Rollingstone Lake P&R Labor Day Picnic Sunday, the 3rd Rummage on the 1st & 2nd

The Rolling Stone Lake Protection & Rehabilitation District is holding its 34th Annual Labor Day Picnic on Sunday, September 3rd at the Rollingstone Lake P&R Building, on the corner of East Shore Rd. and Pickerel Lake Rd. The festivities begin at noon and last until 9:00 p.m.

There will be live music by "Lovin' Country" from 3:00 p.m. until 8:00 p.m. Be ready for the raffles that run through the day, and bring an appetite. There will be good food, plenty to drink and lots of good conversation with friends.

The Rummage Sale, at the same location, runs from 8:00 a.m. until 4:00 p.m., Friday and Saturday, September 1st and 2nd. There will be basket raffle tickets, food and baked goods both days.

Animal Resource Fund Garage Sale Saturday, September 2nd

The Animal Resource Fund or ARF, will hold a garage sale on Saturday, September 2, starting at 8:00 a.m. The sale will be located at 10810 County Road B in Crandon, at the Campbell residence. They have furniture, lamps, antique seeder, old tools and much more. All of the proceeds go to help the animals in need. There is no early sales.

Military Vets Golf Outing Sept. 18 at Nicolet Country Club

The 6th Annual Military Veteran's Golf Outing is scheduled for Monday, September 18 at Nicolet Country Club in Laona. The event is reserved for military veterans only and last year more than 120 Veterans participated.

Generous financial support from area veteran's organizations and local businesses keep the cost to each veteran at a minimum. We do not go out and ask for donations, but all donations are appreciated.

6th Annual Festi-fall, September 16th, in Lakewood

On September 16, 10 a.m. - 4 p.m. the Enchanting Shops of Lakewood will host the 6th Annual FESTI-FALL in downtown Lakewood along Hwy. 32 and down Gage St. This year the Lakewood Area Chamber of Commerce will co-sponsor the event and the Festi-fall committee will donate a portion of vendor fees to Northern Oconto County Trout Alliance (a non-profit group of community members dedicated to raising and releasing trout in local waters.) Other area non-profit groups are given free booth locations to sell food at the event including the Parrotheads (hotdishes/soups), Friends of Mountain Ambulance Service (shrimp), Presbyterian Women (famous pies), St. John's Lutheran Church (walking tacos) and more.

Many creative vendors set up outside the various shops to sell their hand made items such as rugs, wood signs, carvings, paintings, photos, jewelry, ceramics, jams, mittens and much, much more. A prime opportunity to begin your Christmas shopping!

The most festive part of Festi-fall are the talented musicians that perform throughout the day outside the various shops. Local troubadour Pat Lowery, who just returned from a music tour in the upper midwest, will play country/rock outside Lark & Magpie Art Gallery located on Hwy. 32, between Subway and Timberline Restaurant. Behind Subway at Nicolet Studio & Gallery, Gage St., the *Cold Soda Club* will wow listeners with a smorgasbord of melded genres from the Beatles to Led Zeppelin plus their original songs. This energetic 5 piece band from Sheboygan will release a new album in early winter.

Local bluegrass favorite, the *Thrillbillies* will perform toe-tapping tunes at Sweet Memories Candy Shoppe, Hwy. 32. Solo artist Gary Baum will once again serenade his fans with his eclectic jazz/folk/swing/pop/country style in front of Northern

Lumberjack Steam Train begins Fall Festival Saturday, Sept. 2

The Lumberjack Steam Train will be chugging out to the Camp 5 Museum Complex this Saturday, September 2nd. The Fall Festival runs September 2, 9, 16, 23 and 30, with departure from the Depot on Hwy 8, on the west side of Laona, at 11:00 a.m., 12:00 p.m., 1:00 p.m. and 2:00 p.m.

The leaves are starting to turn, the Corn Maze is ready, and all of the other attractions are available, including the Museum, the Green Treasure Forest Tour, the Cracker Barrel Gift Shop (with great fudge and candy), and the Choo Choo Hut Restaurant, and the Nature Center.

This is a great family attraction and a must for those with an interest in Wisconsin logging history. By the way, if you fly a drone, the Corn Maze is a great photo opportunity!

11th Annual Red Arrow Snowmobile ATV Club Corn Roast and ATV/UTV Parade

The Red Arrow Snowmobile ATV Club is holding their 11th Annual Corn Roast and ATV/UTV Parade on Saturday, September 2nd. The fun starts at 11:00 a.m. and lasts until 6:00 p.m. at the Old Town Hall Bar and Restaurant, located at 17767 Highway 32 in Townsend.

There will be a DJ, food, meat raffles, and free sweet corn. There is 37 great prizes to win with 1 ticket! The ATV/UTV Parade starts at 10:30 a.m. at the Red Arrow Clubhouse and goes to the corn roast. Check out www.redarrowtownsend.com for a full list of prizes.

Crandon Library News

The Spudmobile is coming to Crandon!

It's race week in Crandon and you know what that means? Potatoes! Yep, for this year's Brush Run parade the Crandon Public Library is excited to announce we are bringing the Spudmobile to Crandon. As it turns out, the entity running the Spudmobile likes crowds. And we promised them that the Crandon Brush Run parade draws a huge crowd!

