Candidate Spotlight

Anyone seeking political office is invited and encouraged to announce their candidacy in the Candidate Spotlight. It is an opportunity to tell the voters why you are running, goals if elected, etc. It is not a forum for bashing an opponent, and there is no charge.

Merlin Van Buren Candidate for Assembly in the 34th Assembly District

First off, if you live in the Forest County townships of Alvin, Argonne, Armstrong Creek, Caswell, Crandon, Hiles, Popple River or Ross welcome to the 34th Assembly. With redistricting you are now in the 34th Assembly District. The good thing, this year it is an open seat. The incumbent chose not to run, so you get to choose a new representative, to represent you in Madison.

I am running for the 34th Assembly, because I am not happy with the representation we have been receiving in Madison. I believe that you deserve to have someone who represents you and not special interest groups. I believe you deserve to have someone who will represent you, your family, your schools and your community in Madison.

I was born and raised on a small farm near Waupun. Graduated from Waupun High School in 1978, and graduated from UW Madison in 1982. After college I moved to the Chicago suburbs and lived and worked in the Chicago area until my wife and I moved to Rhinelander 17 years ago. My wife is a Speech Pathologist working at the hospital in Rhinelander. I work in the purchasing department at Drs Foster & Smith. We have two sons aged 23 and 19.

When you vote, you will find 4 candidates on the ballot. So how do you choose who to vote for? At the Assembly level I think it is important to vote for someone who has been active and involved in the community, and someone who you trust to represent you in Madison.

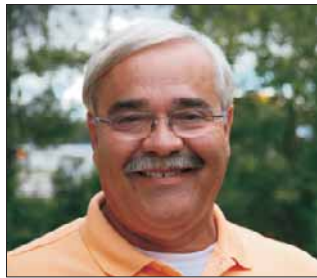

I have always been active in our community and church:

- soccer coach; youth level through Rhinelander HS JV
- Cub Scout leader
- Active member of First Congregational United Church of Christ: Christian Education Board, Christian Education Chair, Vice Moderator, Moderator, Sunday School Teacher, Vacation Bible School Leader, Youth Leader and Pastor Search Committee.
- Rhinelander School Board member

My elected experience on the school board also sets me apart from the other three candidates. Crandon schools just received another round of funding cuts. Which candidate will work to get your school district the funding it deserves? I am the only candidate who has come out with a strong plan to improve the funding for our rural schools.

I consider myself a vanishing breed, a moderate. Something that is difficult to find in elected officials. I believe this positions me to be the best candidate to be able to work with the other party. It is more difficult to run as a moderate. You often do not get the solid backing of your own party, but I believe that most voters fall into this category. This is who I am, and I believe this is what we need right now in an elected official.

I believe you have a real opportunity to elect someone that will truly represent you, your family, your community and your schools in Madison. For that to happen, I need your vote on November 6th.

Jeff Mursau Candidate for the 36th Assembly District

Jeff Mursau, from Crivitz, is the incumbent in the 36th Assembly race. He has lived in the district for 57 years. Mursau is an electrical contractor.

Mursau and his wife Nancy have four sons and eight grandchildren.

He is a graduate of Coleman High School;

Crandon Lakewood Rhinelander

Locally Owned and Operated OVER 30 YEARS

Justin Tucker, left, and Anna Schwartz fine tune their characters during a recent rehearsal for the upcoming Nicolet Players production of "Almost, Maine."

Nineteen local actors to perform "Almost, Maine" at Nicolet College in November

influence of the Northern Lights: there are unexpected kisses between strangers, truths blurted out between ex-lovers, metaphors that materialize into reality, and some slapstick and bizarrely surreal behaviors. It's a little bit of Northern Exposure mixed with Twilight Zone.

But mostly, said Nuttall, Almost, Maine is a romantic comedy that will pull at your heart strings. "The play explores the quirks people have in dealing with love and relationships," he said, "and there are some absolutely hilarious moments, because we see pieces of ourselves in each of these scenes."

Nuttall added, "The strength of the play is that it's written by an actor who knows what actors need to bring their character to life. In these short scenes, the actor gets an opportunity to explore the defenses and coping mechanisms his character requires to deal with a difficult situation."

