## "Cate and Her Jacks" at the Holt & Balcom Museum

On July 21, "Cate and Her Jacks" will make its Holt and Balcom Logging Camp Museum debut at 1:00 p.m. Kathleen and Jon Marsh, Townsend, will reprise their roles as Cathouse Cate and Whiskey Jack, popular characters from the Red Light Saloon series. This time around, Cate and Jack will share entertaining anecdotes of the lumberjacks who patronized their fictitious establishment in the late 1890s. The couple will share humorous stories inspired by tall tales surrounding the former Wheeler Hotel. Built in 1898, the Wheeler is still standing on Highway 32 in Townsend (Sawbucks). It was a wildly popular place for lumberjacks looking for hard liquid refreshment and soft female companionship. Note: this show is for mature audiences only.

As always, the Museum will be open for tours beginning at 10 a.m. Holt & Balcom Logging Camp Museum is located off Highway F in Lakewood. Take Highway 32 to County Trunk F; go east 1.5 miles. Turn right into the McCauslin Golf Course and follow the signs. Park in the Golf Course Parking lot. The Museum is directly behind the Clubhouse. A \$5.00 per person donation is very much appreciated.

## Conservation Corner Rollout of "Quiet Waters" Project

Conservation Corner is a weekly article produced by the Forest County Land & Water Conservation Department. For more information contact Al Murray, Land&Water Resources Technician at 715-478-1387 or by e-mail at [lcc@co.forest.wi.us](mailto:lcc@co.forest.wi.us).

"QUIET WATERS PROJECT"- Kayaking and Canoeing provides excellent recreational value as well as health benefits for paddling. Forest County is blessed with 824 named lakes and many un-named lakes and ponds. In addition to the lakes and ponds we have 850+ miles of streams with a variety of water levels, rapids and stream impediments to navigate. Many of the lakes and streams provide access to remote portions of our forest with very little settlement, making them "Quiet Waters" for you to enjoy.

The serene quality of our "Quiet Waters" is a tribute to the past generations of Forest County who managed our vast forest and who conservatively farmed our lands to improve and protect our water quality. In recognition of these efforts and the healthy benefits of paddling quiet areas, the Forest County Land and Water Conservation Department has worked with the Forest County Health Department to develop "Quiet Waters", a program to promote paddling sports including kayaking and canoeing and the healthy aspects of such sports in the county.

## The Cowboys return to the Lumberjack Steam Train

It will be an exciting time when the Cowboys return to the Lumberjack Steam Train and the Camp 5 Museum complex. This marks the 20th year that these wild desperadoes make an appearance at one of the Northwood's premier attractions. They will be there on Saturday, July 21!

You can be sure that they will stop and rob the Lumberjack Steam Train on every trip to Camp 5. To be safe, put your money in your shoe! Although it should be added that thus far, they have never robbed a passenger. There is usually a shipment of gold or other valuables they are after, and they have been known to rescue an accomplice from the grip of the Sheriff and his deputies that will be on the train.

The Cowboys are a unique group that relives the wild days of the old west. You will enjoy the vintage clothing and firearms, as well as the fine horses they ride. And, they all aren't wild outlaws. You will meet the Marshall and his deputies, who are doing their level best to keep these wild guys under control. A preacher is usually on the train, and there will be some lovely ladies in vintage dresses that will make you consider changing your taste in fashion!

The Cowboys are likely to be have a harder time this year. We have it on good authority that wanted posters will be on hand at the vintage depot on Hwy 8, and he has

## 4th Annual Community Picnic and Fun Event

### Pickereel Chain Lake Association

Go have some fun! The Pickereel Chain Lake Association is holding their Annual Community Picnic and Fun Event at Oughton Park in Townsend! The date is Saturday, July 21st, from 3-7:00 p.m.

There will be kid's games, beer, food, meat wheel raffles, and plenty of visiting and old-fashioned fun.

The Association is celebrating their successful efforts to restore and enhance Smoke, Little Pickereel and Pickereel Lakes. Get in on the celebration!

## Mushroom hunt this weekend in Hiles

The Wisconsin Mycological Society returns this weekend for its annual summer foray in the Hiles area. Hiles has become the center of the Wisconsin mushroom world in recent years having been designated as the 'Mushroom Capital of Wisconsin'. Over 325 varieties of fungi have now been identified over the course of the mushroom groups annual expedition to Hiles. As part of the annual event, the group displays its findings in the Hiles Town Hall during the day on Saturday. The public is welcome to tour the display with mushroom 'experts' generally available to discuss and answer questions.