But what exactly is the Spudmobile? Well, it's the country's most advanced and most remarkable mobile education and entertainment center focused on potato and vegetable production. The Spudmobile features eight different exhibits that take visitors on a journey from the farmer's field right to the dinner plate. Through interactive technologies and eye-catching graphics, Spudmobile visitors will learn how farmers are fantastic stewards of the environment and how they incorporate the latest technologies into their agricultural practices.

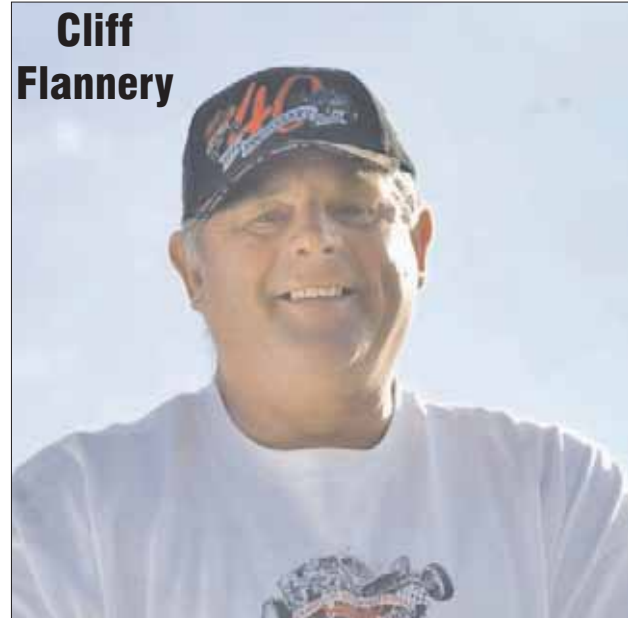

When visiting the Spudmobile, guests will learn about various varieties of potatoes grown in Wisconsin, how they are planted and harvested, the nutritional facts about potatoes and some statistics about America's favorite vegetable. Kids will be completely engaged as they play games on the interactive touch table.

To date, the Wisconsin Spudmobile has traveled to more than 100 events including schools, industry-related events and community-related events which include but are not limited to fairs, dairy breakfasts, festivals, parades, and sporting events as some examples.

Watch for the Spudmobile in the parade and then stop down at the library between 1:00 and 3:00 p.m. to tour this 37.5 foot RV with eight different interior exhibits. Tours of the Spudmobile are completely free!

For more information about the Spudmobile or its visit to Crandon, please call the Library at 715-478-3784.

Off-road Motorsports Hall Of Fame announces Class Of 2017

The Off-Road Motorsports Hall of Fame (ORMHOF) is proud to announce the Class of 2017

Twenty members of the off-road community evaluated a record number of nominations and cast votes independent of the other committee members. Nominees who received votes from at least two-thirds of the committee members were considered for induction. The nominees who have met the criteria are the members of the Class of 2017 include motorcycle racing pioneer Dave Ekins, Crandon Raceway founder Cliff Flannery, off-road legend Bob Gordon, and off-road innovator Bill Savage.

The Inductees will be celebrated at the ORMHOF Induction & Awards Ceremony on Monday, October 30, 2017 at the South Point in Las Vegas.

The 2017 Off-Road Motorsports Hall of Fame Induction & Awards Ceremony is being presented by SCORE International. South Point owner and ORMHOF Inductee Michael Gaughan will host an open bar during the cocktail hour and silent auction, followed by the banquet, Induction Ceremony, and awards. The event is open to the public. For ticket information visit www.ormhof.org

The Off-Road Motorsports Hall of Fame was established in 1978, to recognize and honor those individuals and organizations whose lifelong contributions to off-road motorsports have set a standard for others to follow.

With the four members of the Class of 2017, there are now 87 inductees in the Hall of Fame.

Proposed Lake Association for Little Rice Lake progresses

We have 31 property owners in and around the lake that are interested in forming a "Qualified Lake Association," so we are moving forward with the steps to get this in place. Nominations forms were mailed out to all interested parties around July 5th asking for their input for the board. After waiting six weeks for nominations, we are planning to mail out election ballots by mid September. If there is any concerned citizen that wants to become an association member and place a vote for the board, please e-mail me so I can forward a ballot to them.

We hope to have the elections completed by the end of September and then apply to the state to officially become an association. After we are registered, we will be opening a bank account at Associated Bank in Crandon to accept donations to benefit our needs and offset the expenses we are responsible for from the ongoing lake plan costs. If the members and new board want to pursue it we will be applying for an additional DNR grant for 2018.

We welcome anyone to join the new association and you do not have to be a landowner on or near Little Rice Lake to become a member. This association is STRICTLY VOLUNTARY and the membership fee will be between \$5 and \$50 per household per year (to be determined by the board). As soon as the new board is elected, we will be sending out membership applications to those interested parties.

For more information you can contact Chris Dockry by e-mail...chris@teamsselfstorage.com...or call 920-680-1374.

SLMB+ Members Will See a Change in Their Notices

Submitted by Kathy O'Melia

Medicare Savings Programs (MSPs) are part of Wisconsin's Medicaid program and help pay for certain Medicare costs. People who are enrolled in SLMB+ (Specified Low-Income Medicare Beneficiary Plus) have their Medicare Part B premiums paid for.

In the past, the SLMB+ program application and renewal process was manual (meaning, it was not automated in the Wisconsin CARES computer system). As of August 5, 2017, the SLMB+ application and renewal process will now be automated like all other MSPs. This means that SLMB+ recipients will receive different-looking notices than they have in the past. Advocates believe this is a positive change as it will result in fewer missed renewals for SLMB+ beneficiaries.

