## Crandon International Announces record \$46,000 cash purse for Amsoil Cup winner at 46th Annual World Championship

CRANDON, WISC. – For nearly five decades, the Labor Day off-road racing tradition at Crandon International Off-Road Raceway in Wisconsin has represented the sport’s “Indianapolis 500.” It’s falls on a major summer weekend. It’s a true Midwest tradition. There are huge crowds. It’s a true and organic piece of motorsports Americana.

Perhaps most importantly to the world-class field of entries expected to take the green flag for the all-or-nothing 6th Annual Amsoil Challenge Cup race is the \$56,500 in cash and other \$3,000 in products awaiting the winners of Crandon’s weekend finale. As is tradition, this prize package represents the largest payday in short-course off-road racing, with the winner taking home \$46,000 in cash alone. The big race will see TORC’s (The Off Road Championship) PRO 2WD and PRO 4x4 classes let loose on the track at the same time after receiving staggered starts.

A popular new Crandon tradition with racers is an American made, custom gold-plated Henry rifle that the Amsoil Cup winner will also take home. Indeed, Crandon’s Labor Day spectacle isn’t called the “Off-Road World Championships® ” for no reason.

*The Off Road Championship (TORC) Pro truck classes will be a highlight of the huge upcoming Labor Day weekend of racing at Wisconsin’s Crandon International Raceway. All eyes will be on young CJ Greaves, who lives in nearby Green Bay, as the talented driver looks to clinch both the unlimited TORC PRO 2WD and PRO 4x4 category championships. (TORC Image)*

A popular new Crandon tradition with racers is an American made, custom gold-plated Henry rifle that the Amsoil Cup winner will also take home. Last year California racer Kyle LeDuc made his trip back east worthwhile as he “outgunned” local favorites Johnny Greaves and son CJ Greaves in a nail-biting Amsoil Cup finale.

Indeed, Crandon’s Labor Day spectacle isn’t called the “Off-Road World Championships® ” for no reason.

The massive 400-acre, purpose-built Crandon International facility is located two hours northwest of Green Bay, Wisconsin. With 2,000 camping spots expected to be pre-sold and thousands more spectators filing through the track’s entrances for three days of racing, in 2015 officials are working hard to insure the facility lives up to its reputation as the “Big House.” Last year, the track set a single-day attendance record with 20,000 guests watching Sunday’s action. Up to 45,000 race fans are expected to soak in the “Crandon Experience” over the entire Labor Day weekend.

Gates will open Wednesday, September 2nd for campers excited to get to Crandon’s grassy camp and prepare for an action-packed racing by day and the event’s highly-popular concerts and colorful parties by night. The weekend officially kicks-off on Friday, September 4th at 9:30 a.m. with the Pit Crew Competition and 46th Anniversary World Championship Labor Day Parade in downtown Crandon. Later, 13 different classes including the crowd favorite “Trophy Kart” category hit the

## Bill Deere Benefit on Saturday, August 29th-Crandon

The Benefit for Bill Deere is this Saturday, August 29th, starting at 4:00 p.m., at the Crandon Community Building.

As most of you know, Bill passed away, losing his fight with cancer. The bills that piled up during this fight did not go away, so help is very much needed.

This evening promises to be a busy time, with music by Gregg Tallier and the Mullins Brothers. A dunk tank will be operating, along with the paddle wheel and numerous drawings.

Some of the prizes are: a Remington 870 shotgun, three rifles, a kayak, pre-season Packer tickets, a ten-seat poker table, corn hole games and tons more.

There will also be a Texas Hold ‘Em Tournament, with prizes for 1st through 3rd places.

If anybody has last-minute prizes you would like to donate or would like to send a gift of money, contact Tanya Collins at 715-889-9075. There is also an account at the Laona State Bank under the William Deere Benefit.

Your donations are greatly appreciated by the family.

## Wisconsin Hunter/Bow hunter Class in the Lakewood/Townsend Area

There will be a basic hunter education class offered in the Lakewood/Townsend area.

Classes will be starting at the Lakewood/Townsend Ambulance Building Friday, September 25th at 5:30 p.m. to 9:00 p.m. and Saturday, September 26th, 8:30 a.m. to 4:30 p.m. Students are required to attend all classes.

Basic Hunter-Ed classes will cover responsibilities of hunters, firearm safety in the home and afield, knowledge of firearms and hunting equipment, wildlife identification and management, marksmanship and outdoor skills.

