Conservation Corner Youth Participation- Conservation Camp

Conservation Corner is a weekly article produced by the Forest County Land Conservation-Land Information Department. For more information, contact Al Murray, County Conservationist-Land Information/GIS Director, at 715-478-1387 or by e-mail at lcc@co.forest.wi.us.

It is the end of January and winter temperatures have finally arrived! Slight chances of snow and light snow pack has had negative effects to our local businesses, but we will survive through yet another winter in Forest County.

The Land Conservation/Land Information Department is working on many different projects with many different county departments and partner groups. One of many projects includes working with the UW Extension and other partners to increase involvement with the younger generations in natural resource issues.

The Department recently completed a soil conservation poster contest through the Land Conservation Committee. The 4 top places in the contest will receive county level prizes and will be forwarded to regional competitions at Florence on February 1. If successful at this regional competition the winners may be presented at the State and National levels.

The Forest County Association of Lakes (FCAL) will soon be starting their annual essay contest at the Crandon, Laona, and Wabeno School districts with prizes to each school. If you or your children are interested the quality of our lakes and streams, please keep yourself informed on this contest. FCAL has established this contest as well as a youth education day that happen every year.

The Department recently received information regarding the Sand Lake Conservation Camp. This camp is located at the Camp Bird Youth Camp at N8395 Caldron Falls Rd., Crivitz, WI. It is sponsored by the Marinette County Land & Water Conservation Division and the Wisconsin Land & Water Conservation Association, of which Forest County is a member. The camp will be held from June 19-21, 2019 and is open to students that will enter 6th-8th grades in the fall and have an interest in the outdoors. Registration for the camp is \$100 if postmarked on or before May 22 or \$150 if postmarked after May 22.

The Forest County Land Conservation/Land Information Department and the UW-Extension are working on creating a scholarship contest for attendance at this camp. We are currently trying to locate funding to provide six Forest County students with funding to attend the camp based upon an essay. If we locate the funding, we will duplicate the current Marinette County program, in Forest County, to include a contest of a 200-300 word essay titled "Why I Want to Participate in Conservation Camp."

If you or your children are interested the quality of our lakes and streams and natural resources, please keep yourself informed on these contest. If you or your children are interested in the Conservation Camp, more information is available on the County website at <http://www.co.forest.wi.gov> go to the Land Conservation tab on the left and then click Conservation Camp. If you would rather, please feel free to e-mail me directly at lcc@co.forest.wi.us.

BA Home Improvements

Jeff Ackley, left, and Jason Bertrand are shown with cabinets and an epoxy counter top that the duo installed in Jason and Lindsey's house. The third guy is Bennett Bertrand, a future partner in the business.

By Mike Monte

Two brothers-in-law have started a home improvement business in Crandon. Jason Bertrand and Jeff Ackley have started BA Home Improvements.

They specialize in remodeling interiors and exteriors from the roof down. One of their specialties is epoxy counter tops that can be made to look like stone, marble, quartz, concrete or the look you desire. The epoxy counter tops cost a fraction of the cost of marble or other stone, and require less care. In fact, Jason has used it in his home remodel on Lake Avenue in Crandon. The cost is about one-third that of marble or concrete.

There is actually a third member of the new company. Jason's wife, Lindsey, helps with design when the help is needed, and she has done a great job on her own home.

It should be added that as full-service contractors they will do the entire project, including the painting or custom furniture to match your design, if you so desire.

They offer discounts to vets.

The two-man and one-woman team has the experience to handle difficult jobs. They are fully insured and OSHA certified.

If you require their services, they can be reached at 715-622-0540. For a sampling of their work, go to BA Home Improvements on Facebook.

Conditional Use Hearing for temporary asphalt plant held at Forest County Courthouse

By Boyd Monte

The Land and Water Resource Committee met at 6 p.m. on Thursday, January 17 in the Forest County Courthouse Board Room to hold a conditional use hearing. Northeast Asphalt made a conditional use application to temporarily bring in a portable HMA plant, or asphalt plant into the existing active non-metallic mine located on County Highway NN in the Town of Argonne.

