The Zinghoppers are coming to Crandon!

Join the Crandon Public Library on Tuesday, July 15th at 6:00 p.m. for the emmy award winning PBS characters the Zinghoppers! With players such as Funky Possum, Olo Da Donkey, and Coconuts the Kangaroo, this bunch of characters delights audiences wherever they go.

This free program is open to all residents and visitors of Forest County. Please note that this concert will take place at the School District of Crandon's auditorium.

The Relay For Life of Forest County invites you to join us in our "Paint the Town Purple" event on July 14th-July 18th.

We are asking businesses, neighbors, and friends to show their support in the fight against cancer. Decorate your business, shop window, school, church, vehicles or residence with PURPLE! Dress in purple or wear a purple ribbon!

Relay For Life of Forest County event organizers hope to create a general sense of community in this event and leading up to the Relay event on Friday July 18th, the more purple local businesses display, the more people will participate in the event.

In the spirit of "Paint the Town Purple" Second Chance Antiques, She's All That, Flowers From the Heart and Tricia's Treasures will be holding a "Canned Good Sale" During the week of July 14th- 18th bring in a canned good and receive a discount on your purchase! The canned goods will be used at Relay to weigh down our luminaria bags and then donated to NewCap food pantry after the event.

1st Annual Pork'n'Bean Invitational-Lakewood

It has been decided, after some hard thinking and a few drinks, that the Redneck Golfers from My Bar in Townsend would like to hold an event in honor of Terry Rank, who loved his Redneck golf! But, as anyone who knew Terry knows, he didn't do much unless it was for the community and in keeping with that tradition the proceeds will be put in a fund for area community improvements.

So, on Sunday, August 24, the Sleepy Hollow Mini Golf Course will be the site of the 1st Annual Pork'n'Bean Invitational Mini Golf Outing. This will be a 2-person team event, cost is \$25 per person. There will be fun course events and raffles. The golf starts at NOON, with registration at 11:00 at Sleepy Hollow. After the golfing is done, the fun will continue at My Bar/Birch Hills Resort with food (including Terry's favorite recipe Pork'n'Beans), more raffles and golfing prizes awarded.

To sign up for this 'promising to be a crazy fun' day, you can call 715-276-6195 or 715-276-7088.

Wabeno Steam-Up Days July 11, 12, 13

Wabeno's 28th Annual Steam-Up Days event will be Friday, Saturday and Sunday, July 11, 12, and 13, at the Firefighters Park in Wabeno.

This event is great for young and old. Oldtimers will recall some of this stuff being used on a daily basis when they were kids, and kids of today will learn some history on what life was like a few decades ago.

Of course, not everything on display will run on steam, and there are plenty of gasoline powered machines running and on display, but the 1909 Phoenix Log Hauler does run on steam and will be fired up for the event, and there will be a steam-powered sawmill making lumber. A working blacksmith will be on hand and lots of antique tractors.

As usual, there will be plenty of great food and drink available, leave your diet at home! There will be live music on Friday and Saturday evening and Sunday afternoon. A flea market will be going, and there will be a craft sale downtown, as well as a book sale at the library. The parade is at noon on Sunday. Have fun!

Wabeno gets two more foundation grants for boardwalk

The Town of Wabeno has received two additional grants for the North Branch of the Oconto River and Range Line Creek Boardwalk and Trail Project. The WPS Foundation and the Plum Creek Timber Foundation recently notified town officials that they are providing Wabeno private foundation funds to accomplish this project. On July 19th at 8:30am, volunteers are invited to help open up river viewing areas, remove weeds and tag alders and help DNR staff clean up in the river. Meet near the tennis courts. Wabeno residents interested in learning more about the Boardwalk project are invited to attend the monthly Friends of Wabeno Project.

The Friends of Wabeno next monthly meeting is July 16th at 7:00 p.m. at the Wabeno Town Hall. The agenda will include details about the Boardwalk construction, the Wabeno Lumberjack Trail, the meeting with Super Valu market development personnel and upcoming community events.

