Crandon International Labor Day weekend schedule for 47th Off-Road World Championships®

- Expanded Format Offers Two Days of TORC PRO/Sportsman Racing --
- Sunday To Feature New Crandon World Cup PRO Event --
- 7th Annual AMSOIL Cup Finale Provides Sport's Richest Race --

After nearly a year of preparation and cooperation, today legendary Crandon International Raceway released its official, action-packed Labor Day weekend schedule that offers an expanded format and four days of on-track action.

Known for hosting the oldest and most prestigious stadium-style off-road races in the world, Crandon International's 47th annual Off-Road World Championship will be unlike any in the track's colorful history. From the new Crandon World Cup/TORC PRO Open Testing on Thursday, September 1st to two packed days of TORC PRO and Sportsman racing to Sunday afternoon's dramatic 7th annual AMSOIL Cup finale – the sport's richest race – the 2016 Crandon World Championship promises to be something special for fans, drivers and teams.

Representing what many consider the sport's "Indianapolis 500," for tens of thousands of fun-loving race fans, the end-of-summer trek to Crandon is a "can't miss" tradition. For 2016 guests to the 400-acre "Big House" can look forward to great racing, rich tradition, overnight camping and on-site concerts that make up the unforgettable "Crandon Experience."

Crandon's custom wrought iron gates will open to welcome visitors on Wednesday, August 31st at precisely 12:00 noon (EST). The facility's massive grounds feature nearly 2,000 manicured grass campsites, many of which have been reserved for months. While track management expects a complete sell-out for campsites, those remaining are available onsite on a first-come, first-served basis.

For the first time in history, the weekend officially kicks off on Thursday, September 1st with a full slate of open testing for all PRO-category racers preparing for TORC championship racing, "Crandon World Cup Sunday" as well as the AMSOIL Cup.

On Friday, September 2nd, the morning's focus shifts to downtown Crandon with the Pit Crew Competition starting at 9:30am. All of the weekend's PRO and Sportsman class cars and drivers will line the streets of the small Wisconsin Northwoods community to interact with fans just prior to the 47th Anniversary Crandon World Championship Labor Day Parade. A perfect slice of authentic Americana, the parade is a special and unique Crandon highlight.

After taking the mile-long drive back to Crandon International Raceway, competitors will begin preparation for the Forest County Potawatomi "Friday Night of Thunder." This special event will include all TORC Sportsman classes battling for season points and a special appearance of the Crandon PRO Modified Karts. At 8:30pm race fans will enjoy a live concert at the Crandon concert stage courtesy of the 5th Gear band.

On Saturday, all of the TORC PRO and

Winners of the Crandon Public Library Local History Contest

The Crandon Public Library is pleased to announce that the story titled "To Ride Like a Cowboy" submitted by Jacqueline Hurley of Crandon, has won the 2016 Local History writing contest.

Jacque's story highlights an unique time in Forest County's history when "Kentucky-born horse lovers" of Forest County made a living supplying horses to summer camps throughtout the Northwoods communities of Rhinelander, Minocqua and Eagle River. Jacque will receive a \$125 cash prize for her winning entry.

The second place entry was submitted by Barbara Bonesteel Yonan of Morton Grove, Illinois. Barbara's story titled "The Grandfather I Never Knew" tells the story of Arthur Borden, a lead cook at the Val Butler Logging Camp near Lake VanZile in the 1920's. Barbara will receive a \$75 cash prize for her entry.

Mary Houle Walker's entry titled "This Land is Our Land" was chosen as the third place entry. Mary's story of the Houle family of Forest County includes fascinating snippets of the very earliest days of North Crandon. Mary will receive a \$50 cash prize for her entry.

The prize money for this contest is part of a recent generous donation made to the Crandon Public Library's Local History room. The mission of the Local History Room is to increase awareness, access to, and utilization of Forest County, Wisconsin's local history archives.

All of the entries for the local history contest were very well received by the contest judges who had a difficult time choosing the winners. The Library would like to offer a sincere thank-you to all of the writers for the time and effort they put into their entries.