The Hiles area is a prolific area for hunting mushrooms. The group identifies areas in the Nicolet-

## Kentuck Day Festival in Crandon July 28

It's time for the annual Kentuck Day Festival in downtown Crandon! The Forest County Chamber of Commerce invites everyone to attend on Saturday, July 28, for what is sure to be a fun day for the whole family. This popular summer festival celebrates the heritage of many of the area's early settlers from Kentucky. The rich history of families from Kentucky will be featured in the historical booth on the grounds of the courthouse square. With artist and crafter booths, great sidewalk sales, specialty food booths, and live entertainment on the grounds, and a classic car and bike show just down the street, there will be something for everyone to enjoy!

The day kicks off with the 7th Annual 5K Moonshine Run/Walk. The Moonshine Run starts at 9:00 a.m. (registration begins at 8:00 a.m.) and will wind its way through downtown Crandon and end near the Kentuck Day Festival grounds on the courthouse square. Registration is available the morning of the event or by contacting [joshjaeger84@gmail.com](mailto:joshjaeger84@gmail.com). All proceeds will benefit local youth sports.

The 16th annual Kentuck Classic Car & Bike Show will take place on the beautiful grounds of the Weber-Hill Funeral Home from 9:00 a.m. till 2:00 p.m. An entry fee of \$10.00 can be paid upon registration, taking place from 8:00 till 11:00 a.m., at the show grounds. Chair Susan Hill is excited about her second year as chairperson and invites everyone to come and enjoy the show. Food and refreshments will be available on the grounds and DJ Rusty will be playing tunes throughout the day. T-Shirts and dash plaques will go to the first 100 entrants.

Over 120 vendor spaces are already reserved for the huge art and craft show set up on the courthouse lawn, offering a wonderful variety of items for purchase. Handcrafted items from local talented artisans from this area as well as from throughout Wisconsin, upper Michigan, and Minnesota.

The flea market section will be set up on the south end of the courthouse square along Polk Street, with over 25 vendors reserving booth space. Many local restaurants plan to have a 'Kentuck' special on their menu. Some will be set up in the courthouse square, along with area groups, to serve their scrumptious specialty food items. Plan to grab a 'bluegrass burger' or one of the many other mouthwatering homemade treats! Live music on the grounds by "Hand-picked Bluegrass" will take place from 11:00 till 3:00 p.m. Brandt's Horse & Wagon Rides will be back for leisurely rides around the Courthouse Square.

The Forest County Historical Society display will be front and center on the courthouse square, which will highlight the Kentuck Heritage Day Camp taking place July 23-27 (put on by the Forest County Historical Society, further details at [forestcountyhistory.org](http://forestcountyhistory.org)). Several information booths will also be on hand including two area lake associations.

As this popular festival is a celebration of the heritage of the area's early settlers from Kentucky, dressing the part (Kentucky pioneer, prohibition or moonshine era, or even the humorous version) could win you a prize. \$50.00 in Chamber bucks will be awarded to the best-dressed vendor or attendee to the festival, with judging on stage at noon. Last but not least, don't forget to check out the best bargains of the year at area retailers and unique specialty shops; whether inside the shops or out on the sidewalk plan to find some great buys!

Bring your family and friends and enjoy the Kentuck Day Festival in downtown Crandon, Saturday July 28th! For further information, contact the Forest County Chamber of Commerce at 715-478-3450 or email [info@visitforestcounty.com](mailto:info@visitforestcounty.com).

## Hiles Fire Dept. Trap Shoot-Saturday July 21

The Hiles Trap Range will be a noisy place on Saturday, July 21st. The Fire Department will be holding their Annual Trap Shoot from 11:00 a.m. until 4:00 p.m. Bring plenty of ammo!

There will be a cash raffle and cash and meat prizes throughout the event. All are welcome!

