Laona Fire Dept. 4th of July Schedule

Saturday July 7th

Parade at noon-Line up at T - BOBS at 11:00 a.m.

Raffles, food refreshments at Silver Lake Beach following parade.

Two fireworks displays- First one donated by Alvin Weso and Fire Up Fireworks and Smoke Shop at the ball field by T - BOBS. Second display to follow by Skip Yeager Jr. and is dedicated to the memory of Jack Carter.

Family Fest at Goodman Park on July 7th

Goodman will hold the 7th Annual Family Fest on Saturday, July 7th, starting at 10:00 a.m. and lasting until 7:00 p.m., at Goodman Park.

Bring an appetite for burgers, brats, hot dogs, walking tacos, sauerkraut & pork, nachos, beer, soda or water.

A flag retirement will be held at 1:00 p.m. Bring your old and tattered flags for proper disposal.

Fireworks will be held at dusk, and display is sponsored by the Town of Goodman. Come and enjoy!

WXPR Open House Set for July 11

The independent community public radio station recently moved to its new location at 28 North Stevens Street in downtown Rhinelander from 303 West Prospect Street.

The move finds improved studios, performance, office and meeting spaces. Local contractors recently completed the building renovation.

The public is invited to the open house, set for July 11 from 12 p.m. until 6 p.m.

WXPR public radio is affiliated with National Public Radio, Public Radio International, American Public Media and other national program providers. WXPR programming features a mix of national and local news and entertainment with music shows hosted by community volunteers.

The station is heard at 91.7 FM in northern Wisconsin and the Upper Peninsula. In Ironwood and Hurley, the programming is heard at 100.9 FM, and nights and weekends it's heard in central Wisconsin at 91.9 FM. WXPR2 is an HD signal that provides news and talk programming to the region.

More information is available at 715-362-6000 or at the WXPR website at www.wxpr.org.

Crandon School District opens the gates

On Monday, July 2 at noon, the School District of Crandon had a ceremonial "opening of the gates." This casual ceremony celebrated the fact that school playground and green spaces will be open for public use.

While the gates have been traditionally open during the weekdays, from the time of the ceremony into the future, access to the school grounds will be available on evenings, weekends and holidays.

Some gates will remain locked to maintain the integrity of our athletic fields and keep the public a safe distance from our generator and propane tanks.

The School District of Crandon recognizes its status as a tax supported entity and wants to make its green spaces open to the citizens that support the school.

Newald Mud Drags held last Saturday

By Mike Monte

The Newald Mud Drags/Mud Bogs were held last Saturday in Newald. Sponsored by the Newald Fire Department, the event is part of a series under the auspices of the Upper Peninsula Mud Drag Association. Other races are held in communities around the U.P.

All of the racers were from the U.P. The fellows racing the Willys Jeep shown above are from Ishpeming. Rick Larkin and his buddy Matt race a jeep equipped with a Chevy 350 engine, differentials, transmission and transfer case. In spite of the fact that the only Willys parts on the vehicle is the body and the dashboard, it is still a Willys. Just ask them!

The race consists of a standing start on a mud track that is 200 feet long. Most of the vehicles will run the course in five to seven seconds. The mud bog is a pit filled with mud that is about as deep as a backhoe bucket. It was a little soupy last Saturday, and only one vehicle made it through.

The course might be only 200 feet long, but the trucks are moving fast by the end of the track, and it takes more ground to get stopped than the length of the course. These fellows are racing some hot machines. When you look at the age of the trucks and jeeps in the drags, you don't see late model stuff, but the body style and age of the vehicle have little to do with the performance of the vehicle, and the drive train is not old and worn out. This is obvious when they hit high rpm's.

I would like to say the competition is fierce, but these racers are all friends, and if they win it is great, but if they don't, they still have fun.

Crandon Community Blood Drive

A mid-summer Crandon Community Blood Drive is being planned on Thursday, July 19 from 9:00 a.m. to 1:00 p.m. The blood drive will take place in St. Paul's Evangelical Lutheran Church, at 501 N. Park Avenue in Crandon.

"Blood donations drop during the summer, even though the need for blood remains constant. The Crandon blood drive will help ensure that hospitals can receive a steady blood supply during this challenging time. If you haven't given blood in the past 8 weeks, I encourage you to donate blood on Thursday," urged Jan Hadsell of the Community Blood Center.

High school blood donors trying to donate eight times before graduation to receive a Gallon Grad award are encouraged to participate.