Wisconsin DMV reaching out to confirm process for obtaining voter ID

DMV is reaching out to the public to confirm the process for obtaining an identification card for voting purposes. If you will be at least 18 years old by the next election, if you are a U.S. citizen, and you are eligible to vote in Wisconsin, you may apply for a free ID card for voting purposes. Here are the steps to be followed to receive a document that can be used for voting:

1. Make one trip to any DMV location and bring proof of residence (example: a utility bill), your social security number (if available), and proof of name and date of birth (example: a birth certificate).
2. Fill out the identification card application. If you have the necessary documents, you will receive your identification card within 10 business days via US Mail.
3. If you do not have proof of name and date of birth, proof of U.S. citizenship, or proof of a legal name change, DMV will assist you by initiating the petition process. You must fill out the DMV Petition Administrator application (in addition to the identification card application). Once you enter the process, you will receive a receipt that may be used to vote. Simply present the receipt at the polls when you vote, and you will have produced the required identification to vote.
4. The receipt is good for 60 days and will be automatically renewed as long as your petition is pending.
5. You will receive your receipt via US Mail within 6 working days, so please make sure you apply far enough in advance of the November elections to make sure you receive your receipt or identification card in time for the election.

Please see DMV's website at wisconsinDMV.gov for more details.

Death Notices

Jeanne H. Haskins, age 92, of Laona, passed away Saturday, August 13, 2016 at the Nu-Roc Community Health Care Center, Blackwell. Service pending. Please contact Weber-Hill Funeral Home 715-478-2322 for visitation and service times or visit our website at weberhillfuneralhome.com.

Margaret M. Ingeman, 70, of Rhinelander, WI, passed away Wednesday, August 10, 2016 at the AGI Health Care Center, Crandon. Graveside services for Margaret will be held at 11 a.m. on Tuesday, August 23 at Winchester Memorial Cemetery, Town of Winchester, in Vilas County. Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for Margaret may be directed to weberhillfuneralhome.com.

Helen Johnson (nee Bruckner), originally from Rhinelander and most recently residing in Crandon, passed away on Wednesday August 10th after a brief illness. Helen was born in Rhinelander on March 22, 1936 to William and Ella (Bergman) Bruckner. Helen attended Rhinelander schools, and in high school was a cheerleader and member of the basketball team, and graduated with the RHS class of 1954.

She married Burdett Johnson in September of 1955 and together they raised their five children, Carrie, Scott, James, Jennifer, and Peter.

Helen started working at a young age in her parent's grocery store, followed by Reeve's Food Lane and Frasier's Plumbing and Heating.

Helen and Burt moved to Las Vegas in 1988 where she worked for the next 15 years at Palace Station Casino.

Helen returned to Wisconsin upon her retirement and eventually settled in Crandon. Though challenged by various health issues, Helen continued to live independently until her passing.

In retirement, Helen was an avid bingo player at area casinos.

Helen is survived by her children, Carrie (Richard) Field of Las Vegas NV, Scott of Madison WI, Jennifer Carlson of Lilly WI, James (Diane) of Neenah WI, and Peter of Greenwood SC.; grandchildren, Danielle Carlson, and Irving, Evan, and Benjamin Johnson; a sister Jean Dye, and a brother William (Jean) Bruckner. Helen was preceded in death by her parents, husband of 40 years Burdett in 1996, her sisters Beverly Scoble and Phyllis (Eugene) Martin.

As stated by Helen's nephew...Helen always seemed to find a way to enjoy her life and often saw humor in many challenges. Her laughter was so infectious to all those around her. I will always remember her warm smile and how she filled a room with her presence.

Friends and relatives are invited to a memorial luncheon on Sunday August 21st from 11:00 a.m. until 2:00 p.m. in the Lucerne Room at the Best Western Crandon Inn and Suites located at 9075 E. Pioneer St. in Crandon. A catered lunch will be provided. Condolences can be sent to Jim Johnson, 2245 Gateway Meadows Lane, Neenah, WI 54956 djohnson1973@gmail.com

Drunk Busters of America donates to Forest Co. Sheriff's Dept.