Come lend your voice and talents to your community. The Friends of Wabeno meetings are open meetings and as always, all residents, business owners, and elected officials of Wabeno, Carter, Blackwell and Freedom are invited to the meetings. For more information about activities of the Friends, please visit <http://townofwabeno.org/FriendsWabeno/FriendsOfWabeno.html>

Candidate Spotlight

Anyone seeking political office is invited and encouraged to announce their candidacy in the Candidate Spotlight. It is an opportunity to tell the voters why you are running, goals if elected, etc. It is not a forum for bashing an opponent, and there is no charge.

Dennis Rosa Candidate for Mayor, City of Crandon

I'm Dennis Rosa, candidate for mayor in the recall election scheduled for July 29th. I was born and raised in the Town of Crandon, next to the city line. I moved to the City of Crandon seven years ago. I am married to the former Pam Bradley.

I started Rosa Trailer Mfg. in 1979. I sold the business two years ago to two of my employees, but I still work part-time for the new owners.

As your mayor, I will encourage and appreciate public input at meetings, because the mayor works for "the people."

Crandon's 4th of July Parade

Group Therapy

Fireman's Choice and the 1st place winner for the most patriotic float was won by Group Therapy. The 2nd place winner was Gary Bradley. The Chamber's Choice was also Group Therapy.

The Traxxas Truck took 1st in the truck category and Flannery Trucking took 2nd. The classic car category was won by Troy Monnot, with 2nd place given to Mary Houle.

The best float category was, again, Group Therapy with the Crandon Ski Club taking 2nd place.

This year, off-road enthusiasts used the Crandon 4th of July Parade and Laona's parade to push the idea of an off-road park in Forest County, with about 40 vehicles showing their support from around the state. Many of the off-road demonstrators then went to the Crandon International Off-road Raceway and made good use of the off-road park that has been under construction. Many of them also utilized the campground as well.

RICHARD and DENISE WEIBEL weren't diagnosed with the same type of cancer, but they were both treated with the same great **CANCER CARE.**

After being diagnosed with cancer we both decided to undergo radiation therapy at **MINISTRY'S JAMES BECK CANCER CENTER** in Rhinelander. From the very first day, the entire staff was warm and welcoming. Having a close relationship with the team at Ministry made the whole experience a lot easier. We could talk to them about anything, including hobbies. We both enjoy traveling and thanks to the great care we received **CLOSE TO HOME**, we have already begun planning our next trip.

Crandon Volunteer Fire Department Receives Tourism Grant

Mike Gruett, Tourism Commission President, presented the \$1000.00 award to Fire Chief Darrell Wilson and Department Secretary Mike Childers.

The Forest County Tourism Commission was very pleased to present a promotion grant to the Crandon Volunteer Fire Department for their 4th of July Celebration on July 5. Mike Childers applied for the grant on behalf of the group and was very happy he did. The Forest County Tourism Commission (room tax commission) provides tourism promotion grants to eligible events in participating Forest County communities. The Commission, at their June meeting, chose seven events to award this year from the list of applications received.

Old Victoria Accepting Crafters & Artisans for 32nd Annual Craft Fair

The Old Victoria Historical Site will be holding its 32nd annual Craft Fair on August 17th, 2014 from 10 AM to 5 PM. This unique event is held on the grounds of a restored mining village, just outside Rockland, Michigan. In addition to a spectacular venue for local artisans to display and sell their homemade arts and crafts, the day includes food and refreshments including the delicious cinnamon rolls baked in the woodstove, old-fashioned kids games, live entertainment, and more! The Old Victoria Craft Fair is a fundraising event to support this non-profit organization, and keep this piece of copper mining history open to visitors. Old Victoria is currently accepting crafter and artisan registrations for this special event. Booths are only \$35.00, and include two cinnamon rolls and coffee. Only

original, handmade items are accepted. Exhibitors are encouraged to demonstrate their craft throughout the day, as visitors enjoy working displays.

