## Trump Lake Walleye Fundraiser Saturday August 18

The Trump Lake Walleye Fundraiser will be this weekend, Saturday, August 18th, at the Trump Lake Pavilion from noon to 6 p.m. This event will provide resources to help stock walleyes and address other needs of Trump Lake's natural habitat.

Meat raffles and tool raffles will be held throughout the day. A silent auction and a kids' sawdust pile will also be featured.

Bring an appetite for booyah, food and drink!

## Touch a Truck event August 25th in Argonne

On Saturday, August 25th from 10:00A.M. to 2:00 P.M. the Argonne Park Committee invites you to join them for their Touch a Truck event at the Argonne Town Hall.

Bring the family to explore the big trucks and heavy machinery...fire truck, dump truck, grader and more. Put your imagination in gear and go!

There will be games, and raffles for adults and kids. Food will be available for purchase at the event. Admission is \$5.00 per ticket or \$20.00 per family.

Come help support the Argonne Park Committee's goal in enriching childhood play in Argonne.

## Cook Elfors VFW Post 6823 & Ladies Auxiliary Corn Boil Saturday August 18, Silver Lake

The Cook Elfors VFW Post 6823 and the Ladies Auxiliary will again host the Corn Boil on Saturday, August 18th at the Silver Beach in Laona.

There will be food and refreshments, kids games, raffles with lots of great prizes and of course free corn! The fun starts at noon. Do not miss out on this fun event.

## Wabeno Area Players 3rd Annual Rummage Sale Fundraiser

It's time to clean out those attics, basements, garages & storage units and donate your unwanted yet reusable items to the Wabeno Area Players Rummage Sale. WAP will hold the sale at Madonna Hall located at 1794 Elm Ave in Wabeno on Friday, August 24th & Saturday, August 25th. Proceeds from the sale will benefit the Players by subsidizing production costs for the 2019 show season.

Wabeno Area Players has raised thousands of dollars over the years for many community causes and organizations.

All donations are tax deductible as WAP is a 501c3 non-profit organization. If you have items to donate or would like information regarding our drop-off sight or special pickup arrangements, please contact Linda Boatright at (405) 361-8294.

Starting Saturday, August 18-23, 2018 you can drop off (Madonna Hall located at 1794 Elm Ave. in Wabeno) your gently used items to donate to this very special cause.

Items we are unable to accept are: electronics, large appliances, computers, cribs, strollers, high chairs, child car seats, playpens and mattresses.

## Red Arrow Snowmobile ATV Club Corn Roast Labor Day weekend

On Saturday of Labor Day Weekend (September 1st) Red Arrow will host its 12th Annual "Corn Roast and ATV/UTV Parade" at the Old Town Hall Bar & Restaurant in Townsend. Open to the public, the event will begin at 11 a.m. Meat raffles, D.J. Music, Food, beverages and Free Sweet Corn will be available all day. Tickets for our BIG 36 prize raffle ticket will be available. Raffle prizes will be drawn at 6 p.m. The day's activities will all be under the cover of a big tent so come rain or shine!

The ATV/UTV parade will leave the Red Arrow Clubhouse (16712 Hummingbird Hill Lane, Townsend) at 10:30 a.m. and proceed to the event at the Old Town Hall.

## Large landslide in election for Forest County Sheriff John Dennee wins big

By Mike Monte

It was a hotly contested election for the position of Forest County Sheriff between incumbent John Dennee and Deputy Jason Novak. Dennee carried the election in a big way, getting around 80% of the vote.

The vote by precinct is as follows with Dennee's count listed first: Alvin-18 to 3; Argonne-132 to 44; 67 to 13; Blackwell-28 to 3; Caswell-18 to 9; Town of Crandon-144 to 23; Freedom-109 to 14; Hiles-96 to 38; Laona-260 to 88; Lincoln-281 to 48; Nashville Ward 1-96 to 20; Nashville Ward 2-34 to 14; Nashville Ward 3-51 to 12; Popple River-6 to 7; Ross-12 to 24; Wabeno-169 to 30; City of Crandon-411 to 78.

The totals for the race for Forest County Sheriff came to Dennee at 1932 and Novak at 468.

On the Republican ballot, Governor Scott Walker appears to be popular in Forest County, tallying up 1,617 votes against his Republican opponent Robert Meyer.

Lieutenant Governor Kleefisch was given a total of 1,550 votes. Attorney General Brad Schimmel was given 1,519 votes. In the race for Secretary of State, Jay Schroeder totaled 977 votes against his nearest competitor, Spencer Zimmerman, with 408 votes in Forest County. Travis Hartwig was the leader on the Republican ballot with 935 votes with his rival, Jill Millies, following with 400 votes.

In the Republican race to see who will run against Democrat Tammy Baldwin, Kevin Nicholson led the field in Forest County with the nearest opponent Leah Vukmir at 575 votes against Nicholson's 701 votes.

Tammy Baldwin only totaled 438 votes, but it should be added that the Republican race for sheriff undoubtedly drew many voters to the Republican ticket, and the voters can only vote on one ballot.

Sean Duffy, incumbent in District for U.S. Contress, received 1,718 votes running unopposed.