If you receive SLMB+ and have questions about your eligibility, you should contact your local income maintenance agency or consortium.

The Crayon Box That Talked

wouldn't it be terrible?
wouldn't it be sad?
If just one single color was the color that we had?
If everything was purple?
Or red? Or blue? Or green?
If yellow, pink, or orange was all that could be seen?
Can you just imagine how dull the world would be?
If just one single color was all we got to see?

Lake Lucerne Advancement Association Members

PLEASE VOTE

Paul Bostron
 for President

Kurt Landgraf & Dan Novak
 for Board Members

Saturday, September 2nd • 9 a.m.
 Lake Lucerne Advancement Association Building.

Our Platform

- Diversifications in opinions and fresh ideas. Not just the same old, same old.
- An association that is for ALL the property owners on & around the lake, not just a select few.
- Focus on holding property values on and around the lake.
- Fast track permitting and the placement of fish cribs.
 (not done since early 90's)
- Keep members & non-members involved and informed on every meeting, issue and activity
- Less focus on the LLAA Club House and more on improving the fishing quality.
- Transparency with all and an open mind to opinions and ideas.
- Allow ALL members the right to vote, not only those at the meeting.

**Members of the LLAA are here by giving notice to the Board Members of the LLAA that according to Wisconsin Statutes, the LLAA must allow it's members Proxy Voting. If the LLAA Board declines this notice, members will be seeking Judicial Relief and Judgement against the Corporation under WI State Law.

Please attend! Every vote counts! Need a Proxy Voting form? Stop at Elite Automotive in Crandon or email Kurt Landgraf at exceldisposalk@aol.com

Northwoods United Way 'Stuff The Bus' event

The Northwoods United Way school supply donation event, 'STUFF THE BUS', took place on August 28th, from 3-6 in downtown Crandon. Individuals were encouraged to Buy Two-Give One when shopping for their back to school supplies this year, states Nancy Sattler, Executive Director for Northwoods United Way. 'A few businesses conducted their own school supply drives in the weeks leading up to the event and they brought the supplies to the Pitts bus. It was a fun way for employees and companies to show their support for the community'

'The goal is to ensure that all students are on equal footing when school starts. Many children look forward to arriving on the first day of school with new notebooks, backpacks and pencils, but it's a different story for children whose families can't afford these items.

'Pitts Bus Service donated the use of a bus, and Community Connect LLC helped to coordinate the event. It's a great example of bringing the community together to LIVE UNITED'

For information about the Northwoods United Way, please contact Nancy Sattler at 715-202-3344 or via email at nwway@newnorth.net

licenses earlier in the year, or who have yet to determine hunting location, may defer the Farmland (Zone 2) antlerless tag selection. When ready, hunters may: make a tag selection online from their Go Wild account and print themselves; request desired tag(s) at a local DNR Service Center; or visit a license agent (this will require a \$2 processing fee). **GameReg**

All harvested deer must be registered electronically by 5 p.m. the day after the deer is recovered. GameReg is simple, fast and convenient for hunters. The system will prompt hunters to answer a series of questions, beginning with the carcass tag number and date of birth. Hunters will have three options for registering their deer: online at GameReg.WI.Gov (fastest and easiest option); by phone at 1-844-426-3734 (1-844-GAME-REG); or electronically at a participating in-person registration station (keyword "registration stations").

To receive email updates regarding deer hunting in Wisconsin, visit dnr.wi.gov and click on the email icon near the bottom of the page titled "subscribe for updates for DNR topics," then follow the prompts and select the "white-tailed deer" distribution list (found within the "hunting" list). Deer hunters are also encouraged to check out the frequently asked questions page for more information regarding changes for 2017. And, remember to check out the carcass tagging FAQ (search keywords "tag it").

Lakewood Festi-Fall Cont. from pg. 1

Perks Coffee Shop, Hwy. 32. Right next door, at Lakewood Frame of Mind Gallery & Gifts, the talented Ken Dennison, will play blues-flavored pop with a hint of God-fearing soul. Ken will also feature his hand made cigar box guitars for sale. Amy's Cellar and Little Shoppe on the Hill will host Cheri and Paul, in front of Nicolet Pharmacy, Hwy. 32. Cheri & Paul are high energy local favorites covering all of your favorite hits. The *Bejazzald* Jazz Band will also perform intermittently at that location.

Woodland Trails Winery up on the hill overlooking the town will be participating with tastings and special sales this year. New to the Enchanting Shops group this year is Rustic Retreats down the road from Nicolet Pharmacy, who will participate in the festivities this year, too! Be sure to check them all out.

It's a fantastic day of music, fun, food and shopping, so please join us and support our local community, musicians and vendors!

Opening of archery and crossbow deer hunting seasons is Sept. 16

MADISON - Increased deer observations following another mild winter have hunters and state wildlife officials alike excited for fall hunting seasons - the 2017 archery and crossbow deer seasons run concurrently statewide from Sept. 16 to Jan. 7, 2018.

"I'm hearing a lot of optimism from all corners of the state," said Wisconsin Department of Natural Resources deer and elk ecologist Kevin Wallenfang. "Hunters should expect good to excellent deer numbers in most areas within the central and southern farmland zones, and more deer in the forested zones after several years of no antlerless harvest and mild winters. With our most recent mild winter, reports of excellent antler growth and good fawn production are common."