Justin Tucker (he goes by Tucker) of Rhinelander plays the character Jimmy in a scene where Jimmy runs into his ex-girlfriend at a bar and tries to win her back. "What Jimmy doesn't know yet is, she's having a bachelorette party and about to marry this really awesome guy," Tucker explained. "As he begins to realize what's going on, you can see that things are not going his way. The challenge for me is to convey what Jimmy is feeling inside while he says things that are completely opposite. So it's not what my character is saying, but how he says it."

This is Tucker's debut as an actor, though he did take an acting class with Nuttall. He's paired with Anna Schwartz, with whom he coincidentally read the role during auditions. "Jim did a great job with casting," Tucker said. "Everybody is perfect for their role."

Anna Schwartz, also of Rhinelander, plays Sandrine, the girl who broke up with Jimmy to date someone else. "The scene between Tucker and me is really about Jimmy's character," she said. "I'm just bouncing off him. It's so awkward when Sandrine runs into Jimmy. His reactions to the situation are what make the scene both very funny and a little sad."

Audiences may remember Schwartz in last spring's play, Harvey, in which she played the role of Nurse Kelly with fine comedic ardor. This comedy, Schwartz said, "will hit a little closer home. Almost, Maine, could be Rhinelander. The play is all about love – falling in and out of love, and individual stories of love and heartbreak. People will identify with the characters, and they will leave feeling really good. It's such a heartwarming play."

Performances take place Friday and Saturday, November 2 and 3, at 7:30 pm, and Sunday, November 4, at 2 pm; Thursday, Friday and Saturday, November 8, 9, and 10, at 7:30 pm, and Sunday, November 11, at 2 pm. Tickets are \$9 for the general public and \$7 for students and seniors and can be purchased in advance online by visiting nicoletlive.com, or calling the box office at 715-365-4646.

Nicolet College Foundation to hold annual fundraising event Oct. 30, Nov. 1

The Nicolet College Foundation will hold its biggest fundraising event of the year Oct. 30 and Nov. 1 when A Day for Nicolet takes place throughout the Northwoods.

This is the 12th year of the event. "Every dollar contributed to A Day for Nicolet is used for student scholarships," said Heather Schallock, executive director of the Nicolet College Foundation. "These scholarships have played an important role in supporting Nicolet students as they earn their degrees and diplomas. Without this financial support, many students would find it impossible to continue their education."

More than 1,000 scholarships have been awarded through A Day for Nicolet since the event started. Total raised to date is more than \$1 million.

Contributors to A Day for Nicolet include businesses, organizations, clubs, and individuals. During the day itself, volunteers make personal visits and phone calls to potential donors asking for their support. Part of the success of the event is the matching funds received from generous benefactors. These funds are used to match other gifts and provide named scholarships.

Anyone wanting more information regarding A Day for Nicolet or would like to make a contribution can contact Schallock at (715) 365-4518, 1-800-544-3039, ext. 4518; TDD (715) 365-4448.

Death Notices

JOHN A. JARVAIS, age 47, of Kaukauna, passed away October 4, 2012. Inurnment will be held on Sunday, November 4, 2012 at 12:00 noon at St. Ambrose Catholic Cemetery, Wabeno. Weber-Hill Funeral Home, Wabeno assisted the family.

KAREN J. PIRUS, of Pickerel, died Monday, October 22, 2012 at Colonial Manor in Wausau. She was 70 years old. She was born on September 2, 1942 in Kaukauna, a daughter of George and Mabel (Hinzman) Sager. She married Robert Pirus on April 20, 1990 in Pickerel. He survives.

She was a graduate of Kaukauna High School with the class of 1961.

She was a homemaker who worked various jobs to provide for her children. She moved to Pickerel in 1978. In the early 1980's she attended Fox Valley Technical College where she graduated as a Licensed Practical Nurse. She was employed as a L.P.N. in Little Chute and at NuRoc Nursing Home in Blackwell.

Survivors including her husband are a daughter Lori Wagnitz, Milwaukee; two sons Wayne and friend Sue Cleveland, Lakewood, James Wagnitz, Pickerel; three grandchildren Jordan, Chaz and Cassandra; a sister Sandra (Donald) VandenHeuvel, Kimberly; and dear friends Sharon and Jerry Pitt, Kaukauna.

She was preceded in death by her parents and two brothers Ralph and Wayne Sager.

A funeral service will be held on Thursday at 11 a.m. at Bradley Funeral Home with Rev. John Czarnota officiating. Burial will take place in Pearson Cemetery.