Matt Matusak and Pete Kozak from Northeast Asphalt gave a presentation regarding the temporary asphalt plant. They presented the committee with a copy of the air permit from the DNR. They explained to the committee that they have to follow strict guidelines with these plants and that they are required to have inspections from the DNR.

Mission Hill Sledding Party Saturday, January 26 in Crandon

The Mission Hill Sledding Party will be held this Saturday, January 26 in Crandon. It is an open sledding event with a bonfire from 4 p.m. to 6 p.m. Everybody is welcome to attend. Mission Hill is located on East Glen Street, up the hill past the fair grounds. For more information, call 715-478-2730.

Crandon Lions present two scholarships at Fish-O-Ree

The Crandon Lions awarded two \$1,000 scholarships to 2018 Chrandon High School graduates. Hope Dewing and Nathan Bauknecht accepted the gift of money at the Lions Annual Fish-O-Ree.

The Fish-O-Ree was held at the Crandon Community Building last Saturday. A large crowd attended, making the event very successful.

Area businesses donated from \$25 to \$350 to the event. In addition, over 800 raffle tickets were sold.

This tremendous support is always appreciated, and, as in the past, all proceeds will be returned to the community.

Stopping for school buses A note from Sheriff Dennee

I have recently received several calls and inquiries about school bus lights and the proper and safe procedures when the buses activate their lights. After receiving a lot of calls, I thought it would be important to put an informational reminder out to everyone about School Bus lights and safety.

When approaching a school bus from the front or rear and the bus is displaying its yellow flashing lights, this is a warning that the bus will be stopping soon. Drivers should reduce their speed and prepare to stop. Drivers should never see this at a time to speed up and pass the bus. The bus will next be activating its red lights and putting out the flashing stop sign. This is when all vehicles, both following and oncoming traffic, need to stop at least 20 feet from the bus.

Please know that it is not only very unsafe to pass a bus when it has activated either its yellow or red lights, it is also illegal and could result in a traffic citation. Please keep our children's safety an utmost concern at all times, but also when you are traveling and encounter a school bus.

Sheriff John Dennee

Mix Up Your Meals With New Ideas

Submitted by UW-Extension

Start with a dish you know – and add variety. Try one of these fresh ideas to make your meals healthier:

Fruits and vegetables:

- Add spinach to lasagna
- Top salads with mandarin oranges
- Dip raw carrots in hummus
- Add canned tomatoes to pasta sauce
- Mix frozen broccoli into rice
- Add dried cranberries or raisins to oatmeal

Dairy (choose low fat or no fat options):

- Drink milk with your meal
- Eat cottage cheese with pineapple or peaches
- Add milk or yogurt to a smoothie
- Use plain greek yogurt instead of sour cream on tacos

Protein:

- Use mozzarella on veggie pizza
- Try yogurt-based salad dressing

lettuce and tomato (BLT) sandwich

- Make hard boiled eggs ahead of time to eat as snacks or on salads
- Bake chicken breasts ahead of time and add diced chicken to soups, salads, pasta and burritos

Grains:

- Use whole grain bread for sandwiches
- Combine whole grain pasta with white pasta
- Mix brown rice with white rice
- Make a veggie burritos with whole grain tortillas
- Add barley to vegetable beef soup
- Try air-popped popcorn without butter or salt

Contact your local FoodWise program to learn more: Karly Johnson, FoodWise Coordinator for Florence, Forest, Oneida and Vilas Counties, at 715-478-7793.

January is Cervical Cancer Awareness Month

January is Cervical Cancer Awareness month. Nearly 13,000 women in the United States are diagnosed with cervical cancer each year. Cervical cancer is most often caused by the human papillomavirus (HPV). This disease is preventable with vaccination against HPV and proper screening. It can be cured when found early and treated.

HPV is very common in the United States and is passed from one person to another during sex. It is also common that nearly all sexually active men and women get it at some point in their lives, but few women will get cervical cancer.

