Crandon School Trap Team Predator Hunt at May's Bar, Feb. 11

Youth trap shooting has grown enormously throughout the state since the team was started in 2014. We have four classes for shooting: Varsity, JV, Intermediate and Beginners, with over 50 students participating.

Last year, we finished the season with three first-place awards and one second-place award in our division of seven schools. Many students, girls and boys, received top shooting awards. We are a completely unfunded sport with all of our money coming from donations and fund-raising efforts.

We are holding a predator hunt on February 11th at Mays Bar, six miles west of Crandon on Hwy 8. All proceeds will be for the school Trap Team.

Registration will be on Friday, February 10th, from 4-7 p.m. at Mays. Predators will have to be brought in on Saturday, the 11th, from 4-7 p.m. for verification. The cost is \$20 per person, which will include a good meal. There are two divisions: callers and dog hunters, with prizes for both.

We have received many generous donations for our raffles, with the main donation a quarter of beef from Glacier Meats, a 22-250 rifle from the Brush Run and a 12 gauge shotgun from Rosa Trailer. We will have numerous drawings throughout the evening with great prizes, including a free pass to the Spring Run Race worth \$50.

Even if you aren't hunting, come out and support the youth shooters and have some good food and fun.

For questions or donations, please contact Tom May at 715-478-2425 or Norm Braun at 715-478-2142.

Raletta Shampo-Ashbeck Candidate for Wabeno School Board

My name is Raletta Shampo- Ashbeck and I am running for a vacant seat on the Wabeno School Board.

A little about me and my family: I was born and raised in Wabeno. I graduated from Wabeno High School in 1991 and then attended UW Oshkosh. I opened my flower shop, Flowers Galore, in Wabeno in 2004. My husband, Steve, works as a Forest County Police Officer and also owns a trucking company. My son, Zack, is a graduate of Wabeno High School, a member of the National Guard, and is currently helping with storm clean up in South Carolina. My daughter Cassidy is 16 and is a hardworking 4.0 student and three-sport athlete at Wabeno High School.

I am currently a volleyball coach for the Wabeno-Laona Rebels. I have coached various children's sports for ten plus years. I continue to volunteer my time and resources for multiple fundraisers and events for our schools. I also volunteer with the Drama Department's plays. I am a member of the Lakewood Chamber of Commerce and Wabeno Chamber of Commerce.

I, along with my family, truly have a vested interest in our school district and our communities.

My primary goal is to give back and actively help our communities and our schools build a positive, effective relationship with one another. I feel we need a stronger connection between our schools and our communities for both to thrive. As a board member and a business owner, I'd like to focus on strengthening that bond. Our communities and businesses need support and involvement from our schools just as much as our schools need support and involvement from our businesses and community members. If our schools aren't strong, it does affect our communities and businesses, and vice versa. I want to help build a better relationship between our schools and our communities by implementing programs that require and encourage us to work together.

Come join us for a Community Sledding Party!

Back in 2009

This photo was taken at the Mission Hill Sledding Party back in 2009. Anybody recognize him?

Community Sledding Party and bonfire will be at Mission Hill Saturday, January 28 from 4 p.m. until whenever. We are switching things up a little this year. Instead of a sled race, we are having a sledding party and bonfire. We'll provide the sledding hill and the fire, you bring the family, everyone bring a sled, and we'll run under the lights until we run out of fire (or ambition, whichever comes first).

Mission Hill can be found near the old railroad crossing on the east end of Glen Street, just past the fairgrounds up the hill. The sledding party is open to everyone. There is no fee, just open-sledding with the lights coming on at dusk. If someone does want to race, grudge-match races for pink slips are optional. Bring the kids, bring your own chair, enjoy the bonfire and LET'S HAVE A SLEDDING PARTY! If you have any questions or need further information, please call Micah at (715)478-2730.