The course will be limited to 25 people and pre-registration is required. Please contact Bob Raasch at 715-850-1370 for details, you may leave a message and your call will be returned. Class cost is \$10 (ten dollars) per person.

## Forest County Ties That Binds Us provides free sunscreen at events

The Forest County Ties That Bind Us is excited to contribute in the fight against cancer by providing all natural free sunscreen to the community. The Ties That Bind Us felt this was an important initiative since one in five Americans will be diagnosed with skin cancer.

The organization purchased four portable dispensers that will be moved to different community events to help protect community members from the sun. The dispensers were recently used at Foot Stock and will be accessible at the Crandon International Races.

Since sunscreen is often an afterthought, next spring dispensers will be placed at several Forest County parks and beaches. Providing these dispensers at several locations will give all ages access to free sunscreen and help stop the negative effect of overexposure to the sun. Any questions, please contact Kadie Montgomery at 715-478-6342.

## CoVantage Credit Union will soon have a branch in Elcho

CoVantage Credit Union, with their headquarters in Antigo, has announced they have signed an agreement to purchase the facility operating as Northwoods National Bank in Elcho. According to CoVantage CEO, Brian Prunty, “CoVantage Credit Union already has nearly 2,000 members living in the Elcho area. When we learned the bank branch was for sale we saw an opportunity to provide convenient access for current members, and a way to offer value to even more individuals and businesses in the Elcho area. CoVantage is known for providing financial value, especially our patronage program that returned \$1.7 million last year to members as our way of saying thanks to those who do business with us. We look forward to being in Elcho and are thrilled we can provide the area with local service.”

While the agreement between CoVantage Credit Union and The Baraboo National Bank (which owns Northwoods National Bank) is subject to final regulatory approval, plans are being made to transfer ownership of the deposit accounts and overdraft protection lines from Northwoods National Bank to CoVantage. Once approved by State and Federal regulators, bank account holders will be notified about how and when their accounts will be transferred, and current credit union members will be told when the branch will operate as CoVantage. “While we are excited for this opportunity, we also know it can be difficult to profitably operate a branch in a small community.

This new office will be open Monday, Wednesday, Friday, and Saturday. As the branch grows and generates additional new business, hours will be re-evaluated. CoVantage also offers the convenience of banking 24/7 through free mobile and online banking, remote deposit capture, and an extensive network of ATMs. We even have a full-service contact center that is available 7 a.m. to 7 p.m. on weekdays.

“We look forward to welcoming Northwoods National Bank customers as new CoVantage member-owners,” stated Charlie Zanayed, Senior Vice President and Chief Retail Officer for CoVantage Credit Union.

## Senator Ron Johnson to meet with constituents at Hotel Crandon Saturday

Senator Ron Johnson will meet with constituents at the Hotel Crandon dining room this Saturday, August 29, with lunch at 12:00, and the meeting at 12:30 p.m. until 1:30 p.m.

This is an open-door meeting. Constituents are encouraged to attend and provide feedback to Senator Johnson on the issues they care about.

## Tired of slow or no internet connection at your home?

There are efforts being made in your area to expand broadband coverage! If you live in the town of Presque Isle, Manitowich Waters, Boulder Junction, Florence, Three Lakes, or Hiles, you will be receiving a brief survey in the mail or perhaps a visit from one of your neighbors.

To find out how you can help your community’s efforts, Grow North asks that you take just a few moments of your time to fill out the brief survey you will receive in your mailbox the week of August 24th. It is crucial to show true representation of coverage and reliability. Due to being a rural community, they thought it best to reach out to their neighbors.

Volunteers from your local town are putting forth these efforts to expand this vital service. Not only for residential or school use, but also for tourists and business owners. Together, we can make a difference. They ask that you take a moment to fill out this survey and return it with the envelope provided.

They also have an online version if you’d like to take the survey online at the Grow North Regional Economic Development website [www.grownorth.org](http://www.grownorth.org)!

### Tomatoes help to prevent Osteoporosis

Lycopene, a carotenoid in tomatoes, has been shown to protect against some types of cancer, including prostate malignancies. Recent research shows it may also aid bone formation and prevent bone deterioration. Cooked tomatoes contain more available lycopene than raw ones. To gain this Bone-Protecting Effect: Eat 10 milligrams of lycopene daily. That's equivalent of one 12-ounce glass of tomato juice, one 12-ounce can of tomato sauce or one medium to large tomato.