Talk to your health care provider about getting the HPV test.

There are two tests that help prevent cervical cancer or find it early

- The Pap test (or Pap smear) looks for precancers, which are cell changes on the cervix that might become cervical cancer if they are not treated appropriately.
- The HPV test looks for the virus that can cause these cell changes.

The Pap test is recommended for women between the ages of 21-65, and can be done in a doctor's office or clinic. Women should start getting Pap tests regularly at age 21. If your Pap test results are normal, your doctor may say you can wait three years until your next Pap test. If you are 30 years old or older, you may choose to have an HPV test with the Pap test. Your doctor can perform both the Pap and HPV tests at the same time. If your test results are normal, your chance of getting cervical cancer in the next few years is very low. Your doctor may then say you can wait as long as five years for your next screening.

There is a vaccine available that can protect against the types of HPV that most often cause cervical cancer. HPV can also cause cancers of the penis in men, as well as other areas of the body in both men and women. The vaccine is the HPV vaccine. It is recommended for preteens (both boys and girls) aged 11-12 years but can be given as early as age 9 up until age 26.

HPV vaccine is available at the Forest County Health Department free of cost to eligible clients, or you can talk to your health care provider about getting the HPV vaccine. Most insurance plans cover the HPV vaccine.

Please call us at the Forest County Health Department if you have any questions about cervical cancer or the HPV vaccine at 715-478-3371.

ALL PROCEEDS TO BENEFIT TRAIL MAINTENANCE

New diabetes program comes to the Northwoods

(Rhineland, WI)- Just a few weeks into 2019, it's not too late to start on the path to a happier, healthier you. But knowing and understanding how to really put that health goal into practice can be hard, particularly for people with type 2 diabetes.

The Center for Disease Control and Prevention's (CDC) "Prevent Type 2" diabetes program is a new offering through Ascension St Mary's Hospital. The program is designed to offer a supportive group learning atmosphere for people who are at risk for developing type 2 diabetes.

An informational session on this new free program will be held at Ascension St. Mary's on Monday, January 28th, at 5 p.m. in the 2nd Floor Conference Room located at 2251 North Shore Drive, Rhineland.

Type 2 diabetes is the most common form of diabetes and is a chronic condition in which your blood sugar level is higher than normal. If not properly treated, it can lead to heart disease, blindness and kidney failure. Type 2 diabetes affects more than 28 million Americans, according to the CDC.

Here in Wisconsin, the Department of Health Services estimates that 8 percent of Wisconsin adults have diabetes while another 28 percent have diabetes, but they

don't know it. Another 37 percent of Wisconsin adults have prediabetes.

"Changes in diet and exercise can lead to significant weight loss and improved diabetes control, but the benefits of starting healthy habits don't stop there," said Carley Reynolds, RN, Certified Diabetes Educator at Ascension St. Mary's. "In some cases, type 2 diabetes patients may be able to lower their risk and even stop medications for diabetes, blood pressure and cholesterol after implementation of a healthier lifestyle."

The free Prevent Type 2 Information session at Ascension St. Mary's is open to anyone in the community and will feature a pre-diabetes risk assessment, help from Certified Diabetes Educators to interpret risk levels and provide additional details about the program.

"This program is especially targeted for people who have a family history of diabetes, have been diagnosed with pre-diabetes, borderline diabetes, impaired fasting glucose or gestational diabetes, said Hope Williams, MPH, RD, Certified Diabetes Educator at Ascension St. Mary's. "It also is a good fit for people over the age of 45 with other risk factors such as being overweight or having an inactive lifestyle."

For more information on the new Prevent Type 2 Diabetes Program at Ascension St. Mary's Hospital, please contact Williams at 715.361.4366.

Death Notices

On Thursday, Jan. 17, 2019, **Judy Jesse** passed away peacefully, surrounded by her children, following complications from a stroke. She was born on Nov. 14, 1940, in Cudahy, Wisconsin to Ralph and Mona (Ison) Hanson.