Ron Strong opens Soo Bahk Do studio in Crandon

Ron Strong is the proprietor and instructor at Strong SOO BAHK DO. He is in a new location, in Crandon, across from the Hotel Crandon. He is teaching a Korean style martial arts discipline. This is the only studio in Wisconsin and one of about 130 nationwide. Strong's studio is one piece of a world-wide organization.

Strong has been teaching this martial arts program for 22 years, which breaks down to 20 years of teaching in Marquette, Michigan and two years in Crandon. What Strong teaches is a course in self-discipline, mental discipline and self control. Strong says it teaches your mind to focus.

His students range from age four to adults. The studio is open year-round, but it is a good program for all in the winter months when we tend to turn into couch potatoes. It is an inexpensive training and physical fitness program, and there is room in his classes for all ages. If you would like to observe first, there is always room for spectators. For more info, call him at 906-250-0196.

In addition to Strong's classes, his wife Cher Lewis, will be starting classes in Zumba and Yoga in the very near future. If interested, call her at 906-360-2436.

Does this count for inaugural numbers?

On Inauguration Day, Tricia, at Tricia's Treasures in Crandon, wore her special pair of Donald Trump socks to commemorate the day. She admitted that she bought the socks a while back to annoy her poor mother, who was not a Trump supporter, but thought that as long as she had the socks and he was being sworn in, she should wear these lovely socks. The question is, does this count towards making the inaugural crowd the biggest ever?

Office on Aging offers free bus rides in February

Have you thought about riding the bus, but think I can drive myself, why bother? The weather this time of the year can be unpredictable and somewhat intimidating to drive in.

In hopes to encourage people to give the bus a try, February will be "Ride the Bus Free" month for everyone, new and veteran riders.

The Forest County Commission on Aging has two buses that have routes that travel to Rhinelander, Iron Mountain, Michigan and Crandon. You can make doctor or dentist appointments based on the scheduled routes or spend the day shopping your favorite stores.

Both buses are equipped to handle wheelchairs. Any citizen of Forest County 25 or older is able to ride. However, individuals 60 and over and persons with disabilities are given preference based on availability of seats.

You can find scheduled routes in the Pioneer Express by watching Senior Chatter or by calling the Aging Office at (715) 478-3256. Most riders can be picked up at their residence and will be returned home at the end of the day depending on the route schedule and where you live. Most trips last from 6 to 8 hours and include stops for lunch. It cost \$4.00 to ride the bus per day.

If you have any questions, contact Tammy Queen, Aging Director at (715) 478-3256.

Letters to the Editor

We welcome letter to the Editor; however the letters should be legible, in good taste, not libelous and pertinent to current issues. To the Editor:

On Wednesday, January 18th, I met with Senator Tom Tiffany at the capitol building in Madison. (See photo above) With help from employees at the Forest County courthouse, we developed a property tax map, and supporting county informational data. I was able to show Senator Tiffany, Forest County's limited ability to balance revenues with the cost of providing government services. The multicolor county map shows the lands that pay full property tax in white, and all the other lands that are tax exempt or in MFL.

I included in a packet information and data that shows trends and finances including:

- Population - 2015, 9,287 down from 2005 10,213
- Property paying full property tax - 121,216 acres 18%
- Property that is non taxable or exempt lands - 533,280 acres 82%
- Delinquent property taxes - \$650,000.00
- Forest County Levy 5.4 million
- Forest County budget, the short falls, future obligations, Infrastructure, and more.

We talked about meeting the needs of the fine people Forest County, and its employees with an agreement to work together to find some solutions.

I appreciate being allowed to represent Forest County in the County Ambassador Program. I will always do my due diligence and fight for all the people of Forest County!

Forest County Supervisor Dist 16
Town of Lincoln Supervisor
Steve Bunda

To the Editor:

There are those who will argue the use of popular vote versus the Electoral College to elect the President of the United States. Our founders had the foresight to wisely use the Electoral College instead of the popular vote.

Following is an explanation that appears correct based on some research I did to confirm the accuracy.

There are 3,141 counties in the U.S. Trump won 3084 of these counties. Clinton won 16.

Clinton won the popular vote by approximately 1.5 million votes.