# REAL ESTATE

N9601 Greenway Ln. on Summit Lake  
\$399,900

NOSTALGIC, PICTURESQUE, PRIVATE.... enjoy them all on this one-of-a-kind waterfront property, virtually untouched by the twentieth century. An awesome 3 bedroom furnished log-cabin comes complete with a large dining hall, spacious and rustic family room with Fieldstone enhanced woodburning fireplace, and an enclosed sunporch running the width of the cabin for lake viewing on the beautiful full-recreational Summit Lake, that was used in the 1950's-60's Era as the famous "Camp Ney-A-Ti for Boys". Enjoyed for the last 40+ years by one family, they are reluctantly parting with the property where they swam, boated, fished and sat around the campfire on star filled nights. A quiet lane surrounded by a mix of hardwoods leads you to numerous other buildings including the charming guest house! This unique property has approximately 9 wooded acres and over 1300 ft. of shoreline.

# Death Notices

**Billie Ruth Barry**, 88, of Laona, WI passed away peacefully on July 12, 2018 from a battle with cancer.

Billie Ruth Wilhelm was born March 27, 1930 in Jefferson City, MO, to Howard Hixon Wilhelm and Edna E. Blue Wilhelm.

In her teens, Billie moved with her father and siblings to Chicago, IL where she graduated from Senn High School in Chicago, IL. After graduation, Billie met Stephen J. Barry Jr. and they were married Dec. 4, 1948 in Chicago, IL.

Billie and Steve lived in the Chicago area, Davenport, IA, St. Paul, MN, Portland, OR, Tacoma, WA and then back to the Chicago area.

In 1972, Billie graduated from Bryman College, Portland, OR and was a Certified Medical Assistant.

Steve passed away on May 22, 2003 in Las Vegas, NV after 55 years of marriage.

Billie and Steve bought their lake property from Steve's grandparents James and Caroline Barry in 1966. In 1984, they tore down the old cabin and built their current home.

Billie and Steve made their summer home in Laona, WI. They shared their home with many friends in the area.

Survivors include daughter, Janet Musson, Le Mars, IA; sons, Mark (Linda) Barry, St. Paul, MN and James (Jennifer) Barry, Twin Lakes, WI; and brother, Jacque (Karen) Wilhelm, Valparaiso, IN.

Billie is survived by eight grandchildren, Jennifer (Omar) Garcilazo, Sioux City, IA, Shannon (Michael McFadden) Barry, Pocatello, ID, Alanna (Yassin Ibrahim) Barry, St. Paul, MN, John (Liz) Barry, Richfield, MN, Alex Musson, Spearfish, SD, Kyle (Natalie) Barry and Corey Barry, both of Twin Lakes, WI and Collin Barry, Winona, MN. Billie is further survived by six great-grandchildren, Mackenzie, Maurice, Eliot, Brisa, Quinton and Jordyn and many nieces and nephews.

Billie was preceded in death by her parents, husband, sisters, Patricia and Jacqueline and her son-in-law, Steven H. Musson.

A celebration of Billie's life will take place later this summer at her summer home on Silver Lake, Laona, WI. Memorial donations can be made in Billie's name to: Seasons of Life Hospice House, 8951 Woodruff Road, Woodruff, WI 54568.

Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for Billie's family may be directed to [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com).

**Leslie J. Rugg**, 68, of Laona, WI passed away Friday, July 13, 2018 at his home.

No services will be held. Memorials appreciated to the family in care of Brandy Roudabaugh, 110 Midland Rd. Glen Burnie, Maryland, 21060.

Online condolence for the family may be directed to [weberhillfuneralhome.com](http://weberhillfuneralhome.com).

# Letters to the Editor

*We welcome letter to the Editor; however the letters should be legible, in good taste, not libelous and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES. We reserve the right to reject any and all letters.*

To the Editor:

Recently, an issue in Forest County has come up concerning Home Town Trolley and the Fairground lands.

Home Town Trolley would like to have 200 feet of the fairground property. Due to a deed restriction, the county would have to provide equal or better property and facilities to the fair.

The county offered to trade the fair property to the city for the old trailer park property. This would be a win for Home Town Trolley, a win for the fair and a win for the taxpayers of Forest County, since the county would not have to buy a property for the fair.

The Crandon City Council voted against the trade. I would urge the city council to reconsider their vote.