Ron Swearingen, Wisconsin Assembly District 34 received 480 votes running unopposed, and Jeff Mursau, incumbent if the 36th Assembly District received 1,185 votes running unopposed.

The Democrat ballots didn't get much use in the Forest County election because of the rule that you can only vote on one ballot. Certainly, the contested race for Forest County Sheriff put more voters on the Republican ballot.

In the race for Forest County Sheriff, there are no candidates on the Democratic ticket, so logically, this means Dennee will be re-elected to the sheriff's position next November.

## Crandon Lions dedicate City Beach kitchen and Honor Les and Donna Schramm

As many of you know, the Schramms worked tirelessly on behalf of the Lake Metonga Association for many years. A memorial fund was established, with funds donated to the association on Donna's behalf. The Schramms truly loved the lake and were active in all aspects of our community.

The Crandon Lions Club recently replaced the serving kitchen at the City Beach pavilion with the generous support of the great community. The stainless steel serving equipment for the kitchen was, however, not in their budget.

The Lake Metonga Association chose to use a portion of the Memorial Fund money to finish the kitchen as a lasting token of our appreciation, for the Schramms dedicated service to our association and the Crandon community.

Now, this is where you come in! If you know the Schramms from any of their many organizations, worked on the facility, community leaders, or just want to show your appreciation, please attend!

On Monday, August 20th, at 6:00 p.m., the Crandon Lions will be dedicating this facility and and recognizing the Schramms for their dedicated service. The Lions will be serving up tenderloin sliders as an entree. Please bring a snack, desert or dish to pass and your own beverage. We will furnish ice and water.

Please call Gary Mueller at 715-478-2049 if you are able to attend.

There will be NO fundraising at this event. We will have jar for your free will offering to the Disabled American Veterans (DAV).

## Mr. Argonne-Alvie Brokmeier

Alvin "Alvie" Brokmeier really enjoyed his weekend at Argonne Family Fun Day. He earned a new nickname this weekend "Mr. Argonne" as we believe he is the oldest male resident of Argonne, Alvie will be 91 years young October 14.

Enjoy More photos of the event on page 19

## Forest County Fair Sept. 6-9

The Forest County Fair is being held on September 6th through the 9th at the original Forest County Fairgrounds on the corner of Glen and Railroad Street.

### Have Your Poultry Tested!

Thursday, September 6th is Entry Day. It is important to all who are entering their poultry in the Fair, to have their poultry tested by a Wisconsin Certified Pullorum Tester. This is to avoid the spreading of avian bird flu outbreaks. If not tested, the birds won't be allowed on the fairgrounds.

The Forest County Agricultural Society will be holding a testing program for one time only, on Saturday, August 18th (This Saturday!) from 10:00 a.m. until 2:00 p.m. on the Sipple Farm that is located midway between Argonne and Hiles, fire no. 9705. This is a white farmhouse, red outbuildings and two concrete silos at the junction of County N and Hwy 32. Bring your premise ID number, and all birds will be identified with leg band tags and numbers. The only cost will be to pay for the antigen serum at about \$1 to \$2 per bird.

### What Will Be At The Fair?

A more complete schedule will be published as the date draws near, but there will be carnival rides, and adult talent contest, trick rider shows, a youth talent contest, Heritage Day, an apple pie bake-off, and a special Horse Pulling Contest on Sunday at 1:00 p.m.

The kids will have Wristband Specials on Saturday afternoon, and it should be a great time for all attending!

## Local artist and woodcarver to appear in Mountain

Ben Christianson, local artist and woodcarver, will give a presentation of his chainsaw woodcarving. Perhaps you have seen his art work on display in the lot next to the Old Town Hall Restaurant in Townsend.

Now is your opportunity to see how these elaborate works of art are created. Ben also has painted murals on the buildings in Lakewood and Wabeno. He is a talented painter but tells us his love of working with wood is inherited as his father and grandfather worked in the woods in this area. Come hear Ben's story and see a demonstration of his chainsaw wood carving. This event will be held in the park at the Log Home Museum Saturday, August 18th, at 2:00 p.m.

## Community Garden Open House August 21-Crandon

The Forest County Aging Department along with Forest County Health Department and UW Extension will be hosting a Community Garden Celebration Open House on Tuesday, August 21 at the Crandon Community Garden from 11:00 A.M. to 1:00 P.M. UW Extension Master Gardeners will be on hand to take you on a tour of the garden and answer your garden questions. There will be soil testing information and soil testing kits available for a fee. If you are interested in having a garden bed at the community garden, this will be the time to reserve your spot for 2019. We offer raised garden beds for those who have difficult time bending and kneeling.

You are welcome to have lunch at the Crandon Meal Site which is located at the Crandon Community Building right next to the garden. Menu for that day is Beef Lasagna, tossed salad, fruit, garlic bread and jello with fruit. If you are 60 and over we ask for a suggested donation of \$3.00. If you are under 60, the cost for lunch is \$8.00. Call Pat, Site Manager to reserve your lunch today at (715) 478-0742.