Cook tomatoes for more lycopene. In one study, tomatoes cooked for 2, 15 & 30 minutes contained 54%, 171% and 164% more of the antioxidant lycopene than did uncooked tomatoes. However, vitamin C levels fell 10%, 15% and 29% respectively. But that's not as important, because unlike lycopene, you can get vitamin C from many sources other than tomatoes.

### Sunlight for good health?

The sun helps us make vitamin D, the sunshine vitamin, which is essential for healthy teeth and bones, heart health and better immunity. Recent studies show vitamin D may help reduce risk for certain cancers.

Very little sun exposure is needed to stimulate production of vitamin D: 10-15 minutes twice a week to the face, arms, legs or back without sunscreen is usually enough. Infants and sun-sensitive folks, however, need to stay out of direct sunlight.

After your sun time is up, apply a sunscreen with an SPF of 15 or more to prevent sun damage. Accumulation of sun exposure over years can accelerate visible skin aging and lead to skin cancer.

The best source of vitamin D is food: milk, soy milk, orange juice, and some ready-to-eat cereals. Vitamin D supplements are an option to discuss with your provider.

## Wisconsin ruffed grouse survey indicates stable population

MADISON - Ruffed grouse enthusiasts should expect bird encounters similar to last year, according to the recently completed roadside ruffed grouse survey.

For complete survey results, search the Department of Natural Resources website, [dnr.wi.gov](http://dnr.wi.gov), and search keywords "wildlife reports."

"While we did see some continued regional declines, our roadside survey index to track ruffed grouse populations is essentially unchanged from 2014," said Wisconsin Department of Natural Resources wildlife survey coordinator Brian Dhuey. "Ruffed grouse populations are known to rise and fall over a nine to 11 year cycle, and the last peak in Wisconsin's cycle occurred in 2011. Survey results suggest that we have reached the low point in the population cycle and we should start to see increases in the next few years as the grouse population moves toward the next peak."

Roadside surveys to monitor the number of breeding grouse have been conducted by staff from the department, U.S. Forest Service, tribal employees, and numerous grouse enthusiasts and volunteers since 1964. Surveys begin 30 minutes before sunrise and consist of 10 stops at assigned points. Surveyors listen for four minutes for the distinctive thumping sounds made by drumming male grouse. Surveyors monitored 88 routes this year.

While the number of drums heard per stop statewide in 2015 was similar to last year, there were some notable differences among regions. While one of the primary regions for grouse in the state, the northern region, showed a 13 percent drop in the number of drums heard per stop, the primary region in central Wisconsin showed a 38 percent increase.

Weather conditions influence drumming activity by male grouse, and most observers felt weather conditions were conducive to accurate surveys this spring. Surveyors rated the overall survey conditions as "excellent" on 65 percent of transects runs, compared to 56 percent in 2014. Surveyors rated 2015 conditions as "fair," the lowest available weather condition rating, five percent of the time in 2015, compared to 7 percent in 2014. According to DNR Upland Wildlife Ecologist Scott Walter, maturation of southern Wisconsin's forest community in recent decades and the resulting loss of dense, brushy areas that grouse need for cover has resulted in lower numbers of grouse in the region in recent decades. Results from the 2015 survey show that grouse populations in both the southwest and southeast region remain well below historic levels.

"Ruffed grouse are closely linked to young forests" said Walter. "While grouse enthusiasts often focus on numbers in a single year, the long-term health of grouse is dependent upon the availability of the dense young forest cover they require. In Wisconsin, we are working to provide the habitat needed to benefit ruffed grouse and many other wildlife species through proactive approaches to forest management that will maximize the health and diversity of forest communities."

Dan Dessecker, Director of Conservation Policy for the Ruffed Grouse Society, reminds hunters of the importance of weather in grouse population dynamics.

"While cold temperatures and deep snow are generally hard on resident wildlife populations, ruffed grouse often thrive in such winters," noted Dessecker. "This past winter saw crusted snow conditions across much of Wisconsin, and this can limit a grouse's ability to burrow into the snow where it is protected from cold temperatures and predators. On the other hand, temperatures this winter were relatively mild until late February and early March when we experienced temperatures well below zero. Snow depths don't really hamper grouse from feeding in the winter because they eat primarily buds from aspen and other trees at this time of year."