In the five counties of New York City (Bronx, Brooklyn, Manhattan, Richmond and Queens) Clinton received well over two million more votes than Trump. Clinton only won four of these counties. Trump won Richmond. Therefore, these five counties alone more than accounted for Clinton winning the popular vote of entire country.

These five counties comprise 319 square miles. The United States is comprised of 3,797,000 square miles.

When you have a country that encompasses almost 4 million square miles of territory, it would be ludicrous to even suggest that the votes of those that encompass a mere 319 square miles should dictate the outcome of a national election. Large densely populated Democrat leaning cities like New York, Chicago, Los Angeles, etc. don't and shouldn't speak for the rest of our country.

Candidate Spotlight
Raletta Shampo-Ashbeck Cont. from pg. 1

A solid, supportive connection between our community and our schools can only have a positive outcome.

It could help:

- ~Raise enrollment numbers. When we lose kids – we lose money from the district.
- ~Get students more involved in community activities, allowing the students to see what this area has to offer them.
- ~Add resources and expertise for teachers and learning environments.
- ~Build trust and support between school, parents and community.
- ~Teachers feel supported in their efforts to give our students the finest education.
- ~Give students more opportunities and increase their performance.
- ~Boost support and patronage for our businesses.

Being fiscally responsible is imperative, while still providing the best education for our students. We need to have a long term vision and plan that offers our district sustainability. With state budget cuts to our public schools, it is getting more difficult to make money stretch as far as it once did. How can we offer the students an exemplary education without over taxing our communities? We need to make fiscally responsible decisions that make the students and the classroom priority. I believe we can offer our students the best possible education while operating within our means.

As a board member, I want to be involved in researching and grant writing for our schools to help alleviate the costs to our district. There are numerous grants out there for public schools and I would like to take advantage of anything we are eligible for to help our schools succeed.

Our school wants to put in a "Fab Lab" which would be extremely beneficial for the students as well as the community. I want to help find and write grants to make this happen for our district so we can incorporate more classes that will teach trades to our students.

My efforts as a board member would focus on encouraging open communication, and promoting unity amongst everyone. We are a diverse community and have to celebrate that diversity and realize our schools and communities have so much to offer each other. Together- teachers, students, administration, board members and

the community- must all work together to succeed. We need to move forward with positivity.

I am committed to help make decisions and choices that will benefit our schools and our communities. I pledge open and honest communication with everyone regarding all concerns, thoughts or ideas.

I ask for your vote and your support on April 4th, in order to serve as a positive Wabeno School Board Member.

I welcome and encourage you to contact me with any questions. 715-927-7007 ralettaashbeck@yahoo.com

Howard Young, candidate for Town Chairman, Armstrong Creek

Dr. Howard Young, resident of Armstrong Creek, has filed for the Office of Town Board Chairman of Armstrong Creek. Young is currently on the Board of Supervisors for the Armstrong Creek Township. Young has lived in Armstrong Creek since retirement and has owned properties in and near Armstrong Creek for over twenty years. Young states, "I have hunted the woods, fished the lakes and streams, and enjoyed the trails of this area for many years. Most importantly, I have through the years met the people of Armstrong Creek and Forest County and their thoughtfulness and friendliness brought us to settle in Armstrong for retirement. I believe I can help lead our town through the challenging days faced by all small towns in rural Wisconsin". Young cites road repair and surfacing, public education, and economic challenges as his major concerns for Armstrong Creek and outlying areas.

Young retired from school and college administration in 2014. He has served as a college president of a North Central Association (Chicago) college in North Dakota and an administrator for private primary and secondary schools in Alaska, Oregon, and Wisconsin. He has also served as a professor with North Central University, Minneapolis, MN. Having lectured in over twenty different countries, he still travels abroad as a lecturer in leadership, administration, and organizational

THANK YOU

Crandon Youth Basketball (CYB) organizers, parents and players offer a most sincere "THANK YOU" to all who helped make our 2017 5 on 5 Tournament a success! The support of generous individuals from within our community allows us the opportunity impact our youth in positive healthy ways.