This great event draws visitors from around the Upper Peninsula and Northern Wisconsin. Exhibitors enjoy the peaceful Northwoods setting and the many offerings of the day. If you are interested in registering for the event, please contact Old Victoria at 906-886-2617, by email to OldVictoria1899@hotmail.com, or find us on Facebook at www.facebook.com/OldVictoria.

Nicolet College Foundation awards record number of scholarships for upcoming academic year

The Nicolet College Foundation has awarded a record 308 scholarships for the 2014-15 academic year, nearly double the number awarded 10 years ago.

"Scholarships make it possible for many students to attend college who may otherwise not get the education they need to improve their lives," said Heather Schallock, executive director of the Nicolet College Foundation.

"The Foundation's growth over the years has been due to the generous support of a growing number of donors and to each and every one of them we extend a huge thank you."

In all, the Foundation has awarded \$361,000 in scholarships for the upcoming academic year. These range from \$500 to \$2,500 for traditional scholarships to about \$6,000 a student for those recognized as Community Scholars.

The Foundation started the Community Scholars program last year, offering full-ride scholarships to Nicolet to a graduating senior in each of the 11 PK-12 school districts in the Nicolet District. These scholarships cover all tuition, books, and required supplies.

"I cannot thank the Nicolet College Foundation enough for assisting me in accomplishing my goals and dreams," said Bobbi Schauer, a Community Scholar from Elcho, who has her sights set on becoming a doctor. "This is an incredible opportunity."

To qualify, students must have a 3.7 grade point average or better and have demonstrated exemplary behavior while in high school.

Last year six students accepted the full-ride scholarships to attend Nicolet. Seven students accepted Community Scholars awards for the upcoming year. Along with Schauer, the other Community Scholars for next year are Natalie Miller, Three Lakes High School; Trevor Marvin, Crandon High School; Samantha Busha, Northland Pines High School; Emily Bushor, Lakeland Union High School; William Keiffer, Rhinelander High School; and Jacob Pakulski, Wabeno High School.

"The financial assistance donors provide to students really does transform lives and helps build a stronger Northwoods," Schallock said.

For more information about the Foundation, contact Schallock at (715) 365-4518 or by email at hschallock@nicoletcollege.edu.

Rosa Cont. from pg. 1

I will try to keep taxes down by applying for grant money for vehicle and equipment purchases.

As your mayor, I am interested in learning about industrial revenue bonds to promote and assist small manufacturers through low-interest financing. IR bonds are a smart and safe way to help finance the cost of manufacturing projects, as the city lends its name but not its credit to the bond issued. Using this method, if a company defaults on the bond payments, the city taxpayers are not liable for the debt.

The city has good employees who know and do their jobs. The mayor's job is to oversee and support the employees and the city council. The mayor lets the department heads run their departments and keeps communications open.

I don't pretend to be a politician. I am a citizen of the City of Crandon who is interested in keeping and improving the prosperity of the community. I want to work with other elected officials and the citizens to make this a better place to live, work and play, with a quality of life and opportunity to give our young people the option of living and working here like I have.

I would appreciate your vote in the upcoming election, and together, we can get our city back on track.

necessary to build and maintain strong bones by helping your body absorb and use calcium. Except for fatty fish and fortified milk, soy milk or orange juice, there are few reliable dietary sources of vitamin D. To get the proper amount of vitamin D, sun exposure and supplements are generally necessary.

Magnesium is important too! Magnesium is necessary to convert vitamin D into its active form so that it can turn on calcium absorption. Green leafy vegetables, such as spinach, legumes, nuts and seeds, whole grains, bananas, dark chocolate and dairy products are good sources. It can be a challenge to get enough Mg through diet alone.

Get moving! An ideal exercise program combines weight-bearing, muscle-strengthening, and posture and balance exercises. Weight-bearing exercise such as walking, dancing and climbing stairs builds bone mass in youth and maintains it in adulthood. Muscle strengthening exercises build muscle that helps support your bones. Lifting weights, using resistance bands and exercising on resistance machines are ways to strengthen muscle. Proper body alignment and posture training exercises promote correct posture and may help to minimize the stooped posture that results from osteoporosis. To ensure your safety, consult your medical professional before beginning an exercise program.