Donation appointments are highly recommended, and may be made by calling the Community Blood Center at (800)280-4102, or visiting www.save3lives.org. Walk-in donors are welcome, but scheduling an appointment keeps the total time required for a donation to less than an hour.

Blood donors must be at least 17 years old (16 with parental permission), weigh at least 110 pounds, be in general good health, and bring a photo ID. Donors are encouraged to eat a regular meal and drink plenty of fluids prior to donating.

This shot of a black squirrel with a reddish tail came from Bill on Pickerel Lake. He is curious if anyone else has seen a squirrel like this.

Candidate Spotlight

Anyone seeking political office is invited and encouraged to announce their candidacy in the Candidate Spotlight. It is an opportunity to tell the voters why you are running, goals if elected, etc. It is not a forum for bashing an opponent, and there is no charge.

Lisa Theo announces candidacy for 12th State Senate District

Lisa Theo would like to officially announce her candidacy for Wisconsin's 12th State Senate District. Lisa decided to run after watching legislators and bureaucrats in Madison put their needs ahead of priorities and values of those of us living North of Hwy 29.

"Many in Madison believe that the northern border of Wisconsin ends at Hwy 29. We know they're wrong, that the best part of our state is North of Hwy 29," Theo said.

One of the strongest values we are all taught in the Northwoods is go work together, and that's exactly what Theo will do. When elected she will work with members of both parties to make sure that our water, woods, wildlife and workers are protected, to bring good paying and long lasting jobs to our area, and to make sure that our recreational areas stay clean for hunters and all other users.

Since April, Theo has been traveling around the district meeting people and gaining support. She has received the endorsement of the Oneida County Deputy Sheriffs Association. Members released a statement saying that she will bring respect and balance back to state government. They also cited her balanced approach to gun ownership by saying, members "acknowledge Theo's understanding and respect of the role hunting plays in the culture and heritage of Wisconsin families."

Theo understands that hunting isn't just a sport in the Northwoods, it's who we are. She's seen first-hand the effects that a good hunt can have on our citizens through the eyes of her 80-year old father. As a boy, he spent many hours hunting in these forests to help feed his family. Although he has fewer mouths to feed today and only hunts for sport, Theo knows many people use venison and game birds to keep their children healthy.

It was her father and mother who instilled Theo's values here in the Northwoods while she was growing up. Her father was born in Tripoli, and lived in Heafford Junction and Tomahawk. He moved to Milwaukee after high school. Her mother is from the Tilleda area west of Shawano. While Theo was growing up, both parents instilled in her a deep love of nature and the outdoors. Deer hunting seasons were spent in Tripoli, and summers were spent camping near Heafford Junction.

Now, Theo makes her home on Lake Nokomis, which is near the proposed mine in the Town of Lynne. Although she understands we need the minerals, Theo

Pioneer Ad Deadline is Tuesday at 4:00 p.m.

**You deserve
Quality Medical Care.**

**NORTHERN
HEALTH CENTERS**
Quality Care from Compassionate People

The Nurse Practitioners at Northern Health Centers, Inc. (NHC) in Lakewood, want to be your partner in health and wellness. Our NPs have master's degrees and practice independently, collaborating with physicians and other NPs as needed. Our backgrounds in nursing include experience in ICU, Community Health, Family Planning, Labor and Delivery units, Emergency, Urgent Care and many outpatient clinics providing primary health care similar to NHC.

Instead of just treating illness, NPs spend time treating the whole person, and work as a team to support smart health and lifestyle choices. Your team, led by a NP, can assist you with a sometimes complicated web of referrals, tests and treatments, helping to remove some of the stress.

Appointments are available and walk-in and same-day patients are welcome.

 Member of N.E. WI Multiple Listing Service, and The Greater Northwoods Multiple Listing Service (serving over 3,000 Wisconsin Agents)

Candidate Theo Cont. from pg. 1

opposes the Lynne mine because there is no way to responsibly get the minerals out of the ground without damaging the environment. She felt the same way about the proposed Penokee Hills mine and the now defunct Crandon mine. She demonstrated in Madison against the Crandon mine with her husband, Christos Theo, and sons.

Theo and her husband Christos Theo have been married 27 years, and they have three adult sons. While the children were young, she returned to school earning her Bachelors of Science in Geography at the University of Wisconsin-Eau Claire (UWEC), and her Masters of Science in Geography at the University of Wisconsin-Madison (UW-Madison). She was the first person in her family to earn a college degree.

