Trailside Hideaway Campground in Laona

Chad Belland poses with his new bathroom, shower and laundry building at Trailside Hideaway Campground
By Mike Monte

Chad Belland has been working hard. The result of this work is a new campground facility located 1.2 miles south of Laona off of Hwy 32 on Runny Waters Road. Trailside Hideaway Campground is 60 acres of high land with mature timber with 34 campsites and more to come. It is named right. The campground features access to the Nicolet State Trail, which is open to ATV's, UTV's, snowmobiles, bikers, horsemen, and hiking.

The campground is also in the middle of things happening here in Forest County, and that includes casinos, golfing, the Lumberjack Steam Train, Heritage Hunt Club, and plenty of hunting and fishing opportunities and the Crandon International Off-road Raceway.

Chad currently has 23 of his 34 campsites with electric and water, there is a dump station on site, indoor bathrooms and showers plus a laundry. Each site has a fire pit, picnic tables and plenty of shade. WIFI is available, pets are welcome, a play area for the kids, and yearly rentals are available.

The campground has a nightly fee of \$25 and a yearly rental rate of \$1,300.

To contact owner Chad Belland, call 715-889-0380. The campground is on Facebook at www.facebook.com/trailsidehideaway, and the web site is www.trailsidehideaway.com.

Trailside Hideaway offers campsites under the shade of a mature hardwood forest, complete with bathrooms, laundry, fire pit, picnic table and access to the trail.

U.S. Senator Tammy Baldwin helps grow Wisconsin's timber economy

WASHINGTON, D.C. – U.S. Senator Tammy Baldwin today applauded an announcement from the United States Forest Service (USFS) that the Chequamegon-Nicolet National Forest is expected to meet and exceed its 2016 timber sale goal of selling at least 100 million board feet (MMBF) of timber this fiscal year. The last time the Chequamegon-Nicolet National Forest sold more than 100 MMBF of timber was in 2001.

This is an important step forward for Wisconsin's timber economy. This announcement comes as a result of management tools passed as part of the 2014 Farm Bill, which Senator Baldwin supported. The Farm Bill authorized the use of Good Neighbor Authority, which allows the Forest Service to enter into agreements with states to have them perform forest, rangeland and watershed restoration services on National Forest System lands. The bill also permanently authorized Stewardship Contracting, which allows the Forest Service to partner with stakeholder groups to accomplish forest management and wildlife habitat restoration projects.

"The announcement from the Forest Service confirms what I have seen on the ground – policies passed

Blue green algae found in Pine Lake

By the Forest County Health Dept.

Blue Green Algae has been identified in Pine Lake located in Hiles. Some blue-green algae can produce toxins, and since we cannot determine if a bloom is producing toxins just by looking at it, we want people to be wary of any high concentration of blue-green algae in water. If the algae are producing toxins, you could become ill if you swallow water or inhale water droplets. Small children and pets should always be kept away from water in these conditions, since they are more likely to accidentally swallow water. At lower densities, you still want to avoid swallowing water as other pathogens may be present, especially in the days following heavy rainstorms. For very young children and dogs that are likely to swallow water, you will want to err on the side of caution and choose the clearest water possible for them to swim in. It's always a good practice to wash off right after swimming to remove algae and bacteria from the skin.

If you use common-sense precautions, you can safely enjoy recreation on Wisconsin's lakes and rivers:

Choose locations without noticeably green water for swimming, because wind can concentrate blue-green algal blooms into near-shore areas. Do not swim in water that looks like "pea soup", green or blue paint, or that has a scum layer or puffy blobs floating on the surface.

Do not boat, water ski, etc. over water that looks like "pea soup", green or blue paint, or that has a scum layer or puffy blobs floating on the surface (people can be exposed through inhalation).

Do not let children play with scum layers, even from shore.

Always offer fresh, clean water for pets to drink. Do not let pets swim in, or drink, waters experiencing blue-green algae blooms or noticeably green water.

Lakes Country Library Book Sale in Lakewood

Looking for some late summer reading? The Friends of the Lakes Country Library is having its annual Labor Day Weekend book sale on Friday September 2nd from 2 to 8 p.m. and Saturday September 3rd from 9 a.m. to 2 p.m. Books of all kinds! On Highway 32 in Lakewood!

Mark Gatton is now Step-Grandfather to a new herd of snapping turtles!

We did a piece in this paper awhile back on a very persistent mama snapping turtle who insisted on laying her eggs in Mark Gatton's driveway. In spite of Mark's efforts to move her to a different spot, she always went back to the original site and started digging. Finally, when Mark wasn't home, she finished the job. Mark protected the nest with an old milk crate. Now, his efforts are paying off. The turtle eggs are hatching!

In the circle above, you can see the turtle fighting his way out of the egg shell, with his head and front legs emerging from the gravel his mother used to cover the eggs.

Record-breaking \$176,200 payday for Crandon International Raceway's "World Cup Sunday"

\$129,700 purse includes \$57,500 AMSOIL Cup Finale
2017 Polaris RZR XP® 1000 to be awarded for
PRO 2WD & PRO 4X4 Crandon World Champions

Living up to its "Big House" nickname, Crandon International Raceway announced the largest single-day cash and prize purse in short-course off-road racing history as it prepares to host its Labor Day weekend Off-Road World Championships (R) and new Crandon World Cup.