Drunk Busters of America recently donated to the Forest County Sheriff's Office, a Drunk Busters Goggles and the Drunk Busters Challenge Activity Mat for use with the DARE and National Night Out programs, as well as other school activities that the Forest County Sheriff's Office is involved with.

donated by Red Arrow. A full list of the prizes and the businesses who donated them can be viewed at www.redarrowtownsend.com. All raffle prizes will be drawn at 6 p.m. The day's activities will all be under the cover of a big tent so come rain or shine.

The ATV/UTV parade will form at 10:00 at the Red Arrow Clubhouse on Hummingbird Hill Lane (just off the Nicolet Trail) north of Townsend. Riders will parade to the Old Town Hall starting at 10:30. All ATV and UTV owners are invited to participate in the parade. Come ride with this year's Parade Marshall Larry Market, former Red Arrow Vice-President, who has been instrumental in helping create the extensive ATV/UTV trail system we all enjoy. You do not have to belong to a club to participate...just come help us attempt to again break the Oconto County record for the most ATV's and UTV's in a parade.

Come to the Corn Roast by ATV, UTV, car, truck, van or motorcycle...everyone is invited to attend this great "family friendly" event. Direct ATV/UTV access is available from as far as the City of Gillett to the south, Florence, Forest and Marinette counties and Michigan trails at Iron River.

All proceeds from this event will go directly into maintaining and improving the Snowmobile and ATV/UTV trails in the Townsend area. Red Arrow is responsible for about 65 miles of snowmobile trail and about 15 miles of ATV/UTV trails including the Nicolet State Recreational Trail through Townsend. Red Arrow appreciates Josh and his team at the Old Town Hall for their strong year round support of the Red Arrow Snowmobile ATV Club.

Helen Schultz Cont. from pg. 1

said when they kept driving deeper into the woods, she thought, "What am I getting into?"

When they reached Argonne, the young family stayed with Thornton's mother, Bessie, until they could find a place of their own.

She remembers that there were indoor toilets and running water in Hartford, but that wasn't necessarily so in post-war Argonne. She learned to bake, surprising Thornton with her home-baked bread. She learned to garden and to can food. Thornton tried to teach her to drive a car, but gave up when she drove up a guy wire on a light pole.

This blind date lasted 65 years and nine months. Of course, some family has been added! The union produced 14 grandchildren and 20 great grandchildren with another on the way.

She says she learned to love the Northwoods. At age 100, the pace is a little slower. She is a NASCAR fan and watches sports on TV.

Helen's advice is this: "Don't think of the past. Think of the future. Never go to bed angry. Tell him you love him before you go to sleep."

Maybe if we follow this advice, we will reach 100! Happy Birthday Helen!

Helen and Thornton's wedding day, 1947

competitors looking to claim the race's \$47,000 first place prize. Indeed, Crandon's Labor Day weekend spectacle isn't called the "Off-Road World Championship®" for nothing - and the 2016 version will only add stature to that reputation.

Happy Birthday Peyton!

If you see Peyton Johnson out and about this week, wish her a happy birthday! Peyton turns a whole 3 years old on August 30th. Happy Birthday, sweetie! Mommy and Daddy love you!

New for 2016 is the highly anticipated Crandon World Cup. Hosted and promoted by Crandon International Raceway, the event has been created to attract the world's best off-road racers and teams to compete for coveted Crandon World Championship® in a variety of PRO-level classes. For the first time in the sport's nearly 50-year history, short course competitors from all sanctioning bodies around the country can race on a level playing field with no concerns about points, season championships or other hindrances. The event will be brought to an international mainstream audience as part of the Red Bull Signature Series - both via a live webcast on RedBull.TV and as a special 90-minute highlight program scheduled for airing on Sat., Oct. 8 at 2 p.m. EST on NBC.