The Aging Department will also be holding a Free Ice Cream Social on Friday, September 7th at the Forest County Fair Main Display Building at 1:00 P.M. Dewing's Catering will be making their famous pumpkin or apple bars and topping it off with vanilla frozen yogurt. Come, socialize and see all of the displays. The Health Department will have Dose of Reality information and displays about prescription drug abuse prevention. Medication locks boxes and Deterra bags for home drug disposal will be offered through a special Partnership for Success grant and the Community Coalition of Forest County.

Hope to see you there!

## Around the Area

**Nicolet Bird Club presents**  
**Bats Forever**

The Nicolet Bird Club of Three Lakes will hold its monthly meeting Monday, August 20th, beginning 6:30 p.m. in the lower level of the Three Lakes American Legion, located on Superior Street. This month will be the presentation "Bats Forever learning from the disappearance of our northwoods neighbors", by local bat conservationist Joel Knutson.

Knutson's interest in citizen science goes back to his childhood when he was introduced to Ranger Rick and never grew out of it. From there his love of the outdoors expanded and, in recent years, has brought him into the world of bats.

Interest in things such as AIS and loons are at an all-time high. Providing people with information, and getting them interested in bats, has become a passion for Knutson. One thing he will stress is that it does not take a large group of people to affect change.

Knutson will discuss ways which individual home owners can make positive impacts, measurable changes where they live. Attendees will gain a greater understanding that changes, just on their own piece of property, can mean great things to bats and other animals.

Bats and birding truly go hand-in-hand. If you are concerned about our diminishing bat population, enjoy the sport of bird watching, or interested in ways to attract bats to your property, come join us. The public is always welcome. For more information, contact Bill@891-5084 or join us on Facebook.

# AUCTION

All ATV and UTV owners are invited to participate in the parade. You do not have to belong to a club to participate, just come help us attempt to again break the Oconto County record for the most ATV's and UTV's in a parade.

John continues to work with the club on the improvement of existing trails and the development of new ATV/UTV trails. The existing Clubhouse/groomer storage building was built in 2012, while John was president. The trail system in the Townsend area would not be what it is today without his continuing efforts and dedication to the two sports.

All proceeds from this event will go directly into maintaining and improving the Snowmobile and ATV/UTV trails in the Townsend area. Red Arrow is responsible for about 65 miles of snowmobile trails and about 15 miles of ATV/UTV trails including the Nicolet State Recreational Trail through Townsend.

*Harshaw fiber artist Jan Dietrich's piece, Ancient Images, is one of 86 different works in the current exhibit in the Nicolet College Art Gallery.*

A lively, colorful, and often surprising, exhibit of fiber art is currently on display at the Nicolet College Art Gallery. The works were created by the twelve members of the regional group Fiber F(r)iends, which includes artists from northern and north central Wisconsin.

Many of the pieces in the show resulted from two challenges the group gave its members over the past two years. In one challenge, members were asked to create seven individual pieces unified by an obvious motif such as color, fabric, technique, or pattern and fasten them together into a pleasing whole of any shape. In another challenge, members were asked to create a new fiber piece based on an earlier work, but reflecting what they've learned about color, design, and technique.

While most of the work is essentially two-dimensional, many include three-dimensional embellishments such as beads, buttons, twigs, and even rocks. Themes include geometric and asymmetrical designs, landscapes, wildlife, floral patterns, abstracts, and many others.

"It is a delight to see the domestic art of quilting elevated to this level of fine art," said Nicolet College Art Gallery Director Katy Ralph.

The exhibit will run through September 8 with a closing reception that day from 2 p.m. to 4 p.m. in the gallery.

The Nicolet College Art Gallery is located in the Northwoods Center and is open Monday through Friday from 8 a.m. until 4 p.m. For additional information, call (715) 365-4556.

## Northern Great Lakes Visitor Center to host Wisconsin Bat Festival

RHINELANDER, Wis. (August 6, 2018) The Wisconsin Bat Festival will "land" at the Northern Great Lakes Visitor Center on the last weekend in August with free, family-friendly activities. The festival will be held on Saturday, August 25th from 9 a.m. to 5 p.m. at the Visitor Center with free exhibits, educational displays, live bat programs, and hands-on activities.

Biologists will hold a science night demonstration on Friday, August 24th from 7 p.m. to 9 p.m. at the Visitor Center. Visitors will learn how bat experts use technology to study bats and are advised to bring a headlamp and mosquito repellent.

Brian Heeringa, Forest Service Wildlife Biologist says, "Hosting the Wisconsin Bat Festival at the Northern Great Lakes Visitor Center with the Wisconsin Department of Natural Resources is a great fit. Concern about the Wisconsin bat population has risen since whitenose syndrome appeared here in 2014 and residents are asking for more information. We all work together for bat conservation and this is a great opportunity to share what we know."

The Northern Great Lakes Visitor Center is located at 29270 County Highway G, Ashland. The event is presented by the Visitor Center, the U.S. Forest Service, the Wisconsin Department of Natural Resources and Bayfield County Tourism.

## Baldwin to Pfizer CEO: Make drug price reductions permanent

WASHINGTON, D.C. – U.S. Senator Tammy Baldwin today sent a letter to the CEO of Pfizer calling on the pharmaceutical company to make recently announced price reductions permanent. Baldwin's letter follows an announcement by Pfizer that it would delay announced price hikes after a tweet from President Trump, calling into question why the company needs to increase prices in the first place.