Randy Burl  
County Supervisor-District 21

**Open Letter to the School District of Crandon, citizens and taxpayers**

Citizens United for Education is an open group to all citizens and taxpayers interested in educating themselves on how responsibly our school is using our tax dollars in running the school, the children's education, safety, staff and student moral. These meetings generally take place once a week in the basement of the Crandon Public Library. We encourage any and all Crandon School District citizens and taxpayers to participate in and attend school board meetings, school board workshop meetings and Citizens United for Education meetings.

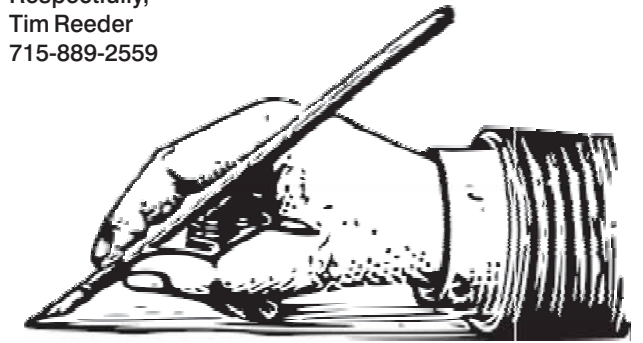

Your school board is a policy making entity for the school district. The board is an administrative agency that must provide oversight for the operation of the local school system and is ultimately accountable for the system's operation and the board is a democratically elected body that provides school system leadership and represents the interests of the community on public education issues. Boards may also be authorized by the state legislature to levy taxes without going to referendum.

**ITEMS THAT MAY BE OF CONCERN TO YOU:**

- \*\*Current projected deficit of approximately \$700,000.00 for the 2018-19 school year;
- \*\*Currently considering a tax levy (\$900,000.00 Contract signed with McKinstry) which DOES NOT have to go to referendum. Under consideration is an increase in the mill rate of \$.63/\$1000 for each of the next two years to pay for the energy upgrades. The most interesting part about what the board is considering here is that after these energy upgrades are completed, the levy is not proposed to disappear, thereby garnering more revenue for the district. This is effectively a referendum without going to a public vote. Who is to say that the money collected by this levy will be handled appropriately and there is still future consideration of a referendum;
- \*\*Recent approval of two new administrative staff (associate principals); Crandon School District now has approximately 8 Administrative personnel for every 100 students;
- \*\*One year early renewal of Administrative Contract with salary and benefit increase;
- Current Superintendent under investigation;
- \*\*Inconsistent and questionable staff salaries;
- Safety of the students and staff
- \*\*The alarming number of students leaving the district and enrolling in nearby schools;
- \*\*Poor staff and student morale.

While this list is not exhaustive, it is extensive. The public needs to be aware of the current trend the board has taken and needs to take a good hard look at where this money is being spent. Since its inception, Citizens United for Education has been proactive in gathering information with regard to how the District is spending our money. This is why several recall petitions have and are being circulated in an effort to remove tenured board members and move to a more fiscally responsible and common-sense approach to not only the spending, but also to the betterment of our children's education and safety. Again, Citizens United for Education encourages everyone to attend these meetings and provide your input. We also encourage all to get out and vote in the upcoming recall election.

Respectfully,  
Tim Reeder

“Quiet Waters” provides photos from, mapping and directions to areas and water accesses that have little development, little motorized use and a variety of water conditions from serene lakes, to wetland-wildlife impoundments, to streams requiring a variety of skill levels. The mapping utilizes Google Maps and can be downloaded directly to your phone or tablet.

The Land Conservation Department will welcome organizations or businesses to include the links to their websites to promote our area. Please contact the Land Conservation Department for a more detailed information packet. The PDF version of “Quiet Waters” will also be available on the County website in multiple program's pages. We also welcome comments, suggestions of additional areas and submission of photos from the sites to add to the links. Land Conservation hopes to expand the project to include areas across the county and your assistance will be appreciated, please contact us at the e-mail above. The following are the direct links:

**Mushroom Hunt** Cont. from pg. 1

Chequamegon National Forest that are known to be good growing areas for various species. Small groups venture into these areas in different sessions during the day on Friday and Saturday; collecting their bounty and returning to the Town Hall for display. There is always a featured mycology expert at the event. This year is no exception as Patrick Leacock will be working with the group. Leacock is based out of Chicago working with the Field Museum of Natural History. Patrick has been a part of the Wisconsin Mycological Society in Hiles for several summers. Due to the logistics of being able to provide the best experience for everyone, it has been necessary to limit the number of attendees to the event. That said, if you're a mushroom enthusiast, don't pass up the opportunity to visit the Hiles Town Hall on Saturday and view the display. For more information, visit [www.wisconsinmycologicalsociety.org](http://www.wisconsinmycologicalsociety.org). You may also call Mark Ferris, Little Pine Motel at 715.649.3431.