Theo is an instructor at the University of Wisconsin-Stevens Point where she teaches geography and has held a number of public service positions and started two home businesses during her more than 30 years in the workforce. She has managed women's clothing stores, served as a legislative aide to a state senator, worked in food service, ran a home childcare business, and had a home business designing and constructing original wedding gowns and bridal accessories. She has taught at the university level since 1999, first at UW-Madison as a graduate student, then at UWEC before joining the Geography and Geology Department at the University of Wisconsin-Stevens Point (UWSP) in 2007.

During her teaching career, Theo served as a task member of Lieutenant Governor Barbara Lawton's Wisconsin Women Equal Prosperity Initiative where she was responsible for spatial analysis and cartography. She also served as UWEC's representative to the Wisconsin Economic Summit from 2001-2003, coordinating a session on university and community partnerships for economic development in 2003. Theo's research as a university instructor concentrates on economic and community change in Wisconsin's Northwoods.

Building Committee moves forward

By Boyd Monte

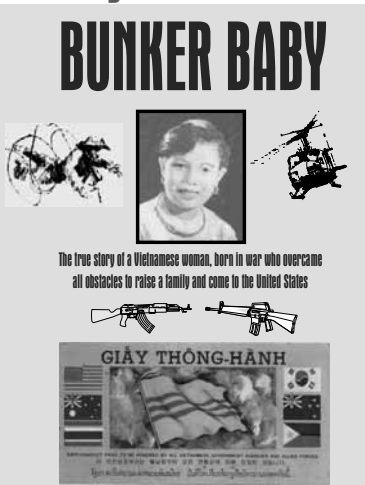

The Town of Lincoln Building Committee met the past two Wednesdays, June 20 and 27 to discuss the future of the new town hall and garage. On Saturday June 9th, the committee was approved to go forward with their plans by the electorates of the town. They have a \$600,000 limit with a ten percent contingency. The total amounting \$660,000. The committee decided that they would hire Raash Engineers and Architect.

On June 27, Raash designers came up to meet with the committee. They had a rough draft of a plan. The committee looked over the plans and made sure that nothing was forgotten and that all building codes were met. Raash Engineers and Architect will now make the changes to the design. They will meet with the committee again to double check all parts of the project on July 9th at 5 p.m. If all of the codes are met and the building design is approved, the project will be one step closer to actually building.

The building committee stated that they want to be able to get the building started this year. Prices for building are at the lowest they have been in a long time and indications point to rising costs next year. The committee also stated that they want to get started, but they also want to make sure that the process is done correctly and that when bidding starts, that local builders will have the opportunity to bid.

The building committee also looked into moving the green building to the dump site. The committee is receiving bids on moving the building. The committee looked into the costs of a new building and found that it would cost \$25,000 to almost \$30,000. Moving the building will save money. The money to move the building is added into the fund and not taken from any other budget. It was also factored into the budget of \$600,000. After the meeting with Raash, the committee looked at possible sites on the two acres to build. The committee found that they will have a great spot to build. They will just have to wait on the perk tests to determine where the well and septic have to go if they need a new systems.

Book by Crandon author

A new book by Crandon writer Nga Walker tells the true story of the wars in Vietnam, her struggles to raise her children and her eventual move to Crandon and the success of her marriage and family.

Available from Nga Walker at 715-478-3530 or at the Pioneer Express office

Senior Chatter

Submitted by Kate Schultz

Picnic and Pontoon Boat Ride

Seniors (60+) and adults with disabilities please join us on Wednesday, July 18th at the Crandon Community Building for our annual picnic and pontoon boat ride. "Early Bird" Bingo will begin at 11:15 a.m. Coffee and beverages will also be available at that time. The morning boat rides have been reserved for nursing home/assisted living participants to insure safe access to the boats.

Lunch will be served at the Community Building beginning at 12:00 p.m. (noon). Afternoon boat rides for those wishing to take part will begin at 1:00 p.m. Pontoon Boat participants may drive to the Lake Metonga beach or "hop-on" an Aging Unit bus/van. Round trip transportation will be provided throughout the afternoon. A session of "late bird" Bingo will be held at the Community Building, also beginning at 1:00 p.m.

Come dressed in your best beach attire! Boat ride participants are reminded to bring a hat, light shirt or jacket, sunglasses and plenty of sunscreen.

Advance registrations are required for this event.

All those planning to attend are asked to register by Noon on Monday, July 16th at one of the five meal sites or by calling the Aging Office (715-478-7712). The meal for this event will be prepared based upon registrations. If you register and are unable to attend, please call the Aging Office at your earliest possible convenience. For more information call or stop-in the Aging Office located on the first floor of the Courthouse.