Major drug companies have drastically raised prices for top-selling drugs over the past five years, in some cases more than doubling prices. This is despite increased sales and company profits. Last year, President Trump signed partisan tax legislation passed by Congressional Republicans that gave permanent tax breaks to corporations such as Pfizer. Since then, drug corporations, including Pfizer, have announced more than \$50 billion combined in stock buybacks—largely benefiting top executives and wealthy shareholders as prescription drug prices continue to rise for American families. In fact, Pfizer and many other companies instituted price hikes on prescription drugs in January after the corporate tax cut became law. Recently, Pfizer increased prices again and it's costing consumers.

On July 1, Pfizer increased prices for the second time this year on many prescription drugs by nearly 10 percent. Days later, Pfizer issued a puzzling statement that they would return the prices of over 40 prescription drugs "to their pre-July 1 levels as soon as technically possible" but only until the end of the year or until the President's prescription drug "Blueprint" is implemented.

"Instead of playing games with the costs of prescription drugs that millions of Americans depend on, you should make a firm and clear commitment to permanently roll back prices," wrote Senator Baldwin in her letter.

Senator Baldwin has been working to hold prescription drug companies accountable for skyrocketing drug prices. Earlier this year, Senators Baldwin and McCain sent a letter to President Trump urging him to hold the pharmaceutical industry accountable and make good on his promise to lower the skyrocketing prescription drug prices that American families are struggling to afford.

Baldwin and McCain also co-authored the bipartisan FAIR Drug Pricing Act, which would begin to address high prescription drug prices and hold pharmaceutical companies accountable by requiring transparency for drug companies that plan to increase drug prices. The bill would not prohibit manufacturers from increasing prices, but it would, for the first time, give taxpayers notice of price increases and bring basic transparency to the market for prescription drugs.

"I have heard from countless Wisconsin residents who are struggling to afford medications that they have relied on for years. They want Washington to take real action. That is why I have offered a bipartisan solution, the FAIR Drug Pricing Act, to institute basic transparency and accountability for drug companies that raise prices," said Senator Baldwin.

SCHOOL DISTRICT OF LAONA  
ANNUAL NOTICE:  
Homeless Children

The McKinney-Vento Act defines children and youth who are homeless (twenty-one years of age and younger) as:

\*Children and youth who lack a fixed, regular, and adequate nighttime residence, and includes children and youth who are:

- Sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason (sometimes referred to as double –up);
- Living in motels, hotels, trailer parks, or camping grounds due to lack of alternative adequate accommodations;
- Living in emergency or transitional shelters;
- Abandoned in hospitals;
- Awaiting foster care placement;

\*Children and youth who have a primary nighttime residence that is a public or private place not designated for, or ordinarily used as, a regular sleeping accommodation for human beings.

\*Children and youth who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings.

\*Migratory children who qualify as homeless because they are living in circumstances described above.

If you are personally aware of or are acquainted with any children who may qualify according to the above criteria, the School District of Laona provides the following assurances to parents and homeless children;

\*Local school district staff member (liaison) to assist homeless children/families:

•Jim Bradley, Homeless Liaison, (715) 674-2143 ext. 211 or [jbradley@laona.k12.wi.us](mailto:jbradley@laona.k12.wi.us).

\*There shall be immediate enrollment and school participation, even if educational and medical records and proof of residency are not available.

\*All educational opportunities and related opportunities for homeless students (preschool to age 21), including unaccompanied youth, shall be the same as for the general student population.

\*Enrollment and transportation rights, including transportation to the school of origin. “School of origin” is defined as the school the child or youth attended when permanently housed or the school in which the child or youth was last enrolled.

\*Written explanation of a child or youth’s school placement, other than school or origin or the school requested by the parent, with the right to appeal within the local dispute resolution process.

\*Meaningful opportunities for parents to participate in the education of their children. These shall include: special notices of events, parent-teacher conferences, newsletters, and access to student records.

Please contact Jim Bradley, homeless liaison for the School District of Laona, for additional information about homeless issues. Jim Bradley can be reached at (715) 674-2143 ext. 211 or [jbradley@laona.k12.wi.us](mailto:jbradley@laona.k12.wi.us).

SCHOOL DISTRICT OF LAONA  
SPECIAL EDUCATION SCREENING  
& REFERRAL PROCEDURES

Any person aware of a child between the ages of birth and 21 who may be experiencing physical, mental, emotional or learning problems may contact the Special Education teachers at the School District of Laona, 5216 Forest Avenue, Suite A, Laona, WI 54541, phone (715) 674-2143 to initiate screening services that will determine if a referral for special education is appropriate.

Referral Procedure

The school district shall solicit and receive referrals of students with suspected educational needs from all persons who have responsible cause to believe that such needs exist. Specific state criteria shall be adhered to in determining eligibility for specific handicapping conditions. Referrals of suspected children with disability shall be referred to either of the people listed above.

IEP - Team Evaluation

Whenever a child is referred who is suspected of having an exceptional educational need, the school district shall establish an IEP Team. An appointment of this team shall be the responsibility of the Program Support Teacher. The Program Support Teacher shall approve the evaluation process and may request additional information.