Judy grew up in Cudahy and spent her summers in Crandon and at Ada Lake. She graduated from Cudahy High School in 1959 and began working at Allen-Bradley. On Feb. 24, 1962, she married Roy Jesse, of Argonne, at St. Mark's Church in Cudahy. Roy and Judy were married for 42 years until his passing in 2004. They raised their three children in Cudahy and were active in the Booster Club and Cudahy Swim Club.

A lifelong sports fan, Judy enjoyed Friday nights watching Cudahy football and basketball games, and cheering on the Badgers, Packers, Brewers, and Bucks, as well. She worked in electronic assembly until she retired from Phillips Electronics and she and Roy moved to Crandon. Always feisty and independent, Judy enjoyed traveling and took trips to Jamaica, Oregon, Florida, California, and Nevada, among other places. She loved feeding the birds and watching the parade of wildlife through her yard. Judy enjoyed going to the casino where she was lucky more often than not. Most of all, she loved being at Ada Lake. Whether visiting with family or fishing, she loved any time spent at the lake. She was an outstanding fisherwoman, just like her mother and sisters.

Judy was a loving wife to Roy and a devoted mom to Sue (Tom) Morgan, Glen (Amy), and Gary (Tamar Hurwitz). She was an adoring grandma to Katie, Erin, and Michael Deuberry and Chloe, Walden, and Rory Jesse, as well as great-grandma to Jeremiah Appleton. She was a protective big sister to Paula (Joe) Crapitto and Linda Vargo and sister-in-law to Vernon and John (Charlotte) Jesse, Ginger (Steve) Alexander, Janet (Wayne) Hintz, and Glenn Palmer. She is further survived by many nieces, nephews, cousins, and friends, as well as her devoted puppy, Jack.

She was preceded in death by her loving husband, Roy; parents, Ralph and Mona Hanson; brothers-in-law, Andy Vargo and Roger Diedrich; and sisters-in-law, Jean Jesse, Barbara Diedrich, Karen Palmer, and Jill Kaye.

A celebration of Judith's life is planned for the spring. Special thanks to Mom's good friends, Paula and Todd Kalata and Tonya and Tinya Walerko for everything. Children are the anchors that hold a mother to life. You were our anchor, Mom. We miss you terribly, but are proud to carry you in our hearts and our memories forever.

Online condolences may be made at www.gundersonfh.com.

Arthur G. Mihalko, 96, of Cavour, WI passed away peacefully at his home on January 15, 2019 surrounded by his family. Arthur was born February 4, 1922 in Laona the son of John and Emma (Johnson) Mihalko.

Art spent his early years working for the Connor Lumber Company and then served in the U.S. Navy from 1942 to 1946. Upon his return he was united in marriage to Norma Hess who preceded him in death in 1985. Art began logging for his father-in-law Albert Hess then became a carpenter building houses. He turned that knowledge into a lifelong love of woodworking.

He spent many hours in his shop building furniture, gun cabinets, clocks, and so much more while having an endless supply of bubble gum for all the neighborhood kids. Art was the best Dad and Grandfather you could ask for. His family was so fortunate to have him in their lives for so many years.

Surviving Arthur are his daughters, Diane (Bob) Aspinwal of Bakersfield, CA, Janet Laurence of Laona, Mary Immel of Cavour, Peggy (Harlo) Hillsberg of Navarino, Carol (Dave) Gardner of Goodman, Lois (Mike) Grahm of Goodman and Jeanne (Dan) Verbanac of Green Bay; daughter-in-law, Dale Mihalko of Laona; and son-in-law, Bob Laurence of Armstrong Creek. He is further survived by 14 grandchildren, Stacey (Mike) Bousley, Shonda Laurence, Mandi (Scott) Stamper, Joel (Katie) Immel, Nikki Immel, Lindsey (Brandon) Carpenter, Cristopher (Amanda) Gardner, Craig Gardner, Ricky (Shelly) Mihalko, Beau (Cassie) Mihalko, Heather Grahm, Brett Grahm, Stephanie (Rich) Shedrow, and Danielle (Ross) Harter; 26 great-grandchildren and one great-great-grandson.