GOING... GONE

Forest County CAN! Moves Forward

Forest County CAN! (Coalition for Activity and Nutrition) was started this year in an effort to improve nutrition and increase physical activity in individuals and groups. It represents a collaboration of various community members and organizations.

Recently, the coalition has participated in starting a community garden at the New Hope Shelter. The coalition has also started a Facebook page which community members can like in order to stay updated on healthy happenings around the county. Look for "Forest County CAN! Coalition."

The coalition is planning a Harvest Fun Walk/Run for the weekend after labor day- keep a look out for more information! Also watch for Seasons of Health, quarterly community-wide healthy living campaigns, with the first one beginning this fall.

Aiding in the work of the coalition this summer is Forest County Health Department intern Rebecca Amstutz, a senior at Indiana Wesleyan University, where she is studying International and Community Development and Pre-Med. Originally from Janesville, WI, she will be with the department for 5 more weeks as part of her 8 week Wisconsin AHEC internship. She is enjoying discovering more of the Northwoods culture. If you see her around in the community make sure you say hello!

For more information on the Forest County CAN!, visit forestcountycan.org. If you would like to get involved with any of the coalition's activities, such as helping with the garden, the harvest walk/run, or attending the monthly meetings, email fchdrecp@co.forest.wi.us or call 715-478-3371.

UW-Superior Distance Learning specialist to be in Rhinelander

Dan Kuzlik, Outreach Specialist for Distance Learning Programs for the University of Wisconsin-Superior, will be available at the Rhinelander District Library at 106 North Stevens street in Rhinelander on Monday, July 16, at 6:00 pm. Dan will provide information on how area residents can earn Bachelor Degrees in their own communities through on-line courses. Currently, individuals can earn BS Degrees in Elementary Education, Communication Arts, Sustainable Management, Health & Wellness Management and Interdisciplinary Studies from the convenience of their own homes, businesses or libraries, without traveling to the UW-Superior Campus. Dan will be available to provide information regarding admission procedures, degree program descriptions, tuition costs, financial aid options, course selection and other information regarding UW-Superior's Distance Learning programs.

No registration is necessary.

full of cash.
Mudslingers has been collecting dollars for the shelter from their generous patron since the beginning of the year. The patrons had a fun time donating via a method called "Sling Your Buck," where a quarter and a tack are folded into a dollar bill and slung to the ceiling where they stick.
It was quite a site to see all those hundreds of dollars stuck to the ceiling in the bar. What a wonderful bunch of folks there are in Cavour.
The Humane Society is deeply touched and extremely grateful to all that had a hand in this fundraiser.

HELP WANTED

**Bakery/Deli
Weekend Cashier**
Apply in person at:
Jeff's Family Foods
4894 Mill St., Laona
715-674-6108

To bolster enforcement by putting more officers on patrol for longer hours, agencies participating in Summer Heat will receive federal funding from the Wisconsin Department of Transportation (WisDOT) Bureau of Transportation Safety. The mobilization will be backed by new Zero In Wisconsin television, radio and web messages from WisDOT highlighting why drivers need to slow down or risk getting stopped and ticketed.

Speeding is prevalent and deadly in Wisconsin, according to State Patrol Major Sandra Huxtable, director of the WisDOT Bureau of Transportation Safety. Last year, 160 people were killed and 7,700 injured in speed-related crashes.

"At higher speeds, you're at greater risk of a crash. Furthermore, the violently destructive forces of a crash become more severe as speeds increase," Major Huxtable says. "Drivers traveling at high speeds for an extended period of time on the open road also tend to not slow down sufficiently when approaching an intersection, work zone or traffic congestion."

Speeding is expensive as well as dangerous. Under Wisconsin law, the costs of speeding citations range from \$175 all the way up to \$893 along with three to six demerit points assessed on the driver's license. Moreover, insurance premiums often increase with speeding convictions. A citation for driving 25 mph or more over the limit in a 55 or 65 mph zone also requires a 15-day driver's license suspension.

Despite the obvious dangers and expense of speeding, it is by far the most common traffic conviction in Wisconsin. Last year, drivers amassed more than 180,000 speeding convictions statewide.

Many people speed in a futile attempt to get where they're going a little sooner. But as Major Huxtable points out, "You're actually going to be delayed

HELP WANTED

The Sokaogon Chippewa Community is searching for a **Family Nurse Practitioner** to be responsible for the overall ambulatory services of the health clinic. The Nurse Practitioner will provide direct and comprehensive advanced practice-nursing services including: diagnostic, preventive and therapeutic health services to individuals; care management for patients; and treatment, health, education, counseling and guidance to individuals and families.