Procedural safeguards for evaluation including the following:

The notice of intent to evaluate shall be sent to the parents that will include:

- A full explanation of the due process/procedural safeguards;
- A description of the evaluation proposed, an explanation of why the evaluation is proposed, any options that were considered, and the reasons why those options were rejected;
- A description of each evaluation procedure used as a basis for the evaluation;
- The type of professionals conducting the evaluation;
- A description of any other relevant factors.

Written parental consent shall be obtained when a child is being evaluated for the first time within the district. This consent form shall include:

- A statement documenting that the parent understands the content of the notice;
- Information on the general areas to be evaluated;
- Information on the general types of procedures to be used.

SCHOOL DISTRICT OF LAONA  
NON-DISCRIMINATION POLICY

The Laona Board of Education is committed to providing an equal educational opportunity for all students in the District.

The Board does not discriminate on the basis of race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex (including transgender status, change of sex or gender identity) or physical, mental, emotional, or learning disability ("Protected Classes") in any of its student programs and activities.

Please review Board Policy 1422, Board Policy 2260, Wis Stats. 118.13, and Wisc. Adm. Code PI-9 for additional information. Discrimination complaints should be placed in writing and directed to the building principal.

SCHOOL DISTRICT OF WABENO AREA  
ANNUAL NOTICE OF SPECIAL EDUCATION REFERRAL  
AND EVALUATION PROCEDURES

ANNUAL NOTICE OF SPECIAL EDUCATION REFERRAL AND  
EVALUATION PROCEDURES

Upon request, the School District of Wabeno Area is required to evaluate a child for eligibility for special education services. A request for an evaluation is known as a referral. When the district receives a referral, the district will appoint an Individualized Education Program (IEP) team to determine if the child has a disability, and if the child needs special education services. The district locates, identifies, and evaluates all children with disabilities who are enrolled by their parents in private (including religious) schools, elementary schools and secondary schools located in the school district.

A physician, nurse, psychologist, social worker, or administrator of a social agency who reasonably believes a child brought to him or her for services is a child with a disability has a legal duty to refer the child, including a homeless child, to the school district in which the child resides. Before referring the child, the person making the referral must inform the child's parent that the referral will be made.

Others, including parents, who reasonably believe a child is a child with a disability may also refer the child, including a homeless child, to the school district in which the child resides.

Referrals must be in writing and include the reason why the person believes the child is a child with a disability. A referral may be made by contacting Robert Tucker, Director of Special Education, School District of Wabeno Area, at 715-473-2592, or by writing him at P.O. Box 460, Wabeno, WI 54566.

NOTICE OF SPECIAL NEEDS SCHOLARSHIP PROGRAM

This notice serves to inform parents and guardians of students with disabilities that the State of Wisconsin has established the Special Needs Scholarship Program. Under this scholarship program and as further specified in state law, a child with a disability who has been denied the opportunity to attend a nonresident school district under the full-time open enrollment program may be eligible to receive a scholarship from the Department of Public Instruction (DPI) that allows the child to attend an eligible private school that is participating in the Special Needs Scholarship Program.

This is a state-administered program. A parent or guardian who is interested in the Special Needs Scholarship Program should independently verify the participating private schools and the specific terms, eligibility criteria, and application procedures of the scholarship program with the DPI.

The Special Needs Scholarship Program is further defined under section 115.7915 of the state statutes. However, special eligibility requirements not found in that statute exist for program scholarships that are awarded for private school attendance that initially begins in the 2017-2018 school year. Additional information about the program should be available on the website of the Wisconsin Department of Public Instruction: <http://dpi.wi.gov/>

The Board of the School District of Wabeno Area shall allow persons to have access to school district records in accordance with this policy and implementing procedures and in accordance with the law. The district administrator is designated as the legal custodian of records. The legal custodian shall safely keep and preserve records of the authority and shall have full legal power to render decisions and carry out duties related to those records maintained by any school district authority. The legal custodian may deny access to records only in accordance with the law.

Public records may be inspected, copied and/or abstracted at any time during the established district office hours, which are from 8:00 A.M. to 4:00 P.M., Monday through Friday. The legal custodian may establish fees for services in accordance with the law. A list of fees is available at the district office.

STUDENT RECORDS

Student records are maintained to assist students, parents, guardians, and the school in achieving the student’s educational goals. Such records are accumulated, maintained, released, transferred, and eventually destroyed by the building principal or his/her designee in accordance with state and federal law. Only those individuals or agencies specifically authorized by state and federal law shall be granted access to a student’s records.

The school district does forward records to other schools that have requested the records and in which the student seeks or intends to enroll, or is already enrolled, as long as the disclosure is for purposes related to the student’s enrollment or transfer.

An adult student or the parent/guardian of a minor student may inspect the student’s records in accordance with administrative policy and established procedures and may challenge the content if he/she believes the records are inaccurate or misleading. Such a complaint would be filed with the building principal. If not satisfied with the decision, an appeal avenue is available through the Family Policy and Regulations Office of the U.S. Department of Education.

TEACHER LICENCE

Federal law requires that we share with you the qualifications of the teachers in the School District of Wabeno Area.