Crandon Youth Basketball supports parent volunteers as coaches and we would like to THANK our coaches who returned the support - Aaron Samz, Andy Ostrowski, Jason Neillitz, Travis May, Jeff Jaeger, Eric LeMaster, Larry Palubicki, Bobbie Bissonette, Rick & Amira Erdman, Sonny & Jenny Gretzinger, Matt Samz, Kasey Keao and Ted & Marissa Glinski, your players are lucky to have such dedicated volunteers in their corner!

Aside from thanking all the parents and student athletes who helped, CYB would like to extend a special thank you to the following:

Ken Carroll, Craig Deer, Sierra Deer, Rick Denton, Jasee Flannery, Jimmy Gumm, Rob Jaeger, Kory Kincaid, Annie Champine, Brett Novak, Alyssa Samz, Cassidy Neillitz, McKenna Stamper, Wayne Sparks, and Bob Jensen we appreciate your reffing and score keeping talents year after year more than you could know!

Brian Tupper & Sue Palubicki your Chili and Chicken Dumpling Soup sold out both days!

Grandparents who surprised us with extra baked goods, you're the best!

Mike & Linda Duff who show up to help set up year after year - thank you!

Lori Shampo, as always, we appreciate having you in the kitchen!

School District of Crandon, we appreciate the facilities we have and will continue to be a partner in making improvements!

To the janitorial staff, hats off to you -

approximately 1000 people in two days makes quite a mess.

Travis & Winnie May you went above and beyond helping with the trip to Sam's Club and 2 full nescos of hot turkey for sandwiches!

Coach Josh Jaeger & Coach Jeff Jaeger, thank you for having the JV & Varsity players help with set up and working at the tournament!

We LOVE student athletes who set a great example for the youth!

Jenny Gretzinger & Mindy Samz, I'll miss you more than you know next year, you're rock solid on getting things going in the kitchen in the mornings and helping all day wherever needed!

Terri Palubicki - you deserve your own THANK YOU for the hours you put in to build a flawlessly smooth schedule for 27 boys teams on Saturday and 27 girls teams on Sunday!

Thanks to all of you, Crandon was able to host more than 500 student athletes the weekend of January 14th & 15th, bringing with them hundreds of fans! Crandon was represented well and our teams walked away with 5 golds and a silver. Crandon is truly a wonderful community full of people willing to jump in and help! If I inadvertently missed anyone, my most sincere apology - I am so thankful for all of the help we've gotten over the years building this program!

Erica Neillitz, Crandon Youth Basketball

THANK YOU

I would like to thank all of the businesses, organizations and individuals who generously donated money to the Salvation Army. Because of you, we had a record year. At this point in time we have collected \$11,000.

Many thanks to you who donated your time ringing the bell during our Red Kettle Campaign. Without your efforts, our season would not have been such a success.

Thank you again and looking forward to working with you during our 2017 Red Kettle Campaign.

IronLine Sled Dog Race Postponed, Rescheduled for February 3rd - 4th

IRON RIVER, MI -The 5th annual IronLine Sled Dog Race has been postponed one week, with the first stage of the 2-day race slated to begin on Friday, February 3rd under the lights at 5:30 p.m. at the Klint Safford Memorial RV Park in downtown Iron River.

"We were very hesitant to postpone the race," said Race Director, Adam Kicker, "but the trail dramatically deteriorated because of the rain and warm weather. The snow has become so soft that the dogs will have a nearly impossible time completing the race."

"We know that this kind of delay can be frustrating for mushers and volunteers," Kicker added, "but we're all about safety, and the trail is just not safe to be racing on."

Snowfall is projected in the next ten days and groomers will work hard to prepare the trail for IronLine weekend. Kicker indicated that he is confident that all aspects of the event will still be carried out as planned.

Spectators can enjoy up-close interactions and entertainment at the starting line or watch the action from the comfort and warmth of the George Young Recreational Complex (GYRC) on Friday night & Saturday morning.

