**New member sworn in at  
Forest County Board meeting**

By Mike Monte

The full Forest County Board met last August 15 at the courthouse. With the resignation of board member Huettl, there was a vacancy, and a new member to represent District 5 stepped up and was sworn in. The new member is Sherry Pethers from Blackwell. We wish her luck in her new position!

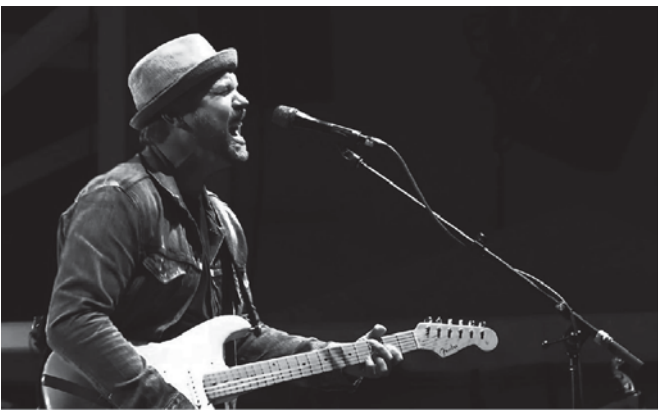

There was a range of subjects covered, including a new vehicle to cover the needs of the Commission on Aging (COA) and a new concrete floor in the COA garage to prevent premature rusting of the new vehicle. There was also a purchase approved for a new vehicle for Emergency Management. There were also some minor changes made to the county handbook.

The major piece of legislation passed was to have a referendum on an increase to the county's statutory levy limit. The increase approved was 8.815% which will raise the levy by about \$450,000. That will change the levy from \$5,105,099 to \$5,555,099.

The referendum will be held on November 5,

**Crandon Rocks to kick off 50th  
World Championship Races**

*KEITH PULVERMACHER: Music fans coming to Crandon Rocks will have an additional reason to kick-off Labor Day weekend thanks to the unique style of Keith Pulvermacher. The venue will begin its musical entertainment at 6 p.m. on Friday, August 30.*

With just under two weeks to go before Crandon International Raceway opens its iconic gates to its first ever Labor Day weekend concert, event organizers of the first annual Crandon Rocks concert have released additional details about the upcoming show.

Held at the largest venue of its kind in the world, Crandon Rocks will be headlined by Kid Rock. The show will also feature Wisconsin's own Keith Pulvermacher, a highly talented musician who calls Milwaukee home, as well as another opening act.

In addition, Crandon Rocks has also announced that all ticket holders in the venue "Gold Circle" of reserved seats will also enjoy free food, free beer and soft drinks and half-priced cocktails, as well as a VIP entrance and private bathroom facilities. Limited to just 3,000 seats, Gold Circle tickets in the "white" and "blue" sections remain, although they are selling at a brisk pace.

Access for general admission seating are set to open at 2 p.m., with concert goers allowed to bring in their own folding lawn for pre-concert set-up. All general admission and Gold Circle ticket holders can exchange their printed tickets for concert wristbands at that time, which will also provide access to Friday afternoon's exciting Crandon off-road races. The exclusive Gold Circle entrance and hospitality tent will open at 6 p.m.

Music at Crandon Rocks will officially begin at 6: p.m., with Kid Rock taking the stage at approximately 9 p.m.

A Wisconsin native son, Pulvermacher was raised in the south eastern portion of the state in the town of Butler. His style of "reality songwriting" doesn't fall into a "genre." It isn't country, it isn't blues, it isn't folk and it isn't rock. After having a discussion with a good friend of his, they decided the best thing to do was to create a category they name "Midwestern" music. His music fits perfectly with what he represents, where he comes from, and in his creative spirit that shares an honest description completely true to him.

Kid Rock burst onto the music scene in 1998 with his Devil Without a Cause album and hasn't looked back. From hit singles like "Bawitdaba" and "Cowboy" to "Picture" and "All Summer Long," the recording artist has blazed his own trail in the music world, having sold over 26 million albums to date.

The Crandon Rocks Kid Rock concert has now been officially added to the famed singer's 2019 tour schedule. His Crandon Rocks performance will incorporate a complete stadium-style production, including world class staging, sound, lighting, video and pyrotechnics executed in pure Kid Rock style.

Crandon Rocks is part of a huge 50th anniversary Polaris RZR Crandon World Championship Off-Road Race weekend. Taking place August 28 through September

**Red Arrow  
Snowmobile ATV Club  
13th Annual Corn  
Roast Labor Day  
Weekend**

On Saturday of Labor Day Weekend (August 31) Red Arrow will host its 13th Annual Corn Roast and ATV/UTV Parade at the Old Town Hall Bar & Restaurant in Townsend. The event will begin at 11 a.m. Meat raffles, D.J. music, food, beverages and free sweet corn will be available all day. Tickets for our big 35 prize raffle ticket will be available. Raffle prizes will be drawn at 6 p.m. The day's activities will all be under the cover of a big tent so come rain or shine!