He was preceded in death by his parents; sister, Hazel Mihalko; brother, Red Mihalko; daughter, Nancy Mihalko; son, Rick Mihalko; and grandson, Danny Hillsberg.

The family is respecting Art's wishes to be cremated without funeral services. Burial services will be held at a later date.

Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family may be directed to www.weberhillfuneralhome.com.

Betty J. Betts, age 86, of Lakewood, passed away Tuesday morning January 15, 2019, at Lakewood Assisted Living Center. She was born May 10, 1932 in Lakewood to Francis and Ida (Schuett) Smyth.

She loved to travel and visited Mexico, Canada, Brazil, England, and Ireland. She lived in Silver Cliff, Sturgeon Bay, Long Beach, CA, and Antigo. She owned and operated the Pantry Restaurant in Lakewood from 1963 to 1975.

She was preceded in death by her son, Allan Betts; her parents; brother; Hugh Smyth; and sisters, June Peek, Micky Keesler, Fran Jackson, and Eileen Conley.

She is survived by her brother, Dan Smyth; nieces, Cheri Spletter, Ginger Szykowny, Pat Conley, Donna Rebello, Roselle Smyth; and nephews, Vern Keesler, Jim Jackson and Lonny Jackson.

She left the suds in the bucket and the clothes on the line, you can't fence God's love nor fence God's time.

Betty will be buried in Forest Home Cemetery in Athelstane on Wednesday January 23, 2019, at 11a.m.

Online condolences may be expressed at www.roubalfuneralhome.com.

Roubal Funeral Home of Wausaukee is assisting the family.

Eleanor (Antonette) Webb, age 89, Menasha, WI (formally from Laona, WI) passed away peacefully surrounded by family on Tuesday, January 22, 2019. Eleanor also known to many as Grandma to everyone.

Eleanor was born on September 10, 1929 to the late George and Nina Wald. She grew up in Hiles, WI. She met the love of her life, Amos (Harold) Webb Jr, and they married on October 28, 1956 where they resided in Laona, WI.

Eleanor enjoyed having family around and loved to babysit. Eleanor was always known as Grandma to all kids even if they were not her own grandkids. Eleanor enjoyed cooking and always had a large feast at Christmas time. Eleanor enjoyed canning everything she could.

Eleanor enjoyed hunting and fishing even into her late years as she always had to go hunting even thou she didn't see anything or shot anything. Eleanor enjoyed her sports especially the Green Bay Packers, Milwaukee Brewers, and Wisconsin Badgers.

Eleanor and Harold had one child, Todd Lynn. Eleanor is survived by her son and spouse, Todd (Ann) Webb. She is also survived by four grandchildren, Raegan Vosters, Brad (fiance Kelly) Webb, Edwin (fiancé Megan) Slimmer, Stephanie (Caleb) Chmielewski. She is survived by six great-grandchildren, Justice Vosters, Kenna Webb, Alia DeMore, Aurora DeMore, Alyssa DeMore, Maddix Slimmer. She is also surviving siblings, Shirley (Don) Votis and numerous nieces and nephews.

She was preceded in death by her husband, Amos (Harold); her parents, George (Nina) Wald; her siblings, Charolette May Wald, Will (Helen) Wald, Raymond (Sophie) Wald, John (Delores) Wald, Pearl (Karl) Schneider, Marvin (Helen) Wald and Dolores (Mike) Hanson; nieces, Rhonda Votis (God daughter) and Charolette Shaw; sisters-in-law, Sophie Wald, Helen Wald and Delores Wald; brothers-in-law, Karl Schneider, Mike Hanson and Don Votis.

Special thanks to Theda Care Hospice for all the tender loving care they provided to Mom and our family. Also special thanks to Heart of the Valley Cremation for assisting the family. Also special thanks to the iLife program for all there care provided to mom and our family over the years. A very special thanks to Brian & Linda Fryman, Troy Dobbratz for there loving care they provided to Mom and family.