In 2016, archery and crossbow hunters combined for one of the highest buck harvests in history, and Wallenfang expects similar, if not an increase, in the buck harvest this year. Deer hunters in just four predominantly forested counties will see buck-only hunting this year. Throughout the remainder of the state, antlerless hunting opportunities are available through the use of Farmland Zone and bonus antlerless deer tags.

Archery and crossbow deer hunters have a continuous season framework that includes hunting during all gun deer seasons in November and December, plus the option to fill a gun deer tag using crossbow or archery equipment during open firearm seasons.

In its first three years, hunting with a crossbow has provided an additional opportunity for many hunters throughout Wisconsin, and accounts for the highest rate of participation by women than any other deer hunting method. Those interested in using both a conventional bow and crossbow may do so by paying full price for one of the licenses and purchasing a \$3 upgrade for the second license. Hunters will use the same buck tag and antlerless tags issued with their first license of choice.

In addition, please note that regulations regarding tree stands and ground blinds used on department managed lands have changed for fall 2017. For other types of property such as county or federally owned lands, contact the property manager to learn about these rules.

Bonus antlerless tags remain available in many deer management units. Bonus tags may be filled with any weapon type during the appropriate season, but must be filled in the zone, county and land type designated on each tag. Bonus tags are available on a first-come, first-served basis at a cost of \$12 each for residents, \$20 each for non-residents, and \$5 for youth hunters age 10-11.

In 2017, up to five Farmland (Zone 2) antlerless tags are included with each deer hunting license, depending on the Deer Management Unit (DMU) of choice. Hunters who have not yet purchased a license for hunting deer will be prompted to select the unit and land-type for the Farmland (Zone 2) antlerless tags at the point of sale. Licenses may be purchased through the Go Wild website, GoWild.WI.Gov or at any of the more than 1,000 Go Wild license sales locations.

Recycling your electronics

Is storing that TV or entertainment center that doesn't work or you don't like starting to aggravate you? Well, you probably should have disposed of it at the electronics recycling event held at Pioneer Plaza earlier in August. The recycling of electronics has been done in Japan, but it isn't going to happen after January 1, because Japan is no longer going to do it.

In the photo above, from left, Al Fannin, Jeannie Fannin, Bill Lester, and Steve Bunda stand in front of a small fraction of the electronics that were brought in. There were other volunteers as well. They handled 8,036 pounds of electronics.

When you have electronics you would like to dispose of, find a place to store it until another market for the recycled electronics opens up. And, remember, it doesn't belong out in the woods!

Walk With Ease program now offered in Crandon

The Forest County Commission on Aging, in partnership with the Forest County Health Department, is offering Walk With Ease starting September 11th.

Walk With Ease - a program from the Arthritis Foundation -- is a structured walking program that teaches participants how to safely make physical activity part of their everyday life. The program is designed to help people living with arthritis better manage their pain and is also ideal for people without arthritis who want to make walking a daily habit.

Walk With Ease offers support, information and tools to help participants develop successful exercise routines. The six-week group series is led by a certified instructor. During the program, participants learn proper stretching and pain management techniques; they also build stamina and walking pace. The program can even be modified to meet the needs of individual participants so that each person can develop an exercise routine that fits their unique goals.

Research shows that walking is not only good for joints, but also helps improve the health of the heart, lungs and bones. Walking can also help with weight-management which can reduce one's risk for arthritis in the knee, heart disease and diabetes. If you can be on your feet for 10 minutes without increased pain, you will most likely have success with Walk With Ease.

The information and strategies taught in the program are based on research and tested programs in exercise science, behavior change and arthritis management. Updated and evaluated by the Thurston Arthritis Research Center and the Institute on Aging of the University of North Carolina, Walk With Ease is shown to increase balance, strength and walking pace, as well as reduce the pain and discomfort of arthritis. The program is also shown to build participant confidence to be physically active and improve overall health.

Pre-registration is required and there will be a registration fee of \$6.00 to cover book expenses.

For more information and to register for the class, please contact Jacee Anderson at the Forest County Health Department at 715-478-3371. Before starting any exercise program, always check with your physician.

Auditions Sept. 11, 12 for Nicolet Players' production of "God of Carnage"

Auditions for "God of Carnage," the award-winning play highlighting the increasingly rocky confrontation between two couples, are set for Monday and Tuesday, Sept. 11 and 12 at 7 p.m. in the Nicolet College Theatre in Rhinelander.

The Nicolet Players production calls for four characters - two men and two women - to play the roles of parents with pre-teen children.

Actors do not need to be Nicolet students or have previous experience to be in the cast. No preparation is required, although it will be helpful to have read the script beforehand.

Scripts are available for a three-day checkout from the Richard J. Brown Library, located in the Lakeside Center at Nicolet College. At auditions, participants will be asked to read several short sections of the script.

Written by Yasmina Reza, God of Carnage is a study of upper-middle class New Yorkers who try to resolve a school yard situation started by their children, only to find that a resolution is far from easy. The four people find their lives laid bare in the attempt to resolve their children's spat. The New York Times said it is "a streamlined anatomy of the human animal [that] incites the kind of laughter that comes from the gut, as involuntary as hiccups or belching."

"God of Carnage" won the 2009 Tony Award for Best Play and was later made into the film Carnage, directed by Roman Polanski.