The ATV/UTV parade will leave the Red Arrow Clubhouse (16712 Hummingbird Hill Lane, Townsend) at 10:30 a.m and proceed to the event at the Old Town Hall. All ATV and UTV owners are invited to participate in the parade. You do not have to belong to a club to participate.

Parade Grand Marshal, Dale Ott, has been a member of Red Arrow Snowmobile ATV Club for 21 years. Dale was a snowmobile trail groomer for 10+ years, maintaining the east side trails for all to enjoy. Dale was on the building committee for the facility that Red Arrow currently enjoys for housing their grooming equipment. Dale was one of the first people to grade the trails for ATV use, again providing the very best possible trails for visitors and residents to enjoy. Dale was an instructor for the DNR ATV safety classes that Red Arrow offers each year. Dale and his wife Kathy have worked countless fundraisers for the club. They worked the annual Fish A Ree when it was still held on the ice on the Flowage. It is plain to see that Dale and his wife Kathy have truly given a lot to the sports of snowmobiling and ATving in the Townsend area.

Come to the Corn Roast by ATV, UTV, car, truck or van....everyone is invited to attend this great family friendly event at the Old Town Hall Bar and Restaurant. Direct ATV/UTV access is available from as far as the city of Gillett to the south, Florence, Forest and Marinette counties and Michigan trails at Iron River.

All proceeds from this event will go directly into maintaining and improving the snowmobile and ATV/UTV trails in the Townsend area. Red Arrow is responsible for about 65 miles of snowmobile trails and about 15 miles of ATV/UTV trails including the Nicolet State Recreational Trail through Townsend.

Red Arrow credits Josh and Kassie of the Old Town Hall Bar and Restaurant for hosting this event and for their continued support.

**Need Help with your Medicare Costs?**

Submitted by Kathy O'Melia

If you have Medicare and you're facing challenges with paying for health care, you may be eligible for programs that can help you save money on medical and drug costs.

People with limited income and resources may qualify for Medicaid – a joint federal and state program that helps with medical costs.

Even if you don't qualify for Medicaid, Medicare Savings Programs may be able to help you pay your Medicare premiums and other costs. If your monthly income is \$1,405 or less for an individual, or \$1,902 for a couple, and your resources are under \$7,730 for an individual or \$11,600 for a couple, you may already be eligible for one of these programs.

If you qualify for Medicaid or one of the Medicare Savings Programs, you'll automatically get Extra Help paying for your prescription drugs. Extra Help is a Medicare program that helps people with limited income and resources pay Medicare prescription drug costs, like premiums, deductibles and coinsurance.

If you don't automatically qualify for Extra Help, you may still be eligible if your income is \$1,561 or less for an individual, or \$2,113 for a couple, and your resources are under \$12,890 for an individual and \$25,720 for a couple. You can apply online for Extra Help with Social Security Administration at [www.ssa.gov](http://www.ssa.gov) or by calling: 1-800-772-1213 (TTY 1-800-325-0778).

Another program that can help with your prescription drug costs is SeniorCare, Wisconsin's prescription drug assistance program. This program is available to Wisconsin residents who are age 65 or older and are a U.S. citizen or have qualifying immigrant status. Your annual income determines your level of coverage in this program. For more information or to access an application online, go to: [www.dhs.wisconsin.gov/seniorcare](http://www.dhs.wisconsin.gov/seniorcare) or call: 1-800-657-2038.

It's important to call or fill out an application if you think you could qualify for savings, even if your income or resources are higher than the amounts listed above. These amounts change yearly, and you may be eligible for another savings program depending on your situation.

To find out if you're eligible for savings through one of these programs or any other benefits, contact your ADRC Elder Benefit Specialist, Kathy O'Melia, at 800-699-6704.

Proceeds go to veterans and their families, veteran hospitals, food pantries, Salvation Army, Hope Lodge, Operation Up Link, Emergency Disaster Fund, Patriot Fund, The Bay at NuRoc Nursing Home, Laona School scholarships and cancer patients.

### Nicolet College Quick Start runs through August 30

Nicolet College Quick Start runs through Aug. 30. Anyone looking to enroll at Nicolet College for Fall Semester can make swift work of the admissions process during Quick Start which runs weekdays in the Red Oak Center through Friday, Aug. 30. The event will run from 8 a.m. to 5:30 p.m. Monday through Thursday and 8 a.m. to 4:30 p.m. on Fridays.

