11 a.m. with visitation prior from 9 a.m. until time of service on Saturday, April 25, 2015, at Saint Ambrose Catholic Church in Wabeno. Shirley will be buried at Wisconsin Memorial Park in Brookfield, WI on Monday, April 27th and a visitation/memorial will be held at the Family Center starting at 5:30 p.m. that evening. Memorials are appreciated in Shirley's name to any of the following: Saint Ambrose Parish, Wabeno Area Rescue Unit, or the Trump Lake Association.

*She was a true Sweetheart. She loved watching the Packers, Badgers, and she is remembered for her cheerleading and participating in the HS band in the 1940's at Wabeno High School and her love for figure skating, plus her never-ending love for her family. She was a devoted wife, mother, grandmother and great grandmother; a loving daughter, sister and aunt; and she was kind to everyone. Shirley was truly an example of a generous, kind hearted, all around wonderful person.*

## AD DEADLINE 4 P.M. TUESDAY

PIONEER EXPRESS PAGE 07, APRIL 27, 2015

**Caroline Jean (Sigl) Elbe Staerkel**, age 76, born to eternal life on April 18, 2015. Carole was born in the Town of Osborne, Outagamie County, Wisconsin to Ferdinand and Catherine (Ehlinger) Sigl, on October 26, 1938. Upon the death of her father in January, 1939, her mother moved the family to Oconto Falls, WI, where Carole grew up and attended St. Anthony's Grade School and Oconto Falls High School.

On October 29, 1955, Carole married Emory Lloyd Elbe. Together, they had six wonderful children they loved very much, including: Emory J., Donna J., Thomas E., Joseph R., and Paul D. One son, Richard "Ricky" H., died at the age of 6 on November, 1, 1967. Her husband Emory L., died at the age of 67 on June 5, 1999.

Carole met Gerald E. Staerkel while doing what she enjoyed, serving God's children in need at Fr. Carr's Place 2B in Oshkosh. Carole and Gerald married on May 18, 2002, at St. Gabriel's Church in Neenah. Carole considered Gerald the love of her life and they continued to do volunteer work at Fr. Carr's and in the Neenah/Oshkosh area up until the time of her death.

In the 1960s, Carole worked nights at Bradtke's Restaurant in Neenah while raising her children. In 1972, with the help of her husband Emory, she originated Theda Clark Credit Union in the basement level of Theda Clark Hospital in Neenah to provide financial services to the hospital employees. Carole grew Theda Clark Credit Union into a stand-alone office on N. Water Street in Neenah and renamed it Valley Health Credit Union serving health care employees throughout the area. She was eventually named manager, then President/CEO and worked there until her retirement in 2001.

Carole enjoyed many years of activities around her children, and spending time at Shawano Lake relaxing and fishing over the years. She also enjoyed traveling the USA to see God's great works in the beauty of the country. She even made a visit to the Town of Elbe, Washington.

Upon Emory's death, Carole devoted her time to her church and to serving God by helping His children in need throughout the area. Her passion became Father Carr's Place 2B. Carole and Gerald would pick up bakery and other products at local stores to bring to Father Carr's. They spent countless hours giving hope to those who needed it.

Grandma Carole also enjoyed going to the sporting events of her grandchildren. She was frequently seen at local basketball, baseball and softball games. From cheering on her grandchildren through youth sports, to when they played in high school and even when they were in college. One of her favorite pastimes was cheering on the Neenah Rockets and supporting her grandchildren. Her last Rocket basketball game was on February 24, 2015.

Carole was a constant fixture at St. Gabriel's Church. She served communion, assisted at church fundraisers and was a member of the Adoration Team praying at St. Margaret Mary's parish in Neenah. She did these activities until her loss of memory began to affect her. Carole had been diagnosed with dementia and Alzheimer's disease. Carole remained at home, where her husband Gerald was an angel taking care of her until her health forced her to move to assisted living in March, 2015.

Carole is survived by her husband Gerald, five of her children - Emory J. (Paula), DeForest, WI; Donna J. Smith (special friend, John), Neenah; Thomas E., Neenah; Joseph R. (Julie), Neenah; and Paul D. (Kathy), Crandon, WI.; grandchildren - E. Tyrone, Tanya & Alex; Noah; David, Cassandra, Thomas & Rachel; and Stephanie, Elizabeth, Andrew & Matthew; and great grandchildren. She is also survived by a sister, Marie (Wally) McDonald, Abrams, WI; two brothers, Franklin (Karen) Sigl, Tampa, FL, and Hubert (Karla) Sigl, Oakland, OR; a sister-in-law Lois Elbe, Green Bay, WI; a brother-in-law Donald A. (Jean) Staerkel, Oshkosh, WI, and two sister-in-laws, Marge Staerkel, Oshkosh, WI and RuthAnn (Jerry) Uebele, Hartford, WI. Carole is further survived by Gerald's children - Jeff, Doug, Kim, Troy and Trent; Gerald's grandchildren - Kerrie, Tonya, Paul, Amber, Morgan, Mackenzie, Amanda, Nathan, Julie, Jessie, Adam, Devon, Shannon, and Sherry; and Gerald's great grandchildren. Lastly, Carole is survived by numerous nephews, nieces, and other relatives.