Rehearsals begin Wednesday, September 13. Performances will run November 3 to 5 and 9 to 12 and start at 7:30 p.m., except for the Sunday matinees which start at 2 p.m.

Questions about the auditions or performances can be directed to Nicolet College Director of Theatre Jim Nuttall at (715) 365-4476 or email jnuttall@nicoletcollege.edu.

HAPPY BIRTHDAY, PEYTON!

It's that time again! If you see our little Peyton Johnson this week, be sure to wish her a Happy Birthday! She turned four whole years old on August 30th. Happy Birthday, Baby. Mommy and Daddy love you very much.

THANK YOU! THANK YOU! THANK YOU!

The Cook-Elfors VFW Auxiliary Post 6823 of Laona had their annual fundraiser on August 19th. It was a beautiful day. It's always great to see everyone having fun.

Our Auxiliary takes pride in donating the proceeds to many various organizations in our community and to the State of Wisconsin Veterans Affairs. PROCEEDS go to veterans and their families, veteran hospitals, food pantries, Salvation Army, Hope Lodge, Operation Up Link, Emergency Disaster Fund, Patriot Fund, NuRoc Nursing Home, Laona School Scholarships and cancer patients.

Special thanks to Karl Appliance for hauling a refrigerator and freezer, our famous burger flippers, Ken Winkelman and Jim Hergile, and Robert Jones, who made delicious funnel cakes. Our gratitude is extended to those businesses who donated. Through your generosity, our fundraiser was a success. We would like to acknowledge the following businesses for donations: Kevin Kerner Repair, Lemerade Trucking, Connor Forest Management, Retail Shed & Northern Power Sports, Laona Machine Shed, Michael Schmelling Logging, Dan's Sales and B&B Guiding.

CONGRATULATIONS TO OUR RAFFLE TICKET WINNERS

1st - \$300 - Corrine Lemerande, 2nd- Push Mower - Steve DeRosia, 3rd - Chain Saw - Vic Kaz, 4th- \$100 - Al Murray, 5th- 24" Visio TV - Scott Reeves, 6th - \$25 Gas Card - Jeff Peterman, 7th - \$25 Gas Card - Karen Flatton, 8th - \$25 Gas Card - Rick Calhoun. The umbrella with stand was won by Ethel Calhoun.

WHEEL OF FORTUNE WINNERS

Katy Rosio, Jim Retzlaff, Cindy Lukas, Steve Brooks, and Jojo Bradley. They each won \$100 dollars. A GREAT BIG THANK YOU TO Andy Lukas for all the leg work he did getting the board full. Again Cook-Elfors VFW Auxiliary Post 6823 would like to thank everyone who helped out with our August 19th Corn Boil and fundraiser

Take Steps to Stay Healthy

Submitted by Kathy O'Melia

Take Daily Steps to Prevent Falls

Engage in physical activity. Physical activity can prevent falls. With your doctor's permission, do exercises that make your legs stronger and improve your balance. If you avoid physical activity because you are afraid, it will only make you more likely to fall.

Wear sensible shoes. High heels, floppy slippers, and shoes with slick soles can make you slip and cause a fall. Wear properly fitting, sturdy shoes with nonskid soles.

Avoid drinking too much alcohol. Alcohol can cause falls.

Check Your Eyes

Have an eye doctor check your eyes at least once a year, and update your eyeglasses if needed.

If you have bifocal or progressive lenses, you may want to get glasses with only your distance prescription for outdoor activities, such as walking. Sometimes bifocals can make things seem closer or further away than they really are.

Make Your Home Safer

Get rid of things you could trip over. Store clothing, dishes, food, and other necessities within easy reach. Immediately clean spilled liquids, grease or food.

Make the following changes to your home, if affordable:

- Add grab bars inside and outside your tub or shower and next to the toilet
- Put railings on both sides of the stairs

Make sure your home has lots of lights by adding more or brighter light bulbs. Turn on the lights before using stairs. This will help you to avoid tripping on objects you cannot see.

Death Notices

Debbie A. Klingensmith, 50, of Laona, WI passed away on Wednesday, August 23, 2017 with her family by her side at St Joseph Hospital, Marshfield. Debbie was born May 12, 1967 the second daughter of Edward and Carol (Schingeck) Moore. On April 15, 1989 Debbie married John Klingensmith in Wabeno and raised a family together. Debbie loved, loved, loved a good deal; there wasn't a yard or rummage sale she could pass up. She loved talking on the phone and enjoyed many other things in life, being around people, drinking coffee, taking rides and talking with her family.

Debbie is survived by her husband, John Klingensmith of Laona; daughters, Jacqueline Klingensmith of Mole Lake and Cloe Klingensmith of Laona; son, Steven Klingensmith of Laona; granddaughter, who was the apple of her eye, Charlotte; and sisters, Vicky (Rob) Pirus of Wabeno and Janet LaRock, Wabeno. She was preceded in death by her parents.

Debbie has a new found plan and is no longer suffering. We would like to thank the Spirit of Life for her safe travel to Marshfield, all the staff in CCU at St. Joseph's Hospital for their efforts and support they gave her and the family.

Services were held at 1 p.m. Wednesday, August 30, 2017 at Weber-Hill Funeral Home in Wabeno with Pastor Lee Jennings officiating. Visitation was held from 11 a.m. to time of service. Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family may be directed to www.weberhillfuneralhome.com.