With the support of the Red Bull Signature Series, AMSOIL, Polaris RZR®, BFGoodrich, Traxxas, Weller Racing, Rugged Radios, Lincoln Electric, MasterCraft and a host of other track supporters, the total cash and prize package to be award on Sunday, September 4th is just over \$176,000. Seven classes of PRO racers will compete for almost \$130,000 cash in the first ever Crandon World Cup, part of the Red Bull Signature Series. It will be day capped in dramatic fashion with \$47,000 going to the winner of the richest race in the sport – the 7th annual AMSOIL Cup showdown.

Adding to the day's highly anticipated PRO 2WD and PRO 4WD Crandon World Championship races, Polaris RZR will be awarding the first place finishers of each race a 2017 RZR XP® 1000 EPS. Acknowledged as the industry leader in high-performance sport UTVs, the addition of these machines reflects an enhanced relationship between Polaris RZR and Crandon International Raceway.

"From the start, the Crandon World Cup was created for our facility to promote and host off-road racing's ultimate 'Superbowl,'" explained track President Cliff Flannery. "The sport and industry deserves that, the racers deserve that, and, most importantly, our fans deserve that. With the AMSOIL Cup serving as a perfect finale to the day, the support of our corporate partners have allowed us to raise the World Cup's prize structure to a record new level."

The 7th annual AMSOIL Cup race, the unique unlimited two-wheel drive versus four-wheel drive shootout, represents a largest single portion of the day's prize package, with a total of \$60,000 plus cash and products from Lincoln Electric and MasterCraft/Impact Safety on the line. Both the Crandon PRO 2WD and PRO 4WD World Championship races carry a total of \$37,500 in cash and prizes, including a 2017 Polaris RZR and \$7,500 in cash to the winners. The always-competitive PRO Light division will split a hefty \$15,000 purse, with a \$10,000 check for the winner, while \$10,000 and a \$5,000 first place package has been posted for the PRO Buggy ranks.

Presented by Weller Racing, the PRO Stock UTV division has a \$7,500 purse and \$4,000 first place check for the winner, with the PRO Mod UTVs splitting a \$2,500 total bounty. Thanks to Rugged Radios, even the PRO Mod Kart category is racing for a prize pool worth \$6,200, with Sunday's Crandon World Champion earning a check for \$1,000 and a \$2,500 Rugged Radio gift certificate.

For the first time in history, the weekend officially kicks off on Thursday, September 1st with a full slate of open testing for all PRO-category racers preparing for TORC championship racing, "Crandon World Cup Sunday" as well as the AMSOIL Cup.

In addition to the watershed purse, Crandon International has announced that all PRO racers wishing to participate in Sunday's Crandon PRO World Championship races can do so without the sport's traditional entry or registration fee. All drivers must have a current USAC license in order to participate. Racer registration for both the Crandon World Cup and 7th Annual Amsoil Cup race, along with an event Q&A will open at 2:00 pm (CST) on Thursday, August 25th at www.crandonoffroad.com," added Flannery.

Pet of the Week

Morgan is a 4 year old dachshund. He is housetrained. He is good with adults and children and other animals. Morgan walks well on a leash.

Morgan is a bundle of energy that is excited to be in his furever home.

Also, if you are missing a cat, contact the society to see if we have your pet.

For more information, contact the Forest County Humane Society at 715-478-2098.

People who need an ID to vote should get it now

With just over two months until the November 8th election, voters are encouraged not to delay in obtaining the necessary identification. Most voters already have a photo ID to vote, like a driver license or state ID card. However, people who do not have photo ID for voting can get one for free at the DMV.

DMV has developed an online application to guide ID applicants through the application process. This free online service allows them to complete and submit an application online, as well as receive a checklist of all documentation required when visiting a DMV service center. <https://app.wi.gov/DLGuides/>

For people who do not have all documents required to obtain a Wisconsin ID card, a petition process is available. <http://wisconsin.gov/Pages/dmv/license-drivers/how-to-apply/petition-process.aspx>

People who make use of this process are eligible to receive temporary identification card receipts that serve as a valid ID for voting. The receipts will be sent to customers within six business days of application. For those who apply during an election week, DMV will issue a photo ID receipt by overnight mail on the day that a person makes an application. However, there is no reason to wait until the last minute! People are encouraged to take time during the next two months to apply for their free ID for voting.

To find the closest DMV and real-time wait times, please see the following link:
<https://trust.dot.state.wi.us/cscfinder/cscsearch.do>

Wisconsin Master Gardener Volunteer available through fall months

Running through the Fall months, on Mondays from 10-noon, Wisconsin Master Gardener Volunteer Kathy Kaltenbach will be available at the University of Wisconsin-Extension Oneida County Office to answer questions related to Fall care of plants and soil. Kathy, whose passion is perennials, shrubs, and trees has been gardening for 20 years and grew up always helping with the family gardening hobby.

Master Gardeners is a UW-Extension program where volunteers complete a 12-week class covering lawn care, soil testing, vegetables, fruits, shrubs, lakeshore restoration, diseases, and more. Participants then pass an examination, and give back to the community at least 25 hours per year by volunteering in a variety of ways. The Oneida County UW-Extension Office is pleased to be able to have Kathy available to answer gardening, houseplant, and landscape related phone calls; fill out soil sample testing forms; and seek University resources for those hard to identify plant-related issues.