Promoting Healthy Bones

Bone is alive. Bone is a living and growing tissue. Throughout life, bone is constantly being renewed in a process called remodeling. During remodeling, old bone is removed and it is replaced with fresh new bone.

Healthy bone actions:

- eat a well-balanced diet rich in calcium, vitamin D, and magnesium
- participate in regular exercise
- take safety precautions to protect your bones and prevent falls
- limit alcohol intake
- avoid excessive dieting and excessive thinness
- talk to a medical professional about promoting healthy bones.

Why does calcium matter? Think of your bones as a bank account in which you "deposit" and "withdraw" calcium throughout life. Calcium is a mineral that makes bone dense and strong. Throughout your life, if your dietary calcium intake is too low, your body will "withdraw" the calcium it needs from your bone. Over time, if more calcium is taken out of your bones than is put in, the result may be thin, weak bones (osteoporosis). In your senior years, usually after age 70, thin, weak bones may break more easily during normal activities. It is important and easy to meet your daily calcium, recommendation by choosing a well balanced, calcium rich diet including spinach, kale, soybeans, white beans, some fish like sardines, salmon, perch and rainbow trout, dairy products *if tolerated) and calcium fortified foods such as orange juice and some cereals. Supplements may be necessary.

Why is Vitamin D important? Vitamin D is

WPS Announces 4th Annual Energy Challenge
Green Bay, WI-Wisconsin Public Service (WPS) is again issuing a challenge to the community non-profit organizations in its customer service area to participate in the fourth annual WPS Energy Challenge.
Up to fifteen selected non-profit community organizations could earn up to \$1,500 for their energy conservation efforts, saving energy at members' homes and assisting community members in weatherizing their homes. Non-profits must apply before the August 22, 2014 deadline.
Participating organizations from the WPS service area will undergo a qualifying selection process and be notified by September 3.
To receive the grant, organizations must complete four energy-related tasks. First, install ten home weatherization kits from WPS into ten residences in their community. Second, track group members' energy awareness efforts. Third, ten organization members must pledge to reduce their electric energy consumption during the two months of the challenge (October and November 2014) as compared to the same two months of last year. Fourth, the organization enrolls ten customers for WPS

energy related programs or Focus on Energy programs..
Results will be analyzed in December 2014, and the top three organizations that successfully complete the challenge and save the most energy will be awarded a \$1,500 grant. A grant of up to \$1000 will be awarded to each of the other 12 organizations that complete the challenge. Online information about the WPS Energy Challenge and the application are available at the Wisconsin Public Service website.

What you achieve
Members of the Crandon Lions Club feel you, the community, should be aware of what you achieve through your efforts by attending our events throughout the year. It is your donations that allow us to provide the following list of accomplishments annually
In excess of \$29,000 was given to the following this year:
Glasses-hearing aids-wheel chair ramps-Wisconsin Lions Camp-measles vaccinations-School Christmas for the grade school-Easter Egg Hunt-Wisconsin Lions Eye Bank-post prom-Relay for Life-Forest County Boat Ride-Crandon Library-school vision testing-Praise Chapel and St. Joseph's for Kid's Club bussing-New Hope pantry-New Hope Shelter-winter coats and gloves for kids-Forest County Fair-Crandon Fire Department-Salvation Army-two scholarships annually-Forest County Humane Society-Thanksgiving dinner.
We also assist people with travel expenses for medical attention as well as emergency needs that may arise within the community.
Not one cent of what is taken in through these events is spent on any Lions member or for any effort they put forth on your behalf. Lions are people within your community that work to better the community through their time and efforts, receiving no financial gain.

The Crandon Lions appreciate and congratulate you for your involvement and commitment to your community.