Visitation will be Thursday from 9:30 a.m. until the time of services at the funeral home. Online condolences at www.bradleyfh.com

Nutrition Facts

1.) Why would you want boring potato chips and french fries when you could have a sweet potato? There like a potato but better, they've got a sweet flavor, they're good for you, and they're bright orange! Try sweet potato fries, baked sweet potatoes, sweet potato chips or even raw slices of sweet potatoes! Yum!

2.) In the mood for something sweet? Grab a sweet bell pepper. Green, red, yellow, orange or purple, peppers are crunchy, flavorful, and packed with good-for-you vitamins and minerals. Try them plain or dip them in hummus!

3.) Thirsty? Instead of soda, drink some water! Your body is made of about 65% water, so you need to drink a lot of it. Fill up a water bottle, drink a glass at each meal, and get a sip each time you pass a drinking fountain. And you can make water more exciting to drink by adding a little 100% juice to it. Water is the perfect thirst quencher.

4.) Did you know? The word for dinner used to mean breakfast. Breakfast also used to be the largest meal of the day. Breakfast is still the most important meal of the day, so make sure you eat some! Go to foods that will keep your brain working well until lunch, like milk, eggs or peanut butter, whole grain cereal, bagels, or toast and fresh fruit or 100% juice.

5.) Did you know? The color orange was named after the fruit! The word orange itself was introduced to English through the Spanish word "naranja". The English dropped the n and eventually we got the word "orange", and it eventually came to mean the color as well as the fruit! Enjoy an orange today!

6.) Did you know? Strawberries are the only fruit that has their seeds on the outside. The average strawberry has 200 seeds. That's a lot! Biologically, strawberries are related to roses. And a cup of strawberries has more vitamin C than an orange! Enjoy some strawberries, fresh or maybe even frozen in a smoothie!

7.) Did you know? An apple tree can produce up to 400 apples per year, and there are over 700 different kinds of apples being produced in the world. Whether you like apples that are yellow, red, or green, bite into an apple for terrific taste and crunch. Or try it sliced and dipped in some peanut butter - yum!

8.) Did you know? Cows drink up to 50 gallons of water and eat 50 pounds of food every day. The cows then convert that fuel into the 6 gallons of milk they produce daily. You can't drink 6 gallons of milk all at once, but you can drink a glass or two! Drink some milk today.

9.) Make peanut butter and jelly sandwiches more exciting by using whole-grain bread instead of white bread, and by using real fruit instead of jelly. Try peanut butter banana sandwiches, peanut butter strawberry sandwiches, peanut butter blueberry sandwiches, or another creation of your own!

10.) Did you know? In the United States, more tomatoes are consumed than any other single fruit or vegetable! Botanically a fruit, it took a ruling by the Supreme Court in 1893 to make the tomato a vegetable. Fruit or vegetable, enjoy tomatoes in soups, chili, sandwiches, sauces or plain!

11.) In the mood for a frozen treat? You can make your own popsicles using pieces of fruit and 100% juice! Put berries or chopped pieces of banana, pineapple, mango, or any other fruit in a paper cup, pour some juice over the top, put a popsicle stick in it, and stick it in the freezer. Yummy, frozen goodness.

12.) Can you guess which fruit is eaten by more people worldwide than any other fruit? It's not apples, bananas, or oranges...it's mangos! Mangos were originally grown in India, and now they are grown all over the world. Green and pink on the outside and orange on the inside, mangos are sweet and delicious. Eat some mango and think about people eating it in India, Uganda, Jamaica and lots of other places!

I know you are safe in a beautiful place;
Filled with happiness and peace in God's good grace.

Thanks for the love you have given to me;
Thanks for the good in life you made many see.
As you have grown in Heaven above;
Down here on Earth you are forever loved.

Veteran's Day Activities at Wabeno High School

The School District of Wabeno Area will be having a special celebration on November 12th in honor all of our veterans. The following schedule highlights the activities for the day:

--- 8:15-9:30: Hospitality Room will be open in high school Family and Consumer Science Room. Stop in to enjoy refreshments and, perhaps, a visit with an old friend.

--- 8:30-9:00: Veterans are invited to visit classrooms of elementary students they know or make arrangements to share a presentation with a particular class.