A world-class field of entries is expected to take the green flag for the weekend's all-or-nothing 7th annual AMSOIL Cup shootout, which in 2016 offers a \$58,000 cash purse and another \$3,000 in products awaiting the winner of Crandon's weekend finale. As is tradition, this prize package represents the largest payday in short-course off-road racing. Young racing sensation CJ Greaves will have to defend his 2015 title against at least 19 other hungry

Townsend Walking Warriors

Several people have taken the Townsend walking warrior challenge to walk the 94 miles of Townsend roads. Mary Campion and Richard Culver recently earned their t-shirts for completing the challenge. They were the seventh and eighth to receive their green t-shirts which they proudly wear. Mary and Richard took several weeks to complete the 94 mile trek walking two to three miles at a time. The Townsend Centennial Committee expects to give out many more t-shirts this summer.

Mary Campion and Richard Culver said that it was a great way to get some good exercise and at the same time see all areas of Townsend. There are so many beautiful areas to be seen in Townsend. They carried plastic bags to pick up pieces of trash and beer cans for recycling as they walked along. Picking up trash was a minor distraction, but it was a good feeling to make the walk a little more beautiful for the next person.

Hello Residents,

You can now purchase your own pile of gravel, sand, etc. at the Ison Argonne pit on 32, north of Argonne.

Crushes of Northeast Asphalt will perhaps be done this week when they will move on out. Northeast has done a wonderful job in pit, and has produced an abundance of beautiful material available to local and surrounding areas.

You will be very surprised at the condition of the Ison Argonne pit due to the expertise and know-how of Northeast Asphalt Co.

For more information, you may call Ison's at 715-889-1633 (cell) or for larger lots, call Jay Rosemeyer (Northeast) at 920-309-0615.

**SCHOOL DISTRICT OF CRANDON
ANNUAL NOTICE OF SPECIAL EDUCATION
REFERRAL AND EVALUATION PROCEDURES**

Upon request, the School District of Crandon is required to evaluate a child for eligibility for special education services. A request for evaluation is known as a referral. When the district receives a referral, the district will appoint an Individualized Education Program (IEP) team to determine if the child has a disability, and if the child needs special education services. The district locates, identifies, and evaluates all children with disabilities who are enrolled by their parents in private (including religious) schools, elementary schools and secondary schools located in the school district.

A physician, nurse, psychologist, social worker, or administrator of a social agency who reasonably believes a child brought to him or her for services is a child with a disability has a legal duty to refer the child, including a homeless child, to the school district in which the child resides. Before referring the child, the person making the referral must inform the child's parent that the referral will be made.

Others, including parents, who reasonably believe a child is a child with a disability may also refer the child, including a homeless child, to the school district in which the child resides.

Referrals must be in writing and include the reason why the person believes the child is a child with a disability. A referral may be made by contacting Heather Ostrowski, Director of Special Education, School District of Crandon, at 715-478-6181, or by writing her at 9750 US Highway 8 West, Crandon, Wisconsin, 54520.

**SCHOOL DISTRICT OF CRANDON
NOTICE OF SPECIAL NEEDS
SCHOLARSHIP PROGRAM**

This notice serves to inform parents and guardians of students with disabilities that the State of Wisconsin has established the Special Needs Scholarship Program. Under this scholarship program and as further specified in state law, a child with a disability who has been denied the opportunity to attend a nonresident school district under the full-time open enrollment program may be eligible to receive a scholarship from the Department of Public Instruction (DPI) that allows the child to attend an eligible private school that is participating in the Special Needs Scholarship Program.

This is a state-administered program. A parent or guardian who is interested in the Special Needs Scholarship Program should independently verify the participating private schools and the specific terms, eligibility criteria, and application procedures of the scholarship program with the DPI.

The Special Needs Scholarship Program is further defined under section 115.7915 of the state statutes. However, special eligibility requirements not found in that statute exist for program scholarships that are awarded for private school attendance that initially begins in the 2016-2017 school year. Additional information about the program should be available on the website of the Wisconsin Department of Public Instruction: <http://dpi.wi.gov>.

**SCHOOL DISTRICT OF CRANDON
ANNUAL NOTICE - HOMELESS CHILDREN**

The McKinney-Vento Act defines children and youth who are homeless (twenty-one years of age and younger) as:

- Children and youth who lack a fixed, regular, and adequate nighttime residence, and includes children and youth who are:
 - sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason (sometimes referred to as double-up);
 - living in motels, hotels, trailer parks, or camping grounds due to lack of alternative adequate accommodations;
 - living emergency or transitional shelters;
 - abandoned in hospitals; or
 - awaiting foster care placement.