WD Flooring completes 2nd home with Gary Sinise Foundation

WD Flooring and The National Wood Flooring Association (NWFA) have provided flooring for its 2nd home in partnership with the Gary Sinise Foundation R.I.S.E. program (Restoring Independence Supporting Empowerment). This is the NWFA's 19th such partnership home to be completed. The R.I.S.E. program builds custom, specially adapted smart homes for severely wounded veterans and first responders.

The home dedication for US Marine Corps Sergeant Michael Frazier took place on August 26, in Pittsboro, NC. Flooring for the project was donated by NWFA member WD Flooring.

"We are just happy that the Gary Sinise Foundation and NWFA provide the organizational structure so we can help in our own modest way to this needed, impactful and inspiring program. It's an honor for us to be able to support these courageous warriors and their families," said Peter Connor President of WD.

Asked if there was anything special about the floor Connor elaborated; "We think there are a few things to be proud of besides being 100% American made it is formaldehyde free, zero VOC with respect of the finish and harvested from sustainable forests. The floor is Hickory on our new engineered platform using our Lumbercore™ product and we put one special extra touch on it. We specified it with longer lengths than our standard which really doesn't compare at any level to the level of sacrifice of Sgt. Frazier or any member of our armed forces but as a small company it was the least we could do."

Sgt. Frazier was injured in 2011 by an improvised explosive device (IED) while serving in Afghanistan. The blast resulted in the loss of both his legs, and much of the use of his right arm.

"Men like Sgt. Frazier set an example for us all," says NWFA President and CEO, Michael Martin. "He enlisted in the Marines following the attacks on 9/11, serving seven years, three of which were combat deployments in Iraq and Afghanistan. His work helping to restore peace for the people of Afghanistan, while securing the safety for those of us in the US, is a noble endeavor, and we're honored to partner with WD Flooring to make his new home possible."

In addition to the 19 homes already completed, NWFA currently is working with its members to source wood flooring for 25 additional R.I.S.E. homes in various stages of planning and construction. WD Flooring has already committed to several. Currently, NWFA member companies have donated product, logistics, and installation services in locations throughout the United States, with a total value of more than \$3.52 million. A list of all NWFA R.I.S.E. partners is listed at <http://www.nwfa.org/giving-back.aspx>.

By the end of this year, 59 specially adapted smart homes will be completed or underway through the Gary Sinise Foundation R.I.S.E. program.

Letters to the Editor

We welcome letter to the Editor; however the letters should be legible, in good taste, not libelous and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES. We reserve the right to reject any and all letters.

Attention Taxpayers,

It is becoming increasingly more difficult to meet the financial demands of operating the rescue squad. As costs of supplies and equipment continue to rise, the cost of operation also must increase. This increase is not only felt at the rescue squad, it is felt right down to those who depend on this service. In order to continued to provide Emergency Medical care to the community, there have been cutbacks. However, there are only so many cutbacks that can be made before quality of service declines, and legal requirements are no longer being met. This places the rural ambulance service in a very difficult place. Obviously, funds need to be available in order to provide valuable and lifesaving services to the public.

Where will these funds come from? This is where we are asking for your input as citizens who expect and must be able to count on quality Emergency Medical Services. The municipalities are instrumental in assisting with cost of having EMS available. This proves to be a burden as each municipality has to budget funds to provide EMS for its citizens on an annual basis. As these number increase, each taxpayer sees the increase as well. This is not meant to cause undue concern to the public, however it is a real issue that could drastically impact the ability of local ambulance services to operate. If you as a citizen of the community are aware of the challenges EMS faces, you may be in a better position to help work with local community leaders to find creative ways to keep our local ambulance service in operation.

Lake Lucerne program well attended at Hotel Crandon

The Crandon Library program at the Hotel Crandon last Tuesday was standing room only, and those present learned a lot about area lake. Lake Lucerne, formerly Stone Lake, was always a favorite with visitors and cottage owners, and it remains so. Kudos to Michelle Gobert for her continuing programs on local history, and the same to R.T. Krueger for the time he has spent looking up the fine details.

The photo above is a postcard showing Island View Resort on Lake Lucerne, probably taken in the 1920's.

Free business workshop Sept. 22 at Nicolet College

Best practices for businesses to recruit and retain military veterans will be the focus of a free Hire Up event from 8 a.m. to noon Friday, Sept. 22, in the Lakeside Center at Nicolet College.

"Veterans can bring strong and diverse skills sets to any business enterprise," said Nicolet Dean of Workforce and Economic Development Sandy Bishop.

"But finding individuals who are the best fit and then keeping them can be a challenge. The Hire Up workshop will lay out strategies to do both and cover additional topics related to employing those who served our country."

The half-day event will feature presentations by three experts well-versed in employing military veterans.

These include:

Saul Newton is executive director of the Wisconsin Veterans Chamber of Commerce, which connects corporations, government agencies, and small businesses to America's veteran business community. Newton will share how they provide support to veteran and veteran-friendly entrepreneurs and business owners and work with them to attract and retain veteran employees. Newton is a U.S. Army veteran.

- Mark Martello is a clinical social worker with the Veterans Health Administration. His diverse background and unique career path include serving as a major in the U.S. Air Force with experience in both direct clinical care and program management. Along with the Air Force, the Tomahawk native is also a veteran of the U.S. Navy and Wisconsin National Guard.