DUTIES/RESPONSIBILITIES:

- Provides supervision for the maintenance of confidential, complete, orderly medical records and electronic health records.
- Supervises the development of selected clinic policies/procedure and develops provider protocols.
- Takes complete health histories from patients and/or family members.
- Performs standardized and appropriate physical examinations and minor in-office procedures.
- Orders and/or performs special screenings, diagnostic tests and procedures. Analyzes collected data, discriminates between normal and abnormal findings to identify early stages of serious physical, emotional, or mental problems and prioritizes health care plans.
- Formulates and implements care plans which may involve various treatment modalities, prescribed medications, consultation with other health care providers, and referrals.
- Identifies and manages acute and chronic illnesses in accordance with established protocols of care.
- Provides emergency treatment.
- Recommends appropriate follow up to patients and staff.
- Collaborates with other health care professionals to develop treatment protocol, standards of practice and health care services policy.
- Maintains professional certifications and improves professional knowledge through seminars, accredited courses and in-service education.

QUALIFICATIONS:

- Master's Degree in Nursing; state certification as a Family Nurse Practitioner; active, current and unrestricted license to practice as an RN in the state of Wisconsin. Required
- Minimum of two years experience preferred.
- Knowledge of Native American communities/culture or willingness to learn.
- Excellent verbal, written and presentation skills.

Native American preference is granted according to PL 93-638

Accepting Applications

Printpack's Rhinelander facility is accepting applications for **Manufacturing Utility** positions. For nearly a century, the Rhinelander plant has been a partner in the community, with a reputation as an excellent employer. Join us for a work experience that can be both personally and professionally rewarding.

Printpack, Inc. is an industry-leading, award winning \$1.3 billion international manufacturer of flexible packaging. Headquartered in Atlanta, GA; Printpack is a family-owned company with old-fashioned family values and a place where trust, respect and teamwork are highly valued.

New hires start at \$14.00/hr. and have the potential to earn a higher wage after completing their probationary period. Insurances include medical, vision, dental, disability and life. Participation in 401k and Bonus Program is available along with access to an on-site Fitness Center.

Visit www.printpack.com for information about Printpack and to apply for this position. Neat & complete applications are being accepted on-line through Sunday, July 29th, 2012.

Printpack is an Equal Opportunity Employer. **Printpack Inc.**
Apply on-line at: www.printpack.com/careers

significantly if you're stopped by a law enforcement officer or are involved in a crash because you were speeding. By slowing down, you can save both time and money as well as conserve fuel. And even more important, you can help make progress toward the goal of zero preventable traffic deaths in Wisconsin."

The Grieving Process . . .**Grief and Depression****Part of the Working through Grief Series**

A free presentation on "The Grieving Process . . . Grief and Depression" will be offered by Ministry Home Care as part of their ongoing Working through Grief series, open to everyone in the community free of charge. The session will be held on Tuesday, July 17th at Ministry Saint Mary's Hospital, Conference Room 3, from 1-3pm.

Ministry Home Care provides grief support to anyone in the community, regardless of their involvement with hospice prior to the death of their loved one. For more information on this and other grief support opportunities, please contact Connie DeBels, bereavement coordinator at Ministry Home Care, 715-361-2230.

HELP WANTED**Full Time 9-12 English Teacher**

Job Description: Full Time 9-12 English Teacher for the 2012-2013 school year. Candidates need to have a strong commitment to developing writing and literacy skills in all students. Candidates should be familiar with a variety of teaching strategies including cooperative learning, the writing process, and other methodologies. They also need to have skill in teaching content literacy skills. The candidate will be responsible for coordinating the yearbook. Preference will be given to applicants with confident technology skills, a background in differentiation strategies, and a willingness to teach via ITV/online.

Qualifications: Candidates must have appropriate DPI license (300-English). Successful applicants will be a contributing team member with strong communication skills and have the ability to develop positive collegial and parent relationships. Successful applicants will also possess a sincere interest in accepting extra-curricular responsibilities.

Requirements: Candidates must have appropriate DPI license (300-English).

How to Apply: Interested and licensed candidates should submit a letter of interest, resume, transcripts, copy of license(s), and three (3) current letters of reference by Monday, July 16, 2012 to: Dr. Kimberly Odekirk, District Administrator, P.O. Box 460, Wabeno, WI 54566.