During September, the Oneida County UW-Extension Office is offering free shipping of soil samples for testing. There is still the regular garden soil sample fee of \$15 per sample. For more information or to ask Kathy a question, call 715-365-2750.

All Nicolet Nursing graduates in class of 2016 pass national licensing exam

Nicolet College's most recent Nursing graduates posted a 100 percent pass rate on their first attempt at the national licensing exam to become registered nurses.

"We were absolutely thrilled when we found out that all of our students in the class of 2016 were successful," says Dean of Health Occupations Lenore Blemke.

The national average pass rate is currently 85 to 86 percent for any given graduating class. She noted Nicolet Nursing graduates historically perform above the national average, typically with 90 percent or more passing on their first attempt.

The 13 Nursing students who graduated from Nicolet last spring are residents of numerous area communities including Three Lakes, Arbor Vitae, Pelican Lake, Wabeno, Crandon, Rhinelander, Woodruff, Tomahawk, and Wausau.

The graduates have indicated to Blemke they plan to seek work in the Northwoods or continue their educations to earn bachelor's and even possibly master's degrees.

Nicolet's Nursing program is well-noted for its academic rigor. "At Nicolet the focus is on preparing students as best as we possibly can for their chosen career field," Blemke explained. "A big part of this is holding them to high standards. The most recent class of Nursing graduates did a great job at meeting the challenge."

The national exam, administered by the Wisconsin Department of Regulation and Licensing, also serves as a report card of sorts on Nicolet's Nursing faculty and the program as a whole. "It's always good to know that we are properly preparing students for careers in nursing," she added. "If a program had a low pass rate, changes would need to be made. But we know that's not the case here at Nicolet."

For more information about Nicolet's associate degree Nursing program, contact the Nicolet College Welcome Center at (715) 365-4493, 1-800-544-3039, ext. 4493, or visit the college's website at www.nicoletcollege.edu.

AUCTION

Nicolet AARP Chapter 1191

AARP Picnic

The AARP summer picnic at the Mountain Community Center was enjoyed by members and their families. The 37 participants filled up on brats and burgers plus a number of side dishes and desserts. It was a pleasant summer day and a good time was had by all.

The following Tuesday the August AARP meeting was held at the Lakewood Presbyterian Church starting at 7:00 p.m. The speaker for this meeting was Brittany Warrichaiet, RN, BSN, who is a public health nurse who works for the Oconto County Department of Health & Human Services. Brittany told the AARP members about the health services provided by the Public Health Division of Oconto County which are considerable. Brittany recommended the free Wellness Fair which will be held at the Bond Community Center in Oconto on September 22, 2016 which includes information, activities and screening services. Registration and free transportation from Lakewood can be arranged by calling 920-834-5585.

The speaker for the September meeting will be Gary Donaldson from the Nicolet Pharmacy. The AARP Fall Social is scheduled for September 20 at the Red Maple Golf Course in Suring starting at 4:30 for cocktails. The cost is \$15.00. Call Carol Butrymowicz at 715-276-3468 for reservations.

Submitted by Dick Culver, Public Relations Chairman.

McCauslin Lions Craft Fair was a success!

Lion Gary Wagner and Lion President Mike Kubiacyk cooking potato chips for the crowd.

On Saturday August 6th, the beautiful weather brought record crowds to the McCauslin Lions annual Craft Fair. Over 200 crafters set up at the Lakewood pavilion to sell their goods. People flocked from all over to browse and shop. When taking a break, shoppers and vendors were able to stop in the pavilion for food and beverages sold by the Lions.

Money raised from this event provide the resources for the McCauslin Lions to support the community for the entire year. This event is held the first Saturday in August every year so mark your calendars for next year!

Wilson's Drive In donates to Forest County Humane Society

Boyd Monte, Secretary for FCHS, and Jack, accept the check from Amy Krause and her son, Tucker.

Wilson's Drive In made a generous donation to the Forest County Humane Society on Monday, August 8th. Wilson's Drive In donated \$1.00 for every special purchased from August 1st to August 5th.

The end result was \$150.00 raised to help support our furry friends at the Forest County Humane Society. The society is grateful for all the help from Wilson's Drive In and their customers that made this donation possible.

Pine Lake Cont. from pg. 1

Always take a shower after coming into contact with any surface water (whether or not a blue-green algae bloom appears to be present; surface waters may contain other species of potentially harmful bacteria and viruses).

Pets should be washed off immediately after swimming, before they groom.

Always avoid swallowing untreated surface water - it may contain pathogens other than blue-green algae which could make you ill.

The Wisconsin Department of Health Services has provided the following guidelines concerning fish consumption:

Algal toxins have not been shown to accumulate to acutely toxic levels in the fillet.

Clean fish thoroughly and discard the viscera and guts, where toxins may accumulate.

Wash hands after handling fish caught during an algal bloom.

More information can be found at WI Department of Natural Resources <http://dnr.wi.gov/lakes/bluegreenalgae/> WI Department of Health <https://www.dhs.wisconsin.gov/water/bg-algae/index.htm> Call the Forest County Health Department at 715-478-3371.

"We meet the nicest people by accident"

News from the Townsend Flowage Protection District

By Kathleen Marsh

The first annual meeting of the Townsend Flowage Protection District was held at the Townsend Town Hall on July 9. This meeting completed the transition from the all-volunteer Townsend Flowage Association (TFA) to a new Board of Commissioners tasked with protecting and preserving the waters of the Townsend Flowage.