Death Notices

Raymond Henry Statezny, 97, of Crandon Wisconsin went to be with the Lord on July 4, 2014. He was born August 24, 1916, in Crandon Wisconsin, to Tom & Gladys Statezny. On May 29, 1937, he married the love of his life Marvel McCorkle. They were involved in establishing and building The Church of God which is now called Praise Chapel Community Church. They both taught Sunday school and were involved in the music program. Raymond played the guitar and harmonica, and Marvel played the piano and guitar. They also sang together. Raymond also served on the church board. They moved out on Range Line Road, cleared out their wooded land and started farming in the late 1930's, where they lived their entire lives and raised a family of five. He served as assessor for the Town of Crandon for over 35 years and also served on the ASC committee, PCA committee out of Antigo, and the FHA committee. He worked at Connors as a boiler man for over 10 years. He also was a carpenter and built the family home and many homes in the community. He also volunteered many hours at the current Brush Run track as a carpenter. Ray and Marvel enjoyed many years of traveling. They were fortunate to have visited every state except Alaska. They enjoyed being with family and friends. They also enjoyed church outings, fishing, gardening, and of course animals.

He is survived by his children Raymond Jr. & Ann Statezny, Larry & Karen Statezny, Alyce & Dan Papapetru, Marilyn and Jim Gunderson, all of Crandon WI, Jim and Karen Statezny of Rhinelander, WI.

Grandchildren: Sue & Jack Wege of Oak Creek, WI, Connie & Tom Roehm of Fairfield, Ohio, Janet & Keith Reichenberger of Oshkosh, WI, Tom & Vicky Statezny of Hortonville, WI, Dave & Pattie Statezny of Wausau, WI, Randy & Sue Statezny of Rhinelander, WI, Lloyd & Corisa Statezny of Crandon, WI, Jay Statezny of Milwaukee, WI, Terry Williams of Crandon, WI, Angel Statezny, Annette & Tim Peter of Rhinelander, WI, Larry Jr. & Krystal Statezny of Crandon, WI, Richard & Meredith Statezny of Neenah, WI, Melissa & Dennis Sheldon of Shawano, WI, Cheyne Statezny & Haley of Neenah, WI, Cathy & Bill Waterstradt of Mission, British Columbia, Canada, James Jr. & Helen Gunderson of Green Bay, WI, Lori Gunderson & Tony of Redondo Beach, CA, Mary Kay Mullins and Steve, Lisa Gunderson, Rick & Michelle Gunderson all of Crandon, WI, Mark Papapetru & Marcy of Green Bay, Jeff Papapetru & Angie of Crandon, WI, Ray (Scott) and Sharon Papapetru of Rhinelander, WI, Jamie Statezny of Mill City, Oregon, Rachel Statezny of Wausau, WI, George Mahner of Neenah, WI, Bradley & Leah Mahner, of Appleton, WI, and Faith Norberg, of Rhinelander, WI.

Raymond has 67 great grandchildren and 3 great-great grandchildren. He was preceded in death by his baby brother John, his parents, his wife, and a granddaughter, Tammy Statetzny. Pallbearers were Ray Statezny, Jr., Larry Statezny, Sr., Jim Statezny, Jeff Papapetru, Jamie Statezny, Larry Statezny, Jr., Richard Gunderson and David Statezny. Visitation for family and friends was held on Monday July 7th, 2014, from 4 - 7:00 p.m. and again on Tuesday, July 8th from 10 - 11:00 a.m. at Praise Chapel Community Church. Funeral services were Tuesday July 8th, 2014, at 11a.m. Pastor Don Dewing will officiate. Burial was in the Crandon Lakeside Cemetery. Weber-Hill Funeral Home assisted the family. Online condolences can be left for the family at www.weberhillfuneralhome.com.

Cecelia Marie LaChapell passed away peacefully on Friday, July 4, 2014, at Woodlands Nursing Home of Gillett. Visitation will be held on Saturday, July 12, from 9 - 11:00 a.m. at St. Stanislaus Kostka Catholic Church, Armstrong Creek. Funeral Mass will follow at 11:00a.m. Interment will be in the Pine Hill Cemetery, Armstrong Creek. Weber-Hill Funeral Home is assisting the family. Online condolences for the family maybe left at www.weberhillfuneralhome.com.