Known for her bright smile, Carole was known by many throughout the community for her willingness to donate time to help others. She lived a full life, with love and compassion for others. Carole also had a love for the best pizza around...Sammy's Pizza in Neenah.

Funeral services will be 11:30 am on Monday, April 27, 2015, at St. Gabriel Catholic Church, Neenah with Father Larry Seidl officiating. Family and friends may visit her showing in the Chapel at St. Gabriel's from 9:00 am until the hour of service. Burial will be in St. Margaret Cemetery in Neenah. In lieu of flowers, memorial gifts may be given to St. Gabriel Parish or Father Carr's Place 2B in Oshkosh. Westgor Funeral Home 205 W. Doty Ave. Neenah. 722-7151

Per Carole..... "My soul belongs to God because He gave my soul to me; and it is His to have and hold for all eternity. God be with you all!"

The family would like to extend a heartfelt thanks the staff of Elijah's Place Assisted Living in Oshkosh and of Agnesian Hospice Hope. It was your love, care and support to help Carole and us down this difficult path.

Mom, although we will miss you terribly, we are happy that your suffering is over and you rest in the arms of the Lord. Look down on us and continue to guide us until we are reunited again.

## Weight Watchers opens new meeting in Laona

Weight Watchers is pleased to announce the opening of a new meeting in Laona. The new meeting opens on Wednesday April 29, 2015 at Laona School, 5216 Forest Avenue, (Use door B to the Community Board Room) at 5:30 p.m. Weight Watchers Leader Shelley Mihalko will welcome members and visitors to learn about the Weight Watchers program, which is designed to help change people's relationship with food for good, while providing the inspiration, accountability and support to deal with the reality of their world.

Visitors are welcome to attend a meeting for free, where they can experience a Weight Watchers meeting firsthand and learn about the new suite of offerings including Weight Watchers Personal Coaching, as well as a revamped digital Weight Watchers OnlinePlus, which includes on-demand 24/7 Expert Chat with Weight Watchers-certified Coaches.

Shelley, like all leaders, lost weight on Weight Watchers and can relate to the challenges and celebrations involved in losing weight. She also understands that the way we aspire to eat doesn't always match up with how we actually eat.

"At Weight Watchers, we recognize that food is only one part of the weight-loss equation. Activity, healthy habits, support and smart food choices are also components that can lead to real, lasting success," explained Sue Rouse, Territory Manager, Weight Watchers. "We are excited about this new meeting opening in Laona and look forward to helping local residents reach their weight loss goals."

To learn more about Weight Watchers services, products and publications, visit [www.weightwatchers.com](http://www.weightwatchers.com). To find the nearest Weight Watchers meeting location, Call 1-800-651-6000 or click on the "Products & Services" link at the top of the homepage.

# Senior Chatter

Submitted by Kate Schultz

## What is SeniorCare?

SeniorCare is a prescription drug assistance program for Wisconsin residents who are 65 years of age or older who meet the enrollment rules. The program is designed to help seniors with their prescription drug costs. Those interested may apply at any time. However, your application will not be accepted if you apply earlier than the calendar month before your 65th birthday.

To enroll in SeniorCare:

- You must be a Wisconsin resident.
- You must be a U.S. citizen or qualifying immigrant.
- You must be 65 years of age or older.
- You must pay a \$30 annual enrollment fee per person.
- Your assets, such as bank accounts, insurance policies, home property, etc. are not counted.

- Your annual income determines the level of coverage.

In addition, members are subject to certain annual out-of-pocket expense requirements depending on their annual income. Drug coverage may vary by level. For more information about covered drugs, see the SeniorCare Covered Drugs fact sheet at [dhs.wisconsin.gov/seniorcare/information.htm](http://dhs.wisconsin.gov/seniorcare/information.htm), call your pharmacy or the SeniorCare Customer Service Hotline at 1-800-657-2038.

Individuals with prescription drug coverage under other health plans are eligible to enroll in SeniorCare. If you already have a health insurance plan, SeniorCare will coordinate benefit coverage with your plan. Individuals enrolled in Medicaid will not be eligible for SeniorCare.

The first meeting of the Senior Snoop Shop is coming up soon. It will be held on Thursday, May 14th at 9:00 a.m. in the lower level of the Crandon Public Library. All consignees are encouraged to attend the meeting.

## Crandon Senior Spotlight - Celia Space

Celia Space, daughter of Ed and Jodi Space, said some of her best high school memories are of sports the past four years and being able to see her friends every day that she grew up with for the past 13 years.

In the past 12 years, she has learned you have to work hard for everything you want to achieve and never give up on anything, no matter what.

She plans on attending UW-Oshkosh, pursuing a degree in nursing in the fall.

She would like to thank her parents, all her friends and teachers and anyone who has pushed her and helped her along the way.

Schaefer's Food Mart says  
good-bye to Patsy

Jay Schaefer (on left) bids good-bye and thank you to Patsy Gerald, who is leaving the store after thirty-six years working there. To the right of the photo is Jeremy Marvin, who Patsy trained to be her replacement in the Frozen Food department. Jeremy has Patsy on speed dial should the need arise. Congratulations to Patsy on her retirement and good luck to Jeremy as the new head of the department.