The Hiles Museum will be offering a special exhibit featuring the work of noted photographer, Karl Guth. Mr. Guth's collection is widely viewed as some of the finest nature photography in the Northwoods. The Hiles Museum will be open from 12:00-4:00 p.m. on July 21 for this special exhibit. The museum will also be open the following Saturday, July 28 from 12:00-4:00. The Hiles Museum is provided by the Hiles Service Club.

There was a motion by Dave Seeber seconded by Dan Christianson to approve the payment of vouchers by general checks **78285 to 78446** for **\$362,473.93** and payroll checks **900035296 to 900035512** for **\$219,323.46**, and a state tax, 941 tax, and employee trust fund electronic transfer for **\$113,962.49**. The motion carried. Jennifer Vogler, District Administrator, reported the following: I am proud of the success we have had this school year! We have had students increase academic knowledge and success due to the work being done each day by our faculty members! They did a great job reviewing our 2017-2018 goals during our data retreat. The discussions had while developing our new goals for the 2018-2019 school year were outstanding! The board met on Wednesday, May 30. As a group we are developing goals and learning about our roles and responsibilities. As part of the growing process the board has asked that I develop a district wide team with the purpose to help improve the district culture. The team members will help create improvement goals as an effort to build a positive, district wide culture. This will help address the great things we are accomplishing as a district and the areas we need to improve. Our first meeting took place on Monday, June 4. We had a great discussion during our meeting. We discussed community involvement, moving forward and communication. We also had a conversation regarding our district mission, vision, and philosophy. A second meeting has been scheduled. Our summer math curriculum work days have been scheduled for August. Tammy from CESA 8 will be assisting us with this process. Our new teachers will be invited to join these professional development days. Open house will be on Tuesday, August 28, from 5:00-7:00 PM in both buildings. Eric Becker, Elementary Principal, reported on the following: Updated AGR (Academic Gap Reduction; Formally SAGE) Report We utilized class size reduction as our strategy for all grade levels Performance Objectives: Reading - Kindergarten- 81% of students are reading at level C or above. Goal of 80% met. First Grade- 60% of students are reading at level I or above. Goal of 80% not met. Second Grade- 55% of students are reading at Level M or above. Goal of 80% not met. Third Grade- 71% of students are reading at Level P or above. Goal of 80% not met. Math - Kindergarten- of students are at or above level 2 in the math assessment. Goal of 80% not met. First Grade- 83% of students are at or above level 4 in the math assessment. Goal of 80% met. Second Grade- 39% of the students are above the 40%tile in STAR math. Goal of 80% not met. • Change in assessment to STAR Third Grade- 79% of students are above the 40%tile in STAR math. Goal of 80% not met. Data goals for AGR for next year: 1. Standardize measurements for goals. Use all STAR and/or F&P 2. Transition to a growth goal that looks at current level of performance and moves students at an appropriate rate. These goals are more meaningful and show how much a student has gone from the start to the finish. STAR uses a Student Growth Percentile to calculate this figure. 4-6 Grade At or above the 40%tile; this is the district benchmark. Reading Math 4th- 48% 4th-70% 5th- 42% 5th-50% 6th- 15% 6th-29% 6th Grade graduation went well. A big thank you to Home and School for providing cake, balloons, decorations, and serving; and also to Ms. Eisenschink and Ms. Collins for assisting with the decorations and setting up. Summer school has 24 students registered and will run Monday through Thursday starting June 11 and running to June 28. We re-posted the counselor position after the candidate was hired by another district. We have no applicants at this time. Bill Taylor, Jr./Sr High School Principal, reported the following: complimented Kathy DeBoth for her neck pillows that were made in F.A.C.E. for Children's Hospital, great project. Leadership work day will be June 11th and 12th and have set up a meeting to work on goals for 2018-2019 school year in July. The students had cardboard boat races on the last day of school and had a great time. And updated us on Teacher vacancies. Robert Tucker, Director of Special Education, reported the following: District applied for IDEA