According to Dessecker, weather conditions, especially during the brood rearing period in late May and early June, also play an important role in the fall ruffed grouse numbers. Newly-hatched grouse chicks are very sensitive to chilling, and warm, dry conditions can provide for high survival during the first few weeks of life.

"Grouse hunters are used to the cyclic nature of ruffed grouse populations, and they know that grouse can still be found in the best cover during low periods," continued Dessecker. "Hunters might have to work a bit harder to flush birds, but sunny October days with your dog in the north woods are tough to beat, and Wisconsin still has some of the best grouse hunting in the country."

## Drive Sober or Get Pulled Over' campaign runs from August 21 to September 7

Law enforcement agencies across the state will be out in force to combat drunken driving during the "Drive Sober or Get Pulled Over" campaign from Friday, August 21 to September 7.

"Enforcement and educational efforts to prevent drunken driving, like the Drive Sober or Get Pulled Over campaign, have helped reduce deaths from alcohol-related crashes by approximately 51 percent and injuries by 55 percent over the last 10 years in Wisconsin," says David Pabst, director of the Wisconsin Department of Transportation (WisDOT) Bureau of Transportation Safety. To get drunken drivers off the road before they kill themselves or innocent victims, 23 impaired driving task forces have been created in Wisconsin that allow multiple agencies to coordinate and combine their resources for high-visibility enforcement efforts. Overtime for task force officers is covered by federal funding administered by the WisDOT Bureau of Transportation Safety.

Impaired driving task forces typically notify the public in advance of their enforcement initiatives as a deterrent to drunken driving. Roadside signage and vests on officers let the public know that intensified drunken driving enforcement is underway, according to Pabst.

"Law enforcement officers are well trained in identifying the signs of impaired driving, and they know where and when to look for drunken drivers," Pabst says. "If drivers make the irresponsible and reckless decision to get behind the wheel while impaired, officers are ready to stop, test and arrest them. Last year, there were more than 24,000 convictions for operating while intoxicated in Wisconsin. However, our goal is to get people to drive sober, not to make more arrests."

To help prevent drunken driving, WisDOT offers a free Drive Sober mobile app, which includes a find-a-ride feature that uses a smart phone's GPS to locate alternative transportation, a blood alcohol estimator, designated driver selector, and interactive games that help determine whether drivers should give up their car keys. It was launched two years ago and more than 62,000 people are current users of the app, which can be downloaded for free by visiting: [www.zeroinwisc](http://www.zeroinwisc)

PUBLIC RELEASE - National School Lunch And Breakfast Programs, Special Milk Program

The School District of Laona will continue it's policy to serve all students breakfast and lunch under the National School Lunch Program and School Breakfast Program free of charge each school day. Each school office and the central office has a copy of the policy, which may be reviewed by any interested party. The following household size and income criteria will be used for determining eligibility. Children from families whose annual income is at or below the levels shown are eligible for free and reduced price meals or free milk if a split-session student does not have access to the school lunch or breakfast service.

FAMILY SIZE INCOME SCALE For Determining Eligibility for Free and Reduced Price Meals or Milk

Family (Household) Size	ANNUAL INCOME LEVEL		MONTHLY INCOME LEVEL	
	Free <i>Must be at or below figure listed</i>	Reduced Price <i>Must be at or between figures listed</i>	Free <i>Must be at or below figure listed</i>	Reduced Price <i>Must be at or between figures listed</i>
1	\$15,301	\$15,301.01 and \$21,775	\$1,276	\$1,276.01 and \$1,815
2	20,709	20,709.01 and 29,471	1,726	1,726.01 and 2,456
3	26,117	26,117.01 and 37,167	2,177	2,177.01 and 3,098
4	31,525	31,525.01 and 44,863	2,628	2,628.01 and 3,739
5	36,933	36,933.01 and 52,559	3,078	3,078.01 and 4,380
6	42,341	42,341.01 and 60,255	3,529	3,529.01 and 5,022
7	47,749	47,749.01 and 67,951	3,980	3,980.01 and 5,663
8	53,157	53,157.01 and 75,647	4,430	4,430.01 and 6,304
For each additional household member, add	+5,408	+5,408 and +7,696	+451	+451 and +642

Application forms may be sent to all homes with a notice to parents or guardians. To apply for free or reduced price meals or free milk, households must fill out the application and return it to the school (unless notified at the start of the school year that children are eligible through direct certification). Additional copies are available at the office in each school. The information provided on the application will be used for the purpose of determining eligibility and may be verified at any time during the school year by agency or other program officials. Applications may be submitted at any time during the year. To obtain free or reduced price meals or free milk for children in a household where one or more household members receive FoodShare, FDPIR, or Wisconsin Works (W-2) cash benefits, list the household member and the FoodShare, FDPIR or W-2 case number, list the names of all school children, sign the application, and return it to the school office.