All of the teachers in the School District of Wabeno Area have a minimum of a Bachelor’s Degree and many have a Master’s Degree or advanced training. All of the teachers are fully licensed for their teaching assignment. If you want to see the state qualification for your child’s teacher you may ask us, or find it on the DPI website at:

Stop into the Crandon Public Library and check out our August titles. This month we have new titles from Kristan Higgins, Lisa Scottoline, William Kent Krueger, Carla Neggers, James Patterson, Fern Michaels, Faye Kellerman and more! Our new featured releases are "Vox" by Christina Dalcher, "Dopesick" by Beth Macy, and "The Quiet Side of Passion" by Alexander McCall.

Check out the debut novel "Vox" by new author Christina Dalcher. "On the day the government decrees that women are no longer allowed more than one hundred words per day, Dr. Jean McClellan is in denial. This can't happen here. Not in America. Not to her. Soon women are not permitted to hold jobs. Girls are not taught to read or write. Females no longer have a voice. Before, the average person spoke sixteen thousand words each day, but now women have only one hundred to make themselves heard." Christina Dalcher

If you're looking to know more about the opioid crisis affecting our nation, be sure to check out "Dopesick" by Beth Macy. Beth Macy dives into America's opioid addiction crisis. Macy's work is a heartbreaking trajectory that illustrates how this national crisis has persisted for so long and become so firmly entrenched. Through unsparing, yet deeply human portraits of the families and first responders struggling to neutralize this epidemic, each facet of the crisis comes into focus.

In the mood for a mystery? Check out "The Quiet Side of Passion" by Alexander McCall Smith. This novel follows Isabel Dalhousie, the much-loved fictional attorney in her latest endeavor with new found friend Patricia. Patricia is a single mother with a son named Basil. It is rumored that Basil is the illegitimate son of well-known English organist. Patricia is friendly with Isabel, but Isabel can't shake the unsettling suspicions she has about Patricia. Regardless of her intuition, Isabel does her best to be civil and supportive of her friend. However, everything changes when Isabel spots Patricia with a mysterious man who Isabel presumes to be Basil's true father. Isabel takes it upon herself to investigate the paternity of the boy. When the truth is revealed, it is evident that Isabel has misjudged Patricia. She has misjudged everyone.

### Bonus Fall Turkey Harvest sale begins Aug 18 at 10 a.m.

MADISON -- New for 2018, one fall turkey harvest authorization is issued to each person purchasing a fall turkey license or conservation patron license, instead of being issued through a drawing.

Hunters can choose the zone for which their harvest authorization will be valid at the time of purchase.

Bonus fall turkey harvest authorizations can be purchased in addition to the fall turkey harvest authorization included with a license purchase. The bonus harvest authorization sale begins at 10 a.m. on Saturday, August 18, availability is as follows:

Zone 1: 5,000  
Zone 2: 1,000  
Zone 3: 5,000  
Zone 4: 2,000  
Zone 5: 0  
Zone 6: 0  
Zone 7: 0

Bonus harvest authorizations are sold on a first-come, first-served basis. They can be purchased at a rate of one per day until the zone sells out or the season ends. The cost is \$10 for residents, \$15 for nonresidents, and \$5 for hunters under 12 years old. An annual turkey stamp authorization is required to hunt turkeys.

Hunters can purchase their bonus harvest authorization in person at any license agent or online at GoWild.wi.gov. Hunters can purchase their fall turkey license and claim their fall harvest authorization anytime throughout the fall turkey season. Please note that customers who wish to purchase a bonus authorization will need to first purchase a fall turkey license and claim their harvest authorization.

The fall 2018 wild turkey season for Zones 1-5 is Sept. 15 to Jan. 6, 2019. For zones 6 and 7, the season will run from Sept. 15 to Nov. 16.

Availability for bonus harvest authorizations is determined by a variety of factors, including hunting pressure, customer demand, habitat availability, turkey population densities and turkey distribution in each zone.

The fall turkey regulations can be found within the 2018 Wisconsin Small Game Hunting Regulations [PDF]. For more information regarding turkey hunting in Wisconsin, visit [dnr.wi.gov](http://dnr.wi.gov) and search "turkey"

### Fitting the Pieces Together with Medicare and Long Term Care: Planning my Future Needs

Submitted by: Kathy O'Melia

The Aging and Disability Resource Center of the Northwoods (ADRC) is proud to sponsor two FREE interactive programs titled “Fitting the Pieces Together with Medicare” and “Long Term Care: Planning my Future Needs!” on Tuesday, August 28, 2018. You will have the rare opportunity to have Steve Shapiro, a Medigap Insurance Counselor with State government putting on both programs in Crandon. Steve has many years of experience providing insurance counseling to Wisconsin consumers. Steve is an advocate for consumers who seek insurance expertise through the Medigap Helpline and the Wisconsin SHIP programs, both of which are operated by the State of Wisconsin Board on Aging and Long- Term Care.

“Fitting the Pieces Together with Medicare” will explain the many parts of Medicare and insurance products that are available to help pay Medicare out of pocket costs and how they apply to you. This presentation will be particularly helpful in answering questions for those individuals who will be starting Medicare in the next year or for those individuals who are having a hard time with Medicare expenses.

During the “Long Term Care: Planning my Future Needs” program you will learn about the many ways you can receive Long-Term Care Services in Wisconsin and insurance products that are available to help pay Long-Term Care costs and how they apply to you.