The change was the result of several years of work by leaders of the TFA who sought a more equitable and enduring means of insuring a healthy future for the Townsend Flowage. The three newly elected commissioners are Steve Bruskiewicz, Chuck DeMoulin, and Sherman Landrie. Wayne Deja was appointed by the Town of Townsend and John Zimdars by Oconto County. The

commission's recording secretary is Mary Lee VanVondren.

At the July 9 meeting, Rich Schoonveld, a member whose volunteer efforts will continue with the new governing body, was recognized by out-going TFA President Dan Coopman and the members present. A founding member of TFA, Rich has been head of the equipment maintenance crew since 1991. It was in that year Rich and his buddy Sherm Landrie drove to Siren, Wisconsin, where the Association took ownership of two used weed harvesters and a shore conveyor, both of which are still in use.

Rich: "Our first year we spent countless hours just to get the cutters in the water. I have experience working on big equipment, and we fixed what needed fixing. I can still recall that feeling of satisfaction as we hauled away tons of aquatic vegetation to the Town disposal site using an old dump truck with questionable brakes. Little did I know, but that was just the beginning. Year after year we've had to repeat the process."

Over the ensuing years, Rich and his crew of volunteers have spent thousands of hours fixing the equipment and harvesting vegetation that would otherwise choke off fishing/boating lanes. They also built a second shore conveyor to expedite cutting on both the northern and southern parts of the Flowage.

Rich's wife Theresa: "Come summer I hated to hear the telephone ring because it almost always meant there was a breakdown, and Richie would be out there working for as long as it took to get the machine back on the water."

Rich concurred that the amount of time and effort involved in the fight to keep the lake navigable hasn't changed that much in 25 years. "The problem has always been scratching together enough money to pay for parts and fuel. We did that via voluntary memberships, donations,

grants, and an annual Corn Roast fundraiser. In 2013, with the help of a matching DNR grant, we bought a new weed harvester. Unfortunately, our Lake Ness Monster has been plagued with problems and has been in dry dock for repairs more than it has been out harvesting weeds."

That same year, TFA leaders realized change was required to preserve and protect the waterway. Dues-paying members numbered less than half of the property owners on the Flowage. The list of weed-cutting volunteers was declining, the cost of aquatic harvesting was escalating, and the fight against invasive species like Eurasian milfoil was getting more and more expensive. Severe cuts to DNR programs by the Walker administration dictated that a new course had to be taken.

A committee was formed and documents drafted to create a lake protection district. Approval from the County was obtained with a special assessment to be levied starting with tax bills sent out in December 2016. Each landowner will now pay approximately \$60 per parcel to fund necessary lake maintenance.

Theresa is all smiles now that the new system is firmly in place. "The creation of the Lake Protection District means that Richie, who is in his eighties, can cut back on his involvement. And I won't have to wince every time the phone rings."

It is no exaggeration to say Rich has spent his retirement years in the service of those who enjoy the full-spectrum of water sports that the Townsend Flowage now provides. Lake association volunteers like him are essential to maintaining our northwoods lakes and waterways. You can find them working all across the northwoods to combat invasive species and do all they can to improve our waterways.

Help Wanted
School District of Wabeno Area
FULL TIME MIDDLE SCHOOL TEACHING POSITION
Job Description: This person will be responsible for teaching middle school math courses. Teaching assignments may include MS & HS classes. Preference will be given to applicants with understanding of reform based mathematics, confident technology skills, a background in differentiation strategies, and a willingness to teach via ITV/online.
Qualifications: Candidates must have appropriate DPI license (400-Mathematics) and/or 1-8 regular education license. Successful applicants will be a contributing team member with strong communication skills and have the ability to develop positive collegial and parent relationships. Successful applicants will also possess a sincere interest in accepting extra-curricular responsibilities.
Requirements: Candidates must have appropriate DPI license (400-Mathematics) and/or 1-8 regular education license.
How to Apply: Interested and licensed candidates may apply through WECAN or may submit a letter of interest, resume, transcripts, copy of license(s), three (3) current letters of reference to: Jennifer Vogler, District Administrator, PO Box 460 Wabeno, WI 54566. This position will remain open until filled.
The School District of Wabeno Area is an Equal Opportunity employer. The School District does not discriminate against applicants or employees based on race; age; sex or sexual orientation; creed or religion; color; handicap or disability; marital, citizenship, or veteran status; membership in the National Guard, state defense force, or reserves; national origin or ancestry; arrest or conviction record; use or non-use of lawful products off the District's premises during non-working hours; or any other characteristic protected by law.

HELP WANTED

MOLE LAKE CASINO • LODGE HELP WANTED -

Surveillance Officers (Full time)

Supervisor: Surveillance Director

Summary: The Surveillance Officer is a critical part of the safety and security of Casino Operations. As an integral member of an observation team, the officer ensures that policies and procedures are followed; gaming laws and regulations are met; and casino assets are protected. In addition, the officer monitors the premises to ensure the safety and well-being of casino guests and employees.

Duties:

- Safeguards casino assets and premises.
- Writes reports on incidents and violations.
- Conducts tape reviews as per management & Gaming Commission request.
- Provides maintenance for Surveillance equipment.
- Contacts appropriate outside authorities when necessary.
- Observes/records department transactions as required.
- Completes all duties assigned by the Surveillance Director.