The School District of Wabeno Area in accordance with Wisconsin Fair Employment Practices Act, Wisconsin Statute 111.31, does not discriminate in hiring practice on the basis of age, race, color, creed, physical, mental, emotional, or learning disability or handicap, national origin, political affiliation, marital status, sex, sexual orientation, arrest record or conviction record. The School District of Wabeno Area is an equal opportunity employer.

Law enforcement mobilizes for 'Summer Heat' speed enforcement

Officers from 120 law enforcement agencies in Wisconsin will crack down on speeding and other dangerous driving behaviors that cause crashes during the Summer Heat mobilization from Monday, July 2, to Wednesday, July 18. In addition, the Wisconsin State Patrol will deploy its airplanes during Summer Heat to detect speeders from the air and relay that information to officers on the ground for enforcement action.

HOPE YOUR 4TH WAS GREAT!

NuRoc Resident of the Month

June
Aschenbrenner

Nu-Roc Community Healthcare is pleased to announce that June Aschenbrenner has been chosen as the July, 2012 Resident of the Month.

June, a lifelong resident of Laona, was one of Agnes and Joe Matias's 10 children-a twin with her sister Jane. She was very active in Laona High School, proudly serving as band majorette, cheerleader, and substitute teacher in the elementary school. From what she tells her children, she also attended every dance in the Laona, Wabeno, and Armstrong Creek area!

When the boys returned home after WWII, June caught the attention of handsome John Aschenbrenner, also a lifelong Laona resident. They married in June, 1947. Soon after (and unbeknownst to her) Johnnie bought Clark's Resort on the shores of Wabikon & Riley Lakes. Their lives changed forever that October 4, 1947 afternoon when Clark turned over the keys to a bar, 9 cabins, 23 wooden boats, a 2-room shack ("home sweet home"), water pump, ice house, and gas operated generator (no electricity), 5 outdoor "johns" (no plumbing). Johnnie's Resort began as a seasonal establishment open from May 1 (opening day of fishing season) through Thanksgiving and deer hunting. Sixty-five years later, Johnnie's continues under the guidance and hard work of their son Johnnie and wife Cheryl. Locals and visitors continue to stop by, stay, and reminisce at Johnnie's.

The "between years" for June were filled with the joy and tears accompanied by any life, particularly one spent operating your own business out of your home. June worked from dawn to dusk beside her husband, hanging hundreds of sheets "on the line", making hamburgers, tending bar and scrubbing floors. She balanced her husbands' quiet demeanor with her outgoing ways. They welcomed two children; Johnnie and Susan. Young Johnnie quickly learned the art of fishing for which he is still passionate. Susan and Johnnie inherited the family's love of the outdoors; Susan tempered this with an interest to also see what was beyond the lake. Now they both built homes overlooking Wabikon Lake, as a testament to their parents.

June remembers the many people whom she welcomed to her home: A man who lost his false teeth in an outdoor "john" (later scooping them out with a fishing net). The quiet and kind George Tuckwab and Ike George who literally made it possible for them to survive their first years. Muskie fishermen racing in with white flags flying to weigh and display their trophy fish. Three and for generations of families returning to Johnnie's for family gatherings in the cabins, complete with roaming bear, fish stories, and wood ticks. A young man reported seeing a Sasquatch creature in the creek between the lakes some late evening several years ago. Trout fishermen returning with decorated boats, bullhead tournaments, and spring break-up parties. Yes, it all happened under June's watch!

June loves her granddaughters, Rachel and Joanna, Wabikon Lake, her birds (particularly the hummingbirds, ducks, eagles, and swans), and (without any doubt!) she loves her dog, Riley. June loves to have company and welcomes all visitors, especially if you bring Riley!

5th Grader Halle Reeder is state finalist in national recipe contest

Halle Reeder, a soon to be 5th grader at Crandon Elementary, is a Wisconsin finalist in a recipe contest originated by Michelle Obama and the White House.

Recipe entries were expected to meet the Department of Agriculture's nutritional guidelines, and incorporate each of the food groups as part of a lunch meal that could be served at a school. A winner from each state will then be selected, and invited to a White House function where some of the top recipes will be served. Halle will find out if she wins around July 16th. Good luck Halle!

Bids & Notices

Vets pictures needed for Lakewood Reunion and Traveling Display

Pictures of area (Lakewood, Townsend, Mountain, Wabeno) veterans are needed for the Lakewood Reunion and traveling displays. Pictures will be on display at the reunion on August 25th, at Waubesa Lake Lodge in Lakewood. The displays will then be at local businesses during September and October, and will end up at the Wabeno High School Veterans Day Program in November.