For the school officials to determine eligibility for free or reduced price meals or free milk of households not receiving FoodShare, FDPIR or W-2 cash benefits, the household must provide the following information requested on the application: names of all household members and the adult signing the application form must also list the last four digits of his or her Social Security Number or mark the "I do not have a Social Security Number" box. Also, the income received by each household member must be provided by amount and source (wages, welfare, child support, etc.).

Under the provisions of the free and reduced price meal and free milk policy, the high school secretary will review applications and determine eligibility. If a parent or guardian is dissatisfied with the ruling of the official, he/she may wish to discuss the decision with the determining official on an informal basis. If the parent/guardian wishes to make a formal appeal, he/she may make a request either orally or in writing to Kay Connors, School Board Clerk, 5216 Forest Ave., Ste. A, Laona WI 54541 or call 715-674-3801 Ext. 2.

If a hearing is needed to appeal the decision, the policy contains an outline of the hearing procedure. If a household member becomes unemployed or if the household size changes, the family should contact the school. Such changes may make the household eligible for reduced price meals or free meals or free milk if the household income falls at or below the levels shown above, and they may reapply at that time. Children formally placed in foster care are also eligible for free meal benefits. Foster children may be certified as eligible without a household application. Households with foster children and non-foster children may choose to include the foster child as a household member, as well as any personal income available to the foster child, on the same application that includes their non-foster children.

The information provided by the household on the application is confidential. Public Law 103-448 limits the release of student free and reduced price school meal eligibility status to persons directly connected with the administration and enforcement of federal or state educational programs. Consent of the parent/guardian is needed for other purposes such as waiver of text book fees.

## Death Notices

**Marilyn Ann Renkas** passed away unexpectedly and peacefully at her home in Wabeno, Saturday, August 22, 2015. She was born in Chicago, IL on March 27, 1939 to Alfred and Jane (Svaradowski) Oberlies.

Marilyn is survived by her loving husband, Paul Renkas; and six children, David (Sherry) Renkas, Joanne (Mike) Fehrenbach, Mary Jane Renkas-Brown, Tom (Laura) Renkas, Peter (Brenda) Renkas, and Elizabeth (Mike) Hoepfner; brothers, Robert (Liz)

McElroy and Johnny (Elkie) McElroy; one sister, Betty Jane Oliver; 16 grandchildren, 5 great-grandchildren and one on the way.

When Paul and Marilyn met in Armstrong Creek, Wisconsin, they were both living in Chicago. Their first date was in Chicago and was an airplane ride over the city and Lake Michigan. He really wanted to impress her and it worked. Marilyn and Paul were married for over 56 years and they were inseparable. They gave the true meaning to soul mates, it was the best example to their children. She lived her life in service to the Lord and was full of grace. She was also an active member of the Christian Mothers for many years and served on the library board in Wabeno.

She was preceded in death by her parents and her brother and sister-in-law, Dick and Peg Oberlies.

She taught her daughters and granddaughters to be ladies and loved to have tea parties with her grandchildren. She also taught them how to make homemade butter, snow cones from the snow bank, how to sew, baking, gardening, making jelly and play dress up with the old prom dresses and how to polka dance. She enjoyed restoring old furniture and creating things, making old things beautiful and her time spent on the computer, which she was more proficient on than some of her children.

Mom left us with a lifetime of beautiful memories, stories and laughs. She inspired everyone to be honest, loving, humble and giving and will be missed and treasured in our hearts and lives forever.

Visitation was at St. Ambrose Catholic Church in Wabeno on Wednesday, August 26 from 9 a.m. until the time of the Funeral Mass at 11 a.m. with Father Philip Dinh-Van-Thiep officiating. Interment was at St. Ambrose Catholic Cemetery in Wabeno.

Lloyd Fulcer – Funeral Director (715) 473-2541.