Qualifications:

- High School Diploma or equivalent
- Previous Surveillance experience preferred
- Excellent observation skills (detail oriented position)
- Ability to work well with co-workers and be courteous in all interactions
- Excellent report writing skills and verbal communication
- Must be able to sit for long periods of time and successfully perform all job responsibilities
- Must be willing to learn all casino related rules and regulations, emergency procedures, internal controls and Title 31 mandates (pass Title 31 test within 30 days).

This position is subject to the following conditions: obtain and maintain a valid Sokaogon Chippewa Gaming Commission license and pass pre-employment and random drug & alcohol screenings. The job description is not intended to be an exhaustive list of all duties or qualifications.

Native American preference is granted according to P.L. 93-638.

Applications available online at molelakecasino.com or at Player's Club Desk. Submit completed applications to **Sokaogon Chippewa Gaming Enterprise Donna Vodar, HR Manager P.O. Box 277, Crandon WI 54520 715-478-7549 • 715-478-5745 (fax) email - hr@molelake.com**

Death Notices

Frances M. Cherf, 86, of Crandon, WI went to be with our Lord on August 25, 2016. Frances was born April 13, 1930 in Aurora, WI the daughter of John and Anna (McGinn) Cherf. The family moved to Antigo where she resided most of her life and worked many years for the Weinbrenner Shoe Factory.

Frances never married but was like a second mom to her nieces, nephews, and some of their friends. She took time to help them.

Francis is survived by her sisters, Marge Boody of Milwaukee and Rose (Dick) Zimmerman of AZ; brothers, Don (Carol) Cherf of CA, Jack (Diane) Cherf of IL and Mike (Mary) Cherf of Wausau; sisters-in-law, Pat and Janet; also numerous great and great-great nieces and nephews.

She was preceded in death by her parents and two brothers, Tom and Dick Cherf.

Frances was genuinely loved by all and will be missed by all.

A memorial mass will be held at 11:00 a.m. Saturday, September 3, 2016 at St. Joseph’s Catholic Church with Father Callistus Elue officiating.

Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for Frances may be directed to www.weberhillfuneralhome.com.

Richard E. “Buddy” Taylor, age 81, of Armstrong Creek, passed away unexpectedly at his home on Wednesday, August 24, 2016. Buddy was born in Fence, WI on August 18, 1935 the son of George and Ruth(Moneyhun) Taylor.

After graduating from Florence High School in 1953 he joined the U.S. Army and proudly served for two years. After receiving an honorable discharge, he returned home and worked at Calumet-Hecla. He also worked as a skidder operator and truck driver. He went on to own and operate his own trucking company for fifteen years.

He liked the outdoors, spending time in the woods, hunting, and fishing. The last couple of years his enjoyment was repairing his four wheeler, painting, sanding and repainting until it was just the way he wanted it.

His life was his family, watching his sons and grandchildren play sports. He was very proud of them.

He is survived by his wife of 52 years, Margaret A. Taylor, Armstrong Creek; daughters, Deborah Atchison, White Bear Lake, MN. and Sherry (Raven) Pearson, Roberts, WI; sons, James (Lori) Taylor, Armstrong Creek, Robert (Natasha) Taylor, Armstrong Creek and William (Tina) Taylor, Wabeno; brother, James (Sandy) Taylor, Pendleton, IN; and grandchildren, Mickey, Casey, Elizabeth, Douglas, Scott, Alex, Analise, Stephanie, Daniel, Brandon, Shayanna, Cassandra, Alexandra and Connor.

He is preceded in death by his parents, George and Ruth and his first wife, Elizabeth.

Visitation was held on Friday, August 26 from 4 - 7 p.m. at St. Stanislaus Kostka Catholic Church in Armstrong Creek. Prayer service was held at 7 p.m. Visitation continued on Saturday, August 27 from 9 - 11:30 a.m. Funeral mass followed at 11:30 a.m. with Father John Hephner and Deacon Jerry Cross officiating. Interment was at Pine Hill Cemetery. Online condolences may be left for the family at www.weberhillfuneralhome.com.

Ronald L. Landru, 74, of Mole Lake, passed away on Thursday, August 25. A memorial gathering of family and friends was held on Tuesday, August 30 at 11:30 a.m. at Weber-Hill Funeral Home. Online condolences may be left for the family at www.weberhillfuneralhome.com.

Rural and Urban representatives and school leaders come together

Stevens Point...Area school administrators continue to work with state legislators on issues facing Wisconsin schools with a focus on the upcoming biennial state budget. The first of several planned meetings took place last week in Stevens Point.

Rural and urban representatives and school district administrators met to discuss common challenges and needs that face Wisconsin’s public schools. The group of legislators in attendance has worked extensively on educational issues while in office. Both Representatives Rob Swearingen (R-Rhineland) and Jessie Rodriguez (R-Franklin) served as chair for legislative study committees for both rural and urban school districts respectively. Representative Mary Czaja (R-Irma) served on both legislative study committees and Representative Jeff Mursau (R-Crivitz) served with Rep. Swearingen to focus on the needs of our rural school districts.

“A theme that was loud and clear during our meeting is that we are all in this business for kids. Rural and urban districts actually do have a lot in common. It is vital that we all work together to make public education better,” said Mike Richie, District Administrator at Northland Pines School District.