Your veterans pictures are needed. Special thanks to Rose Kiefer for collecting pictures for the beautiful Lakewood mealsite display and for allowing them to be scanned for our use. Pictures are slow coming in and to get them copied, mounted, and displayed takes time. Please send pictures to Rita Blazewicz at 14245 Glenwood Lane, Lakewood, Wisconsin 54138, e-mail them to rjblaze@centurytel.net, drop them off at the customer service desk at Lakewood Super Valu, or call Rita and she will come to your home and scan the pictures. It takes only a few minutes! 715-276-6225.

Wabeno Post 44 American Legion Social

Enjoy the fellowship of your comrades at the American Legion Social gathering which will be held August 6, 2012 at The Beach Club, Lakewood. Cocktails 5:00 PM and dinner at 6:00 PM. Reservations/payment with check payable to The Beach Club, in the amount of \$12.00, includes tax and tip, should be sent to August hostess, Karen Sherman, 15177 Brook Lane, Lakewood. RSVP by July 20, 2012. For information contact Karen Sherman at 715-850-2287.

Reminder postcards are being mailed to persons attending at least one of the 2011-12 socials. All that is required to receive notice by postcard is to attend one of the socials. Dates of socials are listed in the Bugler Newsletter, submitted to the newspapers and posted at the Legion Hall.

Nicolet College classes start Sept. 4; still time to register

Anyone interested in upgrading their job skills, training for a new career, or starting on a bachelor's degree is encouraged to enroll in Fall Semester classes at Nicolet College.

"Having a college credential and the higher level of job skills that come along with it is one of the best ways to get ahead in life," said Nicolet College President Elizabeth Burmaster. "At Nicolet, we work closely with area employers in a wide variety of different fields to ensure that the skills taught in our labs and classrooms are the exact skills needed in the workplace."

In recent years the college has concentrated on creating more options for students who need to juggle family and job responsibilities. "That increased level of flexibility, whether it's through online or evening classes, has opened the door to a college education for many students," Burmaster added.

Fall Semester classes start Tuesday, September 4

Nicolet offers more than 70 different associate degrees, diplomas and certificates along with a University Transfer Liberal Arts program where students complete the first two years of a bachelor's degree.

New academic offerings recently added include a Geographic Information Systems associate degree, two new Dental programs, and numerous certificates in Manufacturing, Information Technology, Technical Communication, and an evening accelerated Supervisory Management certificate.

Thanks to the remodeling of the University Transfer Center which is taking place this summer, students in the Transfer program will learn in new science labs and classrooms when they begin the Fall Semester.

"The University Transfer Liberal Arts program is the largest program at Nicolet," Burmaster noted. "We are very excited to be able to offer these students such high quality learning facilities as they begin their journey to a bachelor's degree."

For a complete list of academic programs or for help finding the one that is right for you, call the Nicolet College Welcome Center at (715) 365-4493, 1-800-544-3039, ext. 4493, TDD 365-4558 or 711 relay. Detailed information about each program is also available on the web at www.nicoletcollege.edu.

Conditions Favor Mildew and Other Plant Diseases

Submitted by Oneida County UW Extension

With the warm weather and recent rain, many homeowners are seeing full, healthy gardens. But the persistently high humidity and lingering rain showers have also made conditions perfect for the onset of many fungal diseases.

The most prevalent of these is powdery mildew. Powdery mildew is caused by several genera of fungi; each species within those genera attack different groups of garden plants. But each fungus causes the same disease, and each requires the same treatment. However, the different sources of disease make it likely that while one plant is infected, others nearby are not. This doesn't mean gardeners should not be watchful for other symptomatic plants, however: if powdery mildew appears on one plant, conditions favor the development of the disease on all plants.

After stretches of wet, muggy weather, gardeners should be on the watch for powdery mildew symptoms, especially on phlox, lilac, roses, zinnia, birch, oak, cucumbers, and squash, plants highly susceptible to the disease. Plants infected with powdery mildew appear to be dusted with fuzzy white, light-gray, or slightly brown fungus. This "powdered sugar" mildew most often is

All your protection under one roof.®

8:30 AM to 4:30 PM M-F
kwinkelm@amfam.com

visible on the leaves. In advanced stages, buds fail to open and diseased leaves turn brown and dry.

Powdery mildew spores overwinter in infected plant parts, plant debris, and dormant buds. Each spring they blow to new sites and re-infect their host plants in both the same and new locations. Careful control can prevent severe infections, especially with timely diagnosis. Gardeners should not grow mildew-prone plants like phlox or roses in shady areas where circulation is poor, and should be sure to prune and thin plant material to promote healthy air flow.