There will be ample time for questions at both programs. The more you know, the better able you will be to choose solutions that help you plan to meet both your Medicare insurance and Long-Term Care needs!

Both of these programs will take place on Tuesday, August 28, 2018 at the Aging and Disability Resource Center of the Northwoods, 300A S Lake Avenue, Crandon.

- “Fitting the Pieces Together with Medicare” will take place from 10 A.M. to 12 P.M.
- “Long Term Care: Planning my Future Needs” will take place from 1 P.M. to 3 P.M.

Please call the ADRC at 800-699-6704 to reserve your spot for one or both of these programs.

**Bus Schedule**

**Tuesday, August 21** - Short Route - Wabeno, Laona and Crandon to Rhinelander by 9:00 a.m. Wal-Mart

**Thank You From the Laona Rescue Squad**

The Laona Rescue Squad would like to thank the following sponsors for their contributions to help make the Souper Run a success.

**GOLD SPONSORS**

Laona State Bank, Nicolet Bank, Forest County Tourism Association, and Schaefer's Home Town Proud Food Market.

**SILVER SPONSORS**

Forest County ATV Assoc., Northwoods LP, Laona Pharmacy, Nicolet Propane LLC, Yaeger Oil, Laona, Machine, Northern Power Sports, Collins Auto, Jars, Johnnies Resort, RC Construction, Chicago Distilling Co., Lorthern Lakes Service, Camp 36, R.Connor Logging LLC. Karl Appliance

We would also like to thank the community members who helped with the organization and work to make the Souper Run go so smoothly,

Without the additional help of these great people, the Rescue Squad Members would have been hard pressed to conduct the race: Dan, Mary Graham , Jim and Dot Aschinger, James and Kathy Aschinger , Dennis, Tony, Jaye, Jeff, Maddy, Libby, Mitch, Nick and Sharon Hess, Pauline Heagle, Elaine and Jim Chrisman, Maline Enders, Sharon Gile, Penny Sturzl Chuck Enders

And the lead singers of the National Anthem, Jon Leach and family.

And of course all of the 187 runners who registered for the run.

This was the 39th anniversary of the Souper Run!

**Many Thanks  
to my supporters  
in the recent  
Sheriff's Election.  
I appreciate that  
support!**

Wisconsin manufacturers hit by trade policies discuss plight with Ron Johnson

Ralph Hardt of Manitowoc-based Jagemann Stamping Co. came to the Federal Courthouse in Milwaukee Monday to tell Republican U.S. Sen. Ron Johnson exactly how tariffs are hitting his bottom line.

Hardt, the firm's president, said a Canadian customer was going to give Jagemann a \$3 million project to produce parts for automotive but because of an increase in steel prices in the U.S., the job went to a Korean business.

"The longer this goes on, the increased possibility we'll lose more new projects," Hardt said

Johnson convened a group of 15 Wisconsin business leaders from the farming, food processing and manufacturing sectors to discuss President Donald Trump's trade policies and the nascent trade war.

The Trump administration imposed tariffs on foreign-made aluminum and steel, igniting retaliatory measures by America's trading partners.

"We're being hit inbound and outbound on our products," said Doug Reigle, vice president for supply chain management at Kewaskum-based Regal Ware Inc. Brad Kremer, a farmer from Pittsfield, said he lost \$60,000 in the past 30 days because of a drop in soybean prices after China announced tariffs against U.S. soybeans.

Even though Kremer said he supports Trump trying to level the playing field on trade with China, the tariffs are hurting.

"Farmers aren't going to buy this year," he said. "Our checkbooks are closed."

Austin Ramirez, chief executive of Waukesha-based Husco International, an engineering and manufacturing firm, said tariffs are costing "us a fortune .. about \$1 million a month in impact."

"Husco is far from the largest company in Wisconsin, however, last year we were the largest contributor to Wisconsin charities in the state," he added. Ramirez said tariffs will not only impact business but also communities.

Ramirez said he had around "100 jobs worth of manufacturing in the U.S." to support exports and those jobs are now at risk.

Cindy Brown, president of Chippewa Valley Bean Co., said her family began farming in the state in 1858, and she said "of all government interactions, this is absolutely the worst. It totally takes us out of the European market."

Brown said 60% of the firm's export business goes into the European Union, accounting for \$25 million in sales. But now that business is being hurt by tariffs, she said.

Johnson said there are people who are concerned that a trade war will "get out of control."

"You've heard already of the damage being done," he said.

Johnson said he held the discussion to deliver the stories to Trump and Commerce Secretary Wilbur Ross and trade negotiators "so they understand that there is some real damage being done now. They say there's going to be short-term pain for long-term gain, fine, but they need to understand some of this damage is going to be permanent."

Johnson said he was hopeful that the Trump administration would conclude trade deals.

Enrollment up in online classes at Nicolet College

The popularity of online classes continues to grow at Nicolet College, accounting for nearly a third of all credits earned in the 2017-18 academic year.

The reason: flexibility.

"We're seeing students coming to Nicolet with multiple responsibilities in their lives," said Chuck Komp, managing director of strategic initiatives at Nicolet.