### September at the Lakes Country Library: OCONTO COUNTY READS and more

Free Event: OCONTO COUNTY READS and the Lakes Country Library present June Melby, the author of memoir "My Family and Other Hazards," Melby, a dynamic speaker and author, will appear at the Performing Arts Center in Oconto Falls on Saturday, September 26 at 6 pm. Stop in the Lakes Country Library for the book and more information.

Friday Night Movies: beginning September 11 with hit movie *American Sniper*, the library will show movies on Fridays at 6 p.m. Other September movies will include *The Age Of Adaline* and *Cinderella*, with more to come. Call, stop in, or visit our website at [LakesCountryLibrary.org](http://LakesCountryLibrary.org) for the upcoming schedule.

Free Class: "Learn How to Use the Library Catalog" on Wednesday, September 16 at 3 pm. The library catalog is the gateway to materials from more than 50 member libraries, plus ebooks, all at the touch of a button. To learn more, call 715-276-9020 or stop in to sign up for this program.

Story Time: Tuesdays at 10 am starting September 8 (for ages 3 and up.)

The Lakes Country Public Library is at 15235 Hwy. 32 in Lakewood. Phone: 715-276-9020. Open Mon., Tues., Thurs. 9 a.m. to 5 p.m.; Wed. & Fri. 2 to 8 p.m. and Sat. 9 a.m. to 2 p.m. Visit our website at [LakesCountryLibrary.org](http://LakesCountryLibrary.org).

### Bowling Buzz Bowling to Beat Cancer

The Northwoods USBC Women's Bowling Association is pleased to announce that it will be holding its Ninth Annual "Bowling To Beat Cancer" Tournament at Hodag Lanes, 1843 North Stevens Street, in Rhinelander, on Sunday, September 27th.

This is a Nine-Pin Scratch Tournament, with an entry fee of five dollars for each participant for each block of three games that are bowled. All of the proceeds from this tournament will be donated to The Marshfield Clinic James Beck Cancer Center in Rhinelander.

Anyone who is interested, and is at least fifteen years-of-age, is welcome to join in supporting this "bowl-for-the-cause".

There will be two shifts at 10:30 a.m. and 1:30 p.m. with four people on each lane. You may register in advance by calling Hodag Lanes at 715-362-7115, or by writing to Sharon Cline, 4036 Chipmunk Lane, in Rhinelander.

There will also be door-prizes, paddles, pin-prizes, and raffles for all participants to receive, or spectators to participate in.

Please contact Alice Sturzl, at 715-674-5499, if you have any questions, or if you would like more information.

### Nicolet's Creative Arts kicks off Sept. 12 with Greg Herriges' New Whirled Band

Folk fusion musician Greg Herriges and his New Whirled Band will kick off the Nicolet College 2015-16 Creative Arts Series when these stellar musicians take to the Nicolet stage at 7:30 p.m., Saturday, September 12.

"Greg's sheer talent and versatility make him and his band the perfect musicians to kick off the 2015-16 series," said Nicolet College Theatre Director Jim Nuttall. "I saw him playing multiple guitars last year at Wausau's Concert on the Square, and I knew we needed to get him up here. We're fortunate to be able to bring in his whole trio."

The band's hallmark is its ability to weave together the best sounds from Eastern and Western cultures, as well as the multiple instruments they can play, Nuttall noted.

Along with being a gifted performer, Herriges is also a composer and author, having written a multitude of songs and six instructional books on how to play guitar in several different genres.

Tickets for the Greg Herriges' New Whirled Band are \$12 and can be ordered online at [nicoletlive.com](http://nicoletlive.com) or by calling (715) 365-4646.

The Creative Arts Series has two components: Nicolet Live!, which includes events such as concerts, plays, films, and other theatrical presentations; and the Nicolet Art Gallery, which this year will feature nine exhibits by a wide variety of artists.

This year the Nicolet Live! portion of the Creative Arts Series will include 15 different concerts. Highlights include the fast-rising Trout Steak Revival September 24, the world music Israeli band Baladino October 2, the Saturday Night Live-inspired comedic improv musical ensemble Baby Wants Candy February 13, and the ever-popular a cappella group the UW Madhatters March 12.

Nicolet Live! will also include three nights of short films that cover the romance, horror, and environmental genres; a photography presentation, and three theatrical performances.