In addition to meeting with local school administrators, Representative Czaja invited representatives from UW-Stevens Point (UWSP). In attendance from UW-Stevens Point was Lisa Theo, Director of Student Creative Activity and Research and UWSP students who have agreed to research specific questions and topics that arise from future collaborative conversations.

Initial topics of discussion focused on the similar challenges in teacher recruitment and retention, student transition from high school to post-secondary preparedness, limitations in mental health resources and the implications of the current school funding formula on both rural and urban schools. Future discussions will focus on finding long-term solutions to the challenges before all Wisconsin schools in preparing students for future success.

“Opportunities for the future success of all students are before us - our collective goal as educators, policymakers and citizens should be to promote initiatives that best educate students statewide. Today's students will be the leaders, caretakers and service providers of tomorrow,” said Ben Niehaus, District Administrator for the School District of Florence County.

Subsequent meetings will be hosted at both Northwood’s schools and urban school districts.

Ramblin’ with Rip A SPECIAL EVENT - “A HAPPENING”

I worked for a company called Armstrong Cork and later Armstrong World Industries. It was and still is a fine company with fine people. This is a short story about the fine people.

The world is full of good folks and unfortunately we hear too much about ‘the Bad’ and not enough about ‘the Good’ so I’m sharing a good story - a sort of human interest one.

The people in this event worked for me as far back as 25 or 30 years ago (maybe more) and they decided to throw a get-together centered around my cottage at Lake Lucerne in good old Northern Wisconsin, as opposed to anywhere else on earth! This group, a dozen or so, arrived from California and other westerly areas, Texas, Kansas City, Pennsylvania, the South and other easterly locations for a four or five day shindig that included golf, horseshoes, croquette, fishing, chowing down and other events - maybe even a beer or two. There were salutes to the old “Boss” too.

Just think, these folks came from all over to celebrate a long weekend with their old leader and to say “hello”. A human interest event of some magnitude with a writer called ‘Ramblin with Rip’! I hope you enjoyed sharing in this yarn. Oh, by the way we also enjoyed Brats (Gramma Style) and a night with Lake Pals Meg and Andy at their reincarnated old Bistro on the shore of Lake Lucerne.

There are nice people all around so enjoy life with them. Help smell the roses. Have some fun, keep in touch and stay in the game. We did, right here at “the lake”.

Enjoy, Rip style!

PS: So what was so special? How about several folks now having re-met after 30 years. How about comments like the great feeling of real cabin life like the old times. A fireplace fire in August. Resort run by a Ma & Pa. A rained-out golf tournament that ended up on a croquette court. Horseshoe matches. Laughter, stories, good food, homey restaurants and almost pontoon boat rides (darn the weather). And so it went as the choice of all participants was, “Let’s go to the good old “up North” Wisconsin and have some fun.” And so we did.

Letters to the Editor

We welcome letter to the Editor; however the letters should be legible, in good taste, not libelous and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES. We reserve the right to reject any and all letters.

Speaker’s Task Force on Youth Workforce Readiness Report released

Madison... Rep. Bob Kulp (R-Stratford) and members of the Speaker’s Task Force on Youth Workforce Readiness released their final task force report today. Rep. Rob Swearingen (R-Rhineland) served as a member on the task force. The report includes recommendations to help encourage Wisconsin youth to enter careers in the trades, manufacturing industry and technical fields.

“The state needs to expose our youth to options available through technical colleges that prepare them for potential careers in the manufacturing sector. The end goal is to keep our kids not only in the Badger State, but in our local communities. Many of these careers offer family sustaining jobs and competitive wages,” said Rep. Swearingen.

The Task Force on Youth Workforce Readiness held five meetings, which included tours and input from stakeholders, since last September. The task force report includes several recommendations to Speaker Robin Vos (R-Rochester) and the members of the Wisconsin State Assembly.

- Modify the school report card to value technical education.
- Encourage high school entrepreneurship programs.
- One-time exceptions to levy limits for equipment purchases for technical education programs.
- Integrate math skills in technical education curricula and visa-versa.
- Modify DWD grant criteria and outcome goals.
- Implement a clearinghouse for technical education curricula.

The task force learned about the many barriers to student participation in technical education and training, which ranged from transportation to shortage of qualified instructors.

Crandon Post Office offers tips on being a responsible dog owner

Crandon WI — A dog might be a man's best friend, but is it a letter carrier's? With summer still in season, the warm weather invites situations when a dog can be potentially dangerous, and in recent weeks, local letter carriers have been bitten by dogs.

"That's why we need to deliver an important message about dog bite prevention," said Crandon Postmaster Jacquelyn Aszman. "Several of our letter carriers know first-hand about the prevention and the pain of animal attacks, and we want to help educate the community — especially parents and pet owners."

More than 4.5 million people are bitten annually by dogs. Last year, nearly 5,000 letter carriers were bitten by dogs across the country. At the Crandon Post Office and it's neibhoring post offices, there have been two dog incidents within the last year. These numbers pale in comparison to the more than 2 million children who received dog bite injuries in a single year.

The American Veterinary Medical Association (AVMA) and the American Academy of Pediatrics (AAP) report that small children, the elderly, and letter carriers, in that order, are the most frequent victims of dog bites. Children are the majority of victims and are 900 times more likely to be bitten than letter carriers.