Family would like to let all friends and family members that a celebration of life will be held at a later date.

Anyone wishing to send condolences may send to: Webb Family, 1216 Grove St., Menasha, WI 54952.

Mom...enjoy your time with Dad. We love you and will miss you.

Letters to the Editor

We welcome letter to the Editor; however the letters should be legible, in good taste, not libelous and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES. We reserve the right to reject any and all letters.

Dear Editor:

On January 17, 2019 the Forest County Land and Water Use (Zoning) Committee held a public hearing to consider a conditional use permit request from Northeast Asphalt Plant, Inc. to operate an asphalt plant into the existing non-metallic mine owned by Alton (Bud) Ison Jr. in the Town of Argonne. The committee voted unanimously in favor of the permit.

Argonne citizens attending the hearing voiced strong opposition to the asphalt plant for various reasons and concerns, including its negative impact on health and safety, property values, air and water pollution and other public nuisance and health concerns such as; fugitive dust, diesel-fueled truck traffic, noise and proposed hours of operation. It should also be noted that the Argonne Town Board also submitted a letter to Forest County Zoning Committee in opposition to the conditional use permit.

As a former member of the City of Franklin Environmental Commission, with experience and knowledge in metallic and non-metallic mining, I was shocked at the Forest County Zoning Committee members' ignorance, lack of technical knowledge and disrespectful behavior of its Chair – Karl Tauer. It was apparent these elected officials made their minds up to approve the permit long before the meeting started.

At the hearing, the Forest County Board Member representing the Town of Argonne (Cindy Gretzinger) pleaded with the Zoning Committee, publicly stating that she lives 2 miles from the mine site and has a 7-year old family member suffering from Leukemia. Health concerns related to asphalt plants are legitimate being that all asphalt plants emit toxic pollution in various levels including; carbon monoxide, nitrogen oxide, sulfur dioxide, hydrogen sulfide, benzene, chromium, formaldehyde, polycyclic aromatic hydrocarbons, cadmium and arsenic. The ambiguity of the written request from Northeastern Asphalt, Inc. and their inability to answer questions about the duration and details of the project was ridiculous. Our concerns were not taken seriously – in fact the Zoning Committee closed the hearing and passed the conditional use permit without giving citizens the opportunity to ask further questions following a second round of information from Northeastern Asphalt, Inc.

This battle is not over. Tax-paying citizens of Argonne will start a wave to remove Forest County Board members from their derelict of duty and take back our rights to clean air and water, public safety and good health.

Sincerely,
Linda A. Sturnot

Cellcom Scholarship application open 16 \$750 scholarships will be awarded

The online application for Cellcom scholarships is now open. Cellcom will award 16 \$750 scholarships to graduating high school seniors across its service area this year.

Recipients will be selected on the basis of academic record, potential to succeed, leadership and participation in school and community activities, honors, work experience and an essay on community involvement. Financial need is not considered.

Applicants must reside within a county in Wisconsin or Michigan where Cellcom operates and be planning to enroll in a full-time undergraduate course of study at an accredited two- or four-year college, university or technical school.

Applications are due March 15, 2019, and only online applications will be accepted. Interested students can visit www.cellcom.com/events for more information and to apply.

Solar Really Works-Even Here!

You can do something about climate change by yourself. In 1980, I put my first two solar panels for hot water heating on my house. They are still there today working in Maple WI. You can do the same thing. I built the frames to hold them on the roof. I connected the pump and sensors from a pre-fab control setup to power. I ran the pipe from the basement to the roof alongside the chimney. I added antifreeze to water to carry heat from the roof top panels to the basement water tank. Thirty-eight years later, I'm still getting free hot water.

Yes, there have been a couple of problems along the way. After 25 years, the hot water tank had to be replaced. Sometime along the way, the expansion tank had to be replaced, but the original panels are still there working on the roof.

If it matters, long ago, probably twenty-five years ago, the system paid for itself with reduced heating costs. Think about it!