- Children and youth who have a primary nighttime residence that is a public or private place not designated for, or ordinarily used as, a regular sleeping accommodation for human beings.

- Children and youth who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings.

- Migratory children who qualify as homeless because they are living in circumstances described above.

If you are personally aware of or are acquainted with any children who may qualify according to the above criteria, the School District of Crandon provides the following assurances to parents of homeless children:

- The local district staff person (liaison) for homeless children is Heather Ostrowski, Pupil Services Administrator, 715-478-6181 and ostrohea@sdoofcrandon.com.
- There shall be immediate enrollment and school participation, even if educational and medical records and proof of residency are not available.
- All educational opportunities and related opportunities for homeless students (preschool to age 21), including unaccompanied youth, shall be the same as for the general student population.
- Enrollment and transportation rights, including transportation to the school of origin. "School of origin" is defined as the school the child or youth attended when permanently housed or the school in which the child or youth was last enrolled.
- Written explanation of a child or youth's school placement, other than school of origin or the school requested by the parent, with the right to appeal within the local dispute resolution process.
- Meaningful opportunities for parents to participate in the education of their children. These shall include: special notices of events, parent-teacher conferences, newsletters, and access to student records.

Please contact Heather Ostrowski, homeless liaison for the School District of Crandon, for additional information about homeless issues. Mrs. Ostrowski can be reached at 715-478-6181.

Wabeno Area Players Cont. from pg. 1

"Hello Muddah, Hello Faddah," written by Allan Sherman, is a live-wire comedy musical that strings together many of Sherman's parody songs to tell the story of Barry Bockman, a nice Jewish-American man. The musical is a journey through Barry's life from birth to old age. It is the love story of Barry, played by Joshua Jameson, and pretty Sarah Jackman, played by Kimberly Odekirk. Sarah is Barry's first love and best friend. Their connection starts as infants and travels through school, summer camp, marriage, parenthood, suburban life, and old age.

Amusement and over-the-top wackiness is brought on by the many characters in the lives of Barry and Sarah. Three other actors, Ray Appel, Carol Bartlein, and Bob Brown will be challenged by quick costume and personality changes as they play such characters as Barry's in-laws, neighbors, classmates, teachers, wedding crashers and many more. There are scenes that promise to leave the audience convulsed with laughter.

Most of the songs are side-splitting parodies that speak to everyone. The most well known is the title song, set to the tune of "Ponchielli's Dance of the Hours," where Barry writes his woeful letter home from Camp Granada. Other laugh-out-loud songs include: "Harvey and Sheila," sung to the tune of "Hava Nagila" by Sarah's parents at her wedding, Grow Mrs. Goldfarb sung to "Glow Worm" about a wife with an endless appetite, and "Shine On, Harvey Bloom," to

"Shine on Harvest Moon," and "Sarah Jackman," to the tune "Frère Jacques."

The musical is under the direction of Joshua Jameson. Music director is Mary Ellen Keller. She also is the pianist and is joined on percussion by Dale Keller. Costuming the show are Wendy Richards, Linda Harter, and Linda Boatright.

This will be a special show for the actors and the community because it will be the last performances by the Wabeno Area Players at the Essenhaus. Tim and Connie Friesen will be closing the doors of the Essenhaus after "Hello Muddah, Hello Faddah." The Wabeno Players are sad to see an excellent venue go; the WAP and Essenhaus connection was a phenomenal partnership. With the help of the Friesens, the Wabeno Area Players blossomed into a growing non-profit community theater group, committed to providing quality live theater for the Northwoods. This commitment will go on as the Players release their 2017 schedule in October. They will be performing numerous selections at the Big Easel, but will also be branching out in other venues in the Wabeno area.

Please join the Wabeno Players and the Essenhaus for "Hello Muddah, Hello Faddah!" Make reservations today. The dinner theater is \$30.00 per person. Call 715-889-1179. The show, for all its slapstick, is something to write home about!