"Dog attacks are the most commonly reported childhood public health problem in the United States," adds Aszman. "Dog bite victims account for up to 5 percent of emergency room visits."

The following tips will help people avoid being bitten by a dog and offer advice on how to be a responsible dog owner.

How to Avoid Being Bitten

****** Don't run past a dog. The dog's natural instinct is to chase and catch you. If a dog threatens you, don't scream. Avoid eye contact. Try to remain motionless until the dog leaves, and then back away slowly until the dog is out of sight.

****** Don't approach a strange dog, especially one that's tethered or confined.

****** While letter carriers are discouraged from petting animals, people who choose to pet dogs should always let a dog see and sniff them before petting the animal.

****** If you believe a dog is about to attack you, try to place something between yourself and the dog, such as a backpack or a bicycle.

How to Be a Responsible Dog Owner

****** Obedience training can teach dogs proper behavior and help owners control their dog in any situation.

****** When the letter carrier comes to your home, keep your dog inside, away from the door, in another room, or on a leash.

****** Dogs can be protective of their territory and may interpret the actions of letter carriers as a threat.

****** Please take precautions when accepting mail in the presence of your pet.

****** Spay or neuter your dog. Neutered dogs are less likely to bite. Humane Society of the United States (HSUS) statistics reflect that dogs that have not been spayed or neutered are up to three times more likely to be involved in a biting incident than neutered or spayed dogs.

****** Dogs that haven't been properly socialized, receive little attention or handling, or are left tied up for long periods of time frequently turn into biters.

Wabeno Area Players Rummage Sale

The Wabeno Area Players (WAP) in cooperation with the The Big Easel Gallery and Bistro is announcing a Rummage Sale Extravaganza to be held at the Big Easel on Friday and Saturday, September 2 and 3 from 9:00 a.m. to 3:00 p.m. The proceeds of the rummage sale will be used for supporting the coming season of WAP as well as to help pay for new and expanded venues for some major productions planned in 2017. Funds will also be used to support the ERNA ROUSSEAU SCHOLARSHIP FUND for students in Forest County.

The sale is being organized by Tim and Connie Friesen, Linda Boatright and Marcia Appel with participation by members and friends of WAP. Joshua Jameson, President of WAP, said, "This effort represents a major effort on the part of the non-profit actors company to meet the demand for theater productions in Wabeno and across the area. and the proceeds will help us do more than ever before." He also noted that new local venues are being explored including local theaters, large establishments and other areas from Lakewood to Three Lakes. Jameson has expressed his excitement with the growth of WAP in terms of new members and new plays being considered. Jameson emphasized the eagerness of WAP to recruit new members interested in all aspects of theater productions from acting to writing, stage craft and scenery, costuming, etc.

Shows planned for the near future include a new Third Thursday Reader's Theater in September, a full stage production of "Planting Season" in October, The Cemetery Club in November, and Under the Mistletoe at Christmas. WAP will be announcing the 2017 Seson in September. Wabeno Area Players is now a 501c3 Organization and all donations and gifts are tax deductible. If you would like more information please call (7 1 5) 8 8 9 - 1 6 0 6 o r e m a i l : wabenoareaplayers@gmail.com. Send correspondence and donations to Wabeno Area Players, P.O. Box 325, Wabeno, WI 54566.

Good Ol' Days of Summer

It is summer, and music is in the air, if you have somebody to play it! No cassettes, no CD's, no online downloads, live music was usually the only way you could enjoy music. Possibly, when this photo was taken, probably in the teen years of the last century or the 1920's, Mr. Edison had invented the phonograph. If you were luck enough to have one, you could listen to scratchy music, but it didn't sound as good as these guys!
This Crandon orchestra was performing on the porch of the big Victorian house Sam Shaw built on the north end of Lake Metonga, although, at this time, it may have been owned by Doctor and Bertha Decker.

Medicare and Prescription Drug Coverage Presentations

Two presentations on Medicare and Prescription Drug Coverage will take place on Wednesday, Sept. 14 at the ADRC building, located at 300A South Lake Ave., Crandon. Both of the presentations will be put on by a certified Medigap Counselor.

The 9 a.m. Morning presentation "Fitting the Pieces Together with Medicare," is an overview of the coverage from Medicare Part A and B and how that coverage interacts with supplements, advantage plans and various types of prescription drug coverage. It is particularly useful for people who are about to start Medicare as they make the decision between supplements and advantage plans. It is also useful for people who are trying to understand how advantage plans work.

The afternoon presentation, taking place at 1 p.m., "Prescription Drug Coverage," goes over how and which drugs each part of Medicare covers. The emphasis is on Part D, and the talk ends with step-by-step instructions on how for finding the best plan on Medicare.gov. Because everyone with Part D or Advantage plan should review it every year, this presentation is useful for anyone on Medicare.

Both presentations take a least an hour with time afterwards for interactive questions. Please call Kathy O'Melia, Forest County Elderly Benefits Specialist, at 715-478-3067 to reserve your spot.

Bus Schedule

Tuesday - Sept. 6 - Carter, Wabeno and Laona to Rhinelander (Crandon standby) - **Bus Driver:** Dan Pedersen

Wednesday - Sept. 7 - Armstrong Creek, Newald, Popple River and Cavour to Iron Mountain (Crandon and Laona standby) - **Bus Driver:** Bob Shepherd

Thursday - Sept. 8 - Hiles, Argonne, Crandon and Pickerel to Antigo - **Bus Driver:** Dan Pedersen

For reservations please call the bus driver for that day.