Invitation for Quotes
WABENO AREA SCHOOL DISTRICT

The School District of Wabeno Area is requesting sealed quotes for lawn care. Quotes will be accepted either in person at the District Office, located in the Elementary building, 4346 Mill Lane, Wabeno, WI 54566 or by mail no later than 4:00 PM on Friday, February 22, 2019 to: Jeffrey Walsh, Interim District Administrator P.O. Box 460, Wabeno, WI 54566. Please mark envelope "Lawn Care Quote".

The lawn care provider must provide proof of liability insurance with the quote. Lawn care quotes should be written to reflect monthly charges. Lawn care is required for a period of six months and the district will make payments for the service once a month for the months of May through October.

Lawn is to be mowed and trimmed around the elementary and high school buildings, elementary playground, the lot next to the bus garage and the area around the parking lots. Lawn is also to be mowed and trimmed at the football and baseball fields (behind the elementary school) and at the softball field (located downtown).

The lawn care provider is expected to check on the lawn and mow regularly, keeping the grounds looking neat and well kept.

For further questions about this quote, contact Laurie Pries, Head of Maintenance, at 473-5122 x5138.

The School Board reserves the right to reject any and all quotes.

Both scholarship winners responded to the award of their scholarships:

Hope Dewing-When I was in middle school, my dream job was to become a teacher. Throughout high school I tutored a couple of different elementary classrooms, working with children from K-3rd grade. That experience helped to shape my commitment to become an elementary teacher.

In my first semester of college, I had the opportunity to tutor in an elementary school, moving around through the different classes. I was also hired by the Boys & Girls Club of Greater Green Bay, where I am working with children in K-5th grades, and this experience has made me even more excited and sure that I am pursuing the field of work that is a great fit for me.

After I graduate college, my ultimate goal is to go and teach in Alaska for a couple of years. With this scholarship, I will help pay tuition to help me get to where I need to be in becoming a teacher. I can't thank the Lions Club enough for helping me achieve these goals.

Nathan Bauknecht-I am currently entering my second semester at Concordia University Wisconsin. College has been an amazing experience, especially living in a big city like Milwaukee for the first time.

Although I have yet to declare a major, I am enjoying the fact that college has given me an opportunity to explore my likes and dislikes. For example, I have decided that learning Greek is not for me. I enjoyed my Economics class, and I am excited to take my into to Sports Entertainment Business class. As of right now, I leaning towards pursuing a degree in business.

I am beyond thankful for the monetary gifts towards my education, as well as all of the kind thoughts and words I have received.

FROZEN PIPES

If you have homeowners form 3 coverage, you have coverage for sudden and accidental bursting of pipes. You would also have coverage for ensuing water damage to your home. It is a horrible mess and last year's winter resulted in several of our clients having to deal with it. Your insurance company is there to work with you and your contractor.

Some things you should consider to help avoid the problem in the future, is maintaining your heat at a minimum of 60 degrees. There are some companies that can alert you if your heating system fails. If you leave on vacation, make sure you have someone checking on your home. Make sure your basement and home have adequate insulation.

Recipe: Mashed Russet Potatoes w/ Cream Cheese

5 LBS russet potatoes Kosher salt and ground pepper
4 garlic cloves, peeled and smashed 1 1/2 cup whole milk
4 TB unsalted butter 8 OZ room temp. cream cheese, cut into pieces

Instructions
Place potatoes in a large pot with 2 tablespoons salt and garlic. Add water to cover by 1 inch and bring to a boil. Then reduce heat to medium and simmer until potatoes are tender and can be pierced easily with a fork, 12 to 15 minutes. Drain potatoes and garlic in a colander. Return to pot and cook over medium, stirring frequently, until pale, dry, and a film begins to form on bottom of pot, 2 to 3 minutes. Working in batches, press through a ricer into a large bowl, or mash directly in pot with a potato masher. Cover to keep warm.
In a small saucepan, heat milk and butter. Mix into potatoes, then add cream cheese, stirring until fully incorporated. Season with salt and pepper.