"They have families. They have jobs. They need the high level of flexibility online classes offer in order to fit college into their lives."

Records show the number of credits earned in online classes jumped from 21 percent of all credits awarded two years ago to 28 percent during the last academic year.

"That was a real 'wow' moment when we saw the final numbers. That's more than a 30 percent increase in just one year," Komp explained.

Most of these students took a combination of online classes mixed in with traditional classes. But the final tally also showed a big jump in the number of students opting to take all of their classes online. That number nearly doubled, going from 6 percent to 11 percent year over year.

For student Christine Wilberding, mixing in online classes at Nicolet was the best option if she wanted a college education.

"The flexibility is very important," said the working mother of three. "I would not be able to earn a college degree right now if I did not have the online option."

To date, Wilberding has taken eight online classes on her way to finishing her Administrative Professional associate's degree. She plans to graduate this December.

Starting her first online class was a bit intimidating, she readily admitted. But that feeling didn't last long.

"Everybody at Nicolet is so helpful," she said. "I was wondering if I was going to be out there in this online world all by myself, but that wasn't the case at all. You really develop this sense of community, even family, with the other students in the class. Everybody, especially the instructors, want to see you succeed."

Nicolet first offered online classes in 2004 with just a few classes. This coming Fall Semester students will have their choice of 68 different online classes from 21 different academic disciplines.

The Accounting and Business Management associate's degrees can now be earned entirely by taking online classes. Several of the required classes for these degrees are also offered in the face-to-face classroom format, giving students the option of mixing traditional and online classes if they desire.

Nicolet College Interim Dean of Business Joel DeNamur noted that Nicolet structures each online class to provide a high level of support to students. "It all focuses on creating a quality learning experience for every student," he said. "Along with instructors being readily available to interact one-on-one with students either online or in person, Nicolet also offers extensive tutoring resources and technical support. The depth of support is there for every student who is willing to put in the effort."

Students taking online classes can also get face-to-face or online help with coursework at any of the college's eight Academic Success Centers located within the six-county Nicolet College District. Center locations include Eagle River, Crandon, Tomahawk, Minocqua/Woodruff, Lac du Flambeau, Forest County Potawatomi Community, Carter, and on Nicolet's Rhinelander Campus.

Breastfeeding Awareness Month Baby Event

Forest County WIC will celebrate Breastfeeding Awareness Month in August with a Breastfeeding Event at the Mole Lake Bingo Hall on Monday August 27th 11am-1pm

The event will include support and information on breastfeeding. Demonstrations on infant care are planned. There will also be refreshments, goodie bags, and drawings for door prizes. Expecting and new mothers with their family and friends are welcome.

For this year's World Breastfeeding Week, celebrated August 1-7 each year, the World Alliance for Breastfeeding Action theme is "Breastfeeding, Foundation of Life."

This theme focuses on breastfeeding as a key to preventing hunger and malnutrition by ensuring food security for babies. By decreasing the burden on household income, breastfeeding provides a low-cost way to feed babies which contributes to poverty reduction.

It is important that the community supports breastfeeding moms. Ultimately, our whole society benefits from having healthier mothers, babies and children when breastfeeding is promoted, protected and supported.

The American Academy of Pediatrics and the World Health Organization recommend exclusive breastfeeding for the first six months of life and continued breastfeeding with the addition of appropriate solid food for the first year and beyond.

One of the most important things businesses and individuals can do is to help mothers feel comfortable nursing in public. Wisconsin State Statute 253.16 protects the right to breastfeed in public.

Businesses can show their support by displaying the "Breastfeeding Welcome Here" universal sign for breastfeeding in their windows, and by educating their staff on the acceptance of breastfeeding in their establishments. "Breastfeeding Welcome Here" window clings can be obtained free of charge at the Forest County Health Department.

They can also provide a private space, other than a bathroom, for breastfeeding moms to pump milk. This has been shown to increase employee retention and reduce medical costs.

For more information about breastfeeding in Forest County, call the local WIC office at 715-478-3371.

**Crandon Lions dedicate City Beach kitchen and Honor Les and Donna Schramm**

As many of you know, the Schramms worked tirelessly on behalf of the Lake Metonga Association for many years. A memorial fund was established, with funds donated to the association on Donna's behalf. The Schramms truly loved the lake and were active in all aspects of our community.

The Crandon Lions Club recently replaced the serving kitchen at the City Beach pavilion with the generous support of the great community. The stainless steel serving equipment for the kitchen was, however, not in their budget.

The Lake Metonga Association chose to use a portion of the Memorial Fund money to finish the kitchen as a lasting token of our appreciation, for the Schramms dedicated service to our association and the Crandon community.

Now, this is where you come in! If you know the Schramms from any of their many organizations, worked on the facility, community leaders, or just want to show your appreciation, please attend!

On Monday, August 20th, at 6:00 p.m., the Crandon Lions will be dedicating this facility and recognizing the Schramms for their dedicated service. The Lions will be serving up tenderloin sliders as an entree. Please bring a snack, desert or dish to pass and your own beverage. We will furnish ice and water.

Please call Gary Mueller at 715-478-2049 if you are able to attend.

There will be NO fundraising at this event. We will have jar for your free will offering to the Disabled American Veterans (DAV).