--- 9:00-9:30: Buses will transport students and guests to the high school for the program.

--- 9:30-10:30: Veterans are invited to attend a special program which will be presented in the HIGH SCHOOL GYM.

--- 10:30: Elementary students and veterans will be bussed back to the elementary school for lunch.

Please extend this invitation to any veterans that you know. The district is asking that veterans call the school at 715-473-3633 by Tuesday, November 6th, to register for lunch. These reservations will ensure that we have an adequate amount of food to serve our guests on the day of the program. A reservation is not necessary if you will be joining us just for the program.

If you have any questions or concerns please call either Mrs. Space at the Elementary School (715-473-3633 ext. 4504) or Mr. Paulsen at the High School (715-473-5122 ext. 5103).

School District of Wabeno Area Utilizes New State Report Cards for Continuous Improvement

The Wisconsin Department of Public Instruction has released the new School Report Cards this week. A school's accountability score reflects many measures that factor into a school's performance. While just one part of a new, statewide accountability system for schools, the School Report Card provides detailed information about the performance of student groups at the school, including racial groups, disability, poverty, and English language learners.

Although the Report Cards for the School District of Wabeno Area indicate that expectations are being met, the District continues to strive to improve learning and to help all students to be successful. The accountability score will help school staff determine what areas the school does well in and where it needs improvement.

The School District of Wabeno Area Goals for 2012-2013 are to:

1. Continue to build a collaborative culture, embrace high expectations for all students, and create necessary support systems so that all students are successful.
2. Continue to assess, expand, and coordinate the uses of technology in teaching and learning.
3. Continue to promote and provide opportunities for parent and community involvement in the school.
4. Increase the overall attendance rate so that less than 5% of the entire student population is absent each quarter.
5. Increase student achievement in math as measured by MAPS and WKCE

The School District of Wabeno Area Report Cards can be accessed online at <http://dpi.wi.gov/reportcards/wabeno.html> and all Report Cards for the state can be accessed at <http://dpi.wi.gov/oea/acct/accountability.html>

Laona Drama Cont. from pg. 1

Senior Molly Thornton, is a taxidermist who has a direct line to the spirit world and prefers her men stuffed, while Martha Willis, played by Senior Samantha Trebtoske, has every imaginable illness, from leprosy to pneumonia to heart palpitations... and loves every minute of it. Poor Hortense, played by Junior Laura Mahaffey tries her best to keep up with Ivy, a free spirited 'artist' who is portrayed by Junior Elycia Baker.

Finally, the suave and mysterious Dirk Shadow, played by Senior Jake Ambrosius and his sister Veronica, played by Senior Catherine Krawze, have just arrived on the scene to hunt for Captain Schnook's pirate treasure buried in the basement... or is it really just something left over from dinner? Leave it to the clever and ever-vigilant Dr. Sni-fell, played by Sophomore and drama rookie Jacob Kerner, to unravel the mystery.

The play is under the direction of Carol Bartlein, who with this show, will be extending a farewell to Laona Drama after 28 years of drama production. The lighting and sound crew will be led by seniors Kimberly Mentz who is returning for her third year as lighting tech. Also on the tech crew are Senior Shania Simonis, Junior Heidi Radey and Freshman Leslie Lukas. Tom Bartlein, Laura Bobbe, Zach Reeves, Tom Cleereman, Austin Babich, and Ryan Kelley completed the set construction. The set was painted by Bill Peterson and the cast and crew.

fans in the area. This year's production, The Boardinghouse, is a knee-slapping comedy by Vern Harden that is sure to have audiences laughing from beginning to end with the wacky cast of residents at the boardinghouse. Performances will be held at the Laona High School Gymnasium on Friday, November 2, and Saturday, November 3 at 7:00 PM. There will also be a matinee performance on Sunday, November 4, at 2 PM. Tickets will be available at the door for all performances and will be \$3.00 for students and \$5.00 for adults.

The evening of fun occurs at the Home Sweet Home Boardinghouse, where life is anything but normal. Miss Harriet, played by Senior Nikki Babich, runs a clean, cozy home with the help of the none-too-bright and perpetually terrified Tweenie, portrayed by Senior Alanna Benaszkeski. As the play progresses, the audience meets the zaniest array of boarders as one can meet. There's Mr. Richards, played by Senior Zach Reeves, the poet who practices dying to spark his inspiration.