Arliss E. Schmidt, 55, Crandon, passed away unexpectedly at his home on Tuesday, July 8, 2014. Private family services will be held at the Crandon Lakeside Cemetery. Weber-Hill Funeral Home is assisting the family. Online condolences for the family maybe left at www.weberhillfuneralhome.com.

Cook Elfors VFW Post #6823 of Laona is having their Annual Corn Boil Fundraiser on Saturday, August 16th at Silver Lake Beach.

We are looking for donation for our raffles. All proceeds from the Corn Boil are plowed back into the community for charitable causes.

In the past year, donations have gone to the Laona Fire Department, for school scholarships, local healthcare, NuRoc Nursing Home, the Easter Egg Hunt, Laona Park-N-Rec and individual hardships caused by fire and illness. We have also donated to Badger Boys State. Requests for donations are always welcome.

Get ready for school sports with a Ministry Medical Group sports physical

Get ready and get set for school sports and summer activities with a sports physical from Ministry Medical Group (MMG). Sports physicals will now be performed together as a well-child exam with a sports physical component.

A full well-child exam allows the providers to perform a more comprehensive evaluation that expands beyond just the physical component of the child and identify any underlying issues that a quick 10 - 15 minute sports physical may not have found.

Bring in your WIAA sports physical forms, and any other sports or summer camp paperwork to ensure your child is eligible to play and compete. Parents will need to bring the completed sports physical paperwork to your local Ministry Medical Group clinic and the provider will complete the necessary forms at the time of the appointment.

Well-child exams are covered by insurance. To make an appointment to get your child ready for the

Forest County Sheriff's Dept. acquires MRAP vehicle

In April 2014, the Forest County Sheriff's Office received a Mine-Resistant Ambush Protected vehicle (MRAP) through the Wisconsin 10-33 program for free. Initial cost of the vehicle is approximately \$733,000 and the vehicle is approximately one year old. The only cost associated to Forest County was a trucking fee from the plant in Texas where the vehicle was manufactured to Forest County.

The MRAP is strictly a defensive vehicle and is not armed with weapons. It will however protect the crew from bullets and explosive devices. The MRAP is also six wheel drive and is fully capable of accessing unmaintained roads in the winter for rescue operations. The MRAP will also be used for high risk calls including active shooters, barricaded gunman, dangerous drug arrests & searches, and hostage or injured person rescues.

The Forest County Sheriff's Office has used armored vehicles from other jurisdictions in the past and will now utilize the MRAP to reduce response time to emergency situations. The Forest County Sheriff's Office is dedicated to reducing operational and equipment costs to the citizens of Forest County.

Happy 90th Birthday Robert Baltus!

Thank Yous & Personals

Rain, thunder and lightning couldnt keep the 2nd Annual Rick Van Camp Memorial Miniature Golf Outing from being a success. 86 golfers braved the elements at Sleepy Hollow Golf Course for a worthy cause. Because of last years outing, the scholarship fund was able to award scholarships to 3 Wabeno High School Seniors. The chant at the outing was to raise enough money to give 4 scholarships next year -

WE DID IT!!

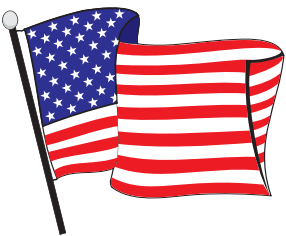

With chances to win a helicopter and a set of golf clubs with a hole in one, the competition was fierce. Gary Van Camp won the helicopter and Carrie Moravec won the golf clubs. The betting holes, even though the chalk circles were erased by the rain, provided a great challenge. The Van Camp Family would like to thank all the friends and family that participated. We are looking forward to next year's tournament.

Running the Crandon International Off-Road Raceway off-road course

By Mike Monte

These are photos of off-roaders playing on the extreme off-road course at the Crandon International Raceway. After the demo in the 4th of July parade, a good number of the participants drove to the racetrack, camped on the grounds, did some cooking and partook in some beverages, and used the course.

According to Cliff Flannery, the group had a good time and liked the course.

More work will be done on the facility as the summer progresses, and there will be a competition on the course August 8-10, called the Super Challenge. See the Pioneer for details closer to the event.