Over the past couple of years, the college has added to the number of academic programs that are available through the highly-flexible Nicolet My Way format, said Nicolet Dean of Enrollment Erika Warning.

“We’ve heard from many students that they need this level of flexibility in order to fit college around all of their other responsibilities,” Warning said. “Nicolet My Way gives them the opportunity to earn the college credential that they know will get them farther ahead in life.”

With flexible open labs and online classes, students decide when they complete their coursework. “That’s the beauty of Nicolet My Way. Students can make college as traditional or as flexible as they want. Some students like coming to class on specific days at specific times and being around others in their academic program, and they can do exactly that in Nicolet My Way programs,” she said.

At Quick Start students will be able to complete many, if not all, of the steps necessary to enroll at Nicolet. These include:

- Meet with an Admissions Representative to discuss career options and the various academic paths available to train for a career.
- Talk with an Academic Advisor to register for classes and set up a class schedule that fits in with other responsibilities.
- Complete the Admission Application.
- Learn about financial aid and start the financial aid application process.
- Learn about payment plans the college has available.

Fall Semester classes start Wednesday, Sept. 4. Individuals looking to enroll should also bring their high school or college transcripts, if available. Those needing help getting their transcripts before the event are encouraged to contact the Nicolet Welcome Center at (715) 365-4493 for assistance.

Nicolet staff will also be on hand at Quick Start to help students retrieve transcripts electronically. There’s often a fee to do this, so a credit or debit card will be needed.

Nicolet academic programs currently offered in the flexible Nicolet My Way format include Welding, Information Technology, Administrative Professional, Accounting, and Business Management. More programs are expected to adopt the format in the future.

The college currently offers more than 60 associate degrees, diplomas, certificates, and apprenticeships. Many of these also feature online classes that offer a degree of flexibility in a traditional semester structure.

The Nicolet Campus is located one mile south of Rhinelander just off of Hwy. G.

For more information about Nicolet, visit [nicoletcollege.edu](http://nicoletcollege.edu) or call the Welcome Center at (715) 365-4493, 1-800-544-3039, ext. 4493; TTY 1-800-947-3529 or 711.

### Forest County Board Cont. from pg. 1

2019. The reason the taxpayers are being asked is to fund six new employees in the law enforcement center so that the jailer, who is responsible for the inmates, is not also the person manning the 911 dispatch center.

The problem that law enforcement and jail staff have is that if there is a problem with inmates and an emergency call comes in, it is impossible to take care of both situations. This means that somebody could be hurt and need attention in the jail, and that a car wreck out on the highway also needs attention and emergency care. Which situation does the jailer take care of first?

The citizens of Forest County will give their approval or not at the November 5th referendum.

### Office on Aging Nutrition program changes starting in September

Starting in September, the Office on Aging Nutrition Program will be seeing some changes. First change that we are making is adding an extra dining site day for Wabeno Meal site. Currently, we serve on Monday and Tuesday and the home delivered meals are served on Mondays, Tuesdays and Thursday. Starting the week of September 3, Wabeno will be serving both dining and home delivered meals on Mondays, Tuesdays and Thursdays each week at 11:30 a.m.

The second change we are making is changing the Laona Senior Center dining and home delivered meal days. Starting September 3rd, Laona Senior Center will serve congregate and home delivered meals on Mondays, Tuesdays and Wednesday. Jars Bar and Grill will be moving from Wednesdays to Thursdays starting September 5th. The serving times for both Jars and Laona Senior Center will remain the same. The reason we are changing days around is to accommodate Rick and Jane's schedules with deliveries. It will allow Jane and Katie to be more creative in the kitchen.

Finally, after 7 months, Armstrong Creek Meal site will be moving from Cavour back to Armstrong Creek starting September 3. We appreciate the Caswell Town Board for allowing us to use their townhall to hold the dining site while the Armstrong Creek Community Building was under repairs. Without their generosity, the Armstrong Creek dining site would have been temporarily closed until the repairs were completed. We hope our new dining friends from Cavour will join us in Armstrong Creek.

If anyone has questions or concerns, please call Tammy Queen, Aging Director at (715) 478-7712.

### Crandon teacher Jodi Brownell is now a certified National Geographic Educator

Jodi Resch Brownell, Spanish teacher at Crandon High School, has completed National Geographic Educator Certification. National Geographic Educator Certification is rooted in their Learning Framework, which is built around a set of attitudes, skills, and knowledge areas that embody the attributes of an explorer. National Geographic Certified Educators are committed to teaching their students about the world and how it works, empowering them to succeed and to make it a better place.

There is a three-step process involved in earning certification, including creating lessons and a capstone project that use National Geographic resources and the Learning Framework. Brownell received an Exemplary evaluation of her coursework and capstone project. With this certification, she and her students will now have access to teaching resources in the National Geographic Educator Network.