Bob Shepherd: 715-478-2683

Dan Pedersen: 715-478-4254

TOPIC OF THE MONTH

"Staying Well"

MEAL SCHEDULE

Armstrong Creek interim site manager Sharon Giles at 715-674-3532 (home) or 715-336-2218 (site). Meal served at 11:30 a.m. on Tuesday.

Senator Baldwin Cont. from pg. 1

in the Farm Bill are improving forest management and helping the Forest Service deliver on its management goals," said Senator Baldwin. "Our Wisconsin timber economy is facing a number of challenges and thanks to the hard work of the Forest Service, Wisconsin DNR, and many stakeholders, we are making more progress on them. That is why I was proud to champion the use of Good Neighbor Authority and Stewardship Contracting here in Wisconsin."

"Through partnerships and the use of tools such as Good Neighbor Authority and Stewardship authorized by Congress, Senator Baldwin has been fully engaged and communicating with all forest users. Taking every opportunity to safeguard forest health while ensuring the economic well-being of Wisconsin's rural communities has been a priority for Senator Baldwin," said Bill Hennigan, President of the Great Lakes Timber Professionals Association. "It's good for ecology, it's good for our social well-being and its good for the economy."

"It is great to see CNNF move closer to achieving forest plan goals," said Norman K. Bickford, President of Wisconsin County Forests Association. "Wisconsin's forestry community and congressional delegation have been working hard to develop appropriate mechanisms for use in assisting CNNF staff with meeting NEPA approved forest plan goals. Providing wood fiber through sustainable forest management and improving forest ecosystem health are important here in Wisconsin. We commend CNNF staff for the job they are doing. We would like to thank Senator Baldwin for all of her effort and engagement on this important issue."

Baldwin, a long-time supporter of Wisconsin's timber economy, toured an active logging site in Chequamegon-Nicolet National Forest last week to highlight the importance of Good Neighbor Authority for Wisconsin's timber economy.

As a strong supporter of Wisconsin's timber economy, Senator Baldwin championed the use of Good Neighbor Authority in Wisconsin, which was established by an agreement signed by the Chequamegon-Nicolet National Forest and the Wisconsin DNR in 2015. After hearing frustration from the forest products industry, Baldwin invited the head of the U.S. Forest Service, Chief Tom Tidwell, to visit Wisconsin in the fall of 2014. During that visit, forest products industry stakeholders shared their hope that the new Farm Bill tools could be put to use in Wisconsin. One year later, the Forest Service and the State of Wisconsin entered into a Good Neighbor Authority agreement. Since the Chief's visit, the Chequamegon-Nicolet National Forest has also entered into additional Stewardship Contracts with stakeholder groups.

World Cup Sunday Cont. from pg. 1

To the victors go the spoils. Thanks to a newly expanded relationship with Polaris, a new 2017 Polaris RZR XP® 1000 valued at nearly \$20,000 each will be awarded Sunday, Sept. 4th to the Crandon PRO 2WD and PRO 4x4 World Champions -- in addition to a \$7,500 cash prize for each winner. In the PRO Light class, racers like Luke Johnson (top) will compete door-to-door for a cash purse totaling \$15,000. (Image credit: Polaris RZR)

In addition to a new all-day Crandon PRO Open test being held on Thursday, September 1st, all PRO class racers are welcome to enter The Off-Road Championship (TORC) PRO series finale being held on Saturday, September 3rd, along with TORC Sportsman racing for the Super Buggy racers. The young talent found in the PRO Mod Kart division will also compete in Forest County Potawatomi's "Friday Night Thunder" races.

Hosted and sanctioned by Crandon International Raceway, the World Cup event has been created to attract the world's best off-road racers and teams to compete for coveted Crandon World Championships® in a variety of PRO-level classes. For the first time in the sport's nearly 50-year history, short course competitors from all sanctioning bodies around the country can race on a completely level playing field with no concerns about points, season championships or other hindrances. The event will be brought to an international mainstream audience as part of the Red Bull Signature Series – both via a live webcast on Red Bull TV and as a special 90-minute highlight program scheduled for airing on Saturday, October 8 at 2 p.m. EST on NBC.

Snapping turtles Cont. from pg. 1

Mark Gatton, turtle stepgrandfather and proprietor of the Hotel Crandon, was trying to work on his pickup at home, but the turtle births were keeping him from getting the work done.

The first born snapper is seen above in the bottom of a cooler. Mark said they are quite fast when out of the shell.

When snapping turtles are born, the mother is long gone and the babies are on their own, but not these snappers! They are being mollycoddled and will probably be spoiled and expect a human to care for them the rest of their lives. They are long-lived as well, so that rules out Mark raising them for a future turtle soup feed at the Hotel Crandon. His turtle care is being done from the goodness of his heart! Ooooooh!

Mountain
EXTREME

If you're looking for your next Jeep or Dodge RAM, we have a line of **Mountain Extreme** vehicles set up for you! Or if you're looking to design your own, we can help! Contact our Accessory Team! If you can dream it, we probably have it. Change your vehicle to fit your lifestyle with Authentic Mopar® Accessories.

CHECK THIS OUT!

// If you SERIOUSLY love the outdoors, we can build a Mountain Extreme vehicle that represents who you are and how you live. //