Carbohydrates: Highs and Lows

From low-carb diets to gluten-free living, carbohydrates are a much-maligned nutrient. That's too bad, since carbs are the brain's main source of energy. The Institute of Medicine recommends a minimum intake of 130 grams a day, so it's vital to learn which carbs are the healthiest.

Choose More:

The best carbs come from high-fiber, unprocessed foods such as legumes, vegetables, fruit and whole grains. Unprocessed whole grains such as brown rice, quinoa (keen-wa) and oats have more fiber and nutrients than refined white rice and white flour.

Fiber-rich carbs are vital because fiber helps sustain normal cholesterol levels. Plus, fiber slows the rate at which the small intestine absorbs carbohydrates. This prevents major highs and lows in your blood sugar levels, and helps reduce your risk for type 2 diabetes.

Choose Less:

Yes, foods made from refined sugars and grains taste good, but they contain carbs that are less filling than their fiber-rich cousins. The body absorbs refined carbs relatively quickly, increasing blood sugar and triggering a release of insulin. An hour or 2 after eating, hunger returns and you crave more carbs. It's a vicious cycle.

Good to know: Overeating refined carbs can lead to weight gain – a precursor to heart disease, diabetes and some types of cancer. So, swap your apple juice for a whole apple, skip the soft drinks and opt for whole grains most often.

Stovewood Daze

Stovewood Daze was held a couple of weeks back down at Jennings. For those not familiar with the Mecikalski Stovewood Building, it is a turn of the last century structure using short chunks of wood, I would guess 16 to 24 inches long. The stovewood is held together by mortar. It was a good way to build a structure when lumber was in short supply or too costly. It made walls that provided good insulation against winter cold and summer heat. After the store was closed, many years ago, it fell into disrepair. Fortunately a grant from the Kohler Foundation put the two old buildings in like-new condition.

The old Mecikalski building is now a museum open to the public. It provides some insights into what life was like in these bygone days. Each year, Stovewood Daze provides a good time for a great many people and helps raise funds for the upkeep of the place.

There are old cars and antique equipment on display, and some excellent food. Donnie Sparks stays up most of the night roasting a whole pig, and the pork is fantastic! It is also a gathering of those folks who have ties to the area, and great place to hear stories of the old days.

This is a valuable historical asset to the area, and worth a visit. Tours can be scheduled by calling Dell at 715-478-2642 or Nancy at 715-478-2477.

The Syrenka Children Dancers did some fancy Polish dances.

Goodman/Armstrong Creek school playground on a roll!

On Saturday, August 20th at 7:00 a.m. there will be a work bee at the Goodman Armstrong Creek Elementary School playground. Anybody wishing to volunteer to help out is more than welcome to attend. There is plenty of work to be completed before school starts.

Just to let everyone know what's been happening! The basketball court is being sealed and lines painted. New swings are on order. On Saturday, August 6th, a group of volunteers traveled to Sun Prairie, Wisconsin to dismantle and bring back a used piece of playground equipment that was purchased from the Sun Prairie School District. The structure that was purchased has multiple play-stations for the children to enjoy. On Thursday August 11th, a group of dedicated volunteers assembled the structure on the school playground working in the rain most of the day!

All of these improvements to the playground have been made possible from monetary donations from the following: Goodman-Armstrong Creek PTO, the Varsity Club, Daryl & Karen Gardner, S&N Logging, Chainsaw Safety Specialists, Armstrong Creek Bison Company, White House Bar, American Legion, Ralph & Sharon Wilson, Auxiliary Legion Unit 325, B&B Foods (AC Corner Store), Ladies Auxiliary. Other services/contributions from: Bob Stec Construction, Reliable Repair, Star Welding, Ben Pycrz, Sam Pycrz Logging, Gudowicz's Marathon, Town of Goodman, Flannery Trucking, Forest County Ties That Bind Us, Smith & Company, Phyl Newtols (Root Beer & Brushes) & Cale Frydrych Logging and as well as all our dedicated volunteers.

The committee recognizes everybody who has generously donated and supported their fundraiser booth at Polish Heritage Days. All improvement money is strictly raised from donations, fundraisers and grants. No tax dollars have been used.