In greenhouses, where powdery mildew is perhaps the most common disease, gardeners can ventilate well in the late afternoon to drive out moisture before nighttime, when humidity is high, and infected plants in any area should be treated by removing infected debris. This can be composted, but requires a high temperature to be thoroughly eliminated. Homeowners can dispose of infested debris in normal garbage.

Infected plants can be treated with fungicides; they are usually more effective if applied in the earlier stages of the infection. Fungicides for ornamentals should be used for plants on their label: triflorine (Funginex, Triflorine), sulfur (Sulfur, wettable sulfur), copper sulfate, myclobutanil (Systhane), thiophanate-methyl (Cleary 3336, Domain, Fungo, and Benefit), and dinocap (Karathane) fungicides are among the most effective. Baking soda (1-1/2 tablespoons) and horticultural oil (3 tablespoons) in water (1 gallon) is also effective for powdery mildew control, and most of these treatments will require repetition every 7-14 days until conditions change.

Gardeners with more questions on powdery mildew should consult the UW-Extension fact sheets on the disease (<http://hort.uwex.edu/articles/powdery-mildew-trees-shrubs>) or <http://learningstore.uwex.edu/assets/pdfs/A2404.pdf>), email Marissa Husten at mhusten@co.oneida.wi.us, or call the Extension office with questions at (715) 365-2750.

Newald Mud Drags Cont. from pg. 1

The 350 Chevy engine fits snugly in Larkins' '54 Willys. The GIs in World War II would have enjoyed a Jeep with this much horsepower and big mud-gripper tires!

These tires aren't made for blacktop. They grip and throw mud a long ways. Everybody trailers their racing machines to the event, however, a racer from Big Bay, Michigan, north of Marquette, drove to the event. I was told that after running the mud bog event several times the bottom of his truck was so packed with mud that it wouldn't move. The Newald Fire Department helped out by turning a fire hose on the bottom of the truck, washing out the mud, after which he left for Big Bay.

Dirty Deeds wins a heat.

Crandon 4th Celebration

The start of the 5K Run/Walk in front of the Court House

By Boyd Monte

The Crandon Fourth of July Celebration was held on Saturday June 30. The celebration was only one day this year compared to two days in years past, but that did not stop anyone from having a great time.

The day started early with the Third Annual Run for the Paws 5K Run/Walk. The race started and ended at the court house. There were many different categories and the winners are Females 15 and Under: Emily Kolb (Brown Deer, WI) Males 15 and Under: Andrew Ihm (Cassville, WI) Females 16-25: Megan Tarlton (Wabeno, WI) Males 16-25: John Mangold (Lakewood, WI) Females 26-35: Ashley Thompson (Crandon, WI) Males 26-35: Ken Mihalko (Crandon, WI) Females 36-45: Tina Taylor (Armstrong Creek, WI) Males 36-45: Michael Dunlap (Green Bay, WI) Females 46-55: Celine Kegley (Crandon, WI) Males 46-55: Tom Morris (Crandon, WI) Females 56 and Above: Molly Lester (Crandon, WI) Males 56 and Above: Gene Hayes (Beaver Dam, WI). The top three overall finishers: 3rd Place: Patrick Voightman (Time: 19:15 from Green Bay, WI), 2nd Place: Tom Morris (Time: 18:46 from Crandon, WI) and 1st Place: John Mangold (Time: 18:04 from Lakewood, WI).

After the run/walk was finished, it was time to get ready for the bed races. The races started at the south end of the courthouse square on Lake Avenue and the finish line was the corner of Lake Avenue and Madison Street. This was the first time since the Crandon Centennial that the bed races were held. This year there were four teams. The races were formatted in heats. The winners of the two heats would race each other and the 2nd place finishers would race each other. There was also a best looking bed category. The first race had the Crandon Fire Department defeating the Covantage Loan Arrangers and Jeager's Moonshine Run beat out Negative Novak in the House. The teams then turned around and raced from the north to the south. In the final races, Negative Novaks edged out the Loan Arrangers and Jeager's Moonshine Run topped the Crandon Fire Department. The final results were first place: Jeager's Moonshine Run, second belongs to the Crandon Fire Department and Negative Novaks finished third. The loan Arrangers did, however, win the best looking bed.

The parade started shortly after with a huge crowd lining the street. Lots of people put hard work into their floats and were quite proud to show them off. After the parade, the fire department held their annual auction and people were able to purchase great food and beverages all afternoon. The fireworks show was shot off at dusk in Palmer Park. Many people were laying down on blankets looking in awe.