Kicker emphasized that The IronLine is a very family-friendly event that is fun for all ages and includes a Musher's Village with food vendors, hot drinks, bonfire, and more. "You don't have to know anything about sled dog racing to enjoy this event," he said. "This is a unique sport, and the IronLine is the best way to experience it up-close."

For more information about the IronLine Dog Sled Race, including registered mushers and volunteer opportunities, visit www.TheIronLine.com.

Thank You From Northern Buck Hunters!

Northern Buck Hunters, Inc. would like to thank everyone who supported our Coyote Hunt Fundraise over the weekend. We registered over 100 hunters Friday night and had around 200 in attendance on Saturday. We had six coyotes registered between the two division with the Argonne Houndsmen taking home the victory in the dog division as well as largest coyote. The callers division was won by Los Gringos from Crandon with one coyote.

We would like to thank the following businesses for sponsoring our event: Main Street Ed's, Conway True Value Hardware, Nortrax, Double U Hunting Supply, Plummer's Whitetail Taxidermy, Four Seasons Service and Landscaping, Glacier Cattle Company, Crandon International Off-Road Raceway, KAM Specialties, Gas Depot, C.A.R.S., Krist Oil, Pack 'Em Inn, Smith Sport & Hobby, Vollmar Mobile Welding and Fabrication and FOXPRO, Inc.

We will be putting the funds raised to use this spring as we will be asking for volunteer to help make repairs and to clean up the range.

Thank You all for your gracious support of our event.

cultures. He and his wife Barbara will travel again in June, 2017, to Kiev, Ukraine, for a lecture series on Servant Leadership in Bureaucratic Cultures. He has a published text on servant leadership (A Primer on Servant Leadership, SurgeBooks, Amazon) and nears completion of a second work "Leadership Lessons from the Ancients". He has also many published articles on leadership and related topics. Young has served on many committees within the college/university environment and communities of residence, and has worked hand in hand with public school administration throughout the years.

Young states, "If elected, I pledge to the people of Armstrong Creek my due diligence in taking our township into the future with a deep sense of responsibility toward the good of the community and a personal commitment to effective leadership. Small towns across our state are the backbone of Wisconsin and need the loyal support of every privileged citizen who calls rural Wisconsin "home".

Dr. Young's wife, Barbara, is a retired accountant from the corporate office of ShopKo, Green Bay, Wisconsin. The local voting date for city offices is April 4th.

Wabeno Players Cont. from Pg. 1

The next production by the Wabeno Area Players is the uproarious comedy, "The Hallelujah Girls." Dates of the show are February 9, 10, 11, 12. It's our Valentine's show. It's a love story! The play takes place in SPA-DEE-DAH, an abandoned church-turned-day-spa where a group of friends gathers every Friday afternoon to work on changing their lives and achieving their dreams! However, Sugar Lee, the new owner of SPA-DEE-DAH, finds that being a sole proprietor of a salon is tough and achieving success in the beauty industry is a great challenge.

We need you! Volunteers are needed for the following positions: Ushers, Ticket/Box Office, Table Service, Dessert Manager, Desert Server, Bar Manager and Stage Crew. You can volunteer for every show or just one performance. We will take any time that you have to give.

Community theatre is made possible because of community involvement and support. Did you know that every person you come in contact with at Wabeno Area Players is a volunteer? Our board provides necessary guidance and expertise, but to create numerous productions we need you!

There are lots of volunteer opportunities: ushers, table staff, box office, marketing, publicity, stage crew, performers and technicians. Everyone is important to Wabeno Area Players. Whether it is for one hour or every day, we need you!

People who volunteer their energy do so for many reasons: to learn new skills, to make new friends and to share the magic of bringing stories to life.

Be a part of our community theatre. If you would like to volunteer or for more information, please call (715) 889-1606 or (715) 473-5466. You can also email us at wabenoareaplayers@gmail.com, check our website www.wabenoareaplayers.org or Facebook @wabenoareaplayers.