The latter will include two plays by the Nicolet Players: the holiday classic A Christmas Carol in December and the romantic comedy Outside Mullingar in May; and the children's play The Monster Who Ate My Peas in February.

Auditions for A Christmas Carol will take place October 19 and 20.

Since its beginning 18 years ago, Nicolet Live! has always focused on bringing in a diverse cross-section of events, Nuttall explained.

"Our goal has always been to bring in acts that people in the Northwoods might not otherwise be able to see," he said. "And we strive to book many different types of performances so there is at least one show - hopefully more - that appeals to everyone."

The Nicolet College Art Gallery will start its 31st year on September 19 with the exhibit Fiber Friends, featuring the works of non-traditional quilt artists from northern and central Wisconsin.

Other exhibits in 2015-16 will include works from the members of the Lakeland and Manito art leagues, the Nicolet College Student Art Exhibit, the Northwood Turners woodworking group, and the 29th Annual Northern National Art Competition, along with other installations.

The 2015 Northern National Art Competition is currently on display through September 12. Admission is free to all exhibits.

The Nicolet College Theatre and the Art Gallery are both located in the Learning Resources Center on the Nicolet Campus just south of Rhinelander off of Hwy. G.

For more information about all events in the 2015-16 Creative Arts Series, visit [nicoletcollege.edu](http://nicoletcollege.edu). To receive a printed catalog of events, call (715) 365-4512, 1-800-544-3039, ext. 4512; TTY 1-800-947-3529 or 711.

## Opportunity to comment on Nicolet Salvage Project

The Forest Service, Chequamegon-Nicolet National Forest, Eagle River-Florence and Lakewood-Laona Ranger Districts, are preparing an Environmental Document for the Nicolet Salvage Project. This project would create a programmatic salvage program for the Nicolet National Forest. The proposed project is an activity implementing the land management plan. It is not authorized under the Healthy Forest Restoration Act; but is subject to 36 Code of Federal Regulation (CFR) 218 Subparts A and B.

The proposed action description and other information are available for review at [http://www.fs.fed.us/nepa/nepa\\_project\\_exp.php?project=47100](http://www.fs.fed.us/nepa/nepa_project_exp.php?project=47100). Additional information regarding this action can be obtained from Mark Dilley, 15085 State Road, Lakewood, WI 54138, or phone (715) 276-6333.

The purpose of this comment period is to provide an opportunity for the public to provide early and meaningful participation on a proposed action prior to a decision being made by the Responsible Official.

### How to Comment and Timeframe

Specific written comments (\$218.2) on the proposed project will be accepted for 30 calendar days following publication of this notice in the Northwoods River News.

Send written comments to the Responsible Official: Jeff Seefeldt, District Ranger, Chequamegon-Nicolet National Forest, Lakewood-Laona Ranger District, at the address and phone number above, Attention: Marilee Houtler. Faxed comments will also be accepted at 715-276-3594. Comments may be hand delivered to the Lakewood District Office between 7:30 a.m. and 4:00 p.m., Monday through Friday, except holidays.

## Stay engaged with Nicolet College Learning in Retirement classes

Nicolet College's Learning in Retirement (LIR) program will feature 40 different offerings this fall where active retirees can explore new ideas, meet new people, and stay engaged in their communities.

"The subjects covered are as diverse as the backgrounds of the people who are members of the LIR," said Nicolet College Executive Director Sandy Kinney. Some classes meet only once for a couple of hours while others meet once a week over the course of two months.

"There's a great deal of flexibility," Kinney added. "People are welcome to take as many or as few offerings as they wish. Every class offers the opportunity to learn more about an interest, meet new people, and stay active."

Fall session LIR activities will take place across the Northwoods September through December and include a number of tours, educational and cultural experiences, travelogues, and social activities.

Some of the class topics include the ever-popular Ced's Nature Series, Wild Edibles, Biology and Human Behavior, Supper Club Stories, Exploring the Game of Bridge, Film Appreciation, and Wisdom from Other World Religions, along with many others.

Tours will include visits to the Harley-Davidson plant, the Northwoods Petroleum Museum, the Hometown Trolley factory, and the Case and Printpack manufacturing plants.

Easy-paced outdoor activities will include a bike ride on the Hiawatha Trail and the Forestry Hike at Treehaven.

Annual membership is \$40 and open to anyone who is retired or semi-retired. There are no tests or grades in any class.