Discretionary Grant, unfortunately wasn't selected. Elementary Special Education went on field trip to Silver Moon Springs Fish Hatchery on May 16, 2018 sponsored by the McCauslin Lions and Lioness Club. Some of the students have never been fishing before and everyone had a wonderful time. Update on interviews for hiring more teaching staff. Evaluations for teachers and paraprofessionals is complete. Janet Opiela and Dave Seeber, with the rest of the Board, discussed a date for the Co-op Meeting (Wabeno/Laona) and the July board meeting. Dawn Jakubiec thanked Michele Rocolle and Tammy Exferd for the great job on Class Night. Lori Mattern expressed how much she liked the National Honor Society Banquet presentation was excellent. Katryna VanEperen stopped in on the Data Retreat and said it was a good presentation. Dan Christianson said that the band trip to New York was a trip of a lifetime. ## Be Active Adults Submitted by UW-Extension

### 10 tips to help adults include physical activity into their lifestyles

Being physically active is important for your health. Adults who are physically active are less likely to develop some chronic diseases than adults who are inactive. Physical activity is any form of exercise or movement of the body that uses energy. People of all ages, shapes, sizes and abilities can benefit from a physically active lifestyle.

1. Start activities slowly and build up over time. If you are just starting physical activity, build up slowly. This will help to prevent injury. After a few weeks, increase how often and how long you are active.
2. Get your heart pumping. For health benefits, do at least 2 ½ hours each week of physical activity that requires moderate effort. A few examples include brisk walking, biking, swimming and skating. Spread activities over the week, but do them at least 10 minutes at a time.
3. Strength-train for healthy muscles and bones. Do strengthening activities twice a week. Activities that build strength include lifting weights, doing push-ups and sit-ups, working with resistance bands or heavy gardening.
4. Make active choices throughout the day. Every little bit of activity can add up and doing something is better than nothing. Take the stairs instead of the elevator, go for a 10-minute walk on your lunch break, or park further away from work and walk.
5. Be active your way. Mix it up – there are endless ways to be active. They include walking, biking, dancing, martial arts, gardening and playing ball. Try out different activities to see what you like best and to add variety.
6. Use the buddy system. Activities with friends or family are more enjoyable than doing them alone. Join a walking group, attend fitness classes at a gym, or play with the kids outside. Build a support network – your buddies will encourage you to keep being active.
7. Set goals and track your progress. Plan your physical activity ahead of time and keep records. It's a great way to meet your goals. Track you activities with the Physical Activity Tracker on SuperTracker - Use the My Journal feature to record what you enjoyed so you can build a plan that is right for you.
8. Add on your active time. Once you get used to regular physical activity, try to increase your weekly active time. The more time you spend being physically active, the more health benefits you will receive.
9. Increase your effort. Add more intense activities once you have been moderately active for a while. You can do this by turning a brisk walk into a jog, swimming or biking faster, playing soccer, and participating in aerobic dance.
10. Have fun. Physical activity shouldn't be a chore. It can help you feel better about yourself and the way you live your life. Choose activities that you enjoy and that fit your lifestyle.

### Title VI Program Jr. High/High School Instructional Aide and Elementary Instructional Aide Position Openings

The Wabeno School District Title VI (Indian Education Act) grant program announces two part-time positions for the district. Each position will be for \$12.37 per hour. The elementary position will be 16 to 18 hours per week over 4 days. The high school position will be 21 to 25 hours per week over 3 or 4 days. Final hours for both will be dependent on student need and scheduling. The Jr. High/High school staff member will work with targeted Native American students primarily in grades 7-12 (depending on scheduling and student needs some time with upper elementary students may also be possible). The Elementary Instructional Aide will work primarily with Native American students in grades 2 through 6. The primary focus of these positions will be to work with students to increase their math achievement levels. This may include administering a computer-based math assessment and having students use a computer-based math program as well as assisting students in the classroom with homework completion. Training will be provided for use of the computer-based program.

Applicants will need to be able to work with students either individually, in small groups, or in the classroom, and to have the ability to help them with any area of math (for the high school position this would also include algebra and geometry). Applicants should be comfortable using computers and willing to participate in additional training on a specific math program. The individual hired will need to work cooperatively with district staff to schedule student services. In addition to strong math skills this position requires the ability to work well with students at these age/grade levels, ability to communicate with parents/guardians, school and tribal staff regarding student needs, maintaining student records and writing student progress reports. Experience working with students will be helpful. Background checks of potential applicants are required.