Derek Heikkinen is the business director for the North Central Wisconsin Workforce Development Board. He leads workforce and economic development by identifying the needs of businesses, economic partners, and educational partners, within a nine-county region. He chairs the North Central Wisconsin Business Solutions team which creates pathways and opportunities for those with barriers to employment. Derek will outline how the Workforce Development Board can help employers.

Each presenter will speak for about 45 minutes with a question and answer session from 11:30 a.m. to noon.

For more information, contact Nicolet's Workforce and Economic Development office at (715) 365-4905 or TTY 1-800-947-3529 or 711.

The series is funded through the ACT Program, which is 100 percent funded with a TAACCCT Round IV \$19.9 million grant awarded by the U.S. Department of Labor's Employment and Training Administration.

TROUT STEAK REVIVAL

Wednesday, September 27, 7:30 pm

From sweat-soaked clubs to mountain festivals, Trout Steak Revival has shown tenacity for quick picking and all the right polish without sacrificing the raw feeling of well-executed bluegrass. The band has earned a place in the mountain states roots scene, performing to sold-out audiences plus winning an Emmy Award and the 2014 Telluride Bluegrass Festival band competition. Keeping an eye on traditions of the past but boldly forging into new territory, Trout Steak will take you back to memories of whiskey, laughter, and the misty-mountain high country. Admission: \$15. ANIMATED FILM: BEOWULF

Thursday, October 5, 7:30 pm

A mythical saga directed by Robert Zemeckis, this epic fantasy film follows a Scandinavian warrior who sets out to save a kingdom by vanquishing monsters, dragons, and a bewitching creature of the deep. Notably, the film was created through a motion capture process similar to the technique Zemeckis used in *The Polar Express*. Local film buffs Steven Schreier and Tom Jerow will present the film, facilitate discussion, and answer any questions. Admission: FREE. For more information: 715-365-4646 www.nicoletlive.com

WE ARE WHAT WE EAT

Wednesday, October 18, 7:30 pm

Flavors have shaped humankind since the dawn of civilization. Kyle Cherek, host of Wisconsin Foodie, the Emmy Award-winning PBS television show, shares how food has formed us across the millennia and how the science and emotion of flavor will shape the future. Weaving together amusing and insightful stories about foods and habits we take for granted, Kyle will take you on a journey that is both entertaining and educational with an opportunity for discussion. Admission: FREE. For more information: 715-365-4646 www.nicoletlive.com

THE NICOLET PLAYERS PRESENT: GOD OF CARNAGE

November 3-5 & 9-12, 7:30 pm/2 pm on Sundays

"Sticks and stones can break my bones" ... but when a playground fight erupts between two young boys, it starts two sets of parents on a comically explosive downhill slide from political correctness to character assassination. While they play nice at first, they soon devolve into outlandish, bickering children themselves. Winner of the 2009 Tony Award for Best Play, *God of Carnage* is a hilariously harrowing look at the minefield of modern marriage. Strong Language. Auditions September 11 & 12. Admission: \$9 General Public / \$7 Students and Seniors. For more information: 715-365-4646 www.nicoletlive.com

WISCONSIN BRASS QUINTET

Thursday, February 22, 7:30 pm

From Carnegie Hall to the Nicolet Theatre, the accomplished Wisconsin Brass Quintet has shared their genius musicianship throughout the United States since 1972, even in such prestigious settings as Merkin Concert Hall, The Juilliard School, and the Yale School of Music. Its vast repertoire draws from works of all periods and styles. Says the American Record Guide: "The Wisconsin Brass Quintet is a remarkable ensemble that plays with more reckless abandon, warmth, stylistic variety and interpretive interest than almost any quintet in memory." Event rescheduled from last year's Nicolet Live! season due to weather. Admission: \$15. For more information: 715-365-4646 www.nicoletlive.com

ARTSPOWER PRESENTS: HARRY THE DIRTY DOG

Sunday, March 11, 2 pm

Harry has everything a little white dog with black spots could want. There's just one problem: he hates taking baths. He hates them so much that he runs away and spends a wonderful day playing in the dirt. Harry gets so grubby that he turns into a little black dog with white spots and returns home to find that his family doesn't recognize him. ArtsPower's musical is based on the beloved book by Gene Zion and captures both the whimsical humor and touching dedication to family found in Harry's story. Appropriate for grades K-2. Admission: \$8 Adults / \$6 Children. For more information: 715-365-4646 www.nicoletlive.com

BABY WANTS CANDY

Saturday, March 17, 7:30 pm

Baby Wants Candy is back for a third year! The fully improvised comedy troupe will kick-off with improv games involving guest participation, and then perform an on-the-spot musical. Entirely based on audience suggestion, the show is a roller-coaster ride of spontaneously choreographed dance numbers, rhyming verses, and witty, jaw-dropping comedy. Each performance acts as the opening and closing night – never seen before and never to be seen again. Admission: \$15. For more information: 715-365-4646 www.nicoletlive.com

ANIMATED FILM: THE IRON GIANT

Thursday, April 5, 7:30 pm

Set during the Cold War, a young boy discovers a giant metallic robot who fell from space. With the help of a beatnik artist, they attempt to prevent the U.S. military and a paranoid federal agent, from finding and destroying the giant. Enjoyed equally by children and adults, the film gathered a cult following and is widely regarded as a modern animated classic. Local film buffs Steven Schreier and Tom Jerow will present the film, facilitate discussion, and answer any questions. Admission: FREE. For more information: 715-365-4646 www.nicoletlive.com

THE NICOLET PLAYERS PRESENT:

A MIDSUMMER NIGHT'S DREAM

May 4-6 & 10-13, 7:30 pm/2 pm on Sundays

In one of Shakespeare's most beloved romantic comedies, four fantastic stories are woven together in a single fanciful night: the wedding of an Athenian Duke to his Queen; the comic misadventures of four lovers lost in the forest; an uproarious throw-down between the King and Queen of the Fairies; and the hilarious antics of a group of amateur actors. This fairytale fantasia proves what fools these mortals be, and that the course of true love never did run smooth. Auditions March 5 & 6. Admission: \$9 General Public / \$7 Students and Seniors. For more information: 715-365-4646 www.nicoletlive.com

Trump Signs Baldwin backed bipartisan legislation to overhaul VA appeals process into law
WASHINGTON, D.C. – Today, U.S. Senator Tammy Baldwin applauded President Trump signing the Veterans Appeals Improvement and Modernization Act of 2017 into law. Senator Baldwin had joined Senators Johnny Isakson (R-GA), Richard Blumenthal (D-CT) and 29 other Senators as cosponsors of the legislation, which will overhaul the current process for veterans' appeals at the Department of Veterans Affairs (VA).

The VA's current appeals process is in desperate need of updating, and nearly half a million veterans are in limbo because of the VA's existing backlog. Between fiscal year 2015 and fiscal year 2017, the number of pending appeals increased from approximately 380,000 to 470,000 – a more than 20 percent increase. The Veterans Appeals Improvement and Modernization Act of 2017 unanimously passed the House and Senate.

"The current VA appeals process is broken and needs to be fixed. Too many Wisconsin veterans are waiting too long – sometimes years – to hear back on their appeal," said Senator Baldwin. "This is a step forward in fixing the broken VA appeals process and providing veterans resources to live their lives."

The Veterans Appeals Improvement and Modernization Act of 2017 allows certain veterans already going through the appeals process to opt in to the new system and gives the VA secretary the authority to test facets of the new system prior to full implementation. The legislation also requires the VA to provide a comprehensive plan for both implementing the new system and processing the existing appeals.

Under the new process, veterans dissatisfied with the initial decisions on their claims will be able to:

- Seek a higher-level review by a regional office on the same evidence presented to the original claims processors;
- File a supplemental claim with a regional office that would include the opportunity to submit additional evidence; or
- Appeal directly to the Board of Veterans' Appeals, resulting in a possible hearing and/or the opportunity to submit additional evidence.

Engagement Announcement

Cleereman - Votis

Christine and Rick Pease of Crandon and Joseph and Angela Cleereman of Hortonville announce the engagement of their daughter, Savannah Darlene Cleereman to Dillon John Votis, son of Samantha Votis and Tony Votis, both of Crandon.

The bride-to-be is a 2011 graduate from Crandon High School and a 2013 graduate from North Central Technical College in Wausau. She is employed at St. Mary's Hospital as a surgical technologist.

The groom-to-be is also a 2011 graduate from Crandon High School and is employed as a Leary equipment operator with North East Asphalt in Greenville.

NWAR donates \$1,000 to New Hope Shelter

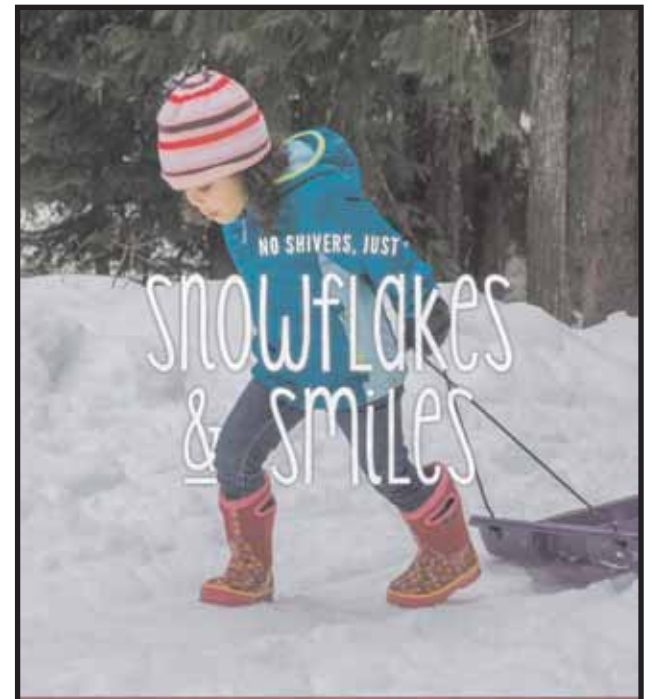

The Northwoods Association of Realtors recently renewed their pledge of support for New Hope Shelter & Transitional Housing in Crandon. NHSTH is a short term emergency residential program that provides homeless families, single women, and single men with up to 90 days of shelter and case management services.

Local realtors Amy Paikowski and Renee Irish stopped in to present a \$1000 check on behalf of NWAR members to New Hope Director Micah Dewing. Irish stated "We as Realtors understand that a home is more than just a building - it is a place of comfort, safety and warmth. It is our pleasure to help New Hope Shelter in their mission to ensure that all Northwoods residents have a place to call 'home'. To join Realtors in supporting New Hope Shelter, please visit: <http://www.newhopeshelter.net/>

I know you are upset that Easter is still 6 months away, but our 33rd birthday is on Monday, September 4th!!