Classes begin September 14 with the Fall Kick-Off Dinner on September 10.

For more information about the LIR or a complete class list, visit [nicoletcollege.edu](http://nicoletcollege.edu) and enter Learning in Retirement in the search box. Interested individuals can also contact the Nicolet College Learning in Retirement Office at (715) 365-4491 or 1-800-544-3039, ext. 4491: TTY 711 or 1-800-947-3529.

### 13 Fun Ways to Eat More Fruits & Vegetables

When you look at your lunch and dinner meals, do you see an amount of fruits and veggies equal to about half your plate? Did you have a fruit or veggie for breakfast? And maybe include one as part of a snack?

"Compared with people who consume a diet with only small amounts of fruits and vegetables, those who eat more generous amounts as part of a healthful diet are likely to have reduced risk of chronic diseases, including stroke and perhaps other cardiovascular diseases and certain cancers," according to the Centers for Disease Control and Prevention.

Most of us know we should eat more fruits and veggies; still, most of us don't eat enough.

Here are 13 fun ways to eat more fruits and vegetables!

- Stir chopped vegetables or fruit into cold rice; mix with salad dressing for a side dish.
- Toss frozen blueberries or raspberries into oatmeal.
- Make a quick parfait by layering fruit, yogurt and low-fat granola.
- Mix 1/4 cup peanut butter, 2 tbsp. Orange juice and 1/2 cup low-fat vanilla yogurt for a dip.
- Add veggies to sandwiches.
- Serve strips of lean meat as part of a main dish salad loaded with veggies and/or fruit.
- Toss extra frozen veggies into the pot when making canned soups.
- Serve a scoop of tuna salad atop tomato slices.
- Add extra veggies such as thawed frozen peas and/or thinly sliced carrots to potato salad.
- Mix veggies with pasta for added pizzazz!
- Freeze 100% fruit juice in popsicle molds.
- Enjoy a bowl of fruit capped with a small scoop of ice cream.
- Blend 3/4 cup juice, 1/2 cup yogurt and 1 cup frozen raspberries or blueberries for a smoothie.

**Laona Corn Boil winners**

Great weather, fun and delicious hot corn were had by all at the annual Corn Boil sponsored by Cook-Elfors VFW post 6823 and assisted by the Ladies Auxiliary VFW at Silver Lake Beach in Laona. There were many on site raffles for the adults and games and prizes for the children. A major thank you to all that attended and donated to this great cause.

This and other fundraisers held by these organizations are used to help your veterans, active military and community organizations at the State of Wisconsin and local level.

Without the help of individuals and local businesses who support and donate to these fundraisers this would not be possible.

The winners for the Ladies Auxiliary VFW are \$200 1st place Gina Armstrong of Sheboygan; \$150 2nd place JP Hess of Laona, \$125 3rd place Vic Kazmerczak of Nebraska, \$50 4th place unknown from Grafton, \$50 gas card 5th place Chuck Enders of Laona, \$25 gas card 6th place Michael Johnvin Jr. of Laona, \$25 gas card 7th place Becky and Shane Salentine of Suamico and \$25 gas card 8th place Mary Verich of Laona.

**SNOOP SHOP season coming to an end**

If you've been meaning to buy some quality, hand-made, reasonably priced items but haven't had a chance to stop in at the Snoop Shop, time is running out. The shop will only be open until Labor Day, Sept. 7th and then will close for the season. So, hurry on in!

There is everything from pot-holders to stained-glass sun-catchers; all sorts of baby items from bibs with pacifiers attached to complete outfits; there are wood lawn ornaments and toys for tots like activity boxes and finger puppets. There are kitchen towels, dishcloths, scrubbies of all shapes and sizes; jewelry; photography; note cards; all manner of knitted, crocheted and sewn items. There's a section of Packer items, Halloween-themed and Christmas-themed areas and a whole lot more.

We hear comments about how reasonably priced the items are, how well they're made, and what great gifts they make. We invite everyone to take a few minutes to come in and "snoop." We'd love to see you before we close for the season!

Consignees are being advised that check-out days will be Wednesday, Sept. 9th and Thursday, Sept. 10th from 10:00 a.m. until 2:00 p.m. Please plan to pick-up your unsold items at that time. Bring along a container as well to haul them in.

For questions and other information, contact Marge Scardino at 715-478-1164 or Ann Koziol at 715-478-2785.