Interested applicants should obtain an application from the district office located at the Wabeno Elementary School. In addition to the application please submit a letter of interest indicating which position you are applying for, a copy of your most recent school transcript (high school, technical school, etc.) and three (3) current letters of recommendation to: Jennifer Vogler, District Administrator, P.O. Box 460, Wabeno, WI. 54566 Applications are due by 3:00 P.M. on July 31, 2018 to the address provided above. Indian preference will be used in hiring in accordance with Title VI Program Rules and Regulations. Questions regarding this position can be directed to either Jennifer Vogler, District Administrator (715 473-2592) between the hours of 8:00 A.M. and 3:30 P.M., or to Deb Kruger, Program Coordinator at 715 276-7404.

### Lumberjack Steam Train

Cont. from pg. 1  
already prepared a jail to hold these miscreants. Let's see if he can keep these guys in lockup! They are a tough and unruly bunch! (With a soft heart for the kids.)

To ride the Lumberjack Steam Train, stop at the depot on Hwy 8, on Laona's west side. You can ride to the Camp 5 Museum Complex in a vintage passenger coach or caboose. When you arrive, enjoy the petting zoo, feeding and petting a variety of farm animals who enjoy the attention as much as the visitors. The early days of logging in the Northwoods are displayed in the Logging Museum. The days of the lumberjack wielding axe and crosscut are displayed with photos and tools that give the viewer a feel for the history of the time. A working blacksmith shop adds to the experience in the Logging Museum. Modern sustained yield logging is explained on the Green Treasure Forest Tour, with a trolley ride through a beautiful hardwood forest. The Cracker Barrel Gift Shop provides a shopping experience, and don't forget to sample the delicious ice cream! Lunch or a snack is available at the Choo Choo Hut Restaurant on the grounds. And, don't forget to visit the Nature Center and learn more about the ecology of the northern landscape.

The train leaves the depot at 11:00 a.m. and every hour on the hour, with the last run leaving at 2:00 p.m. The Lumberjack Steam Train runs Wednesday through Monday. It is truly fun for all ages. If you can't make a visit this summer, come to Fall Festival on September 1, 22 and 29. The Cowboys will make another visit on September 29th, during Fall Festival.

## “Open to Communication”

There has been a lot of conversation about a debate between John Dennee and myself that I feel the need to address. I was contacted by Dave Meier about possibly participating in this event in mid-April and again in May. Mr. Meier and Mr. Dennee have both recently claimed that I stated firm agreement to participate, however, this was not the case.

On June 20th, I received an e-mail from David Meier requesting we set a date for a debate for both candidates for Forest County Sheriff. In this e-mail, Mr. Meier further states that he had received a phone call from Sheriff Dennee questioning his trustworthiness and neutrality in the guidance of this debate. Mr. Meier expressed his disappointment in this questioning, however, I find it disappointing that Mr. Dennee would switch to the Republican Party after running the last two terms as a democrat and turn around to question the trustworthiness of his new political party.

Mr. Dennee appears to rely on the statement that I'm providing “misleading information” in all of his responses. I want to ensure the public that all of my information is factual and supported by documents. It is disappointing Mr. Dennee focuses his responses on attempting to discredit me and my information, but fails to elaborate on the most important topics of my articles: The employee turnover rate, unbalanced scheduling and revenue concerns. Yet, he states my efforts on educating the public of this concerns are negative. This certainly is not the case nor is it my intent. In order for me to inform you why I am running for the office of sheriff, I need to be able to address the areas of concern I have and the areas I feel I can improve upon. I feel I can safely assume most people are for making improvements where improvements can be made.

In his most recent response, Mr. Dennee has expressed confusion over my e-mailing concerns. Comparing a political campaign to communication within the Sheriff's Department would raise confusion, as they have nothing in common. Contrary to Mr. Dennee's statement, I have been effectively communicating in person and by phone with many members of the community. If there are further questions and/or concerns, please contact me at: (715)-889-0862 OR [novakforsheriff@gmail.com](mailto:novakforsheriff@gmail.com)

Jason Novak
